The 360 Site Inspections were started in February and will continue till all 361 homes are inspected. Please remember, when you want to make any changes to the outside of your home, draw up specifications and bring them by the office. There always need to be a signed approval from the office. If there is a change in management and your questioned about your change on the property you should have an initialed copy for your records. I would hate to see you have to remove or correct something that you do not have written consent for.

Speeding has been an issue and I have no solutions to this except if you know who it is then a rule violation can be given to that resident to cure. It does state in the prospectus that was signed for by the homeowner at move in that they would abide by the rules and regulations of the community.

If you are the recipient of a notice, please understand this is my way of communicating with the resident. You have every right to tell management that the person reporting them were incorrect in there information or if you are going to cure the violation. The old saying is that there are two sides to every story.

Objections: I would really like to see more compassion than finger pointing, if you want to object to something that someone is doing, would you please see if there is a reason behind it? Just a quick example, I was rushing home one day, my Dad called in fear telling me that he went blind. I was trying to get to him and the vehicle in front of me decided he was taking the law into his own hands by slamming on his brakes in front of me and then going 10 mph in a 40 mph zone and I was going 40 mph. Don't understand what he thinking. It was a two lane road and I was stuck behind him for over 3 miles. So what I am trying to say is sometimes is what you think isn't actually reality.

Another saying I believe works well in a community, "Do unto others as you would have them do unto you".

Warmest Regards,
Debbie

Again I would like to thank everyone who has volunteered for an event this past several months. It has been a great help to us on the committee with planning events. I hope everyone will continue to volunteer. We have had some new volunteers these past few months and they have done a wonderful job. I think everyone enjoyed the Valentine Dance.

We had a nice group attend our pancake breakfast again this month and hope even more people will come in March. The cooks have been doing a wonderful job and the servicers have been working real hard to get everyone's order right and served to them in a timely manner. We did have to use smaller plates this time because of someone borrowing our larger plates. We still tried to make everything look presentable. We are doing the breakfast again on the 11th of March, so come and join us. We serve pancakes, eggs, sausage, bacon, juice and coffee.

We will be having our "BLOCK PARTY" on the 25th of March. The tickets will go on sale shortly. The St. Patrick's Day Dance will be on the 18th.

Don't forget, we are always looking for volunteers and different ideas. Please feel free to call on us to express your ideas or opinions.

As always, be safe and be well.

On February 9, 2017 we had the regular monthly meeting of the HOA.

Topics of discussion were:

Rental Agreement: Below is since the meeting.

Since the time of the meeting, we received the contract from ELS with new verbiage and new paragraphs added to it. The committee will be going over it on Thursday, February 16th to discuss the new wording which is not in our favor. We will then decide whether to sign the Agreement for the three years, or to not sign because at this point we are only calculating a savings (over our original letters of September 2016) of approximately \$2.40. We are going to determine if the rest of the contract makes it worth signing. Our unfortunate dilemma is not knowing what the economy will be next year? We will advise all residents of the outcome and no matter what agreement we come to and we the committee feel it is the best..55 taxes added to that. Interior lots should go up just about \$19.11 instead of the \$24+ that your original letter stated. Adjustments should be made to your March rents. If I find this will not happen, I will let you know. This increase will be back dated to January 1st. We had a quorum at the meeting and motions were made to have a hand vote on allowing couples/partners, daughter/mother and etc. who move in at the same time (and are both registered and background checked) and only one person is on the title, than the person not on the title and over (40) will be able to attend the

meetings but will have no voting rights. Anyone who moves in after the signed lease will not be able to attend unless they have been a registered resident for at least two years. The HOA Board will have the final input. This will be tweaked as deemed necessary. Right now we are just trying to get this off the ground. We had a quorum at the meeting and motions were made to have a hand vote on allowing couples/partners, daughter/mother and etc. who move in at the same time (and are both registered and background checked) and only one person is on the title, than the person not on the title and over (40) will be able to attend the meetings but will have no voting rights. Anyone who moves in after the signed lease will not be able to attend unless they have been a registered resident for at least two years. The HOA Board will have the final input. This will be tweaked as deemed necessary. Right now we are just trying to get this off the ground.

We also discussed sexual predators taking up residents unbeknownst to anyone. I receive an email from Pinellas County as soon as one comes into our neighborhood. I then check them out through Pinellas County and give all information to management for them to handle. I called Officer Williams and asked if Largo or Pinellas County check where these people are registering and was told only if were in a park, school or where children live. I am unable to publicly put up their mug shot. So please if you see someone move into an empty home please advise myself or the office.

For all of those who have move in with your spouse/partner or parent on the day of your move in and they are qualified and registered, but their name is not on the title, they will be allowed to attend the HOA meetings, but will not have a voting right. So, please if your unit is a member of the HOA, please see a member of the board so that we may check with the office. If you have someone just move in with you, they must be a qualified and registered for two years prior to being able to attend the meetings. This was motioned and voted (a hand vote) on at the February 12, 2017 meeting since there was a quorum present.

We encourage everyone to please get involved with our community because it is also YOUR community.

Complaints: If anyone has a complaint please make 2 copies of it and when you bring it to the office please have them initial and date your copy so you know exactly when you handed it in. Please advise the board so that we may follow up on it also.

A new HOA Down Yonder Residents page has started and only residents can be accepted. If I am not your friend on Facebook send me a friend request and then I will send an invitation for you to join. It is a page for informational purposes only. I will keep you informed of what is going on and remedies of any problems. This is for all registered residents of the community.

DOWN YONDER NEIGHBORHOOD WATCH PROGRAM

Dave Lipp

Whether it be watching out for suspicious activity, making sure each other's homes are secure when we are away, or making sure all of our neighbors have a place to go in case of an emergency evacuation, our purpose is to help our neighbors. We need to make sure that all of our neighbors can count on others when they need help. Our residents have a part in what happens to the entire park.

You can help by keep your eyes open to anything that does not seem right. Keep an eye on any suspicious activity but if it is a crime DO NOT try to stop it. Contact the Largo Police Department.

If you call the police you should report it to management as soon as possible. When calling the Largo Police you will be asked:

Name, lot# and street, Phone #, location of incident, incident in progress, description of vehicle and tag number.

Down Yonder Village is identified as Location #376B on the Largo Police and Fire Department grid map.

Ladies Auxiliary

Almina Gouthra

February has been a very busy month for the ladies. We wish to extend a big thank you To all the wonderful men and woman who helped make our bazaar successful. Our storage sheds were filled and the morning pick ups on the 23re kept the guys busy.

We seniors are so lucky to have strong guys to lift, tug and move heavy items.

Three cheers to Jack Murrie for his supervision.

March is starting out with the Pasta Dinner on the 5th. Connie and her crew are known for providing a great Sunday meal. Hope to see many of you there for fellowship and fine eating.

Check the posters in the library to see what else is happening and perhaps sign up for our new social events.

Greetings from all the ladies of Down Yonder Auxiliary and have a wonderful and healthy month of March.

Community News

Mike Higgins

It's that time of year again! 360 site inspections are being started soon. Don't be discouraged if you get a notice for

- gutters needing to be cleaned out
- painting
- power washing your home
- weeding
- carports cleaned out

The notice will state how much time you have to beautiful your home. If it is not completed ELS has the right to have someone come in and take care of it. The cost will be forwarded to you.

On the bright side:

We have residents in the park that do want to help.

Our community bonded together last year and painted and power washed over ten[10] homes and we plan on doing the same this year. We will be excepting written requests only and addressed on as needed basis. PLEASE UNDERSTAND YOU HAVE TO MEET OUR CRITERIA.

HOME MAINTENANCE & TREE WORK

**BY FREE ESTIMATE
SERVICES, LLC**

727-641-9033

The criteria is as follows:

1. If you cannot afford to hire someone and your health doesn't allow you to do the work, we will supply the man/woman power and the supplies.
2. If YOU can afford the supplies, but your health prohibits you from doing the work yourself, we can help.
3. It was brought to my attention that you should have lived in the community for two years. I also understand that someone could fall on hard times, so we can not judge.

We have a strong clean community that wants to take pride of where they live, so hopefully we can stay strong and get stronger working together.

We are looking for volunteers to help with our mission, we only work about 4-6 hours per home and it's not every day. If you can volunteer one time or more that would be much appreciated.

Anything helps, as you can provide a lunch or some beverages while the volunteers are there. It feels good when we work together.

Please contact myself, Mike Higgins, Lot #214 or you may call me 727-270-6770.
Do not forget to submit your request in writing.

Food for thought:

Remember to be kind to your neighbors, some are not as fortunate as others. A plate of food that you may throw away or some cookies that you shouldn't eat, (LOL) will put a smile on another person's face.

A kind gesture can change a person's life, a grateful heart is a begging of greatness. It is an expression of humility. It is a foundation for the development of such virtues as prayer, faith, courage, contentment, happiness, love and well being.

Thank You! Mike Higgins

Dancing

Barbara Bowdoin Kassel

We have had a good season of dancing so far. I'd like to thank Linda Lowe for taking charge while I was out ill. We have learned a few new dances and I'm hoping to introduce a few more. We went back and picked up a couple of old ones last week and didn't do real well with them! Ah, well, we tried.

We will have a video session sometime in March so that the dancers will have DVD's to take home to dance with this summer. I will let you know a week in advance so you will be prepared and you can wear something special if you like.

The winter season is rushing by and as usual we are not ready to see people start for the North. Be sure to come enjoy some good dancing with us.

Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **MortonPlantValveTrial.org**.

Fresh or frozen? The choice is yours

Mom may tell you over and over again to eat fruits and vegetables that are fresh, but nutrition experts say that frozen produce isn't necessarily inferior. According to *The New York Times*, most nutrients are surprisingly hardy: Iron, for example, stands up to freezing quite well, and fiber does its job whether it's frozen or fresh.

Scientists at the University of California-Davis analyzed the vitamin content in several different varieties of fresh and frozen produce, including blueberries, broccoli, carrots, spinach, and strawberries. They found no significant differences between fresh and frozen items, and even discovered that frozen broccoli contains more riboflavin—a B vitamin—than the fresh selection. Similarly, frozen blueberries have more vitamin C than fresh.

Experts recommend looking for produce frozen using the IQF process—individually quick frozen—for the highest quality.

Watch for these sources of illness while traveling

Traveling has enough hassles—check-in lines, lost luggage, bad airline food—without adding germs to the mix. Be safe by watching out for these common sources of germs and bacteria that can make you sick when you travel (from the CNN website):

- Washroom stall locks. In one test, airport stall locks were found to have an average of 70 colony-forming units (CFUs) per square inch. Use soap and water or a good hand sanitizer after touching them.
- Seatbelt buckles. Clean your hands after buckling up. Airplane belt buckles can have up to 230 CFUs per square inch.
- Lavatory flush buttons. These can get pretty nasty, containing 265 CFUs per square inch (although overhead vents and tray tables have more).
- Drinking fountains. Thirsty? Maybe buy a bottle of water instead. The buttons on airport drinking fountains have been found to hold 1,240 CFUs per square inch.
