SOCIAL CLUB NEWS

Marsha Dixon #314, President, 931-607-1493

It's finally time to CELEBRATE a special holiday and a time to have a social distance get together! On Saturday, July 4th, Doral Social Club will host a Poker Run and lunch. We have changed several procedures because of the safety and health of our residents and guests! Please read all the information provided so we can make this celebration a huge and safe success!

1. NO tickets will be sold in advance. If you are going to participate, please call Bev Hatch (702) 808-3297 by July 2nd and let her know how many are attending in your group. Please place \$5 per person participating in one envelope with the names and amount to turn in at the beginning of the Poker Run. This money is for the Poker Run entry fee and lunch. It is very important that we have a number of participants by July 2nd to purchase the food for lunch on the 4th.
2. You will begin at the Cottage front porch and turn in your money and receive your score card. We will participate by Areas! 10:30-11 AREAS 1,2,3 11-11:30 AREAS 4,5,6 11:30-12 Areas 7,8.
3. We will all meet at the Cottage back porch to pick up lunch. We will be serving hotdogs, chips, individually wrapped condiments, cookies, and soft drinks in to go containers. Please bring your own chair to social distance while you eat or feel free to take your lunch home. We will not have a cake decorating contest this year!
4. Winners of the top three hands of the Poker run will be announced after lunch. You do not have to be present to win the cash prizes! All score cards must be turned in by 12 Noon at Station 5 near the Cottage back porch.
5. All stations and dealers will practice safe and healthy procedures this year. They will probably wear masks, will be wearing gloves, and will have sanitizer at each station. The dealer will be the only person touching the cards and marking the score cards. Each person will point to the card they want drawn and the dealer will draw the card and show it before marking the score card.

- Station 1 Cottage Front Porch
- Station 2 Bill McVay #497
- Station 3 Jim Filcheck #135
- Station 4 Donna Gorneault #13
- Station 5 Cottage Back Porch

All this information will be printed on your score card. Please bring your money with you to the Poker Run since we are not selling tickets in advance. In case of rain, this event will be held on Sunday, July 5th. We will be sure to enjoy this special day even though our procedures will have slight changes. Please stay safe and well!

BAZAAR BUZZ

Marsha Dixon, Chairman

NEW BAZAAR DONATIONS will be by appointment only until September 1st. We will then accept most donations. If you can't take your donation to our bazaar sheds in the field, please call Marsha (931-607-1493) or Wes (404-401-4139) to discuss pickups or drop offs! We will no longer accept chandeliers, ceiling fans, televisions, hide away beds, futons, day beds, mattresses and box springs, or sofas that have a tear in them. Furniture must be in good condition! Goodwill will not accept these items so we can't take them either. Remember, donations will not be accepted until Sept. 1st unless you make arrangements with Wes or Marsha. Thank you again for everything you do to make our bazaar a huge success!

Woman's Club Scoop

Kim Aguinaga #420 - President (586)557-7586

The Doral Women's Club recently donated 23 Socialization Kits to Angel's Living in Dunedin and Palm Harbor. Marsha Dixon donated the Cinch Sacs and the Women's Club filled them with adult coloring books, word puzzles, coloring pencils, and snacks

These kits will hopefully brighten the resident's days as they stay safe and well. Thank you to Kathy Brennan for helping to distribute some of these kits!

NEW PARK MANAGER

My name is Jeremy Londergan, and I am excited to be the latest edition to your community. I would like to begin by sharing a brief bio of myself - Pinellas County has been my home since I was 4 years old. Currently I live in Palm Harbor with my wife Alicia, daughter Lily, and our two dogs. My wife and I met at Eastlake High School (just as friends). It was much later we became partners in life. I have worked a variety of professions. I started in the hospitality field working in restaurants/hotels, Left the hotel to become a contractor with the US Air Force overseas. Came home to a position in quality control, and then industrial sales. During the past 6 years, I've been a realtor with Florida Luxury Realty selling residential property. My passions are helping people, cooking, and the outdoors. As your new Community Association Manager, I look forward to working with the board, and the rest of the community to continue to improve on the place you all call home, or home away from home.

NEW PARK ADMIN ASSISTANT

Leslie Backus hails from New England but was raised right here in Dunedin, Florida. Right after high school she went into the service field and helped run and operate a 35-bed homeless shelter downtown Clearwater for over 13 years. She loves God, friends, and family. She enjoys all outside activities the Florida sun has to offer including riding her motorcycle.

- You should have received two robocalls in early June alerting you to coronavirus cases showing up in the Mobile Home Park across the street, Serendipity; as well one case here in Doral. As this is being written in early June and you receive this the latter part of the month, you may have received other updates about the status of this issue before you are reading this. No matter what the situation is now, please continue to follow whatever the state, local government and the CDC has in place during this pandemic.
- Just some reminders...first, no overnight street parking is permitted in this community. Anyone who does this is subject to having their vehicle towed and the cost of recovering this vehicle will be yours.
- Very importantly, Code Enforcement agents for Pinellas County are constantly in Doral looking for violations to Pinellas County laws. Whenever you are doing any work on your home, it is your responsibility to get a licensed contractor to do the work if needed and have the work permitted as well. For any questions, concerns, and complete information about what is needed, contact the **Pinellas County Building Services at (727) 464-3888** before you start the project. The call is free, but if caught violating the County code, there will be fine.
- When you are ordering a product to be delivered through the mail, UPS, Amazon and so on, make sure you use your own unit number for delivering purposes. Lately I have seen a number of packages being sent to individuals here but stating to be delivered to the Office. The office is not a drop off location for anyone's mail and may in the future just be returned to sender.
- Keep in mind that there is some literature in the office regarding the hurricane season that we are now in. Besides the information we have, you can also contact Pinellas County Emergency Management at (727) 464-3800 or at www.pinellascounty.org/emergency for further information. Some important information from Emergency Management includes the following:

WHEN TREATING A HEART ATTACK OR STROKE, TIME IS OF THE ESSENCE. EVEN DURING THESE TIMES.

Don't hesitate when it comes to getting emergency treatment.

Even during a pandemic, you still need to be treated immediately if you have an emergency. Debating whether or not to risk going to an emergency room during a heart attack, stroke or other health emergency—waiting even a few extra minutes—could be harmful. That's why in all BayCare hospital emergency rooms, patients who have symptoms of COVID-19 are screened and treated in a separate area. This helps keep emergency room patients and our team members safe. So if it's an emergency, don't wait. **For more information: [BayCareEmergencyCare.org](https://www.baycareemergencycare.org)**

Interviews by Julie Green # 564

Nancy Peters. # 589

Nancy was born in 1934 in Port Hope, Ontario. Her mother was a schoolteacher and her father owned one of the first IGA supermarkets in Ontario. She has one older brother. Port Hope is an historic town at the mouth of the Ganaraska River, on the north shore of Lake Ontario. It was first settled in 1779 by the Cayuga People who relocated from New York State after the Revolution war. Then in 1793 the population was added to by United Empire Loyalists moving from the newly formed United States. The city is about 68 miles east of Toronto. Today the population of the area is around 20,000 people, obviously a lot less when Nancy and Betty were growing up. In fact it was about 8,500. However, these days the population is again shrinking due to an aging population. Nancy and Betty George are sisters in law, Nancy having married Betty's brother Blake. Nancy met Blake locally and became firm friends with his sister. They dated for 5 years and then decided to marry. Betty was the maid of honor at the wedding. The two women have known each other since childhood. They went to the same school, albeit a few years apart and both are trained nurses. Blake originally worked at Mike's parent's funeral home and then trained and worked as an accountant at the Ontario Ministry of Transport and Communications. He retired in 1988. Nancy worked in nursing until retirement age. Once retired Blake decided to follow a second career, one he loved. He started building houses. He built their second home near Sault Ste Marie in upper Ontario. This city lies at the junction of 3 of the Great Lakes, very close to the US/ Canada border. The city was named by the French as a reference to the rapids on the river. Across the St Mary's River in Michigan USA, is a city of the same name. These two cities were once one, however, a treaty after the war of 1812, a border was established which split the city into two. The border is the river. Once the only way to cross this border was by ferry, however in the 1950s an International Bridge was built. They built their home in Thessalon in 1993 and Nancy still lives there, on the North Channel of Lake Huron, near Sault Ste Marie. Nancy and Blake have 2 daughters. Jill and her husband Terry are retired and spend five months each year, renting in Florida, this year in Doral. Jill's older sister Janet and husband Dan try to visit Doral every year, but also love

their winter sports up north. Nancy and Blake bought in Doral Village in 1997 after visiting Betty and Mike. For the first 12 years they were tenant homeowners, in fact for a while Nancy was President of the Tenant Homeowners Association. In 2009 they bought a share. Blake became ill while living in Doral Village in 2012 and was airlifted home to Canada. He survived this illness but unhappily passed away in July 2014. Nancy continues to snowbird and loves many activities, golf, bridge, swimming, walking and many other outdoor activities. She has many friends both in Doral Village and many of the other villages in our area.

July Days

National Postal Workers Day, July 1. Many famous people have worked as postal employees, including presidents Abraham Lincoln, William McKinley, and Harry S. Truman, along with entertainers like Bing Crosby, Walt Disney, and Rock Hudson.

Independence Day, July 4. Celebrate the date that the 13 colonies announced their independence from Great Britain.

Bastille Day, July 14. The anniversary of storming of the Bastille, a fortress-prison in Paris, on July 14, 1789—a turning point of the French Revolution.

National Hot Dog Day, July 17. Whatever you put on your dog, enjoy one today.

International Self-Care Day, July 24. Self-care refers to activities and practices that we can engage in on a regular basis to reduce stress and maintain and enhance our short- and long-term health and well-being.

Independence Day Facts

Here are some fun facts to share with your family and friends on the Fourth of July while waiting for the hot dogs to cook on the grill:

- Three presidents died on July 4: Thomas Jefferson and John Adams in 1826, and James Monroe, in 1831. Calvin Coolidge was the only president born on July 4, in 1872.
- The Massachusetts General Court was the first state legislature to recognize July Fourth as a state celebration, in 1781.
- The first recorded use of the name “Independence Day” occurred in 1791.
- The U.S. Congress established Independence Day as an unpaid holiday for federal employees in 1870. It became a federal paid holiday in 1931.

The necktie

Jack, a recent college graduate living with his parents, woke up late on the day of his first big job interview. Frantically he threw on a suit. “Oh, no!” he thought. “My tie!”

Jack had never learned how to tie a necktie. His parents were already at work, so the house was empty and there was no one to help him. He grabbed a necktie at random and ran out the door.

“Excuse me, sir,” he said to a crossing guard at the corner of his street. “I have an important job interview and I have no idea how to tie a necktie. Can you please help me?”

“Sure,” said the guard. “Just lie down on this bench.”

Jack thought that was odd, but if someone was going to help him he wasn’t going to ask any questions. After the crossing guard finished and the tie looked good, however, Jack just had to ask why he had to lie down.

“Well, in my previous job I learned how to tie neckties on other people when they were lying down.”

“What was your previous job?” Jack asked.

“I was a mortician.”

Cutting in line

A group of senior citizens, socially distanced, stood in a long line at 7:45 a.m. at a grocery store that opened at 8 a.m. for seniors only.

A young man ran from the parking lot and tried to cut in at the front of the line, but an old lady beat him back with her cane.

When he tried to cut in again, an old man punched him in the gut, then kicked him to the ground and rolled him away.

As he approached the line for the third time, he said, “Listen, if you don’t let me unlock the door you’ll never get in there.”
