ATTENTION

After 2 years of researching into new cart manufacturers, we have chosen to represent JH Global "Star Cars" line of new vehicles. They have a 14 year proven track record in manufacturing & customer service and all of their major electrical components are US made instead of imported.

Over the years we have seen numerous new carts come and go from the market, leaving customers hanging with useless warranties and no parts available.

Don't be fooled!

Life Concerns

Jackie O'Dell 727- 452-2739 & Carol Enns 727-210-3298

With sadness, we say goodbye to a Doral friend, George Taninter #470, he will be missed. Cards welcomed.

Maxine McClary #99 is feeling better and is able to sit on her side-screened porch occasionally; if you see her there, stop and say hello. Cards are welcome, too.

In early May, it was reported that Barb Rau #98 was in Manor Care, Room 308. Cards are welcome at her house #98.

Last month we reported Jackie O's fall. She fractured her femur; she was put back together with pins and screws, and is working hard with her physical therapist. Cards are welcome at her home #573.

The Doral Park R.O. Association, Inc. officers are researching information about the pre-Doral Park, before 1995, and post-Doral Park R.O., after 1995 and early 2000s. They are developing a packet for new residents and current residents, if desired. Please contact Steve Oakley #401 813-843-8761, Popaski1@aol.com, or Dave Hatch #565 702-203-3297 if you have questions, or can assist them.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
 Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"
 George Lordstrom, Saint Petersburg, FL

THANK YOU from Area 8 for the residents and area worker participation at Coffee Hour, Karaoke, and the Movie night. We had a great month. We look forward to working with you again next year!!

Manager's Corner June, 2018 Jeff Hahn, LCAM

- As presented in last month's media, water valves in the park are being identified and in many cases changed. The purpose is twofold, first to replace the valves before they are completely inoperative, and secondly, to enable the Park to shut off the water in certain sections of the community when there is a need to do so. This is a major change from having to shut off the water to most and in sometimes all the homes at Doral for what amounts to a very isolated water issue. With these updates going on, your patience and understanding is very necessary and appreciated, as there may be shut offs that may occur with very little if any notification to you. If you are not getting any water at any time, your first step is to turn your TV to channel 801 to see if there is information regarding your water problem. If it is due to what the Park is doing, it will be presented there. And please keep in mind, what for the most part, Dale Karpp and Richard Gimbert are doing is a long term resolution to an issue that has needed addressed for a very long time.
- By the time you get this edition of the Monthly Media, there may be a very distinctive color change in both the exterior porch and the interior of the cottage. Thanks to the suggestions/recommendations by Linda Aguinaga and the actual painting by Max, the front entrance will be white to match the rest of the building, and the interior will be a much lighter taupe/beige look with the baseboard changing from its current brown to a white. Thank you again Linda for your participation in making this alteration happen.
- Just a reminder to everyone...any requests for any changes in the exterior of your home other than your flowerbed, any complaints you may have and any request for assistance you may need must be approved through the Park Office and possibly through the RO Board of Directors. My main point in this is that Max is not to be doing things for any one unless a request for his aide is made through the Office.
- Speaking of Max, beside the painting of the cottage as explained above, a few of the other projects he will be involved in for May and June include pressure washing of all the sidewalks, rust removal on the sidewalks where needed, and more repainting of the yellow speed bumps, the traffic lines in the community and the lines around the drainage units. (Just a side note...I hope you know that with Max working maintenance plus so much else and Gail handling so much of the work load in the Office, Doral has two very effective, conscientious, and committed employees).
- The front gate should be in by the time of this reading. For those who are here, if the gate

has been installed, you should have your sticker that enables you access into the Park. For those of you who are out of the area, please use the back entrance when you are coming back into Doral and then contact the Office to learn when you can get your sticker for the gate.

- If you go by the water/sewerplant you should see a marked difference already with the plants that have been planted on the exterior of the outside gate leading to the plant. The wax myrtles have already grown significantly to hide the plant area and as they continue to grow, the appearance of this area will continue to improve.
- I think I'm missing some things but I have already gone past the deadline to get this article in so I need to get this to Sue so it is included in June's Media (Thanks for your patience Sue)

Interviews by Julie Green # 564

Bill and Brenda McVay # 497

Brenda was born in Indianapolis, Indiana in 1945 to Robert and Katherine Halfaker; she has 2 sisters. Bill was also born in Indiana, in Castleton in 1944 to parents Ben and Carrie McVay. Ben and Carrie had a large family, giving Bill 5 siblings. He has two older brothers, an older sister and two younger sisters. They are now scattered all over the USA.

Bills father was a machinist, and during WW2, he worked in an essential industry plant making gun barrels for US Naval ships. When Brenda was 14, her mother passed away, her father remarried shortly after and the family moved to a nearby suburb.

This is where she and Bill met at high school. They have now been married 51 years.

Bill completed his schooling in Indiana and then learned his trade of Electronic Technician at United Electronics Technical School. The Vietnam War was going on and Bill was drafted. He opted to join the Air Force and this took he and Brenda to Alaska. As a young married couple, they lived in undeveloped Alaska area for 3 years. They loved every minute of it including the long, cold dark nights in the winter months and the long hours of sun in the summer months. Bill was stationed at the Wildwood Air Force station near Kenai in the radio relay station and Brenda worked in the office at the Wildwood Air Force Headquarters.

There was a saying, "afflicted by the Alaskan Curse," meaning you left Alaska with either more or less dependents. Brenda and Bill left with "one on the way."

Bill was discharged from the Air Force and they moved back to Indiana. Their son was born there...he now lives in Boise, Idaho. They later had a daughter, who lives in Verona, Wisconsin, and has blessed them with two granddaughters.

Bill went to work for AT&T as an engineer and later as an Engineering Manager and stayed in this job for 29 years. Brenda, once her children were teenagers, went to work as a preschool teacher so that her working hours coincided with her children's school hours. She then started her own manicure business and ran that for 14 years before she retired at 55 years old. Bill in the meantime retired at 53 years old and went on to become a Disaster Recovery Consultant for the next 7 years.

He again retired, and not one to sit idle, became the chief volunteer fund raiser for the local Volunteer Fire Department. He later became the Department's Treasurer. His expertise at fundraising enabled the Fire company to buy a new fire engine, a new command vehicle, and build a new fire station.

Their home in Indiana sat on a beautiful Lake Santee, and they enjoyed the lifestyle there. Brenda's father then became ill and they nursed him at home for 8 ½ years until he passed away at age 99 years. By this time they had decided to retire further South.

They had local friends who had moved to Tarpon Springs and the lifestyle sounded appealing. They decided to explore the Gulf side of Florida. They found Doral Village and purchased their home.

Brenda loves to join in the line dancing classes here, fishing, reading and enjoying the sunshine. She also loves all things Western and has a collection of Western memorabilia. Bill loves golf, is active in the Doral League, and he serves as the secretary. He also enjoys reading.

CAROL & BOB SEARS. #86

Carol and Bob bought their home in Doral Village in 1983, 34 years ago. Theirs wasn't a planned purchase. They were visiting friends in Tarpon Springs and one cloudy day decided to go to St Petersburg, somehow they ended up looking for houses and next thing they knew they had bought their home here in our park.

They became snowbirds for the first few years.

Carol was born in Seaforth, Ontario, Canada, in 1943. Bob in New Brunswick, Canada, in 1940.

Carol's mother was a schoolteacher and her father a minister. Bob's mother was also a schoolteacher and his father was a manager of a paper mill.

Carol was educated in Seaforth and then went to work in various clerical positions until she eventually joined Bristol Myers and became a junior manager. Bob moved to Ontario to complete his education, then went to work in a bank which is where he met Carol.

They married 53 years ago in 1964 and had one daughter, who is now married, and lives in Toronto.

Bob left his bank position and worked in lumberyards, then ended up owning his own yard. When Bristol Myers closed the location Carol was working at, they offered her a position in

Buffalo USA. Her company arranged for her green card and she and Bob moved to Buffalo. She worked there for 6 years and then that location closed. By this time, she and Bob had American citizenship and decided to move full time to Doral Village. This was in 1999.

Carol decided she still wanted to work and became a salesperson for Suncoast Homes who had an office in Doral Village. She worked there for the next 10 years. Perhaps she sold you your home? Over the years, Bob has served as a Director on the Doral RO Association Board, a social club area rep, and has leant a helping hand whenever needed.

Carol and Bob escape the summer heat each June and head back to Canada for 2 ½ months to enjoy life on their boat which is moored in the Bay of Quinte, on the Northern shore of Lake Ontario.

Carol and her friend Cathy Gallant now run the Wednesday night bingo in our village. She also helps with the bazaar and volunteers in many other areas. She also loves to knit and knits bath robes and baby hats for the Doral contributions to local hospitals. Bob loves to garden and enjoys dabbling in the Stock market.

They both love to travel. Early in 2018 Carol will spend a week in The Bahamas with some close friends, then later in January she and Bob will enjoy a 10-day Caribbean cruise.
