Media Editors

Dick Hambley (richwham@aol.com)

November is here and we have already seen the return of some of our snowbirds. Welcome back and we look forward to another fun filled, busy and fruitful season. Please keep your eyes on the Calendar and the bulletin boards in the clubhouse for coming activities. We are fortunate to have members who give their time to prepare and present many varied activities and I have to believe that there will be something come along that you would like to see or be a part of. Having lived here as long as I have I know that when you participate in something, you have the opportunity to meet new people and, who knows, you may make a friend for life. I know that I have many friends that I never knew until we met here in Eldorado.

Joan Lowe and I as well as your block captains, have been working to see that this media gets out to the residents in a timely manner for many years now and one of the frustrations that we have had is getting news. Some things in the media are repetitious, but have to be there. But I would really like to include more human interest things as well. So I am asking that, if you have something that you would like to share please send it to me. I need to have things by the fifteenth of the month if you want it in the next month. I am at Lot 51 and my email is richwham@aol.com.

On a more personal note, I want to thank all who have shown me such caring and love over the last few months. It has been a wonderful feeling to have folks know that they are thinking of and praying for you when you have no idea what is coming your way. I saw my doctor this morning (10/16) and she gave me good news. I am certainly not out of the woods, but I have made good progress with my disease and we will continue to fight it. Thank you all.

From the H.O.A.

Dorisanne Gibson

On November 14th after coffee at approximately 9:45 a.m., HOA has arranged a visit by our friend, Attorney Mary McManus Taylor. She has helped our new residents with their legal papers in the past. You may be unaware when you move to Florida from another state that it is possible that your Wills and Powers of Attorney, etc., will not be legal in the state of Florida. This is extremely important information especially to our new residents. Plan to come. If you cannot come due to working or whatever, try to get someone to come and represent you and take notes for you.

Your HOA has arranged for our park to be a collection point for Toys for Tots this year. You may bring new, unwrapped toys to the clubhouse during the day. In the evening the toys will be locked away to prevent theft. Please consider sharing your Christmas spirit with some

child in our area. Thank you.

Our previously scheduled Homeowners General Membership Meeting for November 9th has been cancelled. Please see Sharon Laney or Dorisanne to pay your 2018 assessments of \$10 per home in order to be eligible to vote at the Annual Membership Meeting.

90 Years

Don Luginbuhl recently achieved that distinction and we congratulate him on becoming the newest nonagenarian living among us here in Eldorado. Don was happy to have his three daughters, Judy with her husband Jack, Ginny and Joyce here to help him celebrate this wonderful occasion. The celebration took place at the Columbia restaurant in Sand Key where Don entertained not only his family but several of his Eldorado friends as well and from all reports a good time was had by all. We wish Don many more celebrations.

Fifty Years

That is a long time to be married, but we have had many many couples achieve that milestone over the years here in Eldorado. For that reason, we are asking “are you celebrating 50 years this year”? We would like to recognize your accomplishing that feat, so we are asking you to let us know that you have. You can contact either Sandy Yost (Lot 62 phone 412-8234) or Dick Hambley (Lot 51 phone 535-0693). We look forward to your response.

Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **MortonPlantValveTrial.org**.

Carport Sale

On Saturday, November 4, we will be having a park wide carport sale starting at 8 a.m. A good opportunity to go through your home and clear out some of those things you don't use. Several of our residents asked for this sale to be held so we are hopeful that it will be a successful sale.

Social Club Dues

Dick Hambley

As the year 2017 winds down, I will begin collecting dues for the Social Club for the year 2018. I would urge all residents to consider paying their five dollars for a years membership. The Social Club is an organization that tries to provide something for everyone and has for years. We have activities that are for some but maybe not for others. However, we are always looking for new things and are willing to listen to what you may have to offer. We have found that, in the past few years, we have had some of our newer residents do just that and this has made Eldorado a better place for it.

Email List

Dick Hambley

For those residents who are not aware of the fact that we maintain an email list to be used as a means of getting quick information to our residents, we would like to bring you up to date. I maintain a list of all emails that have been given to me to be used for the above purpose. I do not share the list with anyone and when I send out an email, I use the blind copy method so your email address does not appear on anyone else's email. That way we can maintain your confidentiality and still keep you informed. So, if you would like to be included on our email list please send me an email so that I can add your email address to our list. Please put something in the subject line that indicates it is for the Eldorado email list or I might mistakenly delete your email if I don't recognize the email address. Also, please include your name in the body of the email, as some email addresses do not indicate whom the email is from.

If you think that you gave me your email and have not received anything in some time from me, please feel free to send me an email letting me know and I will check my records and make sure you are included.

My email address is richwham@aol.com.

Information about water shutoff's

As most residents know, there are times that the water in Eldorado has to be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble. We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. If you have caller ID, the number 599-2066 will show up with the name Eldorado Village. For those who have asked to not be robo-called, a personal call will come. We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose so that you will not let air into your hot water heater. You can also turn off the water coming into your home, which will prevent water from draining out of your home and into the water system. Some folks keep a few gallons of water on hand just for such emergencies.

PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER SHUTOFF'S THERE IS NOTHING THEY CAN DO TO CHANGE WHAT IS HAPPENING.

VINYL IS FINAL

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

RECYCLE

RECYCLE

RECYCLE

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment

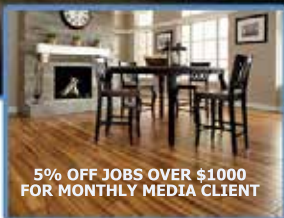

Park Mail Boxes

Now that we have mailboxes near the clubhouse please do not remove your old boxes at your house. The mailbox now at each house will be used for park mail. You will receive your copy of the media there so please leave them up. Also any notices will be left there. Thanks for your cooperation.

For those residents who are not aware of it, I would like to remind everyone that we maintain a book with the resident’s birthdays and anniversaries in it. I do my best to keep it up to date, but I need your help with writing in your birthday or anniversary if it is not already in there. The book is in the library and I go through the book periodically to see if there are additions and add them and reprint the necessary pages. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us to keep our records up to date.

The Laundromat and the men’s and Ladies bathrooms will be locked at 9:00 p.m. and reopened at 8:00 a.m. Please try to abide by these hours, the closing hour means 9:00 not after, so start your wash or dry so that they will be finished by 9:00 p.m. We are fortunate to have Patty Gregg take care of the locking and unlocking of this facility. Alternatively, if Patty does not do this for us, the task will fall to the park employees and the Laundry would probably be locked at four p.m. when they leave similar to the Starkey Rd. Gate.
