Here we are into August which means the summer is half over. We have no idea where the time has gone, but the old saying “time flies when you are having fun” sure must apply to Eldorado. We, of course, are not as busy as the winter season but we are managing to keep busy. Thanks to all who work to make our summer enjoyable and help the time to go by. Wishing all our Snowbird friends up north good times and it will soon be time for your return.

## Managers Corner:

---

Just a reminder, that ALL residents need to have their pool pass when at the pool. If you do not have it on or with you, do not be offended if someone asks. This is to protect you as a resident. Also, to be sure outside people are not freely using our pools.

The Mail Stations will be in the works from July 20th until the 26th. Please be cautious of the workers in the area. Paving is schedule for first to mid August. We will notify the streets involved so you can make preparations for your vehicles.

If you are going to sell your home, please advise the office of the realtor involved. We have several people that stop in our office asking about homes that we do not have listed. If we know, we can help inform buyers too. We also need to be sure they advertise properly on the websites.

In recent weeks we have been tagging autos that are illegally parked. Some of you have blatantly disregarded these notices. I have had several complaints about this and it takes too much time from my schedule everyday to deal with them. Read your rules & regulations! It clearly states no parking on the streets, grass etc. **These rules are meant for ALL residents, not just the ones who follow them.** If you are parking your second vehicle at the Clubhouse, this will stop. Or it will be towed legally! You have a driveway, put your car there. If you are driving a commercial vehicle, again read the rules & regulations, no commercial vehicles. Tag numbers are being recorded going forward. If this continues, you will be turned over to legal for rules violations and risk getting you vehicle towed at your expense.

Have a wonderful and safe summer!

Thank You

Debbie

**S**ummer is moving right along. Your Homeowners Association is moving right along also. Some of our Directors recently attended a training session given by FMO in New Port Richey. An opportunity to get updated material on the way we are to do our jobs. We also attended an ELS Networking Meeting in Ellenton at Colony Cove. The networking meetings are wonderful opportunities to meet with other ELS member HOA's and share problems and solutions. Again July 1, 2016 more new Florida laws went into effect as a result of a bill that has passed, presented by our Representative Chris Latvala. We have become familiar with the new items, only a couple of which will affect us as homeowners. We are working to have a new copy of our Bylaws, as approved last year, ready for distribution to those who desire a copy later this year. As fall approaches we will be ready to begin rent negotiations with ELS and resume our General Membership meetings. If you have any questions or concerns you may contact any Director as listed in your new park phone books.

**G**reetings from Cape Breton! Lately, I have been thinking about how much I stay in touch with what's going on in the Park and the whole area even though we're so far from there right now. I'm always checking e-mail and Facebook, the Media and postings to the Eldorado page to see what's going on with Eldorado friends. I also read the daily update from the Tampa Bay Times and watch CBS News almost nightly, so I keep up-to-date with what's happening in the state and country beyond the information we get through Canadian media. I wouldn't have imagined how attached I would become when we first joined the Eldorado community. How I miss it when I'm not there!

You might be interested to know about the "Trump Bump" that some claim is hitting Cape Breton. In February, a local radio host read news items about people in the USA who said they would leave the country if Trump becomes President. The DJ set up a website, "cbiftrumpwins.com", extolling the virtues of Cape Breton and inviting Americans to settle here if they decide to leave. He meant it as a tongue-in-cheek comment, but it received wide media attention, including coverage by CNN, the Washington Post and news outlets in Britain. (President Obama even mentioned it in his welcome to Prime Minister Trudeau at the state dinner he hosted in the PM's honor.) The site has been accessed over a million times and inquiries to the local tourism agency skyrocketed, necessitating staff increases. Some early statistics seem to show an increase in tourism business this year in Cape Breton far beyond that in the rest of the province. It's hard to know exactly why that is happening, but some are saying we should thank the Donald. We're connected, it seems, even when we're thousands of miles apart.

'til next time....

**A**h, Summer Time and the Livin' Is Easy...

And it IS easy living here at Eldorado Village, as you all know! The summer season is indeed quieter than when all of our northern friends join us but we are continuing on! We have enjoyed potlucks, a spaghetti dinner and a pizza party! We get together about every other weekend socially as well as our Tuesday Koffee Klatch. At our meetings we are numbering around 25 and enjoying being together. Patty keeps us in coffee and donuts and we can't ask for anything more! We have done some pricing for security cameras around the clubhouse area and more clean up in the storage room as well as defrosting the kitchen's freezer. Thank you to those who have helped with those very necessary jobs! Our Game Night has expanded now to East Bay Oaks where we have joined our neighbors a few evenings during the week and we have even learned some new games to share! Our palm trees got a trimming this week and we are looking quite spiffy!

Be well, know that you are missed and we are looking forward to you joining us for another winter at Eldorado Village!

## **Welcome to Eldorado!**

**O**ne thing we know for sure is that Eldorado Village residents are busy folk!

Today I was delighted to meet Dan Fowler, a new resident at Lot #57! Dan is a retired Executive Vice President from the parent company of U Haul. He is from South Bend, Indiana and, YES, he is an avid fan of the Fighting Irish, Notre Dame! He wouldn't miss cheering them on ever! He has 2 children and 5 grandchildren living in Arizona. I got to meet his delightful sister, Linda, who is a St. Pete resident and presently helping him settle into his new home. He is making some changes right now but plans to be in residence by the end of July. He is pretty confident we will see him at our Social Club potlucks and other events once he is settled. Welcome, Dan!

## Sharing the 4th with East Bay Oaks

*Pam Lankster*

This was the first year the residents from East Bay Oaks and Eldorado Village celebrated the 4th of July together. The food was abundant – delicious – and presented beautifully. Everyone gathered at EBO’s clubhouse at noon for the festivities.

It was a perfect opportunity to reach out and meet new neighbors or just catch up with old friends. At the end of our gathering, I think everyone agreed we need to plan more events together during these summer months when so many of our residents are not in the park.

Let’s also not forget to again say thank you to Beverly Gulliver and Bill Burnett for hosting this wonderful event. Maybe it will become a new annual tradition!

## Les and Mary Sandoe

Last month we printed our Phone Directory, so we did not have any news in it. However, we would be remiss if we didn't recognize former residents Les and Mary Sandoe and the celebrating of their seventy fifth wedding anniversary. The celebrated their anniversary on July nineteenth. Les and Mary were long time residents here in Eldorado and were active in so many ways. Seventy Five years is a milestone that deserves to be recognized. Congratulations Les and Mary

## From one of our winter residents

In May we published an article from one of our winter residents. I received the email below from Terry and Sandy. We hope this will encourage other residents to submit articles that we can all enjoy about your summer activities. Doesn't have to be a long article, just a few lines letting us know that you are having a good summer.

*Hi Dick,*

*We hope all is going well with you in Florida. Thanks for publishing my article about retirement in the Monthly Media. I passed the website on to my family and they all enjoyed reading it. Wisconsin weather is finally getting nice. Maybe we'll see you again in 7 months.*

*Your "walking stick" friends,*

*Terry & Sand*

## New Pool and Spa Rules

These are the new pool and spa rules recently posted in the pool and spa area. There have been a couple of changes, so please make note of them and follow them. In the past, we have had a few cases where this was not done and it isn't fair or neighborly to not follow them. We love to see the pool area busy again and want everyone to enjoy them in the same friendly fashion as we enjoy Eldorado in general.

## Email List

*Dick Hambley*

---

For those residents who are not aware of the fact that we maintain an email list to be used as a means of getting quick information to our residents, we would like to bring you up to date. I maintain a list of all emails that have been given to me to be used for the above purpose. I do not share the list with anyone and when I send out an email, I use the blind copy method so your email address does not appear on anyone else's email. That way we can maintain your confidentiality and still keep you informed. So, if you would like to be included on our email list please send me an email so that I can add your email address to our list. Please put something in the subject line that indicates it is for the Eldorado email list or I might mistakenly delete your email if I don't recognize the email address. Also, please include your name in the body of the email, as some email addresses do not indicate whom the email is from.

If you think that you gave me your email and have not received anything in some time from me, please feel free to send me an email letting me know and I will check my records and make sure you are included.

My email address is richwham@aol.com.

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

## Information about water shutoff's

---

**A**s most residents know, there are times that the water in Eldorado has to be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble. We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. If you have caller ID, the number 599-2066 will show up with the name Eldorado Village. For those who have asked to not be robo-called, a personal call will come. We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose so as to not let air into your hot water heater. You can also turn off the water coming into your home, which will prevent water from draining out of your home and into the water system. Some folks keep a few gallons of water on hand just for such emergencies.

**PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER. SHUTOFF'S**

There is nothing they can do, to help you.

### **CLUBHOUSE COMMRADEIE**

Weekly:

- o Monday evening there is Ladies' Poker at 6:30 PM
- o Tuesday nights is BINGO! Come on out and enjoy an evening with your friends and neighbors!
- o Wednesday at 6:15PM Game Night is at the Clubhouse. Bring your friends for poker or a game of your choice!
- o Thursdays Men's Poker in the evening.
- o Movie Night is Sunday. Patty Gregg has the movie posted at the Clubhouse.

Below are the events planned so far for the coming winter season. Please look it over and heed the advice of our president and put together a team (2 or more) and consider spearheading an event. We all enjoy the various events, but it takes someone to get the ball rolling.

# Birthdays and Anniversaries

Dick Hambley

For those residents who are not aware of it, I would like to remind everyone that we maintain a book with the resident's birthdays and anniversaries in it. I do my best to keep it up to date, but I need your help with writing in your birthday or anniversary if it is not already in there. The book is in the library and I go through the book periodically to see if there are additions and add them and reprint the necessary pages. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us to keep our records up to date.

## RECYCLE

## RECYCLE

## RECYCLE

**R**ecycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills.

The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well.

The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/ packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment

**T**he Laundromat and the men’s and Ladies bathrooms will be locked at 9:00 p.m. and reopened at 8:00 a.m. Please try to abide by these hours, the closing hour means 9:00 not after, so start your wash or dry so that they will be finished by 9:00 p.m. We are fortunate to have Patty Gregg take care of the locking and unlocking of this facility. Alternatively, if Patty does not do this for us, the task will fall to the park employees and the Laundry would probably be locked at four p.m. when they leave similar to the Starkey Rd. Gate.

## Coffee and Donuts

**I**t has been brought to my attention that many people do not know that you can donate the coffee and donuts in memory of a loved one, birthday, anniversary, or any occasion you like. The donation fee is \$25.00. Please see the Social Club treasurer if you would like to donate a day.

## OFFICE ADDRESS

**F**or those who were not aware that although our street address is 2505 East Bay Drive, the address of the office is different, therefore we are listing the office address so that you do not get any late fees when your check does not arrive on time. ## SPEED LIMIT IN ELDORADO

The speed limit in this park is **10 miles per hour**. People are not stopping at the four way corners; they just seem to drive right on thru. Keep this in mind when driving thru the park; you could be the guilty one. Please think of your neighbors before someone gets hurt.

## SOLICITATION IN THE PARK

I have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door notify the office or call the police department. It has been brought to our attention that if you have someone soliciting at your door and the office has not approved him or her and you call the office to bring it to their attention the office will not due anything about it. Their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.

## Watch for the dangers of carbon monoxide

Carbon monoxide (CO) is a colorless and nearly odorless gas created by the incomplete burning of solid, liquid, and gaseous fuels. It's poisonous to people and pets, so be careful. Symptoms of the poisoning are:

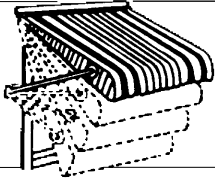

- Headache
- Fatigue
- Shortness of breath
- Nausea
- Dizziness

### To prevent CO poisoning, take these precautions at work and at home:

- Buy and install a CO alarm. Make sure it meets safety requirements, and follow the directions for proper placement and installation.
- Install appliances properly. Most of them should be installed by a professional.
- Check your appliances. Have your heating system inspected and serviced every year.
- Only burn charcoal outdoors. Never burn it in a tent, home, garage, vehicle, etc.
- Make sure you turn off fuel-burning engine equipment when you are inside a garage or basement. Just having the doors open does not ensure your safety.
- Always follow the manual directions when servicing fuel-burning equipment.
- Do not use gas appliances, such as ranges, ovens or clothes dryers, to heat your home.
- If you use a fuel-burning appliance that is approved for indoors, make sure it is vented to the outside following the manufacturer's instructions.
- Install and use exhaust fans over gas stoves.
- Open flues when you use your fireplace.
- Choose the proper size wood-burning stove for your home.
- Have a professional inspect, clean and tune up your central heating system (furnaces, flues, and chimneys) annually.
