Happy Labor Day!

It's September already! Pretty soon we will be welcoming our Canadian and Northern friends back to Down Yonder for the season.

More often than not, my monthly newsletter is listed with reminders of rules and regulations. This month Kim and I would like to do something a little differently...

We would like to give a huge THANK YOU to all of you that have been

- bringing pool passes to the pool and picking up pool passes for your guests at the office
- calling the office to have it noted when you are having visitors for a stay
- letting us know when you will be out of town and providing us with contact information
- following the speed limit and the stop signs
- utilizing the complaint and compliment forms and completing them correctly
- keeping your pets leashed
- picking up after your pets
- keeping your property neat and weeded, painted and pressure washed
- trying not to cause wakes when we experience flooding on the property
- emptying all the standing water on your property
- putting your trash in a can with a lid
- breaking down boxes to be collected with trash
- not entering the clubhouse in wet bathing suits
- closing umbrellas when leaving the pool
- not parking or driving on the grass or in streets
- calling police when necessary
- following the rules and regulations of the prospectus
- Providing us with a fun, clean, happy and enjoyable place to work!

The storage area fencing and the road pavement projects will be starting before the end of summer!! There are a lot of exciting upgrades coming to Down Yonder in the following year!!

As of the release of this media, there are only 117 days left until Christmas!!

Have a safe September!

**F**all is coming soon and that means that all of our Northern Friends will be returning over the next few months. We welcome them all!

Our first HOA meeting will be October 13, 2015 at 7:00 p.m. in the Manor House. We hope to see all the members and many more new ones. For new members the pro-rated membership will be \$10 for October, November and December. This is only for new residents and those who have never joined before. You must bring your title and only the people on the title will be allowed to join and attend meetings. You then can rejoin for 2016 prior to elections in January 2016 for \$20. This is per household, not per person. There will be 2016 Membership Forms at the October meeting.

We would like to thank the people who have kept the park active over the summer. There have been many get togethers with great turnouts. Hats off to all of you!

We have been very lucky these past few months with very few problems. Although we have flooded, we have been very lucky compared to many other neighborhoods in the surrounding areas.

There are times when management has to adjust services to weather conditions and holidays, and unfortunately we have to roll with it. They are unable to communicate every adjustment to each and every household. When we hear of any changes we will try to post it on the DY Community page on Facebook as a courtesy. We ask that those who see it pass it on to those who are not on the internet or are not on this group.

Safety – A quick reminder to be watchful of your surroundings and neighbors. If you see something that doesn't look right please call the police first. If it is a non-emergency contact the office during work hours or me (Linda-330-6059) in the evenings and on weekends. There have been many cases of things being stolen within the park. Please be sure to lock bikes and golf carts up at night. The Largo Police Dept. has suggested that we mark under the seats of both the bikes and golf carts "Down Yonder and your lot number". This way if they are found they can return it to you.

Volunteers are always welcomed and needed for many aspects of the functions that the organizations have during the year. Anyone interested in giving a helping hand please contact either myself or any board member of the HOA, the Community Association or Ladies Auxiliary.

# Multiply Your Monthly Mania!

**A**s you probably already know; patronizing the advertisers in this newsletter also pays YOU with our Monthly Mania Cash Give-a-Way. **We pay out \$400 every month to residents** who submit tickets they have received from using the businesses in the newsletter. Winning is easy, just patronize any advertiser in the newsletter, then submit either the ticket or a paid receipt to us for your chance to win!

## Now You Have More Chances to Win!

We are now offering unlimited entries into our Monthly Mania drawing by just *SUGGESTING* a business to advertise.

Here is how it works:

1. Call our office and suggest a business to advertise in the newsletter
2. We will take down your information (name, address, phone number) and enter you into the next month's drawing for over \$400 in cash prizes
3. The more businesses you suggest, the more chances you have to win.  
*(To qualify each resident can only suggest a business once)*

We would like to thank many of our newer (and younger) residents that have become involved with functions in the park. This is important because this is your home and your generations will be the leaders in the future.

**TELEPHONE DIRECTORY** – For all the new residents, we urge you to have a number listed in our directory for emergency purposes. This will also help our street captains that will **ONLY** call you in case of emergency situations in the park (i.e. water shut-offs/water boil [when advised by the county], electrical shut downs and etc.) Remember they are only disbursing information for your safety and you should not be calling them for any other information about the situation. Please check the directory at this time to make sure that your name and number are correct. The Directory for 2015-2016 has been delivered. Any errors or omissions should be reported.

**NEW RESIDENTS** – We are a community that is governed by a Prospectus which contains the rules and regulations of what is allowed and not allowed, what is expected of the corporation that owns the property and what is expected of us as residents. Please take the time to read your Prospectus and know the rules set forth many years ago. Please remember when you signed your lease assumption you agreed to abide by these rules and regulations.

You may call me (Linda) if you have any problems or concerns. Please be sure to leave your name and unit number and your question or concern. This way I can have your answer prior to returning your call. You may also email me at [lhoma29@yahoo.com](mailto:lhoma29@yahoo.com). Our phone numbers are on Page 4 of your yellow phone directory. Also there are complaint forms in the library for you to fill out and give to the office. Please duplicate the forms so the office can sign and date your copy.

Jean Lasner has moved to Cabot Cove on Belcher. She would enjoy visits and phone calls. Will miss you Jean. Come visit. Please let me know if you know of anyone passing away or ill. My phone number is 523-9771. Thank you. Marlene Murrie

**D**eadline for October is September 12th.

I would like to post vacation pictures. Please send me either by e-mail or regular mail a picture of where you went on your vacation with a description of where it was taken.

If anyone should see a birthday or anniversary of a resident who is no longer in the park, please notify me. It has been quite hard keeping track of the comings and goings in the park. Your help will be appreciated.

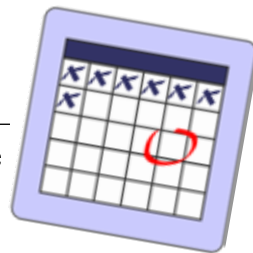

**DAY TRIPS** – Our Tampa Bay Rays game against Boston Red Sox is a hit, we have 45 people signed up to go.

**S**ummer is almost over. We want to go out with a splash.

Per request, we will have another pool party on September 5th, which again will include a cookout. This is on the Labor Day holiday weekend and we will also have a pot luck dinner on the Monday, the 7th. Look for the signup sheets in the library. There will be a charge for the cookout. The pot luck dinner requires you bring a dish to share.

We are also having a Toga Party on the 26th of September. Dress in your best toga outfit. I

am sure it will be a lot of fun. These are all suggestions from residents and we are looking for more ideas.

We were asked to have more activities over the summer months as we now have more individuals living here on a year round basis. We have been trying to accommodate those request.

We have an event outside the park on September 12th. About 45 people are going to see the Rays play the Boston Red Sox. If you have an idea for an outside the park trip please talk with Elaine Handrigan or Marcee Fox.

We have put a sheet in the library of the dances we have scheduled for the coming season. Some of them we have a theme for and/or individuals who are willing to run the event. If you are interested in taking on an event please sign the sheet. If a theme is not listed (like January's dance) you get to pick the theme.

We are still looking for someone to take over Koffee Klutch starting in September. Remember the first KK is always done by Shuffleboard, so you only have to find someone or a group to do the second one of the month.

We also need an individual to do the Sunshine Committee. As always, be safe and be well.

## **DOWN YONDER NEIGHBORHOOD WATCH PROGRAM**

*Dave Lipp*

---

**W**hether it be watching out for suspicious activity, making sure each other's homes are secure when we are away, or making sure all of our neighbors have a place to go in case of an emergency evacuation, our purpose is to help our neighbors. We need to make sure that all of our neighbors can count on others when they need help. Our residents have a part in what happens to the entire park.

You can help by keep your eyes open to anything that does not seem right. Keep an eye on any suspicious activity but if it is a crime DO NOT try to stop it. Contact the Largo Police Department.

If you call the police you should report it to management as soon as possible. When calling the Largo Police you will be asked:

Name, lot# and street, Phone #, location of incident, incident in progress, description of

vehicle and tag number.

Down Yonder Village is identified as Location #376B on the Largo Police and Fire Department grid map.

"Have you experienced the Sunset Appliance Difference? It's all about our Service!"

Linda Lowe sent a video of some other seniors doing what I believe is Slap Leather (from one of the facebook members) and I will be teaching it. It is a good group dance and might be something we could all do at the monthly dances like we do Electric Slide. Also, Maria S. taught us one at the end of the season that she and Steve do at the German Club. It is an easy dance and done to the Mambo. Would like to think about jazzing up the line dancing at the monthly dances. So let me know if you are willing. Actually, Slap Leather is an old dance, and was very popular at one time. I'll get the choreograph, or I may have it and we'll see what we can do. Are ya'll willing?

Hope everyone is having a great time this summer. It is very hot here. Cools down just a tiny bit at night.

Happy dancing!

**W**ow September already, it's been **HOT AND RAINY** the past few months but we came through it with no serious problems . Thank God

1st situation I need to address is can barrels-----

PLEASE DO NOT PUT HOUSEHOLD GARBAGE INTO OUR "can's only " barrels located at the pool area next to the SODA MACHINE and the 2 near our SHUFFLE COURTS also the BLUE barrel is for shuffle trash only we do utilize them frequently all year

THANK YOU FOR YOUR ATTENTION TO THIS MESSAGE

CAN CRUSHING IS NOT AN EASY JOB OUR GUYS DON'T NEED TO DEAL WITH THAT MESS

The shed they crush them is very very hot this time of year and I cannot thank them enough for taking care of this job, we don't get a lot of money for them but it is helpful to our club expenses.

I also want to thank Stu Keough for taking the cans to the aluminum recycling facility for many years now and to the men who crush them regularly week after week.

And thank you to you all who bring them to our club can barrels.

p.s. no plastic bottles please call me any time if you are interested in learning the game

Dec 24th Christmas Eve We are going to be celebrating Christmas Around the World with food and entertainment from different countries. There will be a charge but you will not have to bring any food.

If you have an ethnic appetizer recipe that you would like to share, start looking for it so the Christmas committee can organize and look for kitchen help prior to Christmas. I am looking for helpers in the kitchen to make appetizers to freeze for the evening. If you are interested in helping with this event please contact me ... Caryl Ciofani 262-352-1067

Thanks to all of you! I hope you volunteer to help make these events fun for all. You have been having so much fun this summer and I HOPE we will continue thru the season!!!

See you soon...I guess my first event to attend will be the TOGA Party!!! You know A FUNNY THING HAPPENED ON THE WAY TO THE FORUM.....LOL

Happy Birthday

## September Is...

---

**B**aby Safety Month. Drowning, falls, chemicals, and other hazards can endanger the life and health of any small child. During September, take a good look around your house and eliminate any threats to babies' safety that might be hiding in plain sight.

**Library Card Sign-Up Month.** A time to remind parents and children that a library card is the most important school supply of all. If you don't already have a library card, get one in September; if you do, visit your local library and use it.

**National Bourbon Heritage Month.** A celebration of bourbon as America's "Native Spirit." The U.S. Senate declared September National Bourbon Heritage Month in 2007, calling on those who enjoy bourbon to do so responsibly and in moderation.

**National Campus Safety Awareness Month.** College campuses are not immune to destructive behaviors and violence due to high-risk drinking, drug abuse, sexual assault, fire safety, and more. As your kids head to college this month, talk to them about safety and investigate the resources their school offers.

## Week to Week

---

**N**ational Suicide Prevention Week, Sept. 8-14. An annual campaign to inform and engage health professionals and the general public about suicide prevention and warning signs of suicide. Awareness events are held throughout the week around World Suicide Prevention Day, Sept. 10.

National Truck Driver Appreciation Week, Sept. 13-19. Sponsored by the American Trucking Associations, a federation of state associations, affiliated conferences, and individual members committed to developing and advocating policies that promote highway safety, security, environmental sustainability, and profitability.

Pollution Prevention Week, Sept. 21-27. The best way to protect the earth and its people is to stop creating pollution in the first place. Less waste and pollution means fewer hazards to public health and the environment. Pollution Prevention Week highlights the efforts of the EPA, its state partners, industry, and the public in preventing pollution right from the start.

**Banned Books Week, Sept. 27-Oct. 3.** Sponsored by the American Library Association to promote the importance of ensuring the availability of books to all who wish to read them.

## Two-minute walks may improve your health

Exercise keeps you healthy. Fortunately for busy people, exercise doesn't have to mean working out at the gym or running a marathon. A study reported on the Science Daily website found that adding just two minutes of walking per hour to your routine can extend your life expectancy.

Scientists at the University of Utah School of Medicine discovered that taking a two-minute walk once an hour was associated with a 33 percent lower risk of dying. Even brief walks add up to a substantial benefit when taken often during the day. The scientists emphasize that these walks should be an addition to a moderate exercise habit, not a replacement for one. It's a step in the right direction.

## Protect your hearing

Excessive noise in the workplace (or anywhere else, for that matter) can damage your hearing. The Medicine Net website warns that you risk hearing loss under these noisy conditions:

- You need to shout so that people an arm's distance away can hear you.
- Your ears begin to hurt from the volume.
- Your ears are ringing.
- You suffer temporary hearing loss after being subjected to constant loud noise.

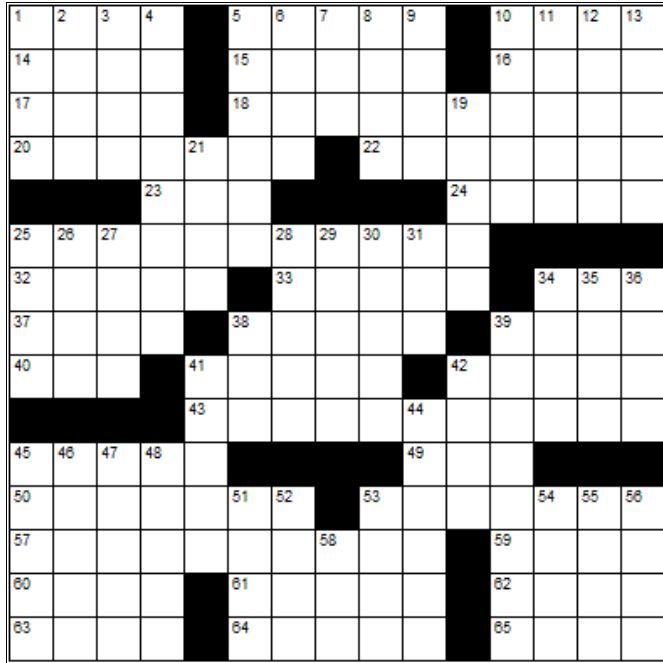

All you need is love. But a little chocolate now  
and then doesn't hurt.

—Charles Schulz
