From the President

I hope everyone is enjoying their summer so far. It's a brand-new world we live in at the moment and adjusting to it isn't the easiest hurdle we've been given throughout our lives. But then, it's certainly not the most difficult either.

I always felt I was the type of person who adapted to change easily. Perhaps I still am... but these days I feel a certain modicum of resentment accompanying my attitude. When you feel like your independence has been challenged, when your personal routines are challenged, when, put simply, you can't do everything you want in the way that you want anymore, it takes a toll.

But then I think about the challenges of those that lived through a war, or a financial depression or the horrors of a concentration camp and I realize that in comparison having to wear a mask and restricting my social contacts isn't really so bad.

Mask up my friends...and stay safe!

Donna Thorn

MANAGER'S MESSAGE

By: Jane Jarlenski, CMCA, AMS, PCAM

Park Angel – The office received a phone call from a resident needing help with his weeding. He asked if we knew of anyone he could hire. The office sent an email to the Board of Directors and Facebook Administrator inquiring if they knew of anyone. A search was posted on Facebook and shortly afterwards an Angel visited the home and did the work needed – for free! When the resident arrived home and found his home had been weeded; he was so surprised and very grateful! A big thank you to our Park Angel – you know who you are!

Election Time – On August 18th, Clearwater Cascade will be hosting the 2020 Presidential Primary Elections in our clubhouse. We can expect heavier traffic than usual so watch out for those who do not know our community.

VOLO Village – This new communication tool should be operational when this newsletter arrives. Now everyone should be able to receive notification from the office by telephone, TEXT or email!

Survey – The Board of Directors prepared a survey to get your input. This was included with the notice regarding VOLO Village. Once you complete your survey, you can drop it in the mail slot on the office door (the office remains closed and open by appointment only). Please take a few minutes and complete the survey to let the board know your thoughts, it will

...continued on page 6

be much appreciated.

Bocce Court – Nidy Construction reconstructed the Bocce Court in the middle of July. I think Bocce players will be happy with the end results.

Shuffleboard Courts – New benches have been ordered for the shuffleboard courts; we expect them to arrive later this month. New sticks and pucks will be ordered in September so our shufflers will be all set this fall.

Business Office – New blinds have been ordered for the Office. This time the Board of Directors purchased roll down shades; they will provide an updated look for the office.

Access Control Cards – Bobbi has created over 300 Access Control Cards. Comments from residents have been positive, they are easy to use and will help ensure Clearwater Cascade does not have intruders in the common areas!

Craft Fair – Board member Sherri Bourque has been busy planning this falls' Craft Fair. There will be a food and an ice cream vendor this year!

FROM THE EDITOR

Happy mid-way-through summer. This is the flamingo issue. Enjoy!

Thank you so much to Mark Vetter for not only his beautiful pictures but also the research and information he is providing on our Facebook site. We are going to be the most knowledgeable park around.

Here is a challenge for you who live in our community year-round. How many of these pictures can you find on your travels through the park? Can you put a unit number with each one? Have fun. If you would like to send me how many you discovered, let me know by August 10th for the September edition. No unit numbers please unless you have permission from the owner.

FLORIDA RESIDENTS: ARE YOU READY TO VOTE BY MAIL IN AUGUST AND NOVEMBER?

By Allison Ross
State Accountability
Reporter
Published Jun. 22
Updated Jun. 22

Voting by mail is no new phenomenon in Florida. But it's getting renewed attention amid the coronavirus pandemic.

Here are some of the basic facts about how to request a mail ballot in Florida and how the process works.

How do I request a vote-by-mail ballot?

Voters can call or visit their county supervisor of elections office, fill out a written request and send it in, or fill out a request form online. Each county elections office in Florida has a link to an online vote-by-mail request form.

Voters will need to provide their name, address and date of birth. If the request is made in writing, they will also need to provide their signature.

After I register to vote by mail, when would I get my ballot?

County elections offices will begin mailing ballots to domestic voters beginning July 9 for the August primary.

Do I need an excuse to vote by mail?

No. Beginning in 2002, Florida began allowing anyone who wants a mail ballot to request one. You do not need to be out of town or sick or have any other excuse to request a ballot.

Is there a deadline to request a mail ballot?

Voters who want a ballot mailed to them must request one by no later than 5 p.m. on the 10th day prior to an election. However, voters can choose to pick up a mail ballot from their county elections office through the day before the election. (Voters can also request a mail ballot on Election Day in the event of an emergency.)

When would I need to return my completed mail ballot?

Mail-in ballots must be received – not postmarked – by 7 p.m. on Election Day in order to be counted. (There are some groups challenging this in court right now, pushing for an extension to when mail ballots can be received to be counted.) A May 29 letter from the U.S.

Postal Service about election mail noted that while most first-class mail is delivered in 2-5 days, “voters should mail their return ballots at least one week prior to the due date established by state law.”

Do I need to go out and get stamps just to vote this way?

Only some counties in Florida provide return postage on vote-by-mail ballots, although a growing number are opting to do so amid the coronavirus pandemic. For those that don’t, postage costs can vary.

Both Pinellas and Pasco counties are starting to pay for return postage amid the pandemic, while Hillsborough County has already been paying for return postage for a number of years. Hernando County does not currently pay for return postage for mail ballots.

But while the U.S. Postal Service stresses that appropriate postage be affixed, it has long had a policy of not delaying election mail due to insufficient postage. In many cases when that happens, the post office will deliver the mail and charge the county elections office.

How would I know whether my ballot was counted?

After putting their filled-in ballot in the mail, voters can track online to see whether their county supervisor of elections office has received their mailed ballots.

WHEN TREATING A HEART ATTACK OR STROKE, TIME IS OF THE ESSENCE. EVEN DURING THESE TIMES.

Don't hesitate when it comes to getting emergency treatment.

Even during a pandemic, you still need to be treated immediately if you have an emergency. Debating whether or not to risk going to an emergency room during a heart attack, stroke or other health emergency—waiting even a few extra minutes—could be harmful. That's why in all BayCare hospital emergency rooms, patients who have symptoms of COVID-19 are isolated from other patients. This helps keep emergency room patients and our team members safe. So if it's an emergency, don't wait. **For more information: [BayCareEmergencyCare.org](https://www.baycare.org/emergency)**

August Recipes

Shrimp or Crab Meat Mold

Submitted by Gay Foreman

- 1 can of tomato soup (undiluted)
- 1 envelope gelatin in $\frac{1}{4}$ cup cold water
- 1 – 3oz package cream cheese
- 1 cup mayonnaise
- $\frac{3}{4}$ cup each of finely chopped celery and green onion
- 1 tbs seasoned salt
- 5 or 6 caps of lemon juice
- Pepper to taste
- 2 small cans of broken pieces or very small shrimp or crab meat rinsed
- Soak gelatin in water.
- Heat soup to boiling
- Add cream cheese and stir until completely dissolved
- Over low heat add gelatin, stirring constantly. Cool
- Add mayo, seasonings, celery, onion lemon juice, shrimp or carb meat
- Pour into oiled mold
- Chill and serve with crackers – e.g. Ritz

Banana Bread

Submitted by Cindy Ventura

- 2 cups all-purpose flour
- 1 1/2 teaspoons baking powder
- 1/2 teaspoon baking soda
- 1/4 teaspoon salt
- 1/4 teaspoon cinnamon
- 1/8 teaspoon ground nutmeg
- 2 eggs, beaten
- 1 1/2 cups mashed bananas (5 medium)
- 1 cup sugar
- 1/2 cup cooking oil OR melted butter OR margarine
- NOTE: I used vegetable oil
- 1/4 cup chopped walnuts (I use more)

Preheat oven to 350 degrees

Grease bottom and 1/2 way up sides of a 9x5x3 OR two 7 1/2x3 1/2x2 inch loaf pans (I use the 2 smaller pans)

In a large bowl combine flour, baking powder, baking soda, salt, cinnamon and nutmeg. Make a bowl in the center of dry mix.

In a separate bowl mash bananas with sugar. Add eggs and oil. When combined add to dry mixture and stir until batter is moist. Fold in nuts. Spoon into pan(s).

NOTE: Since I'm diabetic, I use the smaller pans and give one loaf away.

NOTE: I learned from a neighbor to sprinkle the top of the bread with sugar before baking. The top DOES NOT BURN if you do this.

Bake 55 to 60 minutes in the 9x5x3 pan OR 40 to 45 minutes in the smaller pans or until a wooden toothpick comes out clean.

Cool in pan(s) on a wire rack for 10 minutes. Then remove from pan(s) and cool completely on the rack.

Wrap and store overnight before slicing.

This is my new recipe as I lost the cookbook I usually use when hurricane IRMA came through the park. But change is good. I like the different spices in this one.

COMMITTEES

BEAUTIFICATION

Happy August, Everyone! Hope you are all enjoying the Christmas in July goings on as much as I have! I have been in good ole PA for the past month, so the next time you see myself or Karl, we will be official Florida residents. While I've been busy packing up a house that we've been in for 45 years, Karl has been busy trying to take care of the park by himself - THANKS KARL! I understand the rainy season has not shown up in our immediate area, so we've had quite a number of plants die. These, of course, will be replaced. When you look around the park and it is not as beautiful as it should be, please be patient - it's a lot of work for one or even two people.

You may have also heard that a good number of lots in the park have been reserved for new homes in the past month. Think about how much nicer it will be with more beautified yards to look at when on our walks or bike rides - I can't wait!

Till I see you again, enjoy your Summer and may your world be beautiful!

Donna Miller
Beautification Chair

Nine Important Facts To Remember As We Grow Older

- #9 Death is the number 1 killer in the world.
- #8 Life is sexually transmitted.
- #7 Good health is merely the slowest possible rate at which one can die.
- #6 Men have 2 motivations: hunger and hanky panky, and they can't tell them apart. If you see a gleam in his eyes, make him a sandwich.
- #5 Give a person a fish and you feed them for a day. Teach a person to use the Internet and they won't bother you for weeks, months, maybe years.
- #4 Health nuts are going to feel stupid someday, lying in the hospital, dying of nothing.
- #3 All of us could take a lesson from the weather. It pays no attention to criticism.
- #2 In the 60's, people took acid to make the world weird. Now the world is weird, and people take Prozac to make it normal.
- #1 I forgot. Just one of those senior moments.

Save Money on Energy Costs

Summer in Florida means higher electric bills! To reduce electric bill costs, Duke Energy suggest the following:

1. Set you A/C to 78 degrees or higher. Since the air conditioner is the largest consumer of energy, by setting the thermostat to 78 degrees or higher will save up to 10 percent on cooling costs. Homeowners can save approximately \$300 in cost each year. It is also important to have your A/C inspected annually and replace the filters regularly.
2. Use Ceiling fans. A ceiling fan will make you feel several degrees cooler without lower the temperature. Try setting it to circulate counter-clockwise during the summer; it will push more air down to the floor.
3. Adjust the water heater. Just by setting the water heater temperature to 120 degrees rather than 140 degrees can save an average of \$85.00 per year.
4. Use an outdoor grill. Cooking outside on the grill instead of using the oven will reduce energy costs too.
5. Upgrade kitchen appliances. Energy-Star qualified washing machines, refrigerators and dishwashers can reduce energy cost from 10 to 50 percent over non-energy efficient appliance.

FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,
The Florida Anchor & Barrier Team

Precision Vapor Barriers

Have You Looked UNDER Your Home Lately? **PROTECT YOUR HOME**

Fix Small Problems Today Before They Cause Serious Damage!

We will inspect and photograph any issues, showing you pictures of the underside of your home. Damaged & worn vapor barriers can create high energy costs and allow mold & mildew to grow and weaken your sub floor creating "Soft Spots". Keep Mold, Moisture & Animals out of your Home.

Repairs will be made quickly and include a **20 Year Transferable Warranty!**

10% MILITARY DISCOUNT
