From The Editor

By Donna Thorn

Well, summer has finally arrived in Ontario...for the moment anyway. We have seen so much rain here I was beginning to think we might reach the forty days and forty night mark!

This month's edition contains another Mystery Plaque article and an article on your monthly Karaoke hosts. I hope you enjoy them!

I will say again – if there is someone YOU would like to read about – just drop me a line with your suggestion.

Shout out to the office staff on the new Directory, and thanks for sending me one!

Summer flies by quickly – before long we'll be back in Clearwater Cascade enjoying the camaraderie of our Florida friends!

Look after yourselves and each other!

Donna

FROM THE PRESIDENT

By Carol Blair

By the time you receive this message I will be back in Clearwater Cascade.

- The small pool is under renovation and should be completed by July 4th.
- We have ordered lights for the compound and they should be installed in JULY.
- New ceiling fans and lights are being installed in the library.
- We are working with Alexander's to solve the grass issues.
- We are looking at construction permits to begin construction on the grill area.
- Violation notices have been sent out for weeds and power washing. Remember, even if you are out of town it is your responsibility to keep your yard and house in good shape for the residents who live here full time.
- The 911 phones are being installed.
- At the start of the year we had 11 goals. We have complete 5 or 6 of these and hope to complete the others by the end of the year.

Remember to check on your neighbors to see if they are well or in need of some assistance. Have a happy 4th. Be safe and I will see you soon.

Thank You.
Carol

From The Office

By Nancy Haynes, LCAM

WELCOME IRIS ROBINSON!

Iris is our new Admin Assistant in the office. Vanessah Lualhati, before returning to California, has been training Iris for a month. We ask that you are patient with us while she continues the learning process. She has extensive experience and will be a great addition to our staff at Clearwater Cascade.

Iris emigrated from Panama to Miami in 2005 where she lived for eight years, learning English while working in the U.S. All of her family are still in her native country. She moved to our area four years ago and settled in Gulfport because she likes to be near the beach. She has her real estate license that she keeps current and loves to play pool.

GUESTS/VISITORS

Guests are defined as a person who is here to be with you for the day, not overnight.

Visitors are defined as someone “invited to stay with a resident for up to 31 days per calendar year.”

Whether you have a day guest or an overnight visitor for a few days and they are going to use the pool, you need to register them at the office and get guest passes for them. If your visitors are staying in your home without you, you will need to notify the office in writing that they will be arriving. This is to protect the owners so that we are aware of who is staying in your home. As written in the rules, they can be here two nights without registering them but if they are using any of the amenities, they need to be registered and have a guest pass regardless of length of stay. Guest passes are not to be given permanently to someone local to take home with them so that they can utilize our facilities at their whim (this has been happening). Our facilities are meant to be used for visiting guests (preferably with the resident). Did you know that the passes are different colors for each month? We now have placed labels on the back of all our guest passes so that it is clear which month that particular pass is intended. We have had a number of instances where outsiders have been caught in our spa and pools, with and without passes. Please assist us in keeping our amenities safe and secure for just residents and their registered visitors.

HANDICAPPED PARKING

We ask that you only use the handicapped parking spots if you have a handicapped license plate or a registered handicapped tag. Please have the tag showing on your rearview mirror or on your golf cart when using the space. We appreciate the consideration for those who truly need those spots.

NO MOW SIGNS

If you are currently on the NO MOW LIST, we have small metal signs with a “No Mow” symbol for you to display on Thursdays, our “cut day”. We will be distributing them to those on the No Mow List who come in at no charge on a “first come, first served” basis. You will have to attach it to a ‘post’ yourself and can only display it on Thursdays. You can have up to two signs, one for the front and one for the back if you desire.

Mystery Plaque Number Four

Joe Zurla

I have read interviews on occasion where the interviewer will ask the question – if you could meet anyone at all – living or dead – who would you choose. Well, I think I would have to add the name Joe Zurla to my list. He sounds like an incredible fellow with a wicked sense of humor and an unending sense of community.

Here’s what I have discovered about Joe.

- He had two children, Denise and Joe Jr. (Bud) and six grandchildren, all of whom reside in New Jersey, where Joe was originally from.
- He came to our Park in the early 1980’s and resided here until he passed in 2012 at the age of 89.
- He was the most special friend of our Bonnie Keck for 20 years and in fact they both sold their single units and bought a double wide in the last few years of Joe’s life so that Bonnie could provide the help Joe needed in those last few years.

This man was a whirlwind of accomplishments! His contributions to the Park include:

- He was responsible for getting wind screening around the pool and until his health issues he was the one who put up the screening in the fall and washed it and took it down in the spring.
- He was responsible for the installation of our bocce court. Joe had to collect signatures of residents who would use the court to accomplish this. He was also the one who set up the bocce league and took care of it until ill health prevailed.

In both of these cases he had to convince the owner (before we were resident owned) to accomplish these goals. Must have been a smooth talker!

- When he was told that the only thing wrong with our Park were the metal chairs in the clubhouse – he decided to start a pancake breakfast on the 2nd Saturday of every month with the profits going toward the purchase of new chairs. Once he had bought all the chairs he continued the breakfasts and started saving for other things like new chairs for the pool area.

- He organized a neighborhood watch program with Park residents patrolling the park at night in their own cars along with the Park patrol.
He was also a quite a social butterfly.
- He stepped in to help with the Christmas Bazaar one year and at the completion he bought a gift for each lady that had helped. What a gentleman!
- After the Thanksgiving dinner each year Joe would save the turkey bones and in January he would make turkey soup and hold a Soup and Sandwich night in the clubhouse. It was always well attended.
- He started a Spaghetti night in the clubhouse
- At the annual Christmas Party he orchestrated a twelve days of Christmas routine with all the people in the clubhouse divided into groups and participating. I've heard it was the most fun!
- He served as President of the Golf Club for several years.
- He served as President of the Social Club for a couple of years.
- He organized the Horse Race event held at the clubhouse each year.

One small plaque – one very big man! Here's to You Joe!

My thanks to Bonnie Keck and Diane Nyp for their help in providing me details for this article.

July Birthdays

Born July 1-22 you are Cancer. You are loyal, dependable, responsive but can be self-absorbed.

Happy Birthday to Susan Hamel on July 7th.

Born July 23 to 31 you are Leo. You are confident, loyal, generous but can be stubborn and domineering. Happy Birthday to Donna Thorn (that's me!) on July 25th.

Now if you are born on the cusp...you get both traits. Happy Birthday Nancy Schlaff on July 22nd.

Safety

By Gary Ryan

Hello to all my friends. I am trying to figure out why I left!

I am hoping to be down some time this month. I hope you are all safe keeping your doors locked.

See you soon.

Here's an idea suggested by a Park resident

We should have a meet and greet in January inviting all newcomers to the Park in the past six months to come and meet their neighbors. Perhaps it could be hosted by the Board of Directors.

I think that's a great idea! Any comments on this idea?

KARAOKE

By Connie Luka

Here are the upcoming dates for Karaoke –July 22nd, August 19th, Sept. 24th, October 21st and November 18th. Mark your calendars!

Come out and enjoy a fun evening of singing and laughter. Everyone is welcome!

Just a little bit about your karaoke hosts...Dan and Connie Luka

Dan and Connie live on Canal Street and they are a very active couple in our little community. They “shuffle”. They take part in the annual Variety show and the Christmas Social. Connie is our resident go to travel lady and has served on the Board of Directors. They have a very active family and a large social group that enjoy dinners out together.

But one of the things that they enjoy the most is the monthly fun karaoke night in the clubhouse.

They started hosting karaoke evenings in their home about six years ago and have an abundance of equipment that they use to make the evenings so enjoyable. When the crowds got bigger they moved to our clubhouse.

They have seen as little as 15 and as many as 65 residents in attendance. (Watch your bulletin boards and newsletter for upcoming dates.)

The family musical background is limited. Connie’s dad played the washboard in a band back in his youth and her brother owned a bar and sang on stage with a band back in the sixties.

Their love of music has definitely been passed on to the their kids. Their son Kenny plays the guitar, writes music and sings and their daughter Mary has a beautiful voice. Or so I’ve heard – she will not perform in public. I live in hope though Mary!

Connie says her favorite song to perform is “At Last”. It’s my favorite too Connie...for you to perform! Gives me chills.

Dan’s favorite is “If I Only Had A Brain”. He performed this at the annual variety show this year and was a hit, as always.

You can see them perform these and many more along with the rest of the karaoke crew.

Thanks Dan and Connie for your efforts to bring some fun, laughter and music to Clearwater Cascade. You are an awesome couple of neighbors!

**Mark your calendars and come join the fun.
It’s Free and it’s Fabulous!**

Library News

By Pat Jackson

Our esteemed librarian is away on vacation in search of family, old friends and BIG chairs.

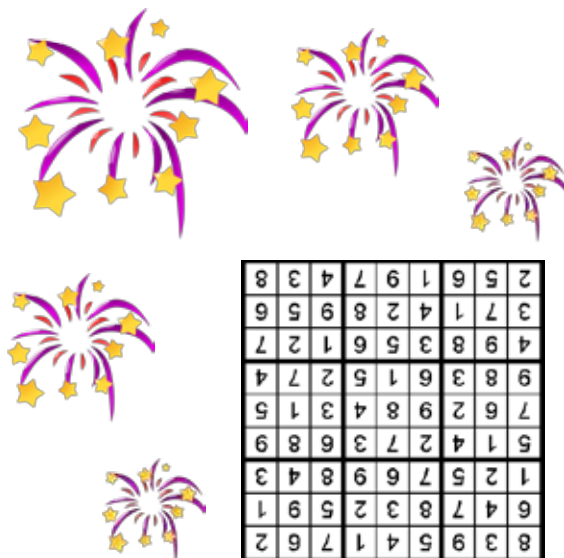

I offer on her behalf a quote from Thomas Carlyle.

“All that mankind has done, thought or been is lying in magic preservation in the pages of books”

3	7	1	4	2	8	9	5	6
2	5	6	1	9	7	4	3	8

Did you know that July is also...

National Cell Phone Courtesy Month. As the cell phone has developed into the smartphone, it's become one of the biggest distractions of all time. National Cell Phone Courtesy Month was founded in 2002 with the intent of making cell phone users more respectful of their surroundings.

Eye Injury Prevention Month. According to the American Academy of Ophthalmology, an estimated 90 percent of eye injuries are preventable with the use of proper safety eyewear. Even a minor injury to the cornea from a small particle of dust or debris can be painful and become a lifelong issue, so take the extra precaution and always protect your eyes.

Independent Retailer Month. Independent Retailer Month encourages consumers to shop at independent retailers locally, nationally and globally. Support and shop at independent retailers year round and use July as a time to unite as a celebration for the independent retailers across the country and in your community.

National Farriers Week, July 9-15. Honoring the men and women who care for and maintain the hooves of horses, a highly specialized trade that requires skill in hoof care, blacksmithing, and the care of injured and diseased hooves.

Captive Nations Week, July 16-22. A week aimed at raising public awareness of the oppression of nations under the control of Communist and other nondemocratic governments. It began in 1953 and declared by a congressional resolution and was signed into law by President Dwight D. Eisenhower in 1959.

National Parenting Gifted Children Week, July 16-22. Parents of gifted children need special understanding in order to raise and advocate for the social and emotional needs of their unique children. NPGC Week celebrates the joys and challenges of raising, guiding, and supporting bright young minds.

Canada Day, July 1. A national holiday celebrating the Constitution Act of 1867, which united the separate colonies of Canada, Nova Scotia, and New Brunswick into a single dominion within the British Empire called Canada.

Independence Day, July 4. The date of the Declaration of Independence, formally announcing the separation of the original 13 colonies of the United States from Great Britain.

Official Shark Awareness Day, July 14. Much as we love to fear this predator of the seas, the shark has a key role to play in keeping marine ecosystems in balance.

National Mutt Day, July 31. Also known as National Mixed Breed Dog Day, National Mutt Day is all about embracing, saving, and celebrating mixed-breed dogs. (It's also celebrated on Dec. 2.)
