EDITOR'S NOTES

Violet Escobar

Cupcakes and Oreos

A good friend and teacher of people with Special Needs taught me something at Bingo one Friday night that I thought was priceless. It's the art of eating a cupcake without getting icing all over your upper lip ... you know what I'm talking about.

We all know how to eat an Oreo...right? The jingle says, "First to do it, you unscrew it". Well, you can do the same thing with a cupcake. First you "Unscrew it" (or slice it) right through the middle so that you have a top half and a bottom half. Then you turn the bottom half upside down and put it on top of the icing so that you now have the icing in the middle. You get icing with every bite and it doesn't end up on your face. Viola! Thanks, Pam.

Daylight saving time ends on Sunday, November 2. Remember to set your clocks back 1 hour (Fall back). It will begin again on Sunday, March 8, 2015 when the clocks will "Spring" forward.

HOA MEETING

The HOA meeting this month is November 3, at 7:00 p.m. We are awaiting conformation of a speaker and will post that information on our facebook group page and send emails when we know for sure whom it will be.

The speaker at our October meeting was Dr. Zaharowitz. MD. He spoke mostly about Cholesterol; what's good and what's not good. He also spoke about Diabetes and gave some very valuable information after which he answered many questions about both subjects. We plan to have him back in the very near future to speak on other health related issues.

One very important thing noted was that you need to know your numbers. Below is a guideline from the American Medical Association.

- Total cholesterol (ideal - less than 200)
- HDL (good) (ideal - more than 40/men – 50/women)
- LDL (bad) (ideal - less than 100)
- Triglycerides (ideal - less than 150)

Dr. 'Z' and Clanice are interested in returning to provide us with a FREE "balance screening". As we get older we sometimes have issues with keeping our balance. If you are interested in this screening, you need to sign up so that we can be sure that we will have at least a dozen people or so to show up. I'll have a sign up sheet available on the bulletin board for you. You can also send an e-mail or call me to be put on the list.

FMO:

The next District 2 meeting of the FMO is scheduled for October 28th. It is being held at East Bay Oaks in Largo. It begins at 10:00am – coffee and donuts will be served at 9:30am giving you time to relax and meet other people. Guest Speakers are FL State Senator Jack Latvala and Candidate for FL House of Representative Chris Latvala. It's a great opportunity for you to see how these people fight for our quality of life as mobile home owners.

These monthly District meetings will always be posted on the bulletin board in the clubhouse. If you would like to carpool get with Cliff or me for arrangements.

You DO NOT have to be an FMO member to attend.

BINGO

We always have so much fun on Friday nights at bingo. There's an average of 25 people each week this time of year and would love to see this number grow. The pots are from about \$12.00 & \$22.00 and up. That's not too bad for a short walk to the clubhouse, a \$5.00 investment and lots of fun with your friends and neighbors.

If you haven't been coming out to bingo you should definitely consider doing so. Cliff and Belinda ask you to show up by 6:45pm to buy your \$5.00 and \$1.00 tickets. Play begins at 7pm.

If you are interested in calling occasionally, please call Cliff 727-504-7012. We can always use more callers

YARD SALE:

Our next Yard Sale is scheduled for Friday and Saturday, November 7th and 8th. You can also sell on Sunday the 9th but we're only advertising the two days. Feel free to post your own ad on Craigslist.net

We had a really good turnout for our last sale in spite of the rain. The weather should be better for this one as we are basically out of the rainy season. Start getting your stuff together and put it out early in the morning. The sale begins at 8am. I had two customers at 7:30am the last time. I wasn't all set up but they didn't mind and I made some quick sales.

CASINO CRUISE

Join us for a bus trip and a half-day Casino Cruise out of Port Canaveral. The bus leaves our park promptly at 7:30am on Saturday the 15th. Yup, it picks us up **HERE!**

The cost is \$41.00 per person and is due at the time of registration. You should register ASAP. Seating on the bus might be limited. This low price includes boarding, lunch, \$20.00 in match slot play and transportation. There will be live entertainment and FREE drinks while gaming.

You will need to show a Valid ID on the day of sailing.

Call Belinda Banks 727-201-4770 to Register and for any further details. You can also usually find her lounging by the pool in the evenings.

A DAY OF WELLNESS

We've been asked to keep our calendars open for Health Care Screening on Wednesday the 5th. Watch for flyer and Online notices.

THANKSGIVING POTLUCK FEAST

Our Thanksgiving potluck will be on Saturday, November 22 at 3:00pm. RSVP is appreciated by calling Cliff or me or by sending me an e-mail at which time you can let us know what side dish you plan to bring. A sign up sheet will be posted in the clubhouse and updated with your information several times a week. Turkeys will be furnished.

POTLUCK ETIQUETTE

I never know what I should bring to a potluck or more importantly ... how much. This is a question that I've been asked lately and knowing that my passion is research, I found many articles Online. This is basically a compilation of everything I read that might pertain to a setting like ours.

1. "Bring a dish to share" means enough for twelve servings. That translates to a 9" x 12" Pyrex baking dish, or a salad with 2 heads of lettuce, or 4 baguettes of French bread, one cake or pie, one full batch of brownies, one pan of lasagna, etc.

One exception might be mashed potatoes: for 30 people I'd make 30 large servings of mashed potatoes.

Also, it's different for things like bread or rolls. I'd make sure I brought enough for

everybody to have one. For things like deviled eggs, 1 whole egg per person should be more than enough.

Not everyone will eat some of every dish. Of those who do, many will probably take 1/2 a serving or less, just so that they can taste more stuff and still leave some of the dish for others to sample.

For something like or an appetizer I'd try to have enough for everyone to have at least one of each item.

Having said all that, don't feel that you have to make enough of something to feed the whole crowd. If everyone follows the suggestions above, there should be more than enough for everyone.

2. **Bring an appropriate serving utensil:** It's best to bring a suitable utensil for serving up the food you brought. You can pick something up at the Dollar Store for this purpose just in case it should be lost during clean-up.

It's a good idea to put a strip of adhesive tape with your name and your telephone number or lot number written on the bottom of your dish.

You might plan to bring whatever hot pads and trivets may be necessary. Don't assume there will be enough -- or any.

Don't bring foods that require special dishes, like soup or stew that would require bowls without checking with the host first to be sure those things are available.

3. **It's good to remember that some people have allergies to certain foods.** When bringing a 'dish' with ingredients that might appear similar to other ingredients such as chicken or tuna, or a 'dish' that might contain nuts, it's helpful to place a small sign in front of the item stating that "this dish contains peanuts, or this dish contains shellfish. It is also helpful to identify beef or pork.

4. **Know that unless they are offered, don't leave with anyone else's leftovers.** Don't assume that it's OK to "make a plate" for someone who is unable to attend. At the end of the party you take back your serving dish including whatever remains in it.

FUN FACTS

- Your Thanksgiving bird – (these are average numbers from Consumer Reports)
- 46 Million Turkeys are served on Thanksgiving
- 15.6 Pounds is the amount of turkey Americans eat each year
- 18 weeks is the approximate time it takes a turkey to mature. That's when most turkeys are slaughtered. Turkeys younger than 8 months can be labeled 'young'.
- 2000 is the average number of residential fires on Thanksgiving that are mostly related to cooking. About 3% involves deep fryers.

HAPPY NOVEMBER ANNIVERSARY

Nov. 7, 1958 - Dick & Rose Preil

LITTLE KNOWN FACTS ABOUT FRUITS AND VEGETABLES

- A strawberry is not an actual berry, but a banana is.
- An average strawberry has around 200 seeds and has more vitamin C than oranges
- A kiwi contains twice as much Vitamin C as an orange
- Dark green vegetables include more vitamin C than light green vegetables
- Apples float in water because they are 25% air
- Cucumbers are fruits.
- Tomatoes are a fruit not a vegetable. It is the world's most popular fruit.
- Drinking grapefruit juice while taking certain medications can cause instant overdose or death
- Bananas have a natural antacid effect in the body. The next time you have heartburn, try eating a banana.
- You can speed up the ripening of a pineapple by standing it upside down. The pineapple is actually a berry.
- Grapes explode if you put them in the microwave
- Apples, peaches and raspberries are all members of the rose family.

NOVEMBER IS...

National Epilepsy Awareness Month Epilepsy, characterized by recurrent, unprovoked seizures, affects about 2 million people in the United States. Delayed recognition of these seizures and inadequate treatment increase the risk for additional seizures, disability, decreased quality of life, and, in rare instances, death.

National Novel Writing Month You can write a novel in only a month, along with the 600,000+ people who've already done so. Go to www.nanowrimo.org for advice, support, and a network of fellow authors working diligently on the next Great American (or any other nationality) Novel.

National Runaway Prevention Month A campaign by the National Network for Youth to increase public awareness of the issues facing runaways and to educate the public about the solutions, and about the role they can play in preventing youth from running away

Have You Looked **UNDER** **PROTECT**
Your Home Lately? **YOUR HOME**

Fix Small Problems Today
Before They Cause Serious Damage!

We will inspect and photograph any issues, showing you pictures of the underside of your home. Damaged & worn vapor barriers can create high energy costs and allow mold & mildew to grow and weaken your sub floor creating "Soft Spots". Keep Mold, Moisture & Animals out of your Home.

Repairs will be made quickly and include a
20 Year Transferable Warranty!
