## From the Manager's Desk

Diane Tanner

---

**H**ello All:

First, I would like to take this opportunity to thank all the Down Yonder residents that stopped by to welcome me to your community. I have been the manager for about eight weeks now and I have talked to many of you regarding your concerns and issues in the community. There are many things that need improvement regarding the management of the property and I hope the community will be patient while we work toward the necessary changes.

My first priority is the final cleanup from hurricane Irma. This process has taken much longer than expected due to our vendors and the amount of cleanup required. The second priority was to hire an office assistance and I'm happy to announce that Regina Bryant is the new Administrative Assistant. If you've been in the office lately you may have seen her smiling face. She is doing an excellent job with the residents and all the daily activity that comes through the office.

Finally, I want you to know that I'm excited about my new manager role and I'm looking forward to working with you and for you at Down Yonder. I have an open door policy so if you have any improvement ideas you would like to share please stop by my office.

Happy Thanksgiving!!

## Home Owner's Association

Linda Thoma

---

**N**ovember is already upon us and many of our northern friends are back for the season and enjoying the many activities that take place.

Our first meeting of the season took place on October 10th which was well attended.

**Discussions included** – Rent increases, hurricane damage, dirty dog stations, back gate (need someone to lock up at night), children residing in the park and most significantly the safety of our community and the lack of response from Equity Lifestyle Properties.

**Elections for Board of Directors** – There will be four openings in January. A sign-up sheet will be in the library for anyone interested in running. All persons (including those

seeking reelection) will need to bring their title (or electronic title receipt) to show proof of ownership. The last day for floor nominations will be at our December 12th meeting. You must be a member of the Homeowner's Association no later than December 26th in order to vote on January 9, 2018. The meeting for January 9th will commence at exactly 7:00 p.m. and no ballots will be given out after that time. If there are no more than four (4) people who have been nominated or who seek a position on the sign-up sheet, there will be not vote. We will also need 50% + 1 in order to have a quorum and proceed with voting.

**Parking on the Lawns**-There is no parking of motor vehicles on any lawns. This includes on the side of your homes, on the grass in front of your homes and on the lawns right by the lake. Managements' notices have seemingly been ignored so therefore we feel it is time to send pictures to Tampa regarding this. This makes our community look unkempt as they ride by on 142nd Avenue.

**Dogs**-Again a reminder to keep your pets on a leash and making sure that you pick-up any messes that they make. We have had many instances where a homeowner has asked the owner of a dog to please pick up the mess and are basically told in a very nasty way that they aren't. This is a health hazard and not fair to owners' who do take the time to clean up after their dog.

**Open Meeting**-In November, we will have an open meeting for all owners (no renters). If you join in November for January you will be able to attend our December meeting. Our December 9th meeting will be the last day that nominations can be taken for the Board Elections in January. Anyone running for the Board (this includes Board members rerunning) must present their title to show ownership.

There are many many new residents that have move to this community during the past year and we ask that you please take the time to volunteer and get involved. You are Down Yonder and this is your community now, and in the future. It does not take a lot of time from you busy schedule to be involved, and we're sure you will find that we do have fun.

**AGAIN REMEMBER OUR NEXT MEETING IS NOVEMBER 14TH AND IS AN OPEN MEETING FOR ALL HOMEOWNERS.**

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

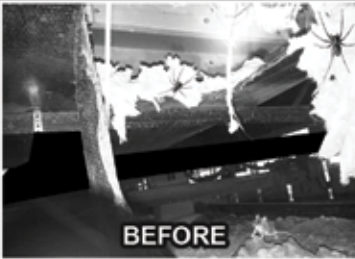

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

# Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **[MortonPlantValveTrial.org](http://MortonPlantValveTrial.org)**.

*Anita Hermann*

**T**he tickets are now on sale for our November dance. Our Welcome Back party will be hosted by DYCA along with HOA on November 9th at 6pm. You do need a ticket for this event even though it is free so we know how much food to buy. Please see the poster in the library. As in past years, ELS pays for the food for this event. We will also have some entertainment. At a later date we will advise if we are doing dinner on Thanksgiving Day again this year. If you would like to cook or help cook for 100 people please call me.

We are still looking for individuals to run for President and Vice President of DYCA. The election will be held on November 18th at KK. If no one is willing to take the positions we will most likely have to close down DYCA and no longer have the activities we now sponsor in the park. I am willing to assist anyone interested in taking the position. I will still be on the board as a director. (if there is still a board). We would like to continue with serving this community. We do need the assistance of those living here in order to do that.

We will be having pancake breakfast starting November 11th. Hope to see you there.

Stay safe and stay well,

Anita

## SANTANA MOVIE LIBRARY!

---

**A** very dear man, Joe Santana has joined the host of angels in heaven. He will be dearly missed by those who love him. Joe's family has donated his vast movie DVD collection to the community. We have added all the projects he has left and have named some things in his honor. If you have any questions, please contact me. I will be happy to help you in any way.

There is a 3 ring binder in the library.  do is look thru the list and pick out the ones you'd like to see, give me the names of which ones you would like. I will have them ready for you for pick-up. You all enjoy the movies. Joe had a lot of newer movies as well as many seasons of tv shows and a few audio books!

## Three activities to ward off Alzheimer's

1. Shut a door forcefully

5. **A**lzheimer's disease may not have a cure, but experts believe some practices can help delay memory loss. Here's what you can do:

17. Mamma

15. November birthstone

15. **C**ognitive training. Crossword puzzles and other games can help, but try some different techniques. Do simple arithmetic in your head instead of relying on a calculator. Develop a new method for remembering what's on your shopping list. Train your brain to remember things in new ways and you'll keep it sharper.

17. Car island

18. Left by a wound

19. Act of changing the lineal order of objects

22. **C**ontrol your blood pressure. Reducing high blood pressure with medication and weight loss not only cuts your risk of heart disease, but it can also ease stress on the delicate blood vessels in your brain—stress that can exacerbate memory loss and dementia.

24. Exam

26. Anagram of "Resold"

29. Plan of action

31. **E**xercise. Moderate aerobic exercise has many health benefits, including heading off symptoms associated with Alzheimer's. Try exercising for 30 minutes five days a week, or 50 minutes three times a week. You'll feel better and extend your cognitive health.

34. A canorous growth

36. A device that emits light

38. Fore-and-aft-tipped vessel

41. Homeric epic

## Scientists search for life on the toughest planets

47. **W**hat you think of life as viable only on planets orbiting stars like our sun, but scientists now speculate that it could evolve on worlds circling **DOWN** different types of stars.

48. Robust

50. **S**tars called M dwarfs are the most common stars in our galaxy. Their harsh flares and gravitational grip on their innermost planets could interfere with the formation of liquid water, which is necessary for life. However, astronomers have spotted approximately 200 planets circling M dwarfs, and dozens are in the so-called habitable zone where liquid water could exist and temperatures aren't too extreme for the development of life.

51. Slide

52. Tidy

53. Affirm

54. Any warm-blooded vertebrate

55. Bleach

56. Anagram of "Lima"

57. Is, formerly

58. Exhilaration

59. Rags

60. Polish monetary unit

61. Cancel

62. Where a bird lives

63. Render senseless

64. In Christianity, these go to heaven

65. Law enforcement agency

66. Taverns

67. Easily irritated

68. A university administrator

69. A set of rooms

70. Unpleasant

71. Employ

72. Carry

73. Wings

74. Not no

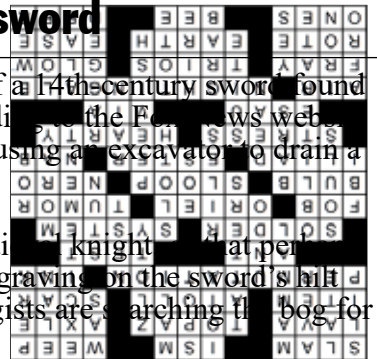

Scientists are studying these strange new worlds in hopes of detecting conditions that might lead to life—although it will probably be very different from any life found on Earth.

## Lost and found: Seeking owner of ancient sword

**S**cientists are trying to determine the identity of the owner of a 14th-century sword found in a bog in Poland. The four-foot-long sword, which according to the Fox News website is remarkably well preserved, was discovered by a worker using an excavator to drain a peat bog. The worker donated his find to a local museum.

Museum officials speculate that the sword was lost by a medieval knight, at per the knight perished in the bog. Researchers are examining an engraving on the sword's hilt that may identify the knight or his family. Meanwhile, archeologists are searching the bog for other artifacts.
