MEDIA EDITORS

Joan Lowe (joanclowe@aol.com), Dick Hambley (richwham@aol.com)

As we start the new year, let us give thanks for the great life we enjoy here in Eldorado. We look forward to a new year of continued activities and thank all who work to make it happen. Please consider helping out with one of the many things that we enjoy here. Please use the media to let our neighbors know what you have been up to. We want to keep everyone up to date and the media is the one communication form that goes to every home in the park. So thank you for past support of the media and please continue to help us “get the word out”.

MANAGERS CORNER:

I hope that everyone has had a wonderful Holiday Season. We are looking forward to a new year and a fresh start.

As we get into the New Year, we want to ensure everyone that we are working on tree trimming. It will be a slow timely process. In the mean time, if your fruit tree is healthy and you want to maintain it, let us know. We do not want to cut down good trees. The oaks will also be trimmed a little at a time, as we can.

We will be continuing our 360 inspections a little at a time. Please do not be offended if you receive a letter. We want our entire community to shine with pride.

Remember, parking is in the driveways, not on the sidewalks or the front **MANAGER** yards. Read the rules.

Going forward, any animal that is roaming free will be caught and turned over to animal services. You can retrieve them at your expense. This is a violation; if you love your pets please keep them on a leash or in doors.

As a reminder, while we all love nature; you must stop putting bread or food out for the animals! This is a cause for unwanted critters to invade your home! Management is not responsible for this you as a homeowner are.

*Thank You
Debbie*

HOMEOWNERS ASSOCIATION

Dorisanne Gibson, President,

Eldorado Village Homeowners Association had their first meeting Dec. 3rd. If you missed it, I believe you missed a lot of important information. We discussed the new Florida Law 723 that went into effect last July 1st and how it might affect us. We discussed rent negotiations and how that saved you money the last 3 years. Almost every homeowner (with a few exceptions) in the park saved approximately \$40-60 per year for each of the last 3 years, due to the rent negotiations done by your HOA. Can you not take \$10.00 of that and pay your assessment to HOA?

On January 14, 2016 there will be another HOA meeting, as mandated by FS 723, with the express purpose of taking nominations for director from the floor. A full explanation of this new section of the law was given last week. If you have any questions, please see a HOA board member.

FROM THE PRESIDENT OF THE SOCIAL CLUB

Joanne Gallivan

Happy New Year to all! January is an exciting time, as more of our residents return to the Park after the holidays. It's wonderful to see neighbors and friends we've missed since last spring.

With more people here, I hope we'll be able to get volunteers for Social Club activities that don't yet have co-ordinators. Many members devote a lot of time and energy to run the Club. We all need to pitch in and spread the workload. There is a Decorating Committee and information available for all the regular events, both of which simplify the task for the hosts. If you're willing to participate, sign up on the sheet on the Clubhouse bulletin board or talk to the Director of Social Activities, J. J. Jefkins.

Here's to another great season of fun and fellowship in Eldorado Village!

NEW POOL AND SPA RULES

These are the new pool and spa rules recently posted in the pool and spa area. There have been a couple of changes, so please make note of them and follow them. In the past, we have had a few cases where this was not done and it isn't fair or neighborly to not follow them. We love to see the pool area busy again and want everyone to enjoy them in the same friendly fashion as we enjoy Eldorado in general.

EMAIL LIST

Dick Hambley, richwham@aol.com.

For those residents who are not aware of the fact that we maintain an email list to be used as a means of getting quick information to our residents, we would like to bring you up to date. I maintain a list of all emails that have been given to me to be used for the above purpose. I do not share the list with anyone and when I send out an email, I use the blind copy method so your email address does not appear on anyone else's email. That way we can maintain your confidentiality and still keep you informed. So, if you would like to be included on our email list please send me an email so that I can add your email address to our list. Please put something in the subject line that indicates it is for the Eldorado email list or I might mistakenly delete your email if I don't recognize the email address. Also, please include your name in the body of the email, as some email addresses do not indicate whom the email is from.

If you think that you gave me your email and have not received anything in some time from me, please feel free to send me an email letting me know and I will check my records and make sure you are included.

VETERAN'S MEMORIAL

We want to remind all of our Snowbirds as well as our year round residents that, if you or a relative has served in your countries armed forces, we would like to honor that service. We have a display in the clubhouse now and it is full. We now have added another board to display additional honorees. So, if you haven't already arrived in Eldorado or even if you are here year round and have a picture at home, please bring us one to share on our display. Any size picture is fine, we will scan it and print it as a four by six to maintain some uniformity to the display. That way you

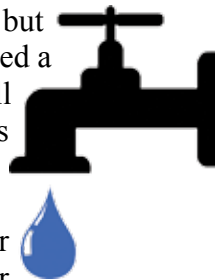

also will have your picture back. We are proud of all who served, whether it was for one tour or for a career, we are forever indebted to you and yours for serving. So please help us to fill this new display. Pictures can be given to Sandy Yost, Dick Hambley or any officer of the Social Club. Thank You.

WHITE ELEPHANT

Mel Ascott is "back in town" and has the key to the garage now. Please contact Mel if you have anything to contribute to our main money maker for the year. It will only be a little more than a month to our annual sale and Mel will be needing lots of help, so keep that in mind.

INFORMATION ABOUT WATER SHUTOFF'S

As most residents know, there are times that the water in Eldorado has to be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble. We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. If you have caller ID, the number 599-2066 will show up with the name Eldorado Village. For those who have asked to not be robo-called, a personal call will come. We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water

has come back on, use the cold water for this purpose so as to not let air into your hot water heater. You can also turn off the water coming into your home, which will prevent water from draining out of your home and into the water system. Some folks keep a few gallons of water on hand just for such emergencies.

PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER. SHUTOFF'S
There is nothing they can do, to help you.

THANK YOU

Les Mary Sandoe

Mary and Les would like to thank all our wonderful friends for bringing the wonderful Thanksgiving dinner to us. All our love and thanks.

EL DORADO VILLAGE BUS TOUR – APRIL 4-8, 2016

We have booked with Diamond Tours for a tour of Savannah, Jekyll Island and St. Simons Island, Georgia and Beaufort, South Carolina, all beautiful and historic places. The package includes guided tours in all locations, a visit to an historic Savannah home, four breakfasts and four dinners, including one with entertainment, and accommodations. The cost is \$399 per person, double occupancy, tax included. Payment must be made by January 28, 2016. Brochures with more details are available on the back bulletin board in the Clubhouse. For additional information, contact Joanne Gallivan, Lot 58, 535-5306.

TIME FOR DUES

See Sharon Laney to pay your assessment to the Homeowners Association (\$10 per home site) or Dorisanne Gibson for Social club dues (\$5 per person) at coffee. They are not expensive. It is my understanding that some of the regulars to meetings on Tuesday and game nights have not paid their dues. You enjoy all the activities and the dues help pay for them.

HIKING

Don O'Reilly

Hopefully hiking will soon be starting.

FOOD COLLECTION

Michele Leamon, John Campbell

As we start the new year, please be generous with your giving to help those less fortunate than us.

From our family to your family

Morton Plant Hospital got its start in 1914 when several local women asked railroad magnate Morton F. Plant to fund a hospital. He agreed, if the community would also make a substantial contribution. They took the challenge and the hospital opened in 1916. Throughout the years, the hospital served the community, and the community gave back, ensuring that generations of families would be able to count on the compassionate, quality care provided by Morton Plant Hospital.

One of the most noteworthy hospitals in the nation, Morton Plant Hospital was founded because a community cared. And 100 years later, one thing remains the same — our commitment to caring for your family.

The new Doyle Tower at Morton Plant Hospital, scheduled to be completed in 2016. Another example of how the community gave back.

SHUFFLEBOARD

Michelle Swanlund, Captain Joanne Gallivan, Co-Captain

December has already come and gone. We are now (as I write this) not quite mid December and for one week we held 6th place which gave us all a great feeling. We are now back in 8th place but still, not last. Hopefully the New Year will bring other little triumphs, which we enjoy.

The Shuffleboard team would like to wish all the residents in Eldorado a Happy New Year and the best of everything, especially health. We all know someone who is suffering or fighting for their lives so as this New Year begins, let us have a special prayer for them.

YOGA

Joan Haggerty

Well by now the Holiday Season has passed and we are returning to some sort of normalcy. Classes are going well and my hope is you are beginning to notice more flexibility in your body or at least your wonderful body is accepting movement of some things that maybe haven't moved in awhile. Any movement is better than no movement, I would guess that you have heard that often enough.

Please share with me privately any concerns you have or some health issue that I am not aware of so that I may help, if I can. Remember this is your class so if you have a comment/complaint please bring it to my attention. I can't experience what is happening in your body, only in my own. Blessings Always.

BIRTHDAYS AND ANNIVERSARIES

Dick Hambley

For those residents who are not aware of it, I would like to remind everyone that we maintain a book with the resident's birthdays and anniversaries in it. I do my best to keep it up to date, but I need your help with writing in your birthday or anniversary if it is not already in there. I go through the book periodically to see if there are additions and add them and reprint the necessary pages. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us to keep our records up to date.

RECYCLE

RECYCLE

RECYCLE

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills.

The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well.

The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let's work to help save ourselves a few bucks and at the same time, work toward a greener environment

NOTICE

NOTICE

NOTICE

NOTICE

The Laundromat and the men's and Ladies bathrooms will be locked at 9:00 p.m. and reopened at 8:00 a.m. Please try to abide by these hours, the closing hour means 9:00 not after, so start your wash or dry so that they will be finished by 9:00 p.m. We are fortunate to have Patty Gregg take care of the locking and unlocking of this facility. Alternatively, if Patty does not do this for us, the task will fall to the park employees and the Laundry would probably be locked at four p.m. when they leave similar to the Starkey Rd. Gate.

COFFEE AND DONUTS

It has been brought to my attention that many people do not know that you can donate the coffee and donuts in memory of a loved one, birthday, anniversary, or any occasion you like. The donation fee is \$25.00. Please see the Social Club treasurer if you would like to donate a day.

OFFICE ADDRESS

For those who were not aware that although our street address is 2505 East Bay Drive, the address of the office is different, therefore we are listing the office address so that you do not get any late fees when your check does not arrive on time. More information will be coming about where you are to send your rent check in the future.

*Eldorado Village Office
601 Starkey Road Lot # 78
Largo, Florida 33771*

SPEED LIMIT IN ELDORADO

The speed limit in this park is 10 miles per hour. People are not stopping at the four way corners; they just seem to drive right on thru. Keep this in mind when driving thru the park; you could be the guilty one. Please think of your neighbors before someone gets hurt.

SOLICITATION IN THE PARK

I have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door notify the office or call the police department. It has been brought to our attention that if you have someone soliciting at your door and the office has not approved him or her and you call the office to bring it to their attention the office will not due anything about it. Their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.

SOME THOUGHTS FROM A RESIDENT

Pam Lankster

Tammy Heffron and I were given the chance to decorate the clubhouse for a very special occasion – the 50th Golden Anniversary of Paul and Pat Snyder. I realized we were able to benefit in so many ways personally from the experience and wanted to share my feelings with our park residents.

The chance to see so many of our friends in the park work so effectively together was very rewarding. Team WOW pulled together a great array of food and we were able to see all of the hard work involved from behind the scene. I felt it was important, however, to recognize some of the other contributions from other park members so we all could see how truly involved everyone was. Jean “Grandma” Mann let us use greenery from around her mobile home which was used on the tables for a touch of color. Donna and Bob Harley donated “water balls” purchased from a local vendor at Madeira Beach while the sand sculptures were displayed last month. They were used in our pretty mason jars displayed on each table and will be able to be re-used for Christmas and New Years celebrations. The lovely gold bows on our tables also have a history with the park. The ribbon was purchased 10 years ago by Jean Mann when her daughters store was going out of business. Shirley Reume made the bows 5 years ago for another park function. How fitting they were able to be used again for this very special occasion.

Dick Hambley was able to give us some insight into Pat and Paul’s original meeting over 51 years ago. Their love of dance brought them together – along with Pat’s little Renault sports car so the story goes. Their lovely family surprised Pat and Paul and were able to celebrate this very special anniversary with them.

Tammy and I feel we got so much back from everyone attending the party. So many people came up to us to say how nice everything looked. It certainly made everything worthwhile.

I’ll end by saying the evening was special in so many ways. It made me realize even more what a wonderful park we live in!
