Here it is April and we very soon will be sending all of our northern friends home for the summer.

I am sure we will all miss them and wish them all safe travels. We have had a fun winter and I hope you all enjoyed your winter.

By now I hope the fence across the back and side is done!!!! We will continue trying to get things done all summer so when you return we will have some nice surprises for you.

It has been a struggle but I think we may be on the right track.

It is to be a hot summer, when you northern folks think of us in this heat.

I hope to keep in touch with all of you and maybe we will have a web site before long, then we all can still keep in touch. That way could be fun.

About the wonderful people in this park we have a lot of them, I was trying to unload 6 bags of mulch when two guys on bikes stopped and offered to help and it was so appreciated.

We got a call from Fred Glennon. He wanted to thank all of the people here in East Bay Oaks for their kindness shown with card and call to them during Shelia's illness. It meant a lot to them both. We have a lot of friends in this park.

April Showers Bring May Flowers

It is truly wonderful to walk around the community and see all the colorful spring flowers in bloom. If you haven't planted any flowers.....WHY NOT?

I am pleased to announce that everyone is invite on Easter Sunday, April 5th to the Eldorado Clubhouse for an interdenominational worship service led by Pastor Steve Kocsis and his wife, Tina. They are new residents of Eldorado Village. Won't you join us in worship? This invitation is open to both parks.

If at all possible, please pay your monthly rent by direct deposit. You can pick up these forms in the office. I continue to receive checks in the office without lot numbers, each month this omission causes posting problems.

In addition, Dean or I have anything to do with late fees that are posted to your account. All payments are due no later than 11:59 pm the night of the 5th. ANY check received after that is considered LATE. Example; if you mail the check to us on the 1st and we receive it on the 6th, the payment is late and you will be charged a fifty-dollar late fee.

In an effort to improve our community, letters are being mailed to households that are not abiding by park rules.

If you need to dispose of paint, hazardous chemicals or electronic equipment, please take your items to; 2855 109th Ave. North, St. Petersburg, FL 33716

BILOXI/NEW ORLEANS

What a wonderful trip! We learned so much about the area in New Orleans. Our tour guide Jim did such a wonderful job. The 3 hours seemed more like one. I know for myself I could have listened to him and his info a lot longer. The casinos in New Orleans and Biloxi were very pretty and lots of them as well. As for winnings, not sure how much was won but we came home and no one was crying, so that was fine. I have been talking to some that went and other tour directors and we'll probably set up another one next year so watch and see what is coming in the future months. There is still time to

book the trip to the Smokies so call and let me know.

Thanks to all who have gone.

BUGS, YES WE NEED THEM

Jennifer O'Connor

They get a bad rap, but ants, cockroaches, wasps, and bees are fascinating animals who play a vital role in the ecosystem and provide many beneficial “services,” including pollinating fruits and vegetables and defending trees against harmful insects.

If these critters are calling your house “home,” there’s no need to resort to cruel and toxic pesticides or traps. Like all animals, these tiny beings suffer when they are poisoned, trapped, or otherwise killed. Pesticides can be hazardous to humans and other animals and, like all killing methods, don’t solve the problem, since more insects will soon move in to fill the vacancy left by those who were killed.

Humane control methods—including removing food and water sources, sealing entry points, and repelling insects with safe and natural substances that you probably already have in your home—are much kinder and will keep “uninvited guests” out for good.

Killing cockroaches is cruel and futile. Unless you make your home less attractive and accessible to them, killing some roaches will simply create a void that others will soon fill. It’s just a matter of time.

To roach-proof your home, keep food in tightly sealed containers, never leave dishes unwashed—especially at night—and wipe your counters thoroughly. Water is a precious resource for roaches, so even a few drops in your kitchen sink would be equivalent to a couple of glasses to you and me. Keep typically moist areas dry, sweep floors, and vacuum frequently. Once

you have taken away food and hiding places for roaches, you can place bay leaves, cucumbers, garlic, hedge apples, or catnip in high and damp spaces around your home to repel them.

A product called Orange Guard is a nontoxic organic ant repellent that is harmless to humans and other animals and will drive ants away from areas where they are not wanted. However, when applied directly to ants, the active ingredient (orange peel extract) destroys the waxy coating of the insects' respiratory systems, causing the ants to suffocate, so please do not spray ants with the repellent. Simply spray the repellent around your home—the citrus fragrance of d-Limonene will repel the ants without killing them.

MONTHLY MEDIA DEADLINE

Ernie Ranger

Remember that the media deadline is the end of the 7th day of each month. That means you must have any submission into me at that time for the following month's media publication. Submissions must be EMAILED to me at jranger67@live.ca. It is your media. Please use it to publicize upcoming events or to report on past events. Photos are welcomed as well, via email. Photos are a great way of showing off your events. Every Park resident receives a copy and sometimes it is their only source of information.

EDITORIAL

Ernie Ranger

It's fitting that this month is Community Spirit Month. What is a Community? A community is more than just a group of people living in a particular area. A community is a group of people we lean on when times are tough; our friends, family, and neighbors who are there for us when we need love, support and encouragement. We all loosely belong to or identify with many different 'communities', from our families, to schools, neighborhoods, cities, nations, work, clubs, and religious groups, to name just a few. To me "community" is about belonging. It is a place that supports me in many ways - friends, neighbors, resources,

EARTH DAY play time. It is home. East Bay Oaks is my Community. It makes me feel

happy and safe, wonderful neighbors and special friends. At the end of the day, do we really judge the value of our lives by how much money we make or how many things we collect, or how much fame we achieve? Don't we feel most satisfied when we know we have truly affected another person positively, when we have contributed to our own communities? Think about it. What does Community mean to you?

COFFEE HOUR – FEBRUARY 2015

Bill and Eva Phillips

It was an excellent month at East Bay Oaks coffee hour. The attendance was between 60-70 for the four occasions. Once again we had a very profitable income, mainly due to our 50/50 profits. We received \$338.00, and for the month we had an increase of \$350.00 for our association treasury.

We were so fortunate to have a great group helping us. Ellie Sims, Cathy & Drew Fry were our helpers. Mike Mahoney our MC and Vic Burm made the coffee. They all volunteered for the entire month. We thank each of them for the wonderful job. Well Done!!

Our 50/50 winners were: Jack Weir (3), Rich Heiser (2), Alice Collumb (2), Vernon Nicholas (2), Fred McKenzie, Rich Walton, Joyce Johnson, Peg Feeney, Ed Kiker, Sarah Spano, Bev Ratten, Dick Highton, Andy Vavasour, Diane Ward, Chris Lowe, Betty Haibach, Michael Thomas, Sara Speiner, Bob Coady, Bobbie Schnabel, Marge Weir, Helga Kelly, Brenda Thomas, Mary Burm, Ernie Ranger, Barb McDonal, George Wehner, Fern Byram, and last but not least Barb Brown, who won only once during the month.

They are all winners and a great asset to EBO coffee hour. Have a wonderful rest of this year.

KEEP SMILING

Joke of the Month

Three old ladies named Gertrude, Maude, and Tilly were sitting on a park bench having a quiet conversation when a flasher approached from across the park. He came up to the ladies, stood right in front of them, and opened his trench coat. Gertrude immediately had a stroke. Then Maude also had a stroke. But Tilly, being older and feebler, couldn't reach that far.
