## EDITOR'S NOTES

---

I can't believe it's August already! The summer is flying by.

HEADS UP: NO AUGUST HOA MEETING and we ARE having a Potluck Dinner on August 7th @ 6pm. Mark your calendars and join us for some food and conversation.

## Funny of the Day:

---

I would like to start this for each month. If you have a funny, a tear jerker, or an inspirational message, we would love to hear from you. Please send your story to [wdwisgreat@gmail.com](mailto:wdwisgreat@gmail.com) and it will be reviewed and put in an upcoming Couier.

We want to make this OUR Newsletter. So join in the fun!

We will start with this one:

Three sisters age 92, 94 and 96 live in a house together.

One night the 96 year old draws a bath, puts her foot in and pauses.

She yells down the stairs, "Was I getting in or out of the bath?"

The 94 year old yells back, "I don't know, I'll come up and see."

She starts up the stairs and pauses, then she yells,

"Was I going up the stairs or coming down?"

The 92 year old was sitting at the kitchen table having tea listening to her sisters. She shakes her head and says,

"I sure hope I never get that forgetful." She knocks

on wood for good measure. She then yells,

"I'll come up and help both of you as soon as I see who's at the door."

If anyone has any ideas for events please let us know so we can fill up our calendar.

## Facebook Page for Crystal Lake Homeowners

---

**W**e have a Facebook Page!! You can be invited or ask to join. If you have a Facebook account you can go to **"Crystal Lake MHP Homeowners"**. We would love you keep you informed on what's up in the neighborhood.

You will get info on water shut offs, event reminders. All kinds of info that will bring us closer as a community.

## HURRICANE INFORMATION

---

**A**s we all know we are in hurricane season again. Be prepared!!  
If there is a tornado heading for our area and we need to find shelter, know that the clubhouse is our safe haven. The clubhouse is never to be used for a hurricane shelter!

If we are under a hurricane warning, you must have an evacuation plan ready to use at the drop of a hat. Know that when there is a warning for our area, there will be a mandatory evacuation for our neighborhood starting at a Category 1.

Here is a copy of the website for you to check your location. Remember, if you are disabled or have a pet, you **MUST** register with the shelter beforehand or they can not guarantee you a spot. They do fill up quickly, so I highly recommend contacting them ASAP.

The website is: [pinellascounty.org](http://pinellascounty.org) or call (727) 464-3800 to get a copy of the brochure.

## HOUSE KEEPING

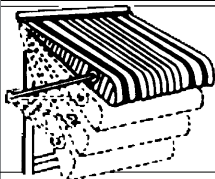

---

**T**he neighborhood is looking pretty good, if the lawn guys could keep up it would be even better. Please keep up on your curb appeal. It looks so much nicer than it has in a long time. Thank you to all who take the time to make their homes neat and clean.

The weekend of the 4th of July there was a neighborhood yard sale. Hope everyone did well. There was an issue with the items being left out in the carports and on the lawn for weeks after.

Please bring all your items back inside or cover them to the back of the carport so we don't have to look at it. Remember we all want to live in a clean and pleasantly maintained neighborhood.

# HOME OWNERS ASSOCIATION UPDATES

No updates at this time. Enjoy your summer.

## HERE ARE THE RESPONSIBILITIES OF AN HOA MEMBER

-You will have a right to all HOA information that is not discussed in our Courier. (Meeting minutes and so forth).

-YOUR VOICE is the ONLY way to make a HUGE impact on what we CAN and CANNOT do, when it comes to our rights as home owners in a mobile home community.

-The HOA MUST HAVE 2/3's membership for us to help make the changes we want to make. (ex. Better lawn care, usable washers and dryers, paved streets, water not being turned off for repairs, and MOST IMPORTANTLY rent increases.). This is just a few things we can do. There is much much more!

-We now have a comity of some Board members and HOA members taking this to another level.

## WHAT IS 2/3'S?

Answer: We need 115 residents (2/3) in order to act on any concerns we have

## \*\*\*THE BEST PART OF BEING AN HOA MEMBER \*\*\*

-You can have a voice without going to the meetings!

-You can be involved OR not.

-When we have a vote we will come to YOU!

-We will give you basic updates here.

-Anything more detailed, we will send you updates of our progress.

-Membership fee is \$12 a YEAR (\$1 per month) That one cup of coffee a month at McDonald's

## NEIGHBORHOOD WATCH IS – YOU

---

Last month I mentioned that I confronted one of our so-called “NON-neighbors” regarding his business endeavors in our neighborhood. To date, I have not seen him or his “friends” in the park. If I’m wrong please let me know so I can go directly to the home and discuss it with the actual homeowner.

Almost everyone has access to a camera and video. Start using them! The more evidence we have to bring to management the better. Also, the police.

Be Alert! Be Responsible! Be a good neighbor! Be safe!

Remember that your neighbors are the people who you can hope will be watching out for you, too. Don’t be afraid to make that call to the PPPD if you see something that looks suspicious to you.

Please make note of the **NON-EMERGENCY NUMBER – 727-369-7864.**

Emergencies are always 911.

## WELCOME ALL OUR NEWEST RESIDENTS

---

The Crystal Lake Home Owner’s Association wishes to welcome you to your new home. We trust you will enjoy your living experiences here as much as we do. We encourage you to join the HOA if you haven't already done so. If you have any questions about joining please feel free to contact any of the HOA Board Members. We would be glad to help.

## MONTHLY HOA MEETING

---

THERE WILL BE NO MEETING FOR AUGUST. We will resume our HOA meetings in September. Will confirm date, as the first Monday of the month is Labor Day.

## BINGO & SNACK BAR – SPONSORED BY YOUR HOA

People tell me all the time that this is one of the highlights of their week.

We want you to bring your appetite to the clubhouse on Friday nights and plan to have dinner at the snack bar starting at 6:30 p.m. There's always a good assortment of chips and sodas that are included with your burger or dog or buy them separately. It's a great way to have dinner for \$3.00 or less on a Friday night.

Then Bingo starts at 7p.m. with lots of fun and a great way to bring home some extra cash. If you haven't played in a while, you're in for a surprise. It just gets better and better all the time. If you haven't played it before, don't worry... we love helping you along. For many of us, there's no better way to spend our Friday nights. We hope you'll be there to join in the fun!

## QUOTE OF THE MONTH

## Traditional books are alive and well

Publishers and traditional readers alike have long been worried about the rise of electronic books as sales of Amazon's Kindle and other devices have grown, but their concerns may have been at least somewhat overblown. New studies suggest that the growth of e-book sales is leveling out—and possibly declining.

According to the Chicago Tribune website, during the first nine months of 2016 e-book sales dropped by 18.7 percent compared with the same period a year earlier. On the other hand, hardcovers, paperbacks, and audiobooks did not suffer a similar decline. In the same time frame, e-books' share of the total market fell to 17.6 percent from 21.7 percent. In addition, sales of hardcover books in 2016 outpaced e-books for the first time in five years.

Don't panic—books don't look like they're being replaced any time soon.

## More Americans taking advantage of technology

The digital revolution continues gaining ground, according to the Pew Research Center. Seventy-seven percent of Americans own a smartphone, a figure that's almost doubled since Pew began tracking smartphone ownership in 2011.

Similarly, broadband access is on an upswing, with home broadband service rising 6 percent in 2016 (after a slight decline from 2013 to 2015). In November 2016, nearly three-quarters (73 percent) of Americans reported having broadband service.

Finally, 69 percent of U.S. adults are using social media, especially young people—86 percent of 18- to 29-year-olds are on at least one social media platform.

## New hope for headache sufferers

Cluster headaches, such as migraines, are rare, but they can cause intense pain to the people (mostly men) who suffer from them.

But there's hope. According to the NBC News website, the Food and Drug Administration has recently approved a device known as the vagus nerve stimulator for treatment of cluster headaches. Sufferers place the small device, named gammaCore, against the neck and send a mild electrical stimulation to the vagus nerve—a large nerve that runs from the brain to the colon. The jolt disrupts signals along the nerve, reducing the pain.

Vagus nerve stimulation is already used to treat ailments such as epilepsy and depression. GammaCore, manufactured by the organization electroCore, is available in Europe, but electroCore plans to begin offering it in the United States later this year.

## Coffee more popular than ever

For more and more people, a morning cup of coffee is part of starting the day off right. According to a National Coffee Drinking Trends consumer survey, the number of Americans drinking coffee daily has increased to 62 percent, up from 57 percent in 2016.

The biggest increase is in the 13-18 age bracket. Their daily coffee habit climbed to 37 percent in 2017, up from 31 percent in 2016. Adults ages 18-24 increased their coffee habit from 48 percent to 50 percent, and 63 percent of adults 25-39 drank more, up from 60 percent.

Sixty-four percent of Americans 40-59 drink a daily cup of joe, up from 53 percent last year. The 60-plus crowd moved to 68 percent in 2017 from 64 percent the previous year.

## Consumers prefer the human touch

Electronic self-service may be the wave of the future for many organizations, but lots of consumers are bucking the trend. The CRM Buyer website reports that researchers surveyed more than 24,000 consumers in 12 countries about customer interactions, and here's what they found:

- Eighty percent prefer customer service from a human instead of an automated system.
- Eighty-three percent say that interacting with a customer service rep is important on the phone or in a store.
  - Sixty-eight percent believe they're more likely to get a better deal when negotiating in person instead of online.
  - Eighteen percent said they would renew products or services because of good personal customer service, even if they were more expensive.

## The science behind creative thinking

---

**C**reativity may seem mysterious and magical, but scientists have been studying it for a long time. From the Fast Company website, here's some of what they've learned:

- Creative insights do come in the shower. In one study, 72 percent of participants reported getting new ideas while taking a shower.
- Solitude boosts creativity. The networks in our brains responsible for creativity and imagination work better when we're alone.
- Trying new things helps. New experiences can trigger dopamine, a neurotransmitter that facilitates mental flexibility.
- Trust your hunches. Intuition isn't well understood, but it's led to many creative insights. Learn to let your unconscious mind noodle on problems and ideas without forcing your brain to work.
- Daydreaming has positive effects. Daydreams can enhance creative thought, self-awareness, and long-term planning by giving you a kind of mental incubation for ideas.

## Three levels of imagination

---

**C**reativity and innovation come in many different forms. An article on the Bizcommunity website points to three distinct levels of imagination:

- Discovery. Sometimes you just see something that looks like a good idea. Keep an open mind as you look around you, and learn to find opportunities in everyday things.
- Invention. Apply the tools you've got to solve the problem in front of you. Look at all your available resources and see which will help you achieve the results you're looking for.
- Creation. Dig deep into your personal experience for something only you can create. Remember that ideas may be common, but how you put them to work is what makes them stand out.

**It is a fair, even-handed, noble adjustment of things, that while there is infection in disease and sorrow, there is nothing in the world so irresistibly contagious as laughter and good humour.**

## Did you know that August is also...

**American Artist Appreciation Month.** From Andy Warhol and Andrew Wyeth to Georgia O’Keeffe and Mary Cassatt, America has been the birthplace for some of the world’s most talented and celebrated artists—all of whom are honored during American Artist Appreciation Month.

**Child Support Awareness Month.** Recognizing the importance of child support and applauding parents who provide financial and medical support for their children, this month is meant to raise awareness of the ways child support helps children reach their full potential and achieve their dreams.

**National Immunization Awareness Month.** An annual observance held in August to highlight the importance of vaccination for people of all ages, NIAM was established to encourage everyone to make sure they are up to date on the vaccines recommended for them.

**National Truancy Prevention Month.** Truancy is a pervasive problem for schools across the country, particularly public schools in urban areas. Students who demonstrate a lack of commitment to school are at an increased risk for substance abuse, delinquency, teen pregnancy, and dropping out.

**International Assistance Dogs Week, Aug. 6-12.** Recognizing all the devoted, hard-working assistance dogs helping individuals mitigate their disability-related limitations.

**National Farmer’s Market Week, Aug. 6-12.** Throughout this week, the U.S. Department of Agriculture celebrates our nation’s thousands of farmer’s markets, the farmers who make them possible, and the communities that host them.

**National Motorcycle Week, Aug. 13-19.** For riders, motorcycle lovers, and all enthusiasts of two-wheeled excitement, this weeklong event celebrates one of America’s favorite pastimes—riding motorcycles.

**World Water Week, Aug. 17-Sept. 1.** In 2017, World Water Week will address the theme “Water and waste—reduce and reuse.” Held in Stockholm but celebrated everywhere, experts, practitioners, decision-makers, business innovators and young professionals meet to network, exchange ideas, foster new thinking and develop solutions to the most pressing water-related challenges of today.
