## Media Editor

Dick Hambley ([richwham@aol.com](mailto:richwham@aol.com))

---

Well, what a month March turned out to be. Who ever thought that we would see such a change in our lives in such quick manner? We were sorry to see our Canadian friends have to cut short their winter season and head for home. The shut down of our facilities and the “social distancing” was certainly unexpected but necessary. However, we are resilient, and we will get through this. Cooperation and looking out for one another has always been a trait of our residents and it will get us through this as well.

## Valuable Information from

*Dorisanne Gibson and your H.O.A.*

---

A group of interested residents met with Largo Police Officer Vu Tran in January and outlined a plan for the Eldorado Village Neighborhood Watch Program, to be initiated later this month.

As the organization comes together, we will be sharing information with our residents in terms of how the Watch will work at Koffee on Tuesdays, at our HOA meetings and thru Facebook. What you need to know now is that it is going to happen, and some residents will be observing activity in the park with an eye to spotting anything out of the ordinary. I am excited about this new initiative as is Officer Tran.

You have heard a lot about Largo Code Enforcement inspecting mobile home parks, ours included. Many have asked what they will be looking for, so the following is copied in part from Largo “Common Code Violations for Mobile Homes”. Now, knowing all this, no one should be in violation of the Code.

All exterior structures on the mobile home (siding, wood, etc.) must be intact, sturdy and not have any holes, rot or broken pieces.

All roofs and gutters are to be free from any vegetation, tree limbs, and other items. Roofs and drainage are free from any breakage, leakage, holes, or other disrepair.

All windows that should be able to open to the outside, are able to be opened.

All vehicles on the property are to be properly tagged with current registration and decals. Also, the vehicle needs to be operable and cannot be taken apart, up on jacks, have flat tires, missing motors, etc.

The outside of the mobile home is to be free from any holes, rot, or other areas where rodents can enter inside. If these types of entrances are found, they are to be properly secured and fixed.

All mobile homes are to be free from any kind of infestation whether it be rodents, insects, roaches, fleas, bedbugs, etc. If there is an infestation, it is to be treated by an exterminator and

prevention measures taken to prevent re-infestation.

Keep the property around your mobile home free from junk, trash, and debris and mow your lawn regularly. All grass and weeds are to be under twelve inches in height.

In open carports, there is no storage of household items, inoperative machinery, yard maintenance equipment and tools, appliances, garbage, trash or junk, used scrap or lumber, pipe, steel, aluminum or other nonferrous metals, building materials, construction equipment, tanks, totes, cans, barrels, boxes, drums, cleared trees, removed tree stumps, inoperative boats or other inoperative recreational equipment. All of these items are to be stored in a fully enclosed structure such as a garage or shed. The only items allowed in an open carport are operable vehicles with current tag, decals, and registration, a table and chairs, grill or smoker.

All iceboxes, refrigerators, deep freezers, clothes washers, clothes dryers, or similar airtight units cannot be stored outside of the mobile home or anywhere on the property unless either the doors have been removed or a lock and chain make it unable to be opened.

For Over 3 Decades!

## Thank you for your RCS Donations

Sandy Yost

**T**he Eldorado Village Social Club has been supporting the work of RCS for more than 8 years!

To date, we have records that show we have donated \$3262. and nearly 1000 pounds of food! The first records are from our former neighbor, Shirley Pratt, followed by John Campbell and Michelle Leamon and, currently, Sandy Yost delivering our club donations to RCS. Individuals and families may access services once a month, receiving 3-4 days' worth of food for all household members per visit. A photo ID, SS card and a piece of mail with current address are needed. If you or someone you know need a ride to RCS, please contact Debbie and Steve Ennis or Sandy Yost.

### **RCS programs and services include:**

**RCS Food Bank** served 70,000 Pinellas County neighbors. 32,000 of these neighbors are senior citizens and children. Over 4 million lbs. of food are distributed annually with support for nearly 100 other local food banks and pantries.

**RCS Grace House** helps individuals and families facing homelessness return to self-sufficiency.

**The Haven of RCS** provides safety, security and support for women and children facing domestic abuse. Their outreach center serves nearly 17,000 women and children annually. Their safe house sheltered over 300 women and children last year and they provide a resource list for men needing assistance with domestic violence issues. Their hotline receives over 4,000 calls annually with requests for assistance in matters of domestic violence.

**Goldsmith Gardens** provides comfortable, safe, affordable housing and support for individuals and families. Their housing community serves 12 families and nearly 40 individuals annually. They provide wrap-around programs and services that are conducive to self-sufficiency including education, financial literacy, workforce development and life skill development.

**Basic Needs** are met through a variety of collaborations and partnerships.

**RCS Express Center** provides 'get it now' services to meet the needs of the community with direct support related to hunger, homelessness, domestic violence and basic needs. Small meal ingredients and hygiene products are distributed, and guests are connected to partner agencies for various needs via immediate referrals.

## As I see ELDORADO VILLAGE from MY YELLOW BIKE

by Pam Spilbeler

**G**RATEFUL – The feeling or showing an appreciation of kindness: thankful

For me personally, 2020 has been a year of feeling grateful – grateful for my husband of nearly 45 years, grateful for my family which includes our fifth new born grandchild, grateful for my health which now includes a pacemaker, grateful for all our friends in both communities of Eldorado and Vandalia in Indiana.

I must admit I never stopped and considered how grateful I am for our world and the simple pleasures of our daily lives. The other day I walked door to door in our Eldorado Village delivering notices from our landlord/property management ELS regarding the Coronavirus Disease (COVID-19) and suspending clubhouse activities and limiting gatherings to 10 people only for the next 30 days. While walking the 8,316 steps I thought of the Coronavirus and how it is currently affecting not only our little Eldorado neighborhood but the entire world. We take so much for granted every day of our lives. Simple things like having a clubhouse dance or even having a small party in our house are now placing us in jeopardy for our individual health and world health.

I am more aware and more grateful for all the worldwide health professionals, scientists, medical & public health and human services who are giving up their evenings and family time to track and unfold and find a cure for this horrible virus. When you look at things this way, suspending clubhouse activities is not such a big deal.

## DARTS – DARTS – DARTS

Linda Stayer

**C**alling all dart enthusiasts! The Eldorado Village Social Club has “refreshed” the dart game area, located near the billiard table in the clubhouse. There are NEW darts, dart score board, eraser and markers. The dart board has been hung at the correct height and there is a new floor decal which marks the correct distance from the dart board for game play (for steel tipped darts).

Find a buddy and come and enjoy!!!

## Eldorado Facebook Page

*Dick Hambley*

---

**F**or those who were unaware, I am the administrator for the Eldorado Village Facebook Page. I would like to remind everyone that in order to join the page you (the individual requesting) must make a request and answer the three questions that are required. The main reason for the questions is that membership is limited to residents or former residents of Eldorado or EBO. If we get a request from someone who has not answered the questions, I automatically decline the request. We do not mean to exclude folks who have a perfect right to join, but you would be surprised at the number of requests that we get that, when I research a bit, they have no affiliation with either park. We want to include any residents who wish to join and welcome their requests; however, we need to follow the above procedure to assure that the original intention of the page is followed.

## Library

Linda Stayer

The Eldorado Village Library is very nice, clean, and well kept. I am a new year-round resident and on June 25th attended the Social Club meeting where it was announced that a volunteer is needed to care for the library. I volunteered and thought everyone might like to know the modifications that have been made to enhance our special library.

1. There is a Welcome sign on the library bulletin board along with instructional information on the library usage.
1. Borrow – Donate – Participate.
2. Written on the book spines are the first two letters of the authors last name which should make the filing process easier and faster.
3. Clip-on shelf labels and Velcro material have been added. Reason: some labels were coming off and the alphabet letters can be moved when the book quantities increase, and shelf space adjustment is required.
4. A “Drop-off” box was added for books returned or, donated items. The new items will be marked and placed on the shelves.
5. The entertainment book shelves which contain movies, puzzles, board games and playing cards are just waiting for attention. Fun note: there were over 70 sets of playing cards to be verified for accuracy.
6. If you didn’t know, there are Eldorado Village notebooks and scrapbooks (with photos) on our rich and interesting history dating back to 1969 when the park was established. Take a few minutes, sit on the love seat or comfortable chair and enjoy a “blast from the past”.

Please STOP by our library and maybe you’ll notice a few other little fun things that have been added for everyone’s enjoyment. Thank You

## New Scrap Books

We have a new addition to our Library thanks to Pam Spilbeler. Pam has spent many hours going through old medias and pictures and picking out items of interest that she has put into three scrap books. They are a wonderful glimpse into Eldorado in the past and show that the previous residents (and some who are still here) laid a groundwork of fellowship and camaraderie that we continue to try to adhere to today. She also plans to have all the past medias stored in the library as well for us to look back at the past. These items are not to be removed from the library, but we have comfortable seating in the library and if you have an afternoon with nothing else to do, I can assure you that you will enjoy perusing Pam’s efforts.

## For Your Information

The clubhouse is opened by the maintenance staff Mon-Fri at 7:00am. Evenings and weekends, (including holidays), Tammy Heffron at #188 has been volunteering since Feb of 2017 to lock up at 9:00. Please cooperate with this. I am sure minor adjustments can be made for special occasions.

To the Eldorado Residents and guests....I, along with other walkers have noticed an increase of cigarette butts littering the streets and sidewalks of our community. As a wife of a smoker, I know a lot of you are so careful and considerate of where you throw out the butts of your cigarettes. I encourage all of those who smoke, to please refrain from leaving them along our streets. It would be graciously appreciated.

## Information about water shutoff's

As most residents know, there are times that the water in Eldorado must be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble.

We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. If you are not sure if your name is on the parks robocall list, I would suggest that you check with the office to make sure they have added you to the list.

We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose to not let air into your hot water heater. You can also turn off the water coming into your home, which will prevent water from draining out of your home and into the water system. Some folks keep a few gallons of water on hand just for such emergencies.

**PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER. SHUTOFF'S**  
There is nothing they can do, to help you.

## CLUBHOUSE COMMRADERIE

---

**W**eekly:

2. Movie Night is Sunday. Patty Gregg has the movie posted at the Clubhouse.

Bingo Hours

Tuesday evenings:

Start selling at 5:00p.m.

Stop selling at 6:15p.m.

Start playing by 6:30p.m.

Bingo has been going well and we have had pretty steady attendance. Consider coming out and joining us, who knows, you might win a couple of bucks.

We would appreciate it if you would not bring \$20-dollar bills as they are hard to make change

Bingo is over by 8:45p.m.

## Sunday Night Movies

*Patty Gregg*

---

**M**ovies are run every Sunday night at the clubhouse. The name of the movie is posted on the bulletin board. Any questions you can call or see Patty Gregg Time of the movies is 7:00 p.m.

## Birthdays and Anniversaries

*Dick Hambley*

---

**F**or those residents who are not aware of it, I would like to remind everyone that we maintain a book with the resident's birthdays and anniversaries in it. I do my best to keep it up to date, but I need your help with writing in your birthday or anniversary if it is not already in there. The book is in the library and I go through the book periodically to see if there are additions and add them and reprint the necessary pages. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us to keep our records up to date.

## FOR YOUR INFORMATION:

---

**P**arking permits are now available in the office for overnight guest parking

## Coffee and Donuts

---

**I**t has been brought to my attention that many people do not know that you can donate the coffee and donuts in memory of a loved one, birthday, anniversary, or any occasion you like. The donation fee is \$25.00. Please see the Social Club treasurer if you would like to donate a day.

## SPEED LIMIT IN ELDORADO

---

**T**he speed limit in this park is 10 miles per hour. People are not stopping at the four-way corners; they just seem to drive right on thru. Keep this in mind when driving thru the park; you could be the guilty one. Please think of your neighbors before someone gets hurt.

# OFFICE ADDRESS

For those who were not aware that although our street address is 2505 East Bay Drive, the address of the office is different, therefore we are listing the office address so that you do not get any late fees when your check does not arrive on time. More information will be coming about where you are to send your rent check in the future.

Eldorado Village Office  
601 Starkey Road Lot # 78  
Largo, Florida 33771

# SOLICITATION IN THE PARK

I have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door notify the office or call the police department. It has been brought to our attention that if you have someone soliciting at your door and the office has not approved him or her and you call the office to bring it to their attention the office will not due anything about it. Their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.

# RECYCLE

# RECYCLE

# RECYCLE

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/ packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment
