### DARTS

Submitted by Margaret Deguire

ello and welcome back to Crosswinds Park. I would like to ask everyone interested in playing darts this year to come to the big hall at 7 p.m. on Wednesday December 10th, to register. The cost will be \$15.00 again this year. Hopefully we will be able to play 10 weeks this year.

If you have never played darts and would like to join us you are very welcome. We will help you all we can. It is not hard to toss darts, as long as you can hit the board you are ok.

We play for fun and if we win it is a bonus. No one gets laughed at or teased. We all miss the board now and then. COME JOIN THE FUN!

# December Is...

National Impaired Driving Prevention Month. Get home safely from your holiday parties this month—and remember safe driving habits all through the year. December was designated National Impaired Driving Prevention Month in a presidential proclamation in 2011 to "address the serious and growing threat drunk, drugged, and distracted driving poses to all Americans."

**Safe Toys and Gifts Month.** Shopping for toys for Christmas, Hanukkah, or other holidays? Think about safety. Every year, toymakers around the world recall millions of toys due to safety concerns like lead paint and small magnets. Choose toys that are safe for the age of the child so everyone can enjoy a happy holiday.

**Universal Human Rights Month.** Universal Human Rights Month is dedicated to sharing information about human rights and distributing copies of the Universal Declaration of Human Rights throughout the world in English and other languages. The declaration was adopted by the U.N. General Assembly on Dec. 10, 1948.

**National Stress-Free Family Holidays Month.** Don't let the stress of the holiday season get you down. Instead of driving yourself crazy trying to create the "perfect" holiday, identify what's truly important to you, your family, and your friends, and develop holiday traditions that are uniquely your own.

# Don't sabotage your workout

You could be sabotaging yourself without realizing it. Whether you go to a fancy health club or simply exercise at home, don't undercut your progress with these mistakes:

- Not warming up properly. Without a thorough warm-up, you won't get all 'the benefits of a good workout, and you increase your chances of injury. Don't leap right into exercise—get your muscles ready to work.
- Consuming the wrong calories. Energy drinks and power bars may seem healthier than soda and chocolate, but they still add unwanted calories. Keep up your energy with fruits and vegetables, not trendy sports beverages or massive bran muffins.
