Joan Lowe (joanclowe@aol.com) Dick Hambley (richwham@aol.com)

s we move into the Christmas holiday season, we are seeing many of our snowbirds have returned to the "nest" and we are happy to see them. There are many activities planned and we urge you to keep up with the bulletin boards as there is really something there for everyone. Some activities need someone to take the helm and we urge you to consider helping out by volunteering to work on one of them.

On a personal note, I would like to express my appreciation for the many who came to Joyce's celebration of life and who have, in many ways, helped me through this period in my life. Joyce loved life and was a lady who didn't have a hurtful thought toward anyone. She will be missed, but she will not be forgotten. Thank you again to all.

Managers Corner

s we move into the new season we want to welcome back all our residents. We are looking forward to a progressive new season ahead.

In recent weeks Code Enforcement has been in our communities. One of the things

brought up was about permits. You need to have all construction projects first approved by management. Then get any permits needed. This will save you a lot of headaches later. Bring your diagram to the office for review prior to starting any project so that it can be approved in writing. Also, any project will be contingent upon you getting permits.

Just a reminder, that ALL residents need to have their pool pass when at the pool. If you do not have it on or with you, do not be offended if someone asks. This is to protect you as a resident. Also, to be sure outside people are not freely using our pools.

If you are thinking of selling your home and do not want to deal with realtors. Stop by the office and speak to Sharon. She is good at this and will be more than happy to work with you. Or just give you some guidance. Remember BEFORE you sell your home privately; get your buyers approved first. Don't make the fatal mistake of not doing this! If they do not get approved, you as well as they can be sent to legal for unapproved residents.

Remember, if you have guests they need to register at the office. Parking overnight at the clubhouse is NOT permitted without a pass from the office.

Thank You,

Debbie

From the President of the Social Club

Joanne Gallivan

President's Message December 2016

It's been a hectic week since we returned, but also exciting. It is so wonderful to be meeting up with Eldorado friends we haven't seen in 6 months. Already, the busy Snowbird social season has started. We attended our first Potluck Supper of the falll which had a turnout of over 40 people and a great variety of delicious food. Thank you to Debbie & Roger Rice for hosting.

Yesterday, a group of us went to hear Latraia Savage perform. What a wonderful time we had! She is scheduled to play our St. Patrick's Day dance & what an event that will be! She has an incredible voice (we should make sure she sings "I Will Always Love You" at the dance), plays a wide variety of music and is the sort of enthusiastic entertainer who gets the audience involved. I will not worry about gaining weight over the Christmas holidays – I expect to shed many pounds dancing at the St. Paddy's dance. In the meantime, there are lots of activities planned in December & January, which we can all enjoy.

'til next time Joanne

From the President of the HOA

Dorisanne Gibson

Telcome back everyone and safe travels to all who will be on the road this Holiday Season. If new appliances are on your Christmas gift list, you may have some old appliances and/or furniture to dispose of. The approved scrap person for this park is named Gene. His phone number is 727-204-5697. He is local and will come promptly to pick up.

December 8th at 7 p.m. will be the first of our Homeowners Association General Membership Meetings. Please plan to attend and get caught up on all that has occurred over the summer. Every homeowner is invited whether you have paid your assessment or not.

On December 13th after coffee/meeting we will have Officer Joel Quattlebaum from the Largo Police Department here to speak with us. He is the Senior Services Officer and from what I hear from others who have heard him speak, he is a very good speaker with a wealth of information to share.

Bingo is going very well. We are seeing attendance pick up which means that the payouts are picking up also. We are, however, still hoping for a person or persons from this park who would be willing to run bingo for a spell this winter. Maybe once or twice a month. Sharon Laney is still our main bingo person, but it would be a real pleasure to give her a break every now and again.

As residents of the City of Largo we cooperate with the recycling projects. There are other things that we can be doing to help with our local environment. In the Tampa Bay Times recently there was a section on Largo and there was a very interesting tidbit of information that speaks to us. "Twenty-eight tons of pet waste is produced in Pinellas County every day! When left on the ground, rainwater can carry this waste into our storm drains and into the creeks and streams we live, swim, and play in – and even into Tampa Bay. So Please, scoop the poop." If you see a pet owner walking away from his pets' "business", offer them a plastic bag, maybe they forgot theirs.

Make a Note in your phone book

omehow or other, we failed to have the phone number for the clubhouse put in the newest phone directory. So, for your information, the number for the phone in the clubhouse is 599-2066. Please make a note of that.

Email List

Dick Hambley

I or those residents who are not aware of the fact that we maintain an email list to be used as a means of getting quick information to our residents, we would like to bring you up to date. I maintain a list of all emails that have been given to me to be used for the above purpose. I do not share the list with anyone and when I send out an email, I use the blind copy method so your email address does not appear on anyone else's email. That way we can maintain your confidentiality and still keep you informed. So, if you would like to be included on our email list please send me an email so that I can add your email address to our list. Please put something in the subject line that indicates it is for the Eldorado email list or I might mistakenly delete your email if I don't recognize the email address. Also, please include your name in the body of the email, as some email addresses do not indicate whom the email is from.

If you think that you gave me your email and have not received anything in some time from me, please feel free to send me an email letting me know and I will check my records and make sure you are included.

My email address is <u>richwham@aol.com</u>.

Information about water shutoff's

s most residents know, there are times that the water in Eldorado has to be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble. We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. If you have caller ID, the number 599-2066

will show up with the name Eldorado Village. For those who have asked to not be robo-called, a personal call will come. We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose so as to not let air into your hot water heater. You can also turn off the water coming into your home, which will prevent water from draining out of your home and into the water system. Some folks keep a few gallons of water on hand just for such emergencies.

PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER. SHUTOFF'S There is nothing they can do, to help you.

From our family to your family

Morton Plant Hospital got its start in 1914 when several local women asked railroad magnate Morton F. Plant to fund a hospital. He agreed, if the community would also make a substantial contribution. They took the challenge and the hospital opened in 1916. Throughout the years, the hospital served the community, and the community gave back, ensuring that generations of families would be able to count on the compassionate, quality care provided by Morton Plant Hospital.

One of the most noteworthy hospitals in the nation, Morton Plant Hospital was founded because a community cared. And 100 years later, one thing remains the same — our commitment to caring for your family.

The new Doyle Tower at Morton Plant Hospital, scheduled to be completed in 2017. Another example of how the community gave back.

Shuffleboard

Captain- Michelle Swanlund co-captains - Joanne Gallivan, Jim McBride.

huffleboard started in November with our first game played at home which we won. Great way to start the Season. We are, for the first time in a long time in second place. We have three new players which proved themselves during this first game. Also some team players who are year-round residents played 2 to 3 times a week therefore their game greatly improved. It was a great win and the team came through. What a team.

Please come and watch us play when we are at home. Game usually starts around 10:45.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house.

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

Birthdays and Anniversaries

Dick Hambley

Por those residents who are not aware of it, I would like to remind everyone that we maintain a book with the resident's birthdays and anniversaries in it. I do my best to keep it up to date, but I need your help with writing in your birthday or anniversary if it is not already in there. The book is in the library and I go through the book periodically to see if there are additions and add them and reprint the necessary pages. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us to keep our records up to date.

RECYCLE RECYCLE RECYCLE

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the "salad bowl" in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to "do the right thing" and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we <u>should not</u> put in are as follows: plastic bags and wrap, Styrofoam containers/packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let's work to help save ourselves a few bucks and at the same time, work toward a greener environment

TRASH PICK-UP SERVICES

- 1. All garbage must be placed into plastic bags and securely tied weighing no more than 25 lbs.
- 2. Please do not place trash into boxes. Boxes must be flattened and tied with string. "all broken glass/mirrors must be placed into a box and taped securely dispose of all medical needles and medicines properly do not place in trash bags.
- 3. All newspaper should be bundled and tied securely with string.
- 4. Trees and brush trimmings <u>must</u> be cut into no larger than 4 foot lengths and bundled in no more than an 18 inch diameter, in order to be picked up.
- 5. All weeds, leaves and lawn trimmings must be placed in plastic bags and tied closed for proper pick-up. Bags are to weigh no more than the 25 lbs as specified above.
- 6. Furniture appliances paints and any constructional materials will not be picked up.
- a. Place furniture and constructional debris in open top dumpster.
- b. Appliances and paint please call Pinellas county solid waste division 727-464-7500.
- 7. Please do not place any trash out the night before pickup p. this will invite animals to rip and open your garbage making it more difficult and time consuming for pick-up. Uncontained garbage and fluids are a great health risk if inhaled to your neighbors and to our staff.

Thank you for your cooperation

Management and Staff

People are still putting their trash out before Tuesday or Friday mornings.

Please try to obey these rules they are for everyone.

Notice Notice Notice

The Laundromat and the men's and Ladies bathrooms will be locked at 9:00 p.m. and reopened at 8:00 a.m. Please try to abide by these hours, the closing hour means 9:00 not after, so start your wash or dry so that they will be finished by 9:00 p.m. We are fortunate to have Patty Gregg take care of the locking and unlocking of this facility. Alternatively, if

Patty does not do this for us, the task will fall to the park employees and the Laundry would probably be locked at four p.m. when they leave similar to the Starkey Rd. Gate.

NOTICE

Coffee and Donuts

It has been brought to my attention that many people do not know that you can donate the coffee and donuts in memory of a loved one, birthday, anniversary, or any occasion you like. The donation fee is \$25.00. Please see the Social Club treasurer if you would like to donate a day.

Office Address

or those who were not aware that although our street address is 2505 East Bay Drive, the address of the office is different, therefore we are listing the office address so that you do not get any late fees when your check does not arrive on time. More information will be coming about where you are to send your rent check in the future.

Eldorado Village Office 601 Starkey Road Lot # 78 Largo, Florida 33771

Speed Limit In Eldorado

The speed limit in this park is 10 miles per hour. People are not stopping at the four way corners; they just seem to drive right on thru. Keep this in mind when driving thru the park; you could be the guilty one. Please think of your neighbors before someone gets hurt.

Solicitation In The Park

have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door notify the office or call the police department. It has been brought to our attention that if you have someone soliciting at your door and the office has not approved him or her and you call the office to bring it to their attention the office will not due anything about it. Their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.

AFFORDABLE VAPOR BARRIER

Have You Looked UNDER PROTECT
YOUR HOME

Fix Small Problems Today Before They Cause Serious Damage!

We will inspect and photograph any issues, showing you pictures of the underside of your home. Damaged & worn vapor barriers can create high energy costs and allow mold & mildew to grow and weaken your sub floor creating "Soft Spots". Keep Mold, Moisture & Animals out of your Home.

Repairs will be made quickly and include a **20 Year Transferable Warranty!**
