Clubhouse Booking

Please note that all Clubhouse bookings (requests to use the Clubhouse for private events) are being handled by the Park Management Office (727-531-9105).

Borrowing of Tables

Forms are available in the Clubhouse to be completed and dropped off at the HOA mailbox at the ELS Management Office in advance. The tables and chairs in the main clubhouse are NOT available for loan. The loaner tables are located in the Continental Room and are the long metal folding tables.

Kitchen

Please be aware: We have been notified by Largo Code Enforcement after consultation with the Largo Fire Department that any use of the cooktop and any use of the oven except for low temp (250° or less) warming is forbidden due to lack of a fire suppression system. Any kitchen access only includes use of the sink, refrigerator/freezer and counters.

HOA President

Wendy Copeland

Well, this month should see some of you returning and most of the rest into November. It's been a hot and languid summer. We had a July 4th party and have had summer Bingo every 1st and third Wednesday, along with the other activities that normally run throughout the year. We will soon be gearing up for the Fall Social Events – Ice Cream Social, Halloween Party, Veterans Day Celebration, Under the Sea Party, Thanksgiving Dinner, the Craft Fair, Christmas Dinner and New Year's Eve Party to round out 2017. Please join us in the fun! In addition, November 2 will be the first HOA meeting of the season. Plan to come and learn more about the Park and what these documents you received when you moved in mean.

As editor, I need to add something on a more personal note. On behalf of my sister, Janice Wohlhaupter, myself and our Aunt Lil Sherman's family, thank you for the outpouring of love and support at her sudden passing. Losing her so suddenly was devastating to us. Please plan to join us at her Memorial Service on November 4, 2017 from 4-6 pm.

“No matter how you feel, get up, dress up, show up and never give up.” Zig Ziglar

Bingo

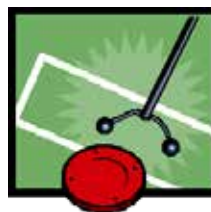

We are pleased to announce that we have had a few volunteers step up to try to replace our irreplaceable Ernie. A committee comprised of Colleen Huckins, Ginny Taylor, Carolyn Frase, Rene Fleming and a few others will be organizing our Bingo this year and we hope to have exciting new games and fun for all. We are planning to start regular Bingo on the first Wednesday of November. More info to come!

Shuffleboard

Brian Taylor

Shuffle practice is held on Wednesdays at 10:00 am. (On the third Wednesday of each month it is moved to Tuesdays to accommodate the men's and ladies' luncheons). Games are held on each Tuesday, – a schedule will be provided during practice. New players are welcomed. It is a fun sport, we get to travel around to various parks to play and there are a number of tournaments held each season – which are also very fun. It is a fun, friendly league and you can get more information by contacting coach Brian Taylor or Assistant Coach Ernie Ranger. New season begins in early November.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

Three activities to ward off Alzheimer’s

Alzheimer’s disease may not have a cure, but experts believe some practices can help delay memory loss. Here’s what you can do:

- Cognitive training. Crossword puzzles and other games can help, but try some different techniques. Do simple arithmetic in your head instead of relying on a calculator. Develop a new method for remembering what’s on your shopping list. Train your brain to remember things in new ways and you’ll keep it sharper.
- Control your blood pressure. Reducing high blood pressure with medication and weight loss not only cuts your risk of heart disease, but it can also ease stress on the delicate blood vessels in your brain— stress that can exacerbate memory loss and dementia.
- Exercise. Moderate aerobic exercise has many health benefits, including heading off symptoms associated with Alzheimer’s. Try exercising for 30 minutes five days a week, or 50 minutes three times a week. You’ll feel better and extend your cognitive health.

Scientists search for life on the toughest planets

We think of life as viable only on planets orbiting stars like our sun, but scientists now speculate that it could evolve on worlds circling very different types of stars.

Stars called M dwarfs are the most common stars in our galaxy. Their harsh flares and gravitational grip on their innermost planets could interfere with the formation of liquid water, which is necessary for life. However, astronomers have spotted approximately 200 planets circling M dwarfs, and dozens are in the so-called habitable zone where liquid water could exist and temperatures aren’t too extreme for the development of life.

Scientists are studying these strange new worlds in hopes of detecting conditions that might lead to life—although it will probably be very different from any life found on Earth.

Did you know that October is also...

Adopt a Dog Month. Each year an estimated 3 million to 4 million animals waiting in shelters never find someone to give them a safe, loving home and are euthanized. If you're thinking about getting a dog, be a hero and consider adopting from your local shelter.

Down Syndrome Awareness Month. Approximately one in every 700 babies in the United States is born with Down syndrome, making it the most common chromosomal condition. During October you can celebrate people with Down syndrome and make others aware of their abilities and accomplishments.

National Cyber Security Awareness Month. The internet touches almost all aspects of our daily life. National Cyber Security Awareness Month is designed to engage and educate public and private sector partners through events and initiatives to raise awareness about the importance of cyber security, provide them with tools and resources needed to stay safe online, and increase the resiliency of the nation in the event of a cyber incident.

National Protect Your Hearing Month. Hearing loss is a growing health issue among young adults and older Americans alike. Forty-eight million people nationwide suffer from hearing loss. National Protect Your Hearing Month is an important reminder to take steps to preserve your hearing health.

Mental Illness Awareness Week, Oct. 1-7. During Mental Illness Awareness Week, join the National Alliance on Mental Illness in shining a light on mental illness and replacing stigma with hope.

World Space Week, Oct. 4-10. More than 2,700 events in 86 countries celebrated the benefits of space and excitement about space exploration in 2016. This year's theme, "Exploring New Worlds In Space," aims to inspire even more events around the world.

National Business Women's Week, Oct. 15-21. The purpose of this observance is "to recognize women who have been the cornerstone of working in business in the United States in the past and to examine how far women in business have come."

International Music Day, Oct. 1. Initiated in 1975 to encourage the promotion of musical art among all sections of society.

World Teacher's Day, Oct. 5. Celebrate the hardworking teachers who educate our children.

Columbus Day, Oct 9. In 1492, Columbus sailed the ocean blue . . .
