"Have you experienced the Sunset Appliance Difference? It's all about our Service!"

From the Manager's Desk

Debbie Gibbs

Fun Fact: In 2014 Florida surpassed NY State to become 3rd most populous state in the USA.

We would like to extend a BIG THANK YOU to all of our volunteers. If you would like to volunteer at the Shuffleboard, helping Rosella and Manny crush cans or any little fixer uppers, we would greatly appreciate it. If you would like to volunteer for locking and unlocking the clubhouse and pool please see us at the office. We are limited with volunteers and in need of your help.

We also would like to thank all those who are helping neighbors in need. We have seen neighbors helping pressure wash and doing yard work for those who are not able.

Friendly Reminders: These are some issues that we have had in the last 30 days.

- Dumpsters: 6 and 8 cu ft dumpsters are for HOUSEHOLD TRASH ONLY. The rolloff at the Maintenance Shop is for furniture, debris from remodeling and landscaping cuttings. NO TV's please or hazardous material. We usually hold a event for hazardous material collection twice a year.
- UN-authorized occupants need to be approved.
- Guests are to be registered in the office, at that time we can supply a guest pool pass. Guests may stay 45 days. After that it is required for the quests to have a background check.
- Tree trimming and cutting are the responsibility of the residents per the prospectus. If the tree is dead we will have an arborist confirm, then we would need to obtain a permit from the City of Largo and eliminate the tree.
- All vehicles on the property must have current tags and registration.
- Please DO NOT feed the feral cats.

Amenities:

The gazebo has been lovingly remodeled. Personally I think it turned out exquisite. Thank you to Joe and Matt (our maintenance experts). Please be sure to visit the gazebo. We would love to hear your compliments.

The horseshoe pit has been spruced up and is ready for your enjoyment.

New pool lights (LED) have been installed, spa heated has been repaired and a few extra's.

You may notice new lights at the entrance of the Manor House. We have replaced the old bulbs with LED Candelabra's.

As of this writing we are in the process of ordering and planting new plants and flowers in the medians.

We had a recent inspection of the fire suppression system at the kitchen, all fire hydrants and extinguishers are all up to code. We have installed the blue reflectors in front of each fire hydrant for the emergency services dept. We are up to code in every aspect of our community.

We have devised a mass email list for emergency notifications from the office to you. If you have not updated your email address with the office, please do so.

Have a wonderful November!

Things are looking up at Down Yonder. I am happy to report that Thanksgiving Dinner will be prepared again by Bob Carpenter and his Canadian crew. They did a wonderful job last year and I am sure they will do it again this year. We will also have luminary again this year. Lynn and Peter will be in charge of it. They are looking for assistance so please call them if you can be of service.

We will also start with putting up Christmas decoration. It is that time of year again. Every little bit of assistance helps. We want to take pride in our park. We have the November dance scheduled for the 19th. That is also the date of our yearly elections for DYCA. We need nominations for secretary and treasurer. The sign up sheet for nominations is on the board in the library.

Again I want to thank all of you who signed up to host KK till the end of the year. It is a big help to have people in place to assist with park events. We are still looking for host for some of our dances. Call Caryl if you would like to host ANY event. Looking forward to seeing everyone at our up coming activities.

As always, be well and be safe.

Down Yonder Neighborhood Watch Program

Dave Lipp

Whether it be watching out for suspicious activity, making sure each other's homes are secure when we are away, or making sure all of our neighbors have a place to go in case of an emergency evacuation, our purpose is to help our neighbors. We need to make sure that all of our neighbors can count on others when they need help. Our residents have a part in what happens to the entire park.

You can help by keep your eyes open to anything that does not seem right. Keep an eye on any suspicious activity but if it is a crime DO NOT try to stop it. Contact the Largo Police Department.

If you call the police you should report it to management as soon as possible. When calling the Largo Police you will be asked:

Name, lot# and street, Phone #, location of incident, incident in progress, description of vehicle and tag number.

Down Yonder Village is identified as Location #376B on the Largo Police and Fire Department grid map.

Down Yonder Dance Classes

Barbara Bowdoin-Kassel

Line Dancing:

Welcome back Snowbirds!! We are really looking forward to seeing everyone come back this fall. Line dance will still meet every Monday and Friday morning at 10:00. We have had some beginners start with us this summer and are looking forward to their joining our classes this fall and winter season. Our classes have been small this summer, but they always are. It will be nice to see the room fill up again.

Looking forward to adding new dances to our repertoire. We have learned a couple this summer and think you will like them. Hurry back and be sure to come to class as quickly as you can! See you soon!

Ladies Auxiliary

Marilyn Magee

Our next meeting will be Tuesday, November 1 at 1PM in the Manor House. This will be our last meeting before the Craft Fair so please come and bring your friends and neighbors. We need all your ideas. The Craft Fair is our big fund raiser for the end of 2016 and with your help it will be a success. The fair will be held on Sunday, December 4 from 12 noon to 4PM. We will have a baked goods sale, 50/50 and refreshments for sale as well as the crafts. We have had a good response from outside the park crafters. Any residents planning to sell crafts need to contact me soon to reserve a table.

Our Christmas luncheon will be held on Saturday, December 3rd at Aqua Prime on Indian Rocks Beach. More information about this and the November luncheon will be available at the November meeting.

This time of year is election time. We are looking for another group of ladies to take office for 2017. All four officer positions are up for election. We are looking for women with fresh ideas and a little bit of energy. You are never alone as all of our past officers are always available for guidance. Please consider running. If you are interested, please contact someone on the nominating committee (Anita Herman, Paula McGuire and Connie Higgins) for more information.

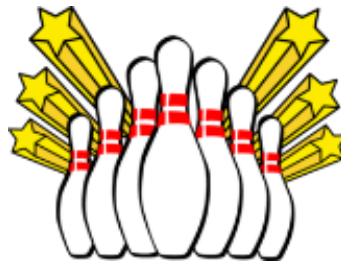

Thank you and see you at the November meeting!

BOWLING:

Paula McGuire

Please join us for bowling every Wednesday at 12:30. We bowl at Liberty Lanes on Starkey.

The cost is \$9 and we are a "fun" league so you don't pay if you're not there. Some of us go out to eat after bowling. If we go out to eat we are usually home by 4:30 or 5 pm if you do not your home by about 3:30.

PAY ME

Paula McGuire

On weds night we play a card game called Pay me we use nickels and 2 quarters. It's a very easy game to play. We start at 6:30 pm in the Manor house.

PINOCHLE:

Paula McGuire

We play at 7 pm in the Manor house every Thursday evening. If you would like to join us but can't remember how, or would like to learn, I give lessons, in Pinochle call me.

SHUFFLEBOARD

Rosella Pimentle

To all Down Yonder residents—our shuffleboard area is in the process of getting cleaned up for the season. These courts are for anyone in the park to use and for your guests.

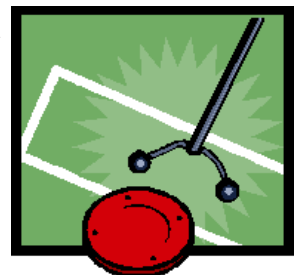

Please no open toe shoes, and sweep the courts before you start playing. Brooms are in the shed and in the court area.

Attention – we need help to clean up, as maintenance just does repairs. Please call me, Rosella at 535-4648 or see me after Koffee Klatches on Saturday's at 8:3-9:30 am.

League News from Bud Schlick – we are having a team this year but we still need others that want to play against other parks. We won second place last year but please be aware that the courts are for all residents to use.

If you just want to practice or play the sticks are in the cabinet near the men's room.

If you want to learn to play please contact me at the above number.

A troubling trend: Americans overdoing antibiotics

Antibiotics are a boon to doctors and their patients, but they pose dangers if they're overused. That makes this news especially concerning: A Texas study reported on the UPI website found that about one in 20 adults have stockpiled supplies of antibiotics in their homes and use them without a physician's advice.

The study of 400 adults in the Houston area found that 14 percent of adults have a stash of antibiotic medications in their home, and 5 percent have used them without a doctor's guidance in the past year. The medications come from a variety of sources: 40 percent came from a store or pharmacy, 24 percent were purchased outside the United States, 20 percent came from family or friends, and 12 percent were left over from past prescriptions.

In 4 percent of cases, the drugs obtained without a prescription were intended for use on animals, not humans.

Millennials worry about debt

Millennials aren't the carefree kids you might think they are. A FICO survey found that they're concerned about debt—with good reason. According to FICO's online survey of approximately 1,000 Americans over 17, 32 percent of millennials owe \$20,000 or more in student loans, and 45 percent owe at least \$7,000 on car loans.

In all, 37 percent of millennials ages 25-34 say they're concerned about their level of debt, and 33 percent would like assistance in managing their debt. For example, 65 percent would like to receive an email alert when their student loan payments are overdue by less than 90 days, and 35 percent want to be notified by app when their mortgage payments are less than 90 days late (but they'd prefer a phone call if their payments are more than 90 days overdue).

These tiny robots may save your life

The newest medical robots look and move like bacteria, and they can deliver medications to specific locations within the human body and perform intricate surgeries like clearing clogged arteries.

According to the Science Daily website, a team of scientists is working to develop a selection of biological robots that are soft, flexible, and move through bodies under the control of an electromagnetic field. Once they reach their destination, they're heated to change shape, mimicking—for example—the bacterium that causes African trypanosomiasis, or sleeping sickness. Although still in development, these microrobots could revolutionize the way patients are treated in the not-so-distant future.
