Happy New Year everyone and we hope your coming year is all you want it to be. Things are perking up here in Eldorado and the activities are coming thick and fast. Please review the activities planned for the coming months and try to plan on attending some or all of them. The wonderful folks who volunteer to put these events out there for us to enjoy are to be commended and we are lucky to have such great people.

H.O.A. News

Dorisanne Gibson

Happy New Year everyone. We are starting the new year off with a full schedule. On Saturday, January 5th we will be having a community wide carport sale as requested by some of our residents. So while you are putting away your Christmas decorations, be sure to dig out all those unused articles you would like to sell.

Then on Thursday, January 24th HOA will have a general membership business meeting at 7 p.m. and will be taking nominations from the floor for the position of director. This is the only time you can nominate from the floor as per F.S. 723. Elections will be held in February. Both the nominee and the nominator must have their assessments for 2019 paid.

Late in January we will be having the HazMat truck come again. The date is not written in stone as of this writing, so be sure to check the bulletin boards.

As we learned at the last Networking for Progress meeting we attended in Lakeland, there are several pending bills to be addressed in 2019 by our Legislators that may affect us as homeowners. To keep abreast of what is going on we rely on the FMO organization. We only have a handful of FMO members in this park and our FMO representative, Naomi Pompliano, has moved out of the community. We are therefore searching for a new FMO representative for the park. If you have any interest in this extremely important job, please contact a board member. Thank you so much.

Golden Wedding Celebration

Sandy Yost

Congratulations and well wishes rang out at Roger and Debbie Rice's Golden Anniversary Dance on December 15th! They celebrated their 50th wedding anniversary that evening with their children, Roger Jr. and Pam, Pam's wife, Kelly, Debbie's mom, Shirley, Roger's brother and sister-in-law, David and Diane, and a full house of their friends and neighbors! The happy couple was presented with a lovely Proclamation Certificate by Dick Hambley on behalf of Largo Mayor Woody Brown congratulating them on this momentous occasion. The entire group delighted to the music and entertainment of Ryan Mosely! A delicious light supper was provided by Jeannette Jefkins and her team and a special thanks to Tammy Heffron for the beautiful decorations framing Roger and Debbie's night! It is safe to say we celebrated their first 50 years of love well and wish them joy and happiness for their next 50!

New Scrap Books

We have a new addition to our Library thanks to Pam Spilbeler. Pam has spent many hours going through old medias and pictures and picking out items of interest that she has put into three scrap books. They are a wonderful glimpse into Eldorado in the past and show that the previous residents (and some who are still here) laid a groundwork of fellowship and camaraderie that we continue to try to adhere to today. She also plans to have all the past medias stored in the library as well for us to look back at the past. These items are not to be removed from the library, but we have comfortable seating in the library and if you have an afternoon with nothing else to do I can assure you that you will enjoy perusing Pam's efforts.

New Bulletin Board

We have a new Bulletin Board by the Mail Boxes. We realize that many folks do not go to the club house on a regular basis, so this is a way for all to see “coming events”, hopefully you will find something you might enjoy attending. Thank you, Debbie, for getting them installed, we appreciate this.

For Your Information

The clubhouse is opened by the maintenance staff Mon-Fri at 7:00am. Evenings and weekends,(including holidays), Tammy Heffron at #188 has been volunteering since Feb of 2017 to lock up at 9:00. Please cooperate with this. I am sure minor adjustments can be made for special occasions.

To the Eldorado Residents and guests....I, along with other walkers have noticed an increase of cigarette butts littering the streets and sidewalks of our community . As a wife of a smoker, I know a lot of you are so careful and considerate of where you throw out the butts of your cigarettes. I encourage all of those who smoke, to please refrain from leaving them along our streets. It would be graciously appreciated.

What does the traditional New Year's Day meal mean?

According to tradition, New Year's Day supper will bring you fortune in the year to come. ... According to Southern traditions, you will have good luck for the entire year if you have the traditional New Year's Day supper. That means a meal of greens, hoppin' John, black-eyed peas, cornbread, and pot likker soup.

Why do we eat pork on New Year's Day?

Pork and sauerkraut is believed to bring good luck and good fortune in the months ahead. ... Part superstition and part tradition, eating pork and sauerkraut on New Year's Day is like a Pennsylvania Dutch-style insurance policy for the new year. It is believed to bring good luck and good fortune in the months ahead.

Can you do laundry on New Year's Day?

Doing laundry on New Year's Day will wash a year of good fortune down the drain. Don't do laundry on New Year's Day or you will have more laundry than usual to do all year. Wear something new on New Year's Day to increase the likelihood of more new clothes in the coming year

Information about water shutoff's

As most residents know, there are times that the water in Eldorado has to be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble. We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose so as to not let air into your hot water heater. You can also turn off the water coming into your home, which will prevent water from draining out of your home and into the water system. Some folks keep a few gallons of water on hand just for such emergencies.

PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER. SHUTOFF'S

There is nothing they can do, to help you.

Birthdays and Anniversaries

Dick Hambley

For those residents who are not aware of it, I would like to remind everyone that we maintain a book with the resident's birthdays and anniversaries in it. I do my best to keep it up to date, but I need your help with writing in your birthday or anniversary if it is not already in there. The book is in the library and I go through the book periodically to see if there are additions and add them and reprint the necessary pages. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us to keep our records up to date.

RECYCLE

RECYCLE

RECYCLE

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let's work to help save ourselves a few bucks and at the same time, work toward a greener environment

The Laundromat and the men's and Ladies bathrooms will be locked at 9:00 p.m. and reopened at 8:00 a.m. Please try to abide by these hours, the closing hour means 9:00 not after, so start your wash or dry so that they will be finished by 9:00 p.m. We are fortunate to have Tammy Heffron take care of the locking and unlocking of this facility. Alternatively, if Tammy does not do this for us, the task will fall to the park employees and the Laundry would probably be locked at four p.m. when they leave similar to the Starkey Rd. Gate.

Coffee and Donuts

It has been brought to my attention that many people do not know that you can donate the coffee and donuts in memory of a loved one, birthday, anniversary, or any occasion you like. The donation fee is \$25.00. Please see the Social Club treasurer if you would like to donate a day.

OFFICE ADDRESS

For those who were not aware that although our street address is 2505 East Bay Drive, the address of the office is different, therefore we are listing the office address so that you do not get any late fees when your check does not arrive on time. More information will be coming about where you are to send your rent check in the future.

SPEED LIMIT IN ELDORADO

The speed limit in this park is **10 miles per hour**. People are not stopping at the four way corners; they just seem to drive right on thru. Keep this in mind when driving thru the park; you could be the guilty one. Please think of your neighbors before someone gets hurt.

SOLICITATION IN THE PARK

I have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door notify the office or call the police department. It has been brought to our attention that if you have someone soliciting at your door and the office has not approved him or her and you call the office to bring it to their attention the office will not do anything about it. Their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.

Monthly

Financial Wellness Month. Are you saving enough for retirement? Are you saving at all? Will you owe the IRS money this year toward your 2018 taxes? What are your financial goals for 2019? These are just a few of the questions to ask yourself while you review your spending habits and determine your preparedness for any "rainy days" ahead.

Get a Balanced Life Month. It's the start of a new year. Use this new beginning as time to review, reconsider, streamline—and maybe even eliminate—the unnecessary commitments, responsibilities, and activities that fill your days.

Get Organized Month. It's cold outside, and more than likely you're spending more time indoors fretting that there's nothing to do. Here's an idea: Don't wait for spring to purge your work and living spaces of unnecessary clutter and unused or unwanted items. There's no better time than the present to restore a sense of order to your life.

Learn to Ski and Snowboard Month. If saying "yes" to new adventures tops your to-do list this year, why not start things off right by developing your ski legs? Go online to learntoskiandsnowboard.org to find information on destinations, deals, and other considerations.

January Crossword

Wasted days

A man was diagnosed with a rare but fatal illness and was told he had one year left. Because he believed he had nothing to live for, he refused treatment, quit his job, withdrew from the company of family and friends, and began to drink heavily and adopt other self-destructive behaviors.

Two years later the man realized he'd outlived his initial diagnosis. He made an appointment with a new doctor, who ordered lab work and a battery of tests. The results were shocking: He'd been misdiagnosed.

As he sat in the doctor's office trying to make sense of the news he'd received, his thoughts turned to how he'd been infected with hopelessness and wasted his days over the past few years. He knew he could never reclaim that time, but he vowed to live a more purposeful life starting that day.

He stopped drinking and took an active role in maintaining his health. He returned to work and spent time with family and friends. He even made the effort to do things that he'd always dreamed about.

His advice to those who might be sick or troubled or simply down on their luck is to make every day count for something meaningful and good. Life is too precious for wasted days.

It's all about the journey

Inspirational author and minister Steve Goodier often shares a version of this story to remind us to enjoy the journey as we set out to explore our horizons.

Armed with shovels, two young boys were hard at work, digging a hole in the corner of their backyard. Their older siblings came over to find out what they were doing.

"We're explorers!" one of the youngsters shouted. "We're digging a hole to the center of the earth."

Their older siblings began to laugh. One said, "I hate to tell you this, kiddo, but you won't make it."

"You'd need a lot more than those shovels if you really wanted to go deep into the earth," the other sibling added.

"It doesn't matter," one of the younger boys replied. "We may not get far, but we sure did find some treasures."

In his outstretched palms were a live worm, a shiny rock, an old skeleton key, and a nickel.
