Media Editor

Dick Hambley (richwham@aol.com)

Well June is here and I think we have seen all of our snowbirds departed for northern country. We wish them a happy and healthy summer. For those of us who remain we are thankful for those who work to bring us activities for the summer. Be sure to read below and check the calendar as well as the bulletin boards which are updated as new things come along.

Julys media will be our updated phone directory for the coming year. Please check the list below as those are the changes that I have so far. In addition, if there is an error in our present directory please let me know so that I can correct them. My email is richwham@aol.com and my home phone is 727-535-0693.

H.O.A. News

Dorisanne Gibson

Mark your calendars now for the 4th of July. Your Eldorado Village HOA with funds provided by ELS will be serving a picnic style dinner. It will be FREE to all the residents of Eldorado Village. The main courses will be provided, we ask that people bring side dishes and/or salads. Looks like it will be fried chicken and bbq ribs, mac and cheese, and dessert. Please sign up in the clubhouse so that we will know how much to prepare.

EBO residents are also invited, however, there will be a slight fee charged to anyone who is not a resident of Eldorado.. That includes anyone coming as a guest of an Eldorado resident. Fee to be determined.

Coming Activities

Tammy Heffron

Well hello Summer residents! Our social events are light for June and July, but fun nevertheless.

June 8th: ice cream social. 3.00 at the door. (Watch for flyers on the website).
22nd: pot luck supper

Library

We need your help.

As you might remember - we do NOT have a librarian this season. Several residents have worked hard to remove the outdated books and place books in alphabetical order according to the author's last name. Recently someone dropped off a big box of books. While we appreciate the books - we need anyone who contributes books or replaces read books - to place the books appropriately on the shelves. We all appreciate a well-kept library. Thank you.

New Scrap Books

We have a new addition to our Library thanks to Pam Spilbeler. Pam has spent many hours going through old medias and pictures and picking out items of interest that she has put into three scrap books. They are a wonderful glimpse into Eldorado in the past and show that the previous residents (and some who are still here) laid a groundwork of fellowship and camaraderie that we continue to try to adhere to today. She also plans to have all the past medias stored in the library as well for us to look back at the past. These items are not to be removed from the library, but we have comfortable seating in the library and if you have an afternoon with nothing else to do, I can assure you that you will enjoy perusing Pam's efforts.

New Bulletin Board

We have a new Bulletin Board by the Mail Boxes. We realize that many folks do not go to the club house on a regular basis, so this is a way for all to see "coming events", hopefully you will find something you might enjoy attending. Thank you, Debbie, for getting them installed, we appreciate this.

For Your Information

The clubhouse is opened by the maintenance staff Mon-Fri at 7:00am. Evenings and weekends, (including holidays), Tammy Heffron at #188 has been volunteering since Feb of 2017 to lock up at 9:00. Please cooperate with this. I am sure minor adjustments can be made for special occasions.

To the Eldorado Residents and guests....I, along with other walkers have noticed an increase of cigarette butts littering the streets and sidewalks of our community. As a wife of a smoker, I know a lot of you are so careful and considerate of where you throw out the butts of your cigarettes. I encourage all of those who smoke, to please refrain from leaving them along our streets. It would be graciously appreciated.

Information about water shutoff's

As most residents know, there are times that the water in Eldorado must be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble. We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose so as to not let air into your hot water heater. You can also turn off the water coming into your home, which will prevent water from draining out of your home and into the water system. Some folks keep a few gallons of water on hand just for such emergencies.

PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER. SHUTOFF'S

There is nothing they can do, to help you.

Birthdays and Anniversaries

Dick Hambley

For those residents who are not aware of it, I would like to remind everyone that we maintain a book with the resident's birthdays and anniversaries in it. I do my best to keep it up to date, but I need your help with writing in your birthday or anniversary if it is not already in there. The book is in the library and I go through the book periodically to see if there are additions and add them and reprint the necessary pages. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us to keep our records up to date.

RECYCLE

RECYCLE

RECYCLE

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/ packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment

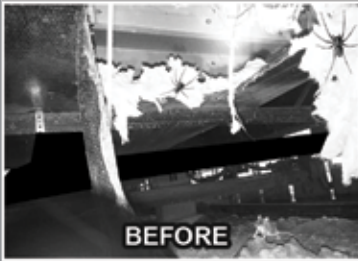

Notice

The Laundromat and the men’s and Ladies bathrooms will be locked at 9:00 p.m. and reopened at 8:00 a.m. Please try to abide by these hours, the closing hour means 9:00 not after, so start your wash or dry so that they will be finished by 9:00 p.m. We are fortunate to have Tammy Heffron take care of the locking and unlocking of this facility. Alternatively, if Tammy does not do this for us, the task will fall to the park employees and the Laundry would probably be locked at four p.m. when they leave similar to the Starkey Rd. Gate.

Coffee and Donuts

It has been brought to my attention that many people do not know that you can donate the coffee and donuts in memory of a loved one, birthday, anniversary, or any occasion you like. The donation fee is \$25.00. Please see the Social Club treasurer if you would like to donate a day.

OFFICE ADDRESS

For those who were not aware that although our street address is 2505 East Bay Drive, the address of the office is different, therefore we are listing the office address so that you do not get any late fees when your check does not arrive on time. More information will be coming about where you are to send your rent check in the future.

SPEED LIMIT IN ELDORADO

The speed limit in this park is 10 miles per hour. People are not stopping at the four way corners; they just seem to drive right on thru. Keep this in mind when driving thru the park; you could be the guilty one. Please think of your neighbors before someone gets hurt.

SOLICITATION IN THE PARK

I have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door notify the office or call the police department. It has been brought to our attention that if you have someone soliciting at your door and the office has not approved him or her and you call the office to bring it to their attention the office will not do anything about it. Their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.

Early birds versus night owls—who's better off?

The early bird gets the worm, and early risers enjoy other benefits, according to a story on the *New York Post* website. A survey of sleep habits involving 2,000 people found that, among other things, self-identified early birds have more sex on a weekly basis than their night owl counterparts.

The survey also found that early birds generally make more money, are more likely to work in an office setting, and describe themselves as happy. They're also more likely to be married with children in their home. On the other hand, night owls are typically shy and sarcastic, likely to believe in ghosts and cryptids, and more often single.

They tend to sleep about the same amount—seven hours a night for early birds and six hours for night owls. However, early birds are light sleepers, and they feel more well-rested when they get up than night owls.

Disconnecting may not lead to the benefits you're looking for

Ever feel the need to disconnect from your devices for a “digital detox”? The Yahoo Finance website reported on a survey by Mojo Vision (Saratoga, California), which found that people tend to use technology as much, if not more, after distancing themselves from their smartphones and tablets for a while.

The survey of 1,000 Americans found that 67 percent agree that technology makes life easier, but 55 percent believe that all that tech is a distraction, with one-third worrying that it hurts people's ability to connect with one another. Still, 54 percent said that abstaining from their devices didn't produce the positive benefits they'd hoped for—or at least were unsure whether it had a beneficial impact.

The most common strategies for “subtracting” tech are setting devices to send fewer notifications, putting them on a “Do Not Disturb” setting, scheduling times to not use their devices, or simply turning them off for a period of time.

A good decision is based on knowledge, and not on numbers.

Flower power

A dairy farmer in Japan, Toshiyuki Kuroki, found a novel way to help his wife, Yasuko, cope with her failing health. When complications from diabetes robbed her of her vision, he began planting shibazakura around their farm. It's a species of phlox and a hearty groundcover that blossoms March and April.

Though he knew his wife of 30 years would no longer be able to see the beautiful fuchsia-colored petals, he hoped the sweet fragrance of the flowers would lure her outdoors and out of her deepening depression. It didn't, for a while, and then something pretty wonderful happened.

As the farmer continued to plant more flowers, they thrived and spread across the farmland. People from surrounding areas, even tourists, began to visit the farm. Everyone wanted to see the beautiful pink fields and walk among the spring flowers. With so many new and different people showing up on their land, the farmer's wife began to wander outside and interact with the visitors. She was happy again.

For the past 25 years, the shibazakura fields that surround the home of Toshiyuki and Yasuko Kuroki have sparked joy and wonder in the hearts of many. The Kurokis receive about 7,000 visitors a year at the farm during March and April, and they no longer raise dairy cows.

Their story is a reminder that love and flowers are a powerful healing force.
