## FROM THE PRESIDENT OF THE ACTIVITIES ASSOCIATION

---

**W**hat a great Season we have had at Crosswinds !!! We have laughed and played all season and it has now come to an end. It is time for the Snowbirds to head back up North for the Summer.

I want to thank everyone who contributed in any way to the events that have taken place. The success of our events is contributed to all of you and the parts you play. The Bird groups work very hard to make their month special. The next time you see someone from a Bird Group, tell them THANK YOU for the time and effort it takes to make an event happen at Crosswinds. We have 5 Bird Groups, each consisting of people who live at Crosswinds and give their time and talents so we can have successful seasons every year. If you don't belong to a Bird Group, check them out and join one. The more people who share the work lightens the load for everyone. It is a great way to get to know other people as well and make new friends.

I know this past couple of months have been a challenge to get tickets for dinners, but, due to the Fire Marshall regulations for the number of tickets we can sell and also we are limited to cooking large meals in a small kitchen without cooking facilities, the tickets sell out quickly. We apologize to those of you who have not been able to get tickets due to them being sold out, we are trying hard to make it better for next year, so please bear with us as we try to come up with ideas so we can accomodate more people and sell more tickets to the dinners.

By the time this Chronicle is in circulation we will have had an election for our Activities Board and maybe we will have a new President and Treasurer. I have truly enjoyed my term as President and want to thank all of you who have encouraged me. I want to especially thank Agi, 1st Vice President, Louisa, 2nd Vice President, Margaret, Treasurer and Suzanne, Secretary, who carried on all the work while I was not able to be here for several weeks at a time, both this year and last. Through phone calls and emails they carried on and for most of you, you probably didn't know they worked without their President, but, they worked very hard and carried the extra load and I say a big THANK YOU, to all of you. I also want you to know it has been my privilege to serve you as President of Activities for the past 2 years. We have seen many changes and lots of new faces. Our seasons are full of things to do. One should never be bored here in the Winter Season. Thank you again for allowing me the honour of serving you. We look forward to next year for bigger and better things.

God Bless all of you as you return home and we look forward to seeing all of you next Season. It is hard to say Goodbye, we do become like family here, we look after each other, but, it is nice to greet each other again in a new season.

Pat Brown  
President CMHP Activities Assn.

### **An Obituary printed in the London Times.....Absolutely Dead Brilliant!!**

Today we mourn the passing of a beloved old friend, Common Sense, who has been with us for many years. No one knows for sure how old he was, since his birth records were long ago lost in bureaucratic red tape. He will be remembered as having cultivated such valuable lessons as:

- Knowing when to come in out of the rain;
- Why the early bird gets the worm;
- Life isn't always fair;
- And maybe it was my fault.

Common Sense lived by simple, sound financial policies (don't spend more than you can earn) and reliable strategies (adults, not children, are in charge).

His health began to deteriorate rapidly when well-intentioned but overbearing regulations were set in place. Reports of a 6-year-old boy charged with sexual harassment for kissing a classmate; teens suspended from school for using mouthwash after lunch; and a teacher fired for reprimanding an unruly student, only worsened his condition.

Common Sense lost ground when parents attacked teachers for doing the job that they themselves had failed to do in disciplining their unruly children.

It declined even further when schools were required to get parental consent to administer sun lotion or an aspirin to a student; but could not inform parents when a student became pregnant and wanted to have an abortion.

Common Sense lost the will to live as the churches became businesses; and criminals received better treatment than their victims.

Common Sense took a beating when you couldn't defend yourself from a burglar in your own home and the burglar could sue you for assault.

Common Sense finally gave up the will to live, after a woman failed to realize that a steaming cup of coffee was hot. She spilled a little in her lap, and was promptly awarded a huge settlement.

Common Sense was preceded in death,

- by his parents, Truth and Trust,
- by his wife, Discretion,
- by his daughter, Responsibility,
- and by his son, Reason.

He is survived by his 5 stepbrothers;

- I Know My Rights
- I Want It Now
- Someone Else Is To Blame
- I'm A Victim
- Pay me for Doing Nothing

Not many attended his funeral because so few realized he was gone.

If you still remember him, pass this on. If not, join the majority.  
and do nothing.

## Pauline's 100th Birthday

*Pat Brown, President of the Activities Association*

**O**n March 1st a special celebration was held by the CMHP Activities Association, to honour Pauline Yorton and celebrate her upcoming 100th Birthday.

It was a beautiful, sunshiny day and Pauline was escorted to the Main Hall via 5th Street by Doug Peers and was led up the street by Piper Greg Nicolosi. There were people who lined the street to cheer her on and she said she felt very special.

At the hall friends and family gathered for a great party. Pauline's daughter, Laura, spoke about the family and shared their history with CMHP. A slideshow of past and present pictures was shown by Margaret McNaughton. Jim Simpson sang 2 songs for Pauline, which she loved. Jane McMillan played the piano for a sing along with some of Pauline's favorite pieces. Ann Connelly and Herbie Wacker also had some special pieces to sing for Pauline. Pam Fairclough put together a selection of era songs which were played throughout the afternoon. A beautiful lunch was supplied and prepared by many residents of the park. A cake with butterflies on it was shared to honor her 100th Birthday.

Pauline's actual birthday will be June 28th. Pauline gave a beautiful speech thanking everyone for such a special celebration. We wish her a wonderful summer as we each head back up North to our families and homes and that her June 28th Birthday will be another special event for her. We look forward to seeing everyone again for the 2015-2016 Season at Crosswinds Mobile Home Park.
