From the Manager

Debra Gibb

Happy St. Patrick's Day!

The year is going by too quickly and we have been very busy in the office! We are trying to keep everyone aware of the new ELS procedures when it comes to payments. There are a few new payment policies that have taken effect this year that we would like to go over:

- Rent is due on the 1st of each month. ELS offers a 5 day grace period for your convenience and if your payment is not received by the end of our business day on the 6th of the month a late fee of \$50.00 WILL be assessed to you account. If the late fee is added to your account but not in your payment, we will not be able to accept your payment as it will be considered a partial payment and ELS will no longer accept partial rent payments. This includes small

amounts, even \$.01! If a partial payment is sent, you will receive a notice that your payment will not be processed and your check or money order will be held until the balance is paid. You will want to avoid this so no other fees will be added to your account. Please call the office if you have any questions regarding the amount due.

- If you have a balance on your account of \$50.00 or more, a \$50.00 fee will be assessed.
- Parking on the street at night continues to be an issue. Per the prospectus there is to be no parking on the street at all but we have allowed parking on the street during the day. Please note that notices are put into your file at corporate if you park on the street during the night hours. Repeat offenders could face further consequences. Down Yonder does offer over flow parking at the clubhouse as well as at the office after 4:00 p.m. and on weekends. Please ask your guests to utilize this parking instead of parking on the street.
- If you feel someone is not following the rules/regulations, please utilize the Resident Objection Forms located in the clubhouse in the Library room, and in the office.
- Completed forms must be signed and can be given to the office, Linda Thoma or dropped in the drop box. Please allow 2 weeks for a resolution. This form can also be used to pay a compliment or give recognition to your neighbors.
- As most of you know, Kim is my Administrative Assistant and she is here to help you, and to assist me. If you have an issue please see Kim, if she is not able to resolve your issue or answer your questions, she will bring it to me and one of us will contact you with an answer or resolution.
- Some improvements to the community this year are: Paving of the roads over a 3 year period, new storage fence on Indian Trail, kitchen floor will be retiled and the flooding issue on Pinetree will be resolved. We have already purchased and installed a new heater for the pool and added an emergency panic bar to the fitness room door.
- Golf carts: Largo Police asked that you spray paint underneath the seat of your cart, your community name, lot #, name and phone number so that they may contact you if they find yours. This will save the owner of the cart from paying the impound fee.
- Please no dogs in the swimming pool, thank you!
- We have decided to keep the dumpsters out on the property for your convenience. It seems to be working very well.
- Please take the time to break down all boxes, thank you!

We do not have any updates on payment processing that has been relocated to Tampa, so please utilize the drop box located to the right of the front door of the office for your payments. The drop box is there for your convenience and it is secure both on the outside and inside.

During the first week of each month we are very busy in the office with payments and reports, so at that time we may be unable to meet with you. We regret our time being so limited but wanted to keep you aware of why our door is locked or we are not in the office during business hours. We have started a Rise and Shine checklist that we use to critique the ELS property for anything in need of repair or cleaned. We are taking one hour every morning to go through

the entire property.

Lastly, one of mine and Kim's favorite things about our jobs is getting to visit and chat with all the wonderful people living in our community, whether it's while we are out and about in the park, or you stop in the office.

*Be blessed,
Debbie*

The month of March brings us almost into spring. The weather should be improving now and the days getting warmer. That also means more pool days. Some of us need the temperature to be in the mid 70's before we will even consider going to the pool. After you have lived in Florida a few years year round the cold weather affects us more, or it could be that as we get older we require more heat. Myself, I am looking forward to warmer weather and time at the pool.

For the month of March we do have a few activities planned besides the regular daily events. We have the St. Patrick's Day dance on the 14th. Our block party will be held on the 21st. You will be happy to hear that The Holograms will be playing for us on that day. Rob and Terry played for our Welcome Back Party in November and everyone truly enjoyed them. For those of you that missed their performance you are in for a treat. We are also having The Mark Ralston Show on Friday the 27th. He does impressions and I'm sure you will enjoy his performance.

We are doing good with the recycling. I still see some people are putting plastic bags in recycle bin. Those bags cannot be recycled. Enjoy the weather as it begins to improve (anything is better than the cold and snow up north). Be safe and be well.

Home Owner's Association

Linda Thoma

Our last meeting was held February 10, 2015 at 7:00 p.m. in the Manor House. I am going attribute the cold weather as to why there was so few in attendance.

Since our last meeting in January, Pattiann Imperi has resigned from the Board and the remainder of the Board appointed Cheryl Vaz to fill Pattiann's seat until January 2016 when Pattiann's position would be up for election. Welcome Cheryl.

Mike Conway was elected Chairman of the By-Laws Committee at their first meeting on February 6th. At our next meeting Mike will discuss some of the suggestions that they have come up with, or from other members. Remember this is your Homeowner's Association.

Manor House: Please remember that when anyone uses the Manor House for any functions, private parties and etc., they also must set things back up the way they were. Also we need to at least to look under the tables for any leftover food as we only have someone clean once a week and if food lies on the floor it could cause critters we don't want to see.

Pool – at this writing, the pool heater is completely broken and management has already put in for a new one. It will take a few days. We are aware there was an issue at the pool for the past two weekends where is hadn't been opened at the scheduled times. We apologize for this and hopefully it won't happen again. If there is ever a time on the weekends where the pool or the Manor House IS NOT opened by 10 a.m. please feel free to call me at 330-6059. We are also looking for more volunteers to take a week a month to close the pool and Manor House each night at 10 p.m. They will also have to open by 10 a.m. on Saturdays' and Sundays. This is only one week a month or less.

Fire Hydrant– It has been suggest that we contact the Largo Fire Department and have them come out and assess the number of fire hydrants and their placements in conjunction with the number of homes. We hope to have this moving prior to our next meeting.

Management Meeting- The Board met with our manager, Debbie and the Regional Manager Joseph Oxford on the 6th of February. Some of the topics of discussion were the AED, surveillance cameras, rules and regulations, complaint forms, new fencing for the storage area, road paving, Pinetree St. flooding and moving the Stop sign at Bourbon Street closer to the sidewalk.

SAFETY DATA BASE: We are getting many others interested in our Safety Data Base that is held by the Homeowners Association. This is not for Association members only. It is for all residents of our community.

This would be your Plan B. We now have over 50 people in the data base that will only be used if you have an emergency. It gives us the information of the person you would want contacted if something should happen to you. This is not for single people only, couples should also participate. The Manager's Office closes on Fridays around 4 p.m. and does not open until Monday morning (if a holiday, Tuesday morning) and therefore there is no way to get the re-

The ERs You've Always Depended On

In times of emergency, you want an ER you can trust to provide quick, quality care when you need it most. BayCare's full-service emergency centers are trusted leaders in exceptional emergency care throughout Tampa Bay. As a resident of central or northern Pinellas County, you have access to four convenient locations for the treatment you or your family need. cords for your next of kin or your designated person. We would also like everyone to be aware of the activity on your street. Even though you might not know your neighbor, be mindful if something looks amiss. We ask everyone to seriously think about “how will your “person” be contacted if you are not conscious. This data base will be kept with the HOA and is confidential and will not be used in any other way.

Safety –A quick reminder to be watchful of your surroundings and neighbors. If you see something that doesn’t look right please call the police first. If it is a non-emergency contact the office during work hours or me (Linda-330-6059) in the evenings and on weekends.

Volunteers are always welcomed and needed for many aspects of the functions that the organizations have during the year. Anyone interested in giving a helping hand please contact either myself or any board member of the HOA, the Community Association or Ladies Auxiliary.

TELEPHONE DIRECTORY – For all the new residents, we urge you to have a number listed in our directory for emergency purposes. This will also help our street captains that will ONLY call you in case of emergency situations in the park (i.e. water shut-offs/water boil [when advised by the county], electrical shut downs and etc.) Remember they are only disbursing information for your safety and you should not be calling them for any other information about the situation. Please check the directory at this time to make sure that your name and number are correct. The Directory will be going to press by mid-February, so be sure to check the spelling of your name, phone number and unit number and advise Geri Szczepanowski of the changes.

NEW RESIDENTS –We are a community that is governed by a Prospectus which contains the rules and regulations of what is allowed and not allowed, what is expected of the corporation that owns the property and what is expected of us as residents. Ple ase take the time to read your Prospectus and know the rules set forth many years ago. Please remember when you signed your lease assumption you agreed to abide by these rules and regulations.

The next HOA meeting for members will be March 10, 2015 at 7 p.m. in the Manor House. We look forward to everyone joining us.

You may call me (Linda) if you have any problems or concerns. Please be sure to leave your name and unit number and your question or concern. This way I can have your answer prior to returning your call. You may also email me at lhoma29@yahoo.com. Our phone numbers are on Page 4 of your yellow phone directory.

Whether it be watching out for suspicious activity, making sure each other's homes are secure when we are away, or making sure all of our neighbors have a place to go in case of an emergency evacuation, our purpose is to help our neighbors. We need to make sure that all of our neighbors can count on others when they need help. Our residents have a part in what happens to the entire park.

You can help by keep your eyes open to anything that does not seem right. Keep an eye on any suspicious activity but if it is a crime DO NOT try to stop it. Contact the Largo Police Department.

Down Yonder Line Dancing

Barbara Bowdoin

Come join us in Line Dance Class. Monday morning at 9:30 we teach beginners. We have several beginners this year and they are doing well. If you have not joined in before this is a good time to learn and we would love to have you.

Friday morning at 9:30 is the time for more experienced dancers--don't let that keep you beginners away. The more you come and watch or join in the sooner you too will be an experienced dancer.
