ARTICLE FOR NOVEMBER

Submitted by Pat Brown, President

Welcome back to Crosswinds everyone. We are about to embark on another season of Fun in The Sun. This season will be filled with lots of things for everyone. Soon all the activities will be under way. We have Shuffleboard, make sure you sign up for all the shuffleboard activities which are many every year. We have A new Horseshoe Pit and we would love to have someone organize horseshoes for this winter. If you would like to do that, please contact one of the Activity board members. Of course, we can't forget Jim's card games, Euchre on Monday nights and Cribbage on Thursday nights. Bridge will be starting soon, Tuesday morning, Wednesday morning lessons and Play Bridge on Wednesday evenings. We also have Darts on Wednesday evening and Bingo on Tuesday nights. Interdenominational Church is every Sunday morning at 10:00 at the main hall. Last year we also put in a new Bocci Court and would love to see some teams organized for that as well. We will try to arrange for some Bocci lessons this year so we can make full use of that court. There is a full schedule, as well as a once a month Dinner with entertainment and also a monthly dance that is put on by the monthly Bird Groups. If you are not currently a member of a Bird Group I would encourage you to put your name forth and we will sign you up to be part of one. You can contact one of the Board members and they will be happy to help you with that. The first Saturday of Dec is our annual Christmas Parade and party, the 2nd Sunday is the annual Christmas Tea when we bring pyjamas and books for children and they will be given to a local food bank for distribution. We have a New Years' Eve Celebration as well. In March this year the Activities Appreciation Day will be a Luau, so dig out your costumes and look for another great event for everyone who lives in the park. A monthly bulletin is distributed to every house and we recommend you keep it on your fridge where you can check it daily.

We have our monthly Activity Association Meeting on the 2nd Tuesday of the month, where we discuss various aspects of activities. You are a member if you live at Crosswinds and you are invited to make suggestions and vote at all the monthly meetings. Our Activities Board consists of a President: Pat Brown; Vice President-Agi Wacker; Secretary- Suzanne Roy; Treasurer-Margaret McNaughton; 2nd Vice- Louisa Rice. Terms of office are for 2 years. In March we will have an election for President and Treasurer, so if you would be interested in taking on one of those positions, this is the time to think about it and get involved to see how everything works.

We can't wait to get back to Crosswinds and get everything up and running. We hope you have all had a wonderful summer and we look forward to an even greater Winter Season 2014-2015.

PROPOSAL FOR SHARE OFFERING

The Board of Directors is considering the following share offering. The final proposal will be presented to the shareholders at the January 2015 annual meeting. The intention of this communication is to provide information to all residents of Crosswinds for the purpose of obtaining feedback to the Board before the final proposal is determined. This is not the final proposal.

PROPOSAL: To rename a specific number of common shares “Convertible” shares. The value of one common share remains \$35,000. The value of a “convertible” share will be \$25,000. The owner of a “convertible” share will enjoy the same benefits of ownership as the owner of a common share with one specific difference: The monthly maintenance fee for a “convertible” share will be set at \$100 plus the monthly maintenance fee for a common share, which currently is \$150.

A purchaser of a convertible share can convert his share to a common share upon an additional payment of the \$10,000 which is the difference in share price between the two shares, and then the maintenance fee would revert to that of the common share.

Along with this share offering, the Board is considering financing options for potential purchasers.

The Board is also considering an incentive plan for potential purchasers of new mobile homes for Crosswinds: an incentive that can be applied to the post-construction costs of a new mobile home; for example paved driveway, skirting, shed, contingent upon the purchase of one common share, \$35,000. This incentive plan would be available to current residents of Crosswinds subject to Board acceptance as well as potential new residents subject to Board acceptance and approval for ownership and residency.

I will hold a meeting at the Large Hall on November 14 at 10 am to discuss this proposal. This meeting will be open to all residents of Crosswinds and the Board is open to input from both Shareholders and Homeowners.

Glenys Forrester, Treasurer

DARTS

Submitted by Margaret Dequire

Hello and welcome back to Crosswinds Park. I would like to ask everyone interested in playing darts this year to come to the big hall at 7 p.m. on Wednesday December 10th, to register. The cost will be \$15.00 again this year. Hopefully we will be able to play 10 weeks this year. If you have never played darts and would like to join us you are very welcome. We will help you all we can. It is not hard to toss darts, as long as you can hit the board you are ok. We play for fun and if we win it is a bonus. No one gets laughed at or teased. We all miss the board now and then. **COME JOIN THE FUN!**

Delivery of Chronicle and Monthly Bulletins at Crosswinds

We'd like to thank our volunteers Charley & Cindy Hankel of lot 209 for delivering the Chronicle and monthly bulletins. They've been delivering since last year and their help is greatly appreciated!

Free Roaming Cats

Some residents are feeding stray cats that are roaming the park. Please stop feeding these cats because it will only create more problems. Controlling the population is crucial because a female cat can have three litters a year. Their offspring can then have litters and so on. These cats can spread disease to other animals, such as panleukemia, a virus which is rampant in the feral population. Panleukopenia virus is present wherever there are susceptible animals. Mink, ferrets, raccoons, and wild cats all serve as a reservoir. The virus is highly contagious. It is spread by direct contact with infected animals or their secretions. Contaminated food dishes, bedding, litter boxes, and the clothes or hands of people who have treated an infected cat are other routes of exposure. The Office can provide traps to capture the stray cats in the Park. The following article gives details regarding roaming cats in Pinellas County. In October 2008, the Pinellas County Board of Commissioners approved a Citizen's Working Study Group to study the issues, problems, prevention, and solutions regarding the feral cat population in Pinellas County. Members from a wide variety of concerned groups of stakeholders were recruited and the work of this group continued through October 2009. The Citizens' Working Group on Feral and Free-Roaming Cats presented the following recommendations that were approved by the

...continued on page 10

...free roaming cats from page 9

Pinellas County Board of County Commissioners:

1. Approve the Establishment of a Feral and Free-Roaming Cat Initiative in Pinellas County, Florida that accomplishes the following:
 - Humanely reduces the current feral cat population,
 - Prevents free-roaming cats from becoming feral,
 - Encourages and elevates the status of feral and free-roaming cats back to that of a companion/pet with a residence and responsible owner/family.
2. Promoting and participating in our Groups ongoing education campaign that emphasizes the following points: necessity of early spay/neuter (by 5 months of age for kittens), benefits (to the cats, wildlife, and community) of keeping cats indoors, and the availability of low cost spay/neuter programs. Since the Group recognizes the budgetary limitations of the county, we recommend that you provide input and advice to this campaign through existing resources (veterinary and media experts, county websites, flyers in utility bills, etc...).
3. Continuing to support and potentially expand the current spay/neuter programs of Animal Services (including the Animobile) directed towards low income citizens. Encourage humane organizations and local veterinarians to participate in similar programs and publicly recognize them for their contributions. The Board is also highly encouraged to explore the possibility of sharing county resources such as the Animobile with humane organizations conducting such programs.
4. Continuing to support the current animal control code that requires owners to vaccinate, license, and prevent their cats from roaming free. This code also discourages leaving food or garbage outside where it attracts a variety of animals and encourages cats to free-roam and gravitate toward a feral existence.
5. The Group recognizes that some of the county's citizens are deeply invested, both financially and emotionally, in the well being of feral cats and actively participate in programs that trap, neuter and return these cats to the environment. Common sense tells us that if cats are already at large it is better that they be sterilized rather than fertile and vaccinated rather than non-vaccinated; however, BOCC support or opposition to TNR programs would continue the controversy and this may or may not be in the interest of the BOCC. We recommend, rather, that you encourage private humane organizations to interact with those citizens involved in such programs in order to work towards common goals that are in the interest of the BOCC and citizens of Pinellas County. Our Group, on your behalf, has identified these goals as ones that humanely reduce the total number of free-roaming and feral cats in the county, encourage responsible ownership of all cats, minimize nuisance complaints attributed to free roaming cats, protect the health and safety of our citizens, protect the welfare of all cats as domestic and companion animals and gives protection to our wildlife and encourages a peaceful co-existence between domestic cats and wildlife and among the residents of Pinellas County.

Your Home Lately? **YOUR HOME**

**Fix Small Problems Today
Before They Cause Serious Damage!**

We will inspect and photograph any issues, showing you pictures of the underside of your home. Damaged & worn vapor barriers can create high energy costs and allow mold & mildew to grow and weaken your sub floor creating "Soft Spots". Keep Mold, Moisture & Animals out of your Home.

Repairs will be made quickly and include a
20 Year Transferable Warranty!
