Here we are into May and most of our snowbird friends have left us and returned to their summer digs. We wish them all well and have a happy, healthy fun-filled summer and return to us in the fall. But, there will be summer activities and we urge all to come out and participate in all that Eldorado has to offer. If you think there is something that we should be doing that we are not already doing, please feel free to suggest your ideas to one of the officers or even any member of the Social Club and I am sure we will do our best to bring your idea to fruition. The old saying “two heads are better than one” certainly is true and we have many many more heads than two, so put your thinking caps on and let us know what you are thinking of.

## Managers Corner:

---

I want to thank everyone for the wonderful clean up in the communities! Regional was here and we got a big Nice Job! So; thank you, we cannot do this without you. I also want to thank all the event planners, HOA and volunteers this year for their hard work and support.

In recent weeks we have been tagging autos that are illegally parked. Some of you have blatantly disregarded these notices. I have had several complaints about this and it takes too much time from my schedule everyday to deal with them. Read your rules & regulations! It clearly states no parking on the streets, grass etc. These rules are meant for ALL residents, not just the ones who follow them. If you are parking your second vehicle at the Clubhouse, this will stop. Or it will be towed legally! You have a driveway, put your car there. If you are driving a commercial vehicle, again read the rules & regulations, no commercial vehicles. Tag numbers are being recorded going forward. If this continues, you will be turned over to legal for rules violations and risk getting you vehicle towed at your expense.

On a positive note, as the season comes to a close. We hope everyone will be back in the fall. Thank you to all the people that have made this season great!

Have a wonderful and safe summer!

Thank You

Debbie

## From the President of the Social Club

Joanne Gallivan

---

**A**t this time, the Social Club has no director or Associate Director of Social Activities. Social activities are what we're all about, so the Club officers hope those positions will be filled in December's election. In the meantime, we have discussed in length how to maintain social activities in the interim and lighten the workload for individuals who might be willing to take those positions. To that end, several steps have been taken.

- The number of scheduled activities for 2016-2017 has been reduced from previous years. If a group wishes to host an event that was removed, we will gladly return it to the list. This has already happened with the Casino Night, thanks to Larry & Pam Lankster & Dick Hambley.
- Sandy Yost has updated the checklist/instructions for dances and has created an additional one for dinners.
- We have created a roster of individuals willing to print tickets and posters for events if the hosts don't want to do that themselves.
- A decorating Committee, led by Pam Lankster & Tammy Heffron, has been created. They decorate for all occasions so event hosts don't have to carry out that task.

Anyone who has been involved in hosting an activity knows that there are always lots of willing members who help out, especially with set-up and clean-up. There are several teams of people who regularly host events and we would welcome more teams. So, think about starting a team, and choose an event to host. We like to have lots of activities in Eldorado, so let's all chip in to keep them going.

Til next time

## Larry Houff

---

**A**s we went to press, we learned of the passing of our good friend and neighbor Larry Houff. Larry only lived in Eldorado for a short time, but he was well liked and a good friend to all who had the good fortune to know him. Our condolences go out to Larry's family. If we get any news of arrangements, we will pass them on.

# Welcome to Eldorado!

By Sandy Yost

---

**W**hat fun to welcome new residents to our amazing village! It isn't as easy as it seems though. People who are moving in are definitely on the go and hard to find! These new residents gave me permission to share their information with all of you:

At lot # 81 you will find Caridad (Cari). She is a lovely Spanish speaking resident from Cuba. She enjoys making shell dolls and would love to go to Bingo if there is anyone there who speaks Spanish! I had the pleasure of chatting with her son, Carlos and her daughter-in-law, Mairiam, who lives nearby. Cari will celebrate her birthday on July 18th.

Laura and Terry Shuerger are new residents of lot #34. They come to us from Chicago, New York and St. Pete. They have a son who lives in St. Pete and they enjoy their 4-legged, furry grandbabies. Laura's birthday is March 28th and she works outside the home for a bit longer while Terry's birthday is May 4th and he is very knowledgeable about automobiles. He is willing and able to do headlight and taillight repair as well as small welding jobs. He loves to shoot pool and is a Navy Veteran.

Lot #9 has Patrick, Johnny and Bill all renting rooms. Patrick is from Wisconsin where his dad lives. Patrick works in Safety Harbor with his brother's kayak rental business. He enjoys bike riding and watching old movies.

Connie Johnson is a new resident in lot #103. She comes to us from Indiana where her 2 children and 3 grandchildren live. She works with Merry Maids and enjoys country and classic rock music as well as dancing!

## Thoughts of a seasonal Resident

---

**T**he following was given to us by one of our seasonal renters. Terry and Sandy came to Eldorado from Wisconsin. It is great to hear that newcomer's enjoyed their season here in Eldorado. We hope that they find a place and come back to see us again.

## First Time Retirees.

---

**A**fter 29½ years of working for the City of Sheboygan Fire Department, I retired. But a month or so before I retired, a lot of my spare time was spent online looking for a place to stay in Florida for the first few months of the 2016 winter. The websites that advertise seasonal rentals in the sunshine state are as numerous and redundant as the safety warning labels on a string of new Christmas lights. But not to be deterred, I trudged on checking all the homes that were vying for my snowbird dollars. This apartment, that mobile

home, the condos; they're all so wonderful, how do I choose? I mean, all I want is a great place that is clean, safe, comfy, close to family and inexpensive! Good Grief!

So being new at this, I started a file of website short cuts to all of the possibilities that might "fit the bill" for our first winter retirement home. Adding daily to the file, I began to amass a list that not even a 7 year old girl's letter to Santa could keep track of. And then the availability time slots; "This place is only available from this date to that date and is this much money if you rent from this date to that date but you must rent for at least 4 months to get this rate but if you rent from this date to that date you have to pay this much which is more than these dates because those dates are less than 3 months and those dates are special because I said so". Some places had age restrictions of 55 and older, which was fine with me. Other places were listed as open and friendly, clothing optional. Ooh, that sounds interesting; until I read further that this place was for "men". Mind numbing begins to set in and the next thing I know I'm wiping the drool coming from the corner of my mouth.

As time dwindled on and January 1 got closer and closer, many of my choices were eliminated through so called, procrastination. So before all of my possibilities were taken, I began to send out requests. Of course most of the replies came back as "No, sorry, I forgot to take the ad down after I rented it." Gee, thanks for crushing any hope of finding, as you called it, a place in paradise.

But then out of the blue, a response from a previous inquiry that now was available due to non-qualifying renters. Non-qualifying renters? What does that even mean? How does one become a non-qualifying renter? Never mind, that will certainly not be the wife and I. Unless, well, never mind to that too. So I called the number and got the ball rolling for getting "qualified". "We will need a copy of your driver's licenses, checking account number, social security numbers, phone numbers, address, previous address, employer, previous employer, current income and a check for \$50.00 so we can see if you qualify.", said the nice lady on the phone. Is that all? Are you sure you don't need my underwear size and color as well? After sending off my packet of information that would have satisfied the CIA, a few days later I was informed that we "qualified".

So on January 4th we set out for paradise. We arrived the next day and the owner met us and showed us around. So here we are, retired and in the sunshine state for the next 3 months. WOOHOO! But what would life be without a little complaining; too happy right? So here it comes; the TRAFFIC IS HORRIBLE! Okay, I'm done. Because when you're retired you have nowhere to go and all day to get there.

According to the weather people, this winter is an "El Nino" winter. This means that the weather back home in Wisconsin is supposed to be milder and the weather down here in Florida is supposed to be colder and wetter than normal. And so far they're right in pertaining to the weather down here. A few days have been wonderfully warm, but most of them are about 10-15 degrees below normal with more than usual cloud cover and some pretty serious

rain storms. Just when you count on the weatherman being wrong, he steps up and gets it right. On January 23rd when I woke up and checked the current temperatures for here and at home in Wisconsin, they both read 37 degrees, something is definitely wrong.

Finally the weatherman says it's going to be a beautiful day, so to the beach we go. We head out to Clearwater Beach near the famous Pier 60. It is a glorious day. With sunshine, white sandy beach and a light gulf breeze, we plop the beach chairs and umbrella into the sand. THIS is what we came here for. Of course not until we paid \$9.50 for 3 hours of parking. But hey, at least we found a spot!

So the wife and I are strolling on the beach just enjoying the scenery. And oh what scenery there was. I look to my right, and there is a young pretty woman sunning herself with no top on. You heard me, no top! So being the faithful husband I am, I psychologically slapped myself in the face and told my wife to check out the view to her right. Of course at this point I was already looking left. Hey, a few seconds of ogling is not worth a whole day of scorn from the one you pledged "‘til death do us part". She says to me, "Is this a topless beach?" "Not to my knowledge", I respond. But hey, what guy wouldn't mind? But of course I didn't say that out loud. After 3 hours it was time to go and with sunburned skin we headed back home.

Our first year as snowbirds certainly has been a learning experience. But adjusting to "the good life" didn't take long at all. We are spending our time urban treasure hunting at the thrift stores and flea markets, doing a little fixing up here, going to the gym, crossword puzzles, coloring, whittling away on our walking sticks, visiting Mom and Dad and just enjoying sitting outside under the carport. They say "Time flies when you're having fun." Well we must be having a blast, because the end of March is already here and we're starting to go through the process all over again of finding a place to stay next year. Ugh!

## New Pool and Spa Rules

These are the new pool and spa rules recently posted in the pool and spa area. There have been a couple of changes, so please make note of them and follow them. In the past, we have had a few cases where this was not done and it isn't fair or neighborly to not follow them. We love to see the pool area busy again and want everyone to enjoy them in the same friendly fashion as we enjoy Eldorado in general.

## Email List

Dick Hambley

For those residents who are not aware of the fact that we maintain an email list to be used as a means of getting quick information to our residents, we would like to bring you up to date. I maintain a list of all emails that have been given to me to be used for the above purpose. I do not share the list with anyone and when I send out an email, I use the blind copy method so your email address does not appear on anyone else's email. That way we can maintain your confidentiality and still keep you informed. So, if you would like to be included on our email list please send me an email so that I can add your email address to our list. Please put something in the subject line that indicates it is for the Eldorado email list or I might mistakenly delete your email if I don't recognize the email address. Also, please include your name in the body of the email, as some email addresses do not indicate whom the email is from.

If you think that you gave me your email and have not received anything in some time from me, please feel free to send me an email letting me know and I will check my records and make sure you are included.

My email address is [richwham@aol.com](mailto:richwham@aol.com).

## Information about water shutoff's

---

**A**s most residents know, there are times that the water in Eldorado has to be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble. We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. If you have caller ID, the number 599-2066 will show up with the name Eldorado Village. For those who have asked to not be robo-called, a personal call will come. We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose so as to not let air into your hot water heater. You can also turn off the water coming into your home, which will prevent water from draining out of your home and into the water system. Some folks keep a few gallons of water on hand just for such emergencies.

### **PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER. SHUTOFF'S**

There is nothing they can do, to help you.

### **CLUBHOUSE COMMRADERIE**

Weekly:

- Monday evening there is Ladies' Poker at 6:30 PM
- Tuesday nights is BINGO! Come on out and enjoy an evening with your friends and neighbors!
- Wednesday at 6:15PM Game Night is at the Clubhouse. Bring your friends for poker or a game of your choice!
- Thursdays Men's Poker in the evening.
- Movie Night is Sunday. Patty Gregg has the movie posted at the Clubhouse.

Below are the events planned so far for the coming winter season. Please look it over and heed the advice of our president and put together a team (2 or more) and consider spearheading an event. We all enjoy the various events, but it takes someone to get the ball rolling.

## Yoga

Joan Haggerty

Hello, Friends & Neighbors:

April 18th was my last Yoga class for the season. It now is the day before that class as I write my last Media entry. I am sure it will be a great celebration of what I have tried to share for the last twelve years. It has been most gratifying to be able to bring all I have learned in my Yoga career to my friends and neighbors. I am grateful for that for t opportunity.

As most of you know, I am moving back to upstate New York to be with my family. This move comes with great celebration and expected sadness to be leaving the place that I have made my home with so many friends and neighbors supporting my journey. I thank you all and leave wishing you ALL THE BEST GOD HAS TO OFFER.

Namaste,

Joan

## Birthdays and Anniversaries

*Dick Hambley*

For those residents who are not aware of it, I would like to remind everyone that we maintain a book with the resident's birthdays and anniversaries in it. I do my best to keep it up to date, but I need your help with writing in your birthday or anniversary if it is not already in there. The book is in the library and I go through the book periodically to see if there are additions and add them and reprint the necessary pages. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us to keep our records up to date.

## RECYCLE

## RECYCLE

## RECYCLE

**R**ecycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills.

The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well.

The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/

packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let's work to help save ourselves a few bucks and at the same time, work toward a greener environment

## TRASH/DUMP AREA SCHEDULE

3. All newspaper should be bundled and tied securely with string.

4. Trees and brush trimmings must be cut into no larger than 4 foot lengths and bundled in no more than an 18 inch diameter, in order to be picked up.

5. All weeds, leaves and lawn trimmings must be placed in plastic bags and tied closed for proper pick-up. Bags are to weigh no more than the 25 lbs as specified above.

Thank you for your cooperation

Management and Staff

People are still putting their trash out before Tuesday or Friday mornings.

Please try to obey these rules they are for **everyone**.

## Notice

The Laundromat and the men's and Ladies bathrooms will be locked at 9:00 p.m. and reopened at 8:00 a.m. Please try to abide by these hours, the closing hour means 9:00 not after, so start your wash or dry so that they will be finished by 9:00 p.m. We are fortunate to have Patty Gregg take care of the locking and unlocking of this facility. Alternatively, if Patty does not do this for us, the task will fall to the park employees and the Laundry would probably be locked at four p.m. when they leave similar to the Starkey Rd. Gate.

## Coffee and Donuts

It has been brought to my attention that many people do not know that you can donate the coffee and donuts in memory of a loved one, birthday, anniversary, or any occasion you like. The donation fee is \$25.00. Please see the Social Club treasurer if you would like to donate a day.

## From our family to your family

Morton Plant Hospital got its start in 1914 when several local women asked railroad magnate Morton F. Plant to fund a hospital. He agreed, if the community would also make a substantial contribution. They took the challenge and the hospital opened in 1916. Throughout the years, the hospital served the community, and the community gave back, ensuring that generations of families would be able to count on the compassionate, quality care provided by Morton Plant Hospital.

One of the most noteworthy hospitals in the nation, Morton Plant Hospital was founded because a community cared. And 100 years later, one thing remains the same — our commitment to caring for your family.

*The new Doyle Tower at Morton Plant Hospital, scheduled to be completed in 2016. Another example of how the community gave back.*

## SPEED LIMIT IN ELDORADO

---

The speed limit in this park is **10 miles per hour**. People are not stopping at the four way corners; they just seem to drive right on thru. Keep this in mind when driving thru the park; you could be the guilty one. Please think of your neighbors before someone gets hurt.

## SOLICITATION IN THE PARK

---

I have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door notify the office or call the police department. It has been brought to our attention that if you have someone soliciting at your door and the office has not approved him or her and you call the office to bring it to their attention the office will not due anything about it. Their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.
