From the Manager's Desk

Debra Gibb

Fun Fact: In 1920, Pinellas' population was 21,000. In 2010, it stood at 905,000 and 2015 we are at 949,827.

Please welcome our 2 new employees: Matt, part time maintenance and Lorrie, the new Administrative Assistant. Becky was here temporarily as our AA to bridge the gap until hiring a permanent Assistant.

October 2016, the 2nd phase of paving should be completed. The new 70' High Definition TV is installed and secured, just in time for hockey and football season. The property signage and street posts have been replaced. The office drive through is not a drive thru anymore. New LED spot lights have been installed at the pool area, so no monkey business. We have also installed LED spot lights at the dumpster area's and the fence is repaired from the break in. We have been busy keeping up with the property for your enjoyment.

Work in progress:

- Restoring the Gazebo- this is a big project but we are working on it.
- Painting and pressure washing the 17 rentals that we have.
- Updating the flowers bed, along Royal Blvd. and around the buggy.

Friendly reminders:

- The dumpsters are for **house garbage** only. Your unwanted mattress, box springs, couches, recliners, etcetera go into the big roll off dumpster in the back of the maintenance shop. If you need to do it after hours please call the office and we will make arraignments.
- When the property floods, please please drive slow. No wake zones. The water ends up in residents home's.

Thank you

Media Deadline

Elaine Handrigan

Deadline for November is October 12th. (This is a must)

I would like to post vacation pictures. Please send me either by e-mail or regular mail a picture of where you went on your vacation with a description of where it was taken.

I need everyone's help. It is very hard for one person to keep track of birthday's and anniversaries, especially with the New Resident program. If you should see any name of a resident who has either passed, or moved away, please let me know either by e-mail or drop off a note at my coach #348. Your help will be greatly appreciated.

Down Yonder Community Association

Anita Hermann

It is our fall season and our activities will be picking up.

There is an October Fest being planned for the 22nd by HOA. So watch for more news on that event. We have our Halloween Dance on the 29th. Sharon and Dan Dunn are in charge of that event. If you would like to assist them give them a call. We are again looking for someone to do the pancake breakfast. Unfortunately Joe and Nancy's jobs require them to work weekends and so they are no longer available. We want to thank them for doing the breakfast last season. They did a wonderful job and we enjoyed having different choices each month.

We will be starting up our Koffe Klutch again on October 1st.

We will have our quarterly meeting on October 15th. At the 2nd KK in November we will be having our yearly elections. This year we will be posting the positions of secretary and treasurer. If you are interested in either position please watch for the notice on the board in the library.

We will also be asking for ways to spend some of the monies in our treasury. Last time we got a new grill, tables and umbrellas for our picnic area. We have had a suggestion for some upper body equipment for our exercise room. Please If you have any other ideas let us know.

On the 3rd and 17th of October, a Monday, we are going to have a beginners crochet class in the clubhouse at 6:30pm. Please join us if you are interested in learning to crochet or if you already know how and what to help others learn.

As always, we are open to suggestions for new events and ideas for our park and we are always in need of volunteers. Be safe and be well. All those returning for the season please be careful driving from the north so you make it here safely.

Down Yonder Neighborhood Watch Program

Dave Lipp

Whether it be watching out for suspicious activity, making sure each other's homes are secure when we are away, or making sure all of our neighbors have a place to go in case of an emergency evacuation, our purpose is to help our neighbors. We need to make sure that all of our neighbors can count on others when they need help. Our residents have a part in what happens to the entire park.

You can help by keep your eyes open to anything that does not seem right. Keep an eye on any suspicious activity but if it is a crime DO NOT try to stop it. Contact the Largo Police Department.

If you call the police you should report it to management as soon as possible. When calling the Largo Police you will be asked:

Name, lot# and street, Phone #, location of incident, incident in progress, description of vehicle and tag number.

Down Yonder Village is identified as Location #376B on the Largo Police and Fire Department grid map.

Ladies Auxiliary

Marilyn Magee

Welcome back to our snowbirds! The first Ladies Auxiliary meeting of the season will be held on Tuesday, October 4 at 1PM in the Manor House. All ladies in the park are invited to come.

We will be discussing plans for luncheons for the rest of the year and also plans for our Craft Fair. The luncheon for October will be on Tuesday, October 25. Watch the board in the library for details and sign-up sheet.

We are planning a Craft Fair for Sunday, December 4, from 12 noon to 4PM. We have been receiving steady interest from crafters outside the park and now we would like to hear from crafters inside the park who want to participate. As in the past, one table will be free for in-park crafters. Any more tables will be \$10 each. Also this year we are going to ask each of our in-park crafters to please donate one item to be raffled off at the craft fair. If you are interested in a table, please contact me as soon as possible.

Come to the October meeting as we will be planning the fair and discussing the possibility of combining it with a bake sale and the Christmas ornament sale. Come with your ideas!

It will be nice to see the room fill up again.

Looking forward to adding new dances to our repertoire. We have learned a couple this summer and think you will like them. Hurry back and be sure to come to class as quickly as you can! See you soon!

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Check medical bills with care

Dealing with health insurance claims can be frustrating and time-consuming. Multiple bills from different departments for what seems like one medical procedure can baffle even the most organized consumer. The key is to keep track of insurance claims and keep detailed records. Follow this advice:

- **Review records.** Verify that the medical provider has the correct billing information. Also, check the identification or group number of your insurance plan on claim forms.
- **Follow up to be sure the claim is being processed.** Contact the provider or insurer after receiving a bill to confirm receipt. Write down the names of everyone you speak to, noting the date of the call and any available confirmation numbers.
- **Verify all the expenses.** Check to see if you are being billed twice. Similarly, verify that the contracted rate between the insurer and the provider is actually what you are being billed for.

Revamp your finances to save more money

If you can figure out how to save just \$125 per month, then set up an automatic savings to a mutual fund that yields an average of 7 percent, in five years you will have almost \$9,000. In 20 years, that amount will have grown to \$65,000! Here are four suggestions for coming up with that \$125 per month:

- **Look at your cable TV bill. Do you need all those channels?** You can roll your bill back by getting rid of premium channels or subscribing to a smaller, cheaper package.
- **Stop picking up magazines from the supermarket or newsstand.** Save yourself some money by reading online or subscribing to your favorite magazine instead. And if you're subscribing to anything you don't read, cancel it.
- **Change your cell service.** Shopping around can get you a better deal that will save you bucks. Just make sure you won't be penalized for breaking a contract early.
- **Call your credit card company.** You may be able to get a lower interest rate just by asking.

Some challenges spur imagination and success

Imagination performs best when it's challenged. Perfect freedom leaves the imagination listless, and whatever is created is lifeless as well. Only when a challenge presents itself does the imagination perk up. How can the problem be solved? What other paths could you follow?

Take for example, American writer Flannery O'Connor. She was stricken with lupus erythematosus in her mid-20s. She spent almost all of her life (she died at age 39) on her family's farm. But as the disease made movement more and more difficult, it also pushed her to sit at her typewriter every day and write. The stories she churned out are full of wild imaginings and a great spirit of hope.

Just listen

A man whose marriage was in trouble sought advice from his minister. The minister heard the man out and then said, "You must learn to listen to your wife."

The man took this advice to heart, but he returned a month later to say the marriage was still unhappy, even though he had learned to listen to every word his wife said.

The minister said with a smile, "Now go home, and listen to every word she *isn't* saying."

Learn to let go

A little boy was playing one day with a very valuable vase. When he put his hand inside it and couldn't draw it back out, he called for his mother. His mother tried gently to slide his hand free, but it remained stuck.

She was ready to break the vase when she said, "OK, let's try one more time. Open your hand and hold your fingers out straight, and then pull."

"Oh, no, mommy!" the boy cried. "If I do that, I'll drop my penny!"

Storytellers have as profound a purpose as any who are charged to guide and transform human lives.

A campaign held during October, uniting communities nationwide to educate about and raise awareness of bullying prevention, National Bullying Prevention Month is recognized in communities across the United States, with hundreds of schools and organizations signing on as partners.

National Cybersecurity Awareness Month. The internet touches almost all aspects of everyone's daily life, whether we realize it or not. National Cybersecurity Awareness Month is intended to engage and educate public and private sector partners through events and initiatives with the goal of raising awareness about cybersecurity and increasing the resiliency of the nation in the event of a cyber incident.

National Walk Your Dog Week, Oct. 1-7. According to the American Veterinary Medical Association, more than 40 percent of dogs—a total of about 17 million—in the United States are overweight. Walking your dog just 30 minutes a day helps both of you maintain a healthy weight and a good heart.
