Health insurance decisions can be confusing due to endless coverage changes and many policy types. Fortunately, there is someone who can work diligently to help and without cost to you – Michael Crofts, owner of Best Plan Choice.

Through his own healthcare experience Mr. Crofts learned the value of good health coverage and quality medical care. He dedicates his agency to helping people with Medicare and Medicaid needs. You can visit the office to learn about Medicare plan options or he will come to your home.

Every year your Medicare health plan coverage changes even if you do not change plans. Also, new products are introduced and many offer benefits beyond original Medicare and/or Medicaid plans. Baby Boomers had completely different insurance products during their working years. The indemnity and major medical policies are no longer the only choice and often do not meet the financial needs of consumers today.

Don't waste time trying to figure it out. Michael will sit with you and review all of the documents, and answer all of your questions. Most importantly, he will conduct a needs analysis to determine your individual needs – if you expect a hospitalization, use certain medicines, or want benefit like dental or vision – everything is taken into consideration.

Best Plan Choice is there to help you make the right choice and is available long after the policy is written. This means helping with doctor changes, plan questions, annual review of your benefits, and of course taking great care of any friend or family member you refer. At Best Plan Choice clients become friends, and friends become clients.

## HOA President

Scott Gralinski President

---

**G**reetings, everyone!

October is here, and with its arrival comes a respite from the heat and humidity that Florida has enjoyed this past summer as best as we were able to. A lot of leisure beach time, and even more time spent at the pool worked for me.

"Welcome back" to those of you returning from your seasonal migration. Quite a few activities are already on tap for the upcoming season. Deb Myers, our Social Activities Director, has posted a schedule of events in the clubhouse, a copy of which is being published in this media. With completion of the kitchen project, Deb is planning on hosting bi-weekly dinners at the clubhouse now that we have a fully functioning kitchen. (At this writing, the only thing remaining to be done is a final inspection by the City of Largo). I urge everyone to please try to take advantage of all that our community has to offer.

The first meeting this season of the East Bay Oaks Homeowner's Association will be held on Wednesday, November 6th. Memberships for 2020 will be made available at that meeting. Becoming involved and joining the HOA helps us maintain a vibrant and active community that serves to make this a better neighborhood for us all.

I wish to thank everyone for your continued support in our efforts to improve this community. I truly believe we have made significant progress in that regard, and am hopeful that the progress will continue.

Scott

No loose garbage, it will be left in the can.

Clean your trash cans this has become a health factor.

Remove standing debris from around the home. Codes can and will be called if this becomes an issue. Not to mention rodents love this stuff!

Medical waste must be disposed of properly.

Our maintenance crew is NOT responsible for hauling away contractor residue: your contractor must remove this from the property themselves. If you are the homeowner, you are responsible for taking it to the compound before close of day Monday thru Friday. And, as a reminder NO ELECTRONICS, PAINT, TIRES they go to hazmat dump areas not on the property. If you have an appliance that needs to go; contact maintenance or the office, we have a gentleman that will remove at no cost.

If you need assistance contact the office during business hours, we will address this with maintenance.

Our goal is to make and keep this a safe and healthy community and we need your cooperation to do this.

Thank you for your cooperation

Regards,

Debra Puckett
