## FROM THE MANAGER'S DESK

*Marilyn Sisti*

---

Just a few items I want to address, first the back gate will be permanently closed as of October 1st, we have had too many speeders and outside people using this gate as a cut through, it was decided for the safety of the park to keep this permanently closed, of course if there is an emergency Joe will open it. I apologize for any inconvenience to the residents but we must think of the safety of the park.

Driving around the community I had noticed that some of you need to clean your gutters and roofs. some of you have trees growing out of your roof. Also cleaning your gutters will prevent you from having leaks. I want to thank those of you who have been keeping your property well maintained and carports clean.

When you are dumping your items in the large dumpster in the maintenance compound, please if you see the dumpster gone that means the city took it to dump and will bring it back, do not just dump your trash on the ground, this is not acceptable, take your trash back and bring it back when the dumpster returns. Also, please do not throw electronics, tires etc. in that dumpster, you can throw them in the dumpsters in the clubhouse parking lot, these are recycle dumpsters and the city allows those items there. If we know who is throwing electronics, appliances, tires etc in the maintenance dumpster the items will be returned to your carport.

We are now starting to tow cars that have disregarded our notices, please do not park on the street overnight this is not acceptable. if there is an emergency ambulances need to get through.

I think there has been confusion over the pick up of lawn trash, if you put your debris in bags that are not so heavy that the bag will break, Joe will pick these up on Thursdays.

I am doing my best to try and identify unauthorized occupants or children living in the park, I have had some success I need your help to let me know what lots are harboring these people,

Last item please if you see something say something, everything that you tell the office stays confidential. I have had residents come up to me and complain about certain things, but will not tell me who the culprit is, this is useless information if I do not know who is causing problems I cannot address the problem.

My door is always open anytime if you wish to speak with me.

## Media Deadline

**D**eadline for November is October 12th. (This is a must) Due to the Holiday

I need everyone's help. It is very hard for one person to keep track of birthday's and anniversaries, especially with the New Resident program. If you should see any name of a resident who has either passed, or moved away, please let me know either by e-mail (ehandrigan@hotmail.com) or drop off a note at my coach #348. Your help will be greatly appreciated.

# Apurva Shah, M.D., M.P.H.

## Board Certified in Internal Medicine

Dr. Shah is a board-certified MD in Internal Medicine and has been in practice for twelve years. He received internal medicine training from New York Medical College and also holds a Master's in public health from the University of South Florida.

Dr. Shah specializes in geriatric care. With his training and experience, he has been very successful in managing and treating high blood pressure, diabetes, back pain, heart problems, respiratory problems, and obesity.

The practice of Dr. Shah and Jill Coots, ARNP strives to remain open minded when building relationships with patients. A trusting relationship with atients and their families enables them to provide the most comprehensive and compassionate care. Emphasis is placed on preventive medicine, screening tests, timely interventions, and follow-up care. Dr. Shah and Jill have been successful with managing acute and chronic medical problems, reducing hospitalization and emergency room visits, and helping patients maintain a healthy and productive lifestyle.

We strongly believe patients are the biggest asset of our practice and customer service is the main motto of our practice. Patient feedback is extremely valuable and has helped us over the years to provide high quality and compassionate care. Dr. Shah does make personal rounds for his hospitalized patients and believes in continuity of care.

## Home Owner's Association

Linda Thoma

---

**W**ELCOME BACK to our Snowbirds who have arrived already and to those who will be arriving during the next month.

### Ongoing Projects:

#### Kitchen:

And so we wait.....the new cabinets have been ordered and the contractors are waiting for their delivery so they can complete the project. The office has told me they should be here in the next few weeks (today is September 12), so hopefully this happens before our activities begin.

#### MAIL STATION:

COMPLETE! The new station appears to be working for all. For those of you that use the outgoing mailbox in front of the office, you just need to go to the new mail station and there are several outgoing mail slots to deposit your mail.

**POOL:** The pool is still under mandated rules from the Health Dept. on Dawn to Dusk swimming until new lighting is put in. Today (September 12) I was told that they had to get new bids from another contractor because the one they originally were working with wasn't following through.

We are still waiting for the pool deck to be repainted with a non-skid paint to avoid any unnecessary falls.

**COMPLAINTS:** When filing a complaint, please either take a copy with you or have the office make a copy and have them date and initial your copy. They will then let you know that the complaint has been dealt with (if it is a serious problem). They cannot tell you what was said or actions taken due to privacy issues. New management has assured us that they will stay on top of complaints.

*...continued on page 10*

**DIRECTORY:** 2019 & 2020 Management will no longer be giving us the names of new residents nor the names of who moved out. It is of great importance for neighbors to let someone from the Board know if a home has sold so that they may remove the old owner from our directory. They will then contact the new owner to see if they would like their phone number listed. The Board will be receiving the annual rent list in September so they will be able to get names and lot numbers from there, but that will not cover any months from October through April when the book goes to print.

For those that are hesitant about having your number published.....it is great for emergencies. People that don't have a purpose to call you usually don't. The HOA will never call unless absolutely necessary.

**VOLUNTEERS-**All organizations can use your help. Please consider volunteering for anyone of the associations. All the associations run on strictly volunteers and we are looking for those that can give an hour or two of their time for the many functions that we have. Remember, the more volunteers the quicker the task can be accomplished. You can find phone numbers to Board members of each in this book.

### **REMINDER**

Forms for special needs and seniors during hurricanes are in the Library. Remember our hurricane season lasts until December 1st.

### **RESIGNATION:**

As of September 30, 2018, I have resigned from the Down Yonder Homeowners Association as President and as a Board member.

## DOWN YONDER NEIGHBORHOOD WATCH PROGRAM

*Dave Lipp*

---

**W**hether it be watching out for suspicious activity, making sure each other's homes are secure when we are away, or making sure all of our neighbors have a place to go in case of an emergency evacuation, our purpose is to help our neighbors. We need to make sure that all of our neighbors can count on others when they need help. Our residents have a part in what happens to the entire park.

You can help by keep your eyes open to anything that does not seem right. Keep an eye on any suspicious activity but if it is a crime **DO NOT** try to stop it. Contact the Largo Police Department.

If you call the police you should report it to management as soon as possible. When calling the Largo Police you will be asked:

Name, lot# and street, Phone #, location of incident, incident in progress, description of vehicle and tag number.

Down Yonder Village is identified as Location #376B on the Largo Police and Fire Department grid map.

## Did you know that October is also...

**National Apple Month.** Because apples are high in fiber and contain no sodium, cholesterol, or fat, they make a great snack. With more than 2,500 varieties grown in North America, it won't be difficult to find one you can enjoy chopped into your morning oatmeal, baked into a pie, or cored and sliced any time of the day when you want a delicious treat.

**International Augmentative and Alternative Communication (AAC) Awareness Month.** AAC is a set of strategies, tools, and devices used by people to overcome communication challenges. People who rely on AAC might use sign language, text, pictures, symbols, speech-generating devices or a combination of these for their basic communication. This month let's increase our awareness of the possibilities that could develop when everyone has the ability communicate effectively.

**National Work and Family Month.** In 2003 the U.S. government designated October as a time to promote sensible, flexible, and healthy work environments, as well as the benefits of work/life balance. Don't wait for your employer to create an initiative or perk to combat the daily grind. Take a day or more of PTO to decompress from your busy life and reconnect with your family.

**Positive Attitude Month.** Researchers believe people who embrace a positive outlook have less stress, an increased sense of well-being, better coping skills, and longer life spans. Purge the negativity from your life: Meditate, pray, practice positive affirmations, and surround yourself with only happy people. Do whatever you must, but always look on the bright side.

**Fire Prevention Week, Oct. 7-13.** This year's motto is "Look. Listen. Learn. Be aware. Fire can happen anywhere." Look for and eliminate potential fire hazards in your home. Listen for the sound of smoke alarms. Learn two ways of exiting every room in the event of an emergency. Visit the National Fire Protection Association website at <https://www.nfpa.org/Public-Education/Campaigns/Fire-Prevention-Week> to access more information.

**Bone and Joint Action Week, Oct. 12-20.** It's estimated that more than half of the U.S. population over 18 is dealing with some sort of musculoskeletal issue. This can include arthritis, osteoporosis, back pain, injuries or other conditions causing pain, disability, and a diminished quality of life. There is hope. Visit the website for the U.S. Bone and Joint Initiative at <https://www.usbj.org/> to find out about research, prevention, and initiatives targeting bone and joint issues

**National Taco Day, Oct. 4.** Have one for breakfast, lunch, dinner, or any time of the day. We celebrate the taco on this day just to give you one more reason to enjoy them.
