## CALL & TEXT MESSAGING

---

**O**ur messaging service is working well for most of us but there are still many who have not signed up to receive our messages and reminders.

We use this service to inform you of water issues or other park problems and to remind you of important meeting and events.

We would like to include all residents in this effort to reach you in case of any emergencies that may arise within our community.

If you are not currently receiving these messages, please call, email or text me with your phone # so that we can keep you informed.

## LETTER FROM THE EDITOR

*By Violet Escobar*

---

**D**ue to major computer issues, and because all my information is in my 'damaged' computer, I'm repeating last month's message here.

Although the message is the same it's still very meaningful.

But first, I'd like to say that despite all our efforts to notify all residents of meetings, events, etc. by way of this Courier, our phone messaging & text service, signage and word-of-mouth, way too many people still don't seem to know what's going on. **WHAT ELSE CAN WE DO??** We want you to enjoy your time in our community and be informed. Let us know!

### **A word about our HOA:**

I've said it many times, the job of bringing our community together must be a combined effort! Already the labors of our HOA are being recognized by many residents who say they are pleased to see the changes.

We are providing you, our residents, with the kinds of activities and events that you have told us you want to enjoy, but we have only begun.

We are regularly meeting and working with management to make sure he (Tom) is aware of our needs and wants. We know that there are things that management can provide to make our community more pleasing for everyone and we are not afraid to ask for them.

We are reaching out to our residents who can't come out and 'play' with us due to health issues to bring them food and information and are always looking for more ways to include them and all others in our events. Our goal is to **MAKE A DIFFERENCE** to everyone!

You can help by making us aware of anyone who could benefit from our help... anything we can do to make life easier and more comfortable for those who struggle with everyday tasks and responsibilities.

We are coordinating work crews to help with yard/lot clean-up for those who are unable to do these things for themselves. We are always looking for volunteers to help with this effort.

*...continued on page 6*

This task is, not only good for the resident but improves the appearance of our park... OUR neighborhood.

There are many things that the HOA does that go unnoticed by a lot of residents. The bottom line is they we try and without the effort, nothing happens.

We are better together, and we work hard to show you that every day!

## **FMO: FEDERATION OF MANUFACTURED HOME OWNERS OF FLORIDA, INC.**

---

**W**hat is the difference between the terms “HOA” and “FMO”?

**HOA:** The **HOA** is the local “governing body” of the community. It is a homeowners’ association, created under Chapter 723, Florida Statutes, for the specific purpose of either purchasing the community on behalf of the residents and/or representing the community on behalf of disputes between management and the residents.

**FMO:** The **FMO** is the statewide organization that lobbies for and defends your rights as a mobile/manufactured home owner in Florida. We assist in the training, and offer advice, for the HOA officers and directors in a community. The FMO does not assist with or interfere in the governing of the community. That is left up to the community HOA.

FMO needs your help. If FMO is to continue fighting for your rights and protecting your lifestyle, we must keep our membership numbers high. That is what gives FMO clout with legislators and other government officials.

### **TOGETHER WE MUST STAND**

*Now more than ever!*

An important meeting of the FMO is scheduled for March 20th. One featured speaker will be Attorney and Retired Judge Dan Perry. Mr. Perry specializes in Mobile Home Laws and will be answering all legal questions that are asked.

## **IF YOU MISSED IT**

### **FISH – FISH – FISH**

---

**Y**ou may have seen the results of our last RTDG if you came to our Fishing Tournament & Fish Fry Fun Day on the 14th of last month. Preparations began many days before the events with shopping, cleaning fish, making decorations and signs and lots of planning.

People were fishing all around the lake to win prizes while others were busy playing Corn hole, swimming and playing volleyball and basketball in the pool and chatting with old friends and new around the pool.

By the 6 o'clock dinner time, Ron, Kyle & Joe had fresh fish of all kinds and other seafood coming in through the window (carry-out style) and placed on the tables along with some of the most awesome side dishes and desserts our Clubhouse has ever seen. I can't begin to express how much talent our residents have when it comes to feeding our people.

Speaking of feeding people; there were 6 take-out containers prepared and delivered to residents who unfortunately miss out on many of our events because of health issues. We want to include them in any way we can, and this is one way they can join in our festivities.

For those of us who stayed behind after the clean-up, we were entertained by the guys who shoot in the Billiards Tournament on Saturday nights. It was a blast just watching some of their antics.

### **CASINO CRUISE**

---

**W**e can always plan another one. Let me know if anyone is interested.

### **UPCOMING ACTIVITIES**

---

**J**une 2 & 3 – Community Yard Sale. We'll be selling space (tables) in the Clubhouse for a very small fee. Reserve yours quickly as they go quickly.

## ONGOING ACTIVITIES

---

### Pool Tournaments on Saturdays – Starting at 5:00pm

#### Resident Marketing

This is a Friday night feature. Each week someone will be Marketing their products before, during and after Snack Bar & Bingo. Check this Courier Calendar to see who's scheduled each week then plan your night.

#### Friday Night Snack Bar

Come out and have dinner with your friends and neighbors. The Snack Bar is open on Fridays from 6:00pm until 7:00pm. We have an extensive menu: Hamburgers, Hot Dogs, Chicken Breast, French Fries, Onion Rings, ice cream and much more.

Many thanks to our cook, Ron Gaines and Margie Vega who sets up the drinks and condiments table and then takes the orders.

#### Bingo

Bingo continues Friday nights at 7pm and usually runs for about 2 hours. This past season was a great success and enjoyed by all who attended.

Our newest feature is a "Progressive" Bingo. Last month, Michelle Banks walked away with almost \$600. Congratulations Michelle!!

A new "Progressive" Bingo began the very next week and is growing quickly. I hope you plan to come and join in the excitement of watching it grow!!

Thank you to everyone who volunteered their time and to all those who participated.

#### Poker

Friends & neighbors gather on Sunday evenings for Texas Hold'em, so if you're looking for something to do, head on down to the clubhouse and join in the fun.

#### Arts and Crafts & RTDG

Do you have any artistic talents or ideas to share? If so, we would love you see you the second Wednesday of the month @ 6 p.m. to help plan future events and activities. We will use this time to make decorations and signs, etc. for activities that follow. Come and share with us!

## COMMITTEES

### Committees are being formed to carry out some very important tasks.

1. Welcome Committee – Our Welcome committee went out last week and visited 5 new residents and gave them packets of information to keep for information and reference. It was fun! We have some very interesting and friendly new people living amongst us and look forward to getting to know them better. I can't wait to do this again.

2. Sunshine Committee – It's not always easy to know who is sick, in the hospital or in rehab or who has gone to a nursing home. We would love to have someone who knows "who's who" in the park or who can find out who might like for others to know what's going on with them. It would be so nice for someone to send a get-well card or even plan a visit to someone who might feel under the weather and alone or might need someone's help.

3. Meals-on-Wheels – We have been made aware of several people usually miss out on the awesome meals that are prepared for our potlucks. These friends and neighbors miss out on our events due to poor health or the inability to come to the Clubhouse to join in and share a meal. Our HOA routinely delivers meals to those who cannot be with us.

This small act of kindness makes us feel all warm and fuzzy inside and we love doing it.

If you know of anyone who could use this kindness, please let us know and we'll immediately add them to our list.

4. Personal Shopper – We know that some of our neighbors don't or can't get out for basic things like food, toiletries or cleaning supplies. If shopping is something you like to do, there are ways you can help and get some things for yourself at the same time.

5. **H.O.P.E. (Helping Our People Excel)** is the HOA-sponsored Neighbor's helping Neighbor's Committee. Our last day of helping was a great success and some of our most deserving neighbors received some very needed aid. We washed homes, trimmed trees and overgrown bushes, replaced blocks that had fallen around a home, pulled weeds and some other things that I've forgotten about and had it all done before noon. We worked, we laughed, we got sweaty and dirty and had a lot of fun doing it. When we were done working, we met back at the clubhouse to cool off and eat lunch.

We are planning on having another day of helping in the Spring but would like to see more volunteers than just the 5 we had the last time. It would be so nice to see more men step

*...continued on page 22*

up to help us ladies... Ron G. was the only guy to help last time. We need more! With more volunteers, we could help more of our friends clean up their homes (outside) and improve the appearance of our community.

6. And last, but certainly not least, Manager Tom has offered a “Yard of The Month” prize each month of the year. The winner will be given a sign in their yard for all to see, they will receive a gift card from a local garden center and of course they’ll have bragging rights. Maybe we can post a picture of the winning yard on the Bulletin Board in a special “Wall of Fame” place. More details about this will be discussed later.

## LOOKING FORWARD

---

**W**ho wants to play cards? Do you like to play board games? The clubhouse is the perfect place to meet up with your friends for some friendly games and a good night out.

Suggestions for tournaments are also being discussed: In addition to the ongoing Pool (Billiards), we’d like to see Corn hole, Bowling, Darts and hopefully soon, Shuffleboard.

Watch for the Round Table meeting to be scheduled soon to talk more about the kinds of things other residents want to do as a group and we’ll help to get things started.

## VOLUNTEERS

---

**V**olunteers spend countless hours working on your behalf; this is why we are always requesting more help. And, this is why we need you.

When everybody does a little, it keeps others from having to do a lot. Spreading out our responsibilities makes things easier and a lot more fun for all.

Volunteers are always needed for all sorts of things! Some things can be done in 5 minutes, some things can be done at home, some things require a little more time and effort, but all things are very important. The more Volunteers we have to help, the more fun things we will be able to do.

If you’ve signed up before and were never called, Not to Worry! We need you and we will be calling you. Please, let us know, once again who you are!

## PLEASE SLOW DOWN

---

**T**he Speed Limit in our community is 10mph! We have a few residents that consistently violate this policy.

Their lack of regard for the safety of the residents and wild life may lead to a needless tragedy. Many residents have physical handicaps whether it is simply a small problem with mobility or being hearing or visually impaired.

Many of us use our streets to take walks or visit with each other.

Someone could be injured, and it would be a needless tragedy. Please be courteous to everyone, and slow down. There is no reason to use excessive speed inside our community.

## WIN WITH THE VENDORS OF CRYSTAL LAKE PARK

---

**W**hether you need a Plumber, a Vapor barrier or a new roof, the first and best place to look is in the right here in this Media!

Supporting the vendors in the Media keeps the monthly newsletter available and helpful to each homeowner because sooner or later you are going to need a service that is advertised.

In appreciation of your support, you could be eligible to win \$5.00 to \$100! Once a job has been completed at your home, the Vendor will provide you with a Monthly Media contest entry ticket.

All you need to do is fill out the ticket and deposit it in the Media box that is located in the clubhouse. There is a limit of one entry per month.

## Millennials leading in home purchases

---

**M**illennials are buying more homes than Gen Xers, baby boomers, and other age groups, according to the Builder Online website, citing a survey by the National Association of Realtors.

Thirty-four percent of all home purchases in the United States in 2017 were made by millennials, followed by Generation X (28 percent), baby boomers (30 percent), and people born from 1925-1945 (6 percent).

In 2018, the typical millennial home buyer has a higher household income than last year (\$88,200 vs. \$82,000). He or she bought the same size home, 1,800 square feet, for more money at a higher price—\$220,000 versus \$205,000 in 2017.

Millennials in 2018 have higher student debt balances than those in previous years, and more of them say that saving for a down payment is the most difficult task in buying a home.

## Rentals up in the U.S.

---

**M**ore Americans are living in rented homes than at any point since 1965. That's from the Pew Research Center, which says that the total number of U.S. households increased by 7.6 million from 2006-2016. However, the number of households headed by homeowners has remained flat, partially because of the aftereffects of the housing crisis late in the last decade.

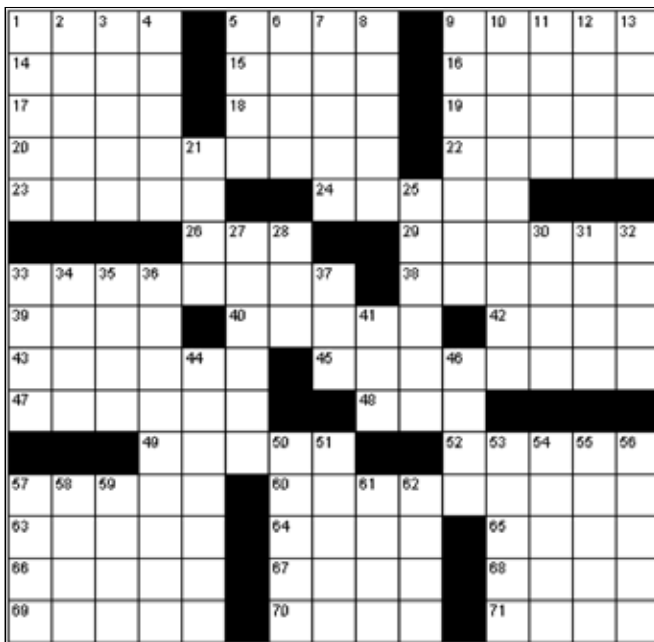

On the other hand, the number of rented households rose during the same time frame, from 31.2 percent in 2006 to 36.6 percent in 2016. In 1965, the rate of rented households was 37 percent.
