Karaoke Takes The Summer Off!

It was a great season for Karaoke at Doral and as our seasonal residents head back home for the summer; our KJ Tim, will be doing some traveling this summer, too. Therefore, there will be no Karaoke for the months of May, June, July and August. The Social Club would like to wish safe travels for everyone, a good summer for all and we will see you back in September when Karaoke resumes.

Congratulations Sandy VanHee and Ruth Jay for the March and April Drawings!

Thank you Thank you Thank you

can't believe the dance season is over already. It seems like everybody just got here and now are going or have gone back North. To all of you who are leaving, I pray for safe travels and many blessings through the summer months. May God hold you in the palm of His hand, until we meet again.

I hope that all of you had as much fun as I did at the dances. Every month was a blast. You saw new faces on stage this year, drawing huge crowds. Crowds so high in numbers that a maximum number of guests had to be placed waiting lists. New Year's Eve, for instance, attendance was close to 185. We learned that that many people don't have room enough for comfort as well as dance floor space. Next season, TJBrinson will be here in November, Happy Days in December, True Passion (Rod Stewarts cousin) will be here for the New Year's Celebration. Flashback returns in February, The King of Dance, Sing and Swing, Mr. Bill Castner and Little Miss Dynamite, Karen Kallin, return in March and Sequel completes the season in April.

Thank you to all the volunteers who help every month. You guys are awesome. Also, thank you dance attendees. Your support every month makes all that I do worthwhile. As I move about the room talking and taking pictures, all I see are smiles, hear laughter, and a full dancefloor. That makes me happy and motivated to continue working toward bringing you the best of the best entertainers. You deserve it! Your Dance Hostess, Donna Gorneault

Manager's Corner May 2019

Jeff Hahn, LCAM, Property Manager

• I hope that you will receive this before April 26, but if not it will be shortly after this date. This date is important because **Gail Phillips**, Doral's Office Administrative Assistant (this title does not do her justice) will have been providing her high level of expertise, customer service, commitment, friendliness and more to Doral's residents for 20 years. She has been at Doral since 1999 and has witnessed many changes, some good, some not so much. But no matter the situation the many different Boards of Directors, over a dozen Property

... continued on page 26

Managers, Gail has steadfastly and consistently maintained a very professional approach to her position. For those of you who have been here for any extended period of time, you are well aware that Gail is definitely the Face of Doral. And for me, I just want to thank her for making my time here an enjoyable one and much easier because of her knowledge, helpfulness and willingness to show me the ropes. Don't hesitate to call or visit the office and thank her for all she has contributed to your community. **Happy 20th Anniversary Gail** and hope there are many more to come!!

- As for any other information, first of all just another reminder, that if you have a request to have anything done by Doral, you need to come into the office and fill out a Request Form. If for whatever reason you are unable to do so, just call and we will find a way to accommodate you. Telling Max or a Board member is not the proper procedure to be followed.
- We have just received some door hangers from Dunedin Fire Department regarding the upcoming Hurricane Season and they also give a quick synopsis on tornado warnings. This is a condensed version of the material that we normally get from Pinellas County around this time of year. Just keep in mind that Hurricane season formally begins June 1st. And with that in mind, more information will be provided in next month's Report about the upcoming season.
- By the time you receive this Monthly Media, new fencing should be completed at the back of the homes stretching from Lot 102 to 115. This is an area of approximately 600 lineal feet and where there has not been any fencing.
- A new Pinellas County project should be underway by now along the creek between the homes at lot #10 and lot #11. They are looking to fortify this area and to widen some spots at the creek bed to eliminate the water overflow that seems to sometimes occur in this location. I am told the project should last for about six to eight weeks, so I expect it to last probably eight to ten or more. When done however, there should be one less water issue in Doral.
- Sometime in May you should see Bay Area Grounds pruning the palm trees and cutting other trees where cutting is needed. If you have any tree that you feel needs to be pruned, raised or cut down just let me know and we will take a look at it.
- Here's hoping that all our seasonal friends got back north safely and that everyone has a Wonderful month of May!!

KNOW YOUR NEIGHBOR

Interviews by Julie Green # 564

Frank and Kim Aguinaga. #420

rank and Kim are another couple who form part of the Aguinaga clan who live in Doral Village.

Frank was born on September 17, 1954, in Yale, Michigan, number 9 in the pecking order of the 13 children born to his parents. He was schooled in Capac, Michigan, as were his siblings. After finishing school he tried various jobs before finally joining the Ford Motor Company. The Ford Motor Company still makes almost 50% of all motor vehicles made in the USA. Frank married had four children and divorced. In addition to his position in material handling, Frank became active in the union. He became involved on the Diversity Committee. This council promoted the "know your coworkers" philosophy. Frank, due to his own ethnic background, was the perfect person to teach and promote this. He taught classes at both Ford and the UAW teaching his fellow workers how to understand different cultures. He was also the Civil Rights representative for Ford/UAW, and appeared on billboards for Ford/UAW presenting the ethnic diversity within the company. He worked with Fords for 39.7 years, and retired in 2016.

Kim was born in Detroit, Michigan, July 11, 1961. Both parents worked for the Ford Motor Company. Her father, Louis, was involved in the local union, retiring as President of the local union. Her mother, Susan, retired after 32 years.

Kim was educated in Sterling Heights, Michigan, and spent two years in college. In 1989, Kim started working at (you guessed it) the Ford Motor Company. In 1994, Kim and Frank met and married. They collectively have a total of eight children, seven boys and one girl. Kim and Frank have been married for 22 years.

Kim was medically retired in 2005. Once retired Kim became active in the school district. She ran the concessions at high school level. She was a Girl Scout leader and was also involved in the county 4-H as a leader.

Since Frank had brothers living in Doral Village, Frank and Kim visited them. They stayed with Frank's brother, Rick, who has lived here for about 9 years. Frank and Kim bought a home in Doral Village in 2016. Kim and Frank are snow-birds for about 6/7 months a year. Kim still needs to be near the children, they return to Michigan for the summer.
