Happy Valentine's Day!

HOA President

Will Bracey

Are you ready to find out if winter is almost over? The Groundhog will soon let us know. Groundhog Day is celebrated every year on February 2nd in both the United States and Canada. Folklore has it that on February 2nd if a groundhog emerges from his hole and fails to see his shadow, he will leave his burrow - signifying that winter will end soon. But if the Groundhog does see his shadow he will retreat down into his burrow, and winter will last for another 6 weeks! Shortly after that, love will be in the air with Valentine's Day on February 14th. Valentine's Day is one of those special days that everyone remembers. Don't wait until that Tuesday to buy your roses, chocolates and cards. Shop early so you will have a large variety to choose from for that special person. Let them know you really care. And I would lose my Louisiana heritage if I didn't mention Mardi Gras. Mardi Gras day is on Tuesday, February 28th. The date for Mardi Gras, also called Fat Tuesday, changes every year; it is always 46 days before Easter. "Laissez le bon ton roulette" is the phrase to say on Mardi Gras day - "Let the good times roll".

I want to talk a little about change. Some people prefer to spend their life doing the same things and avoiding change. Others, however, think that change is always a good thing. It is true that people perceive change in different ways. Some residents in our community believe that change is always for the better, while others think otherwise. My view is that change is an indispensable part of our lives, so people should accept this fact and try to learn how to tackle it rather than avoid it, which is impossible. While I don't embrace all changes, I know many are inevitable. My approach is to always try to find the good aspects of a change. Over the years, I have learned that fighting change only causes me undue stress and emotional turmoil. Let's try to live a healthy, stress free 2017 and embrace the good parts of future changes and adapt to those that we feel are not so good. Remember, change always happens for a reason - find the good aspects of your upcoming changes. Ask yourself, "do I really have a choice?"

I hope everyone has a fun and healthy February.

MANAGER'S CORNER

Debbie Puckett

The New Year is off on a roll!

We have started working on our Capx projects. As you know, this is not a five-minute job. We have looked at what streets are getting done. I will send out a notice when the time for the pavers has arrived. The shuffle courts are also on the list this year. Those are not scheduled until after the season. You have been so patient about the chairs too. We are in the process of getting them ordered.

In recent weeks Code Enforcement has been in our communities. One of the things brought up was about permits. You need to have all construction projects first approved by management. Then get any permits needed. This will save you a lot of headaches later. Bring your diagram to the office for review prior to starting any project so that it can be approved in writing. Also, any project will be contingent upon you getting permits.

Just a reminder that ALL residents need to have their pool pass when at the pool. If you do not have it on or with you, do not be offended if someone asks. This is to protect you as a resident. Also, to be sure outside people are not freely using our pools.

Remember, if you have guests they need to register at the office. Parking overnight at the clubhouse is NOT permitted without a pass from the office.

Thank You
Debbie

David MacAskill

If you have any changes, additions, deletions, corrections etc. for the telephone directory, please EMAIL them to David MacAskill at dsmacaskill@gmail.com and it will get published in the monthly media and then corrected when the next directory is published. Remember that it is your responsibility to ensure that the directory correctly reflects your contact information.

112Heidenrich, Mary 727-612-7131

The East Bay Oaks Homeowners Association has implemented an automatic messaging service (Call-Em-All) to notify you in the event of a critical or routine event such as loss of water, electricity etc. If you are interested in being notified by telephone, please send an email to dsmacaskill@gmail.com or willbracey@aol.com providing the telephone number that you want to receive the automatic message and giving your consent to provide Call-Em-All with your number. This will be the only method used to contact you should you need to be notified of a critical or routine event.

SHUFFLEBOARD

Ernie Ranger

Shuffle practice is held on Wednesdays at 10:00 am. (On the third Wednesday of each month it is moved to Tuesdays to accommodate the men's and ladies luncheon) Games are held on each Thursday, a schedule will be provided during practice. New players are welcomed. No experience is necessary, lessons and coaching will be provided. It is a fun sport, we get to travel around to various Parks to play and there are a number of tournaments held each season, which are also very fun. It is a fun, friendly league and you can get more information by contacting Coach Ernie Ranger or Assistant Coach Brian Taylor.

BORROWING OF TABLES/CHAIRS

David MacAskill

A new process has been put into place for anyone wishing to borrow tables/chairs from the Clubhouse. Forms are available in the Clubhouse, which will need to be completed and dropped off at the HOA Mailbox at the ELS Management Office in advance. The tables in the main clubhouse are not available for loan. The loaner tables are located in the Continental Room. If you have any questions about the process, please discuss with a HOA Board Member.

Monthly

African American History Month. An annual observance to recognize and commemorate African American culture, African American History Month (or Black History Month) is celebrated annually in the United States and Canada in February, and in the United Kingdom in October.

Dog Training Education Month. Every day of the month, perform one training activity with your dog: jumping, herding, racing, etc. By the end of the month, you'll notice an improvement in your dog's temperament, and you'll share a closer bond.

National Haiku Writing Month. Write one haiku a day throughout February—the shortest month for the world's shortest genre of poetry. Don't think writing a good haiku is easy, though. As French philosopher and literary theorist Roland Barthes once observed, "Haiku has this rather fantasmagorical property: That we always suppose we ourselves can write such things easily."

Teen Dating Violence Awareness Month. A national effort to raise awareness about abuse in teen and 20-something relationships and promote programs that prevent it. One in three teens in the United States will experience physical, sexual, or emotional abuse by a partner in a relationship before they become adults. Spread awareness, and stop dating abuse before it starts.

Weekly

Burn Awareness Week, Feb. 5-11. Observed the first full week in February, Burn Awareness Week is intended to provide an opportunity for burn, fire, and life safety educators to share the message of burn awareness and prevention in communities around the nation.

National School Counseling Week, Feb. 6-10. This year's theme, "School Counseling: Helping Students Realize Their Potential," will focus public attention on the unique contribution of school counselors and highlight the tremendous impact they can have in helping students achieve school success and plan for a career.

Children of Alcoholics Week, Feb. 12-18. A campaign led by the National Association for Children of Alcoholics (NACOA) to raise awareness of children affected by parental alcohol problems. Children of Alcoholics Week is celebrated internationally each year during the week in which Valentine's Day falls.

National Invasive Species Awareness Week, Feb. 19-26. Raise awareness and identify solutions to invasive species issues at local, state, tribal, regional, international, and national levels. Participating organizations include the Association of Fish and Wildlife Agencies, the Environmental Law Institute, and the Nature Conservancy.
