Media Editors

Dick Hambley (richwham@aol.com)

Here comes the fall season, and we will be looking forward to the early snowbirds return to Eldorado. It has been a quiet summer, but not without some activity. We have been seeing more shared activities with our friends in East Bay Oaks and this has helped with both new friends as well as additional activities.

I would like to express the thanks of all here in Eldorado to Joan Lowe who has decided to resign as an Editor for the media. Thank You Joan, it has been a pleasure to work with you and know that there was someone available to jump in and see that the media keeps going when needed.

On a more personal note, I would like to thank all the wonderful people here in Eldorado who have expressed their thoughts and prayers for me during the new journey that I have begun. This is not something that anyone wishes to have happen as so many of you know, but something we have to deal with. I have confidence in my doctors and in the power of prayer and look forward to emerging from this ordeal in as good or better shape and ready to be a contributing neighbor to all here in Eldorado. Thank You one and all.

From the H.O.A.

Dorisanne Gibson

This Fall/Winter Season your HOA has planned many more general membership meetings and guest speakers than we have in the past. Our focus is going to be on your health and safety. I hope you all will avail yourselves of all the information we will be presenting over the coming months.

Thursday evening, September 21, at 7 p.m. we will be having our first HOA general membership meeting. Our guest speaker Summer Mahr from Largo Fire Department will be here to discuss hurricane preparedness. Ms. Mahr is coming to an evening meeting so that those of our homeowners who are still employed will be able to come to the meeting and get the information. You will be able to pay your membership assessment at this meeting. \$10.00 per home. The agenda for this meeting will include information about the new boil water protocol that has been implemented in the case of water shutoffs.

We will be having additional membership meetings as the year goes on. The schedule for the next couple months is as follows:

Thursday evening, October 12, at 7 p.m. HOA membership meeting with our guest speaker Dr. Woody Brown, Mayor of Largo, visiting with us to discuss upcoming election issues that will impact us, specifically Pennies for Pinellas.

Pinellas Night Out this year will be Oct 3 thru 8th. We plan to have some kind of community activity in conjunction with the Largo Police/Fire/K9 personnel, so mark your calendars and watch for additional information.

Tuesday morning at 10:30 November 14, HOA will bring us Mary McManus Taylor, Estate Planner Attorney, to speak with us, especially our new residents, about Florida's laws pertaining to Wills, Power of Attorney, Digital Asset planning, etc.

Also in November, date to be announced, we will be having a special individualized safety program that is something new that the Largo Police are doing for us. We look forward to hearing more about that.

There will be no membership meeting in December.

Liaison Committee

Dorisanne Gibson

A couple things have come up from your liaison committee meeting with management last week. On Thursday, Oct. 5 from 9 to noon, the Recycling truck will be here again. Please see the posters in the clubhouse for information on what they will accept.

And then on Saturday, Oct. 7th, we will be celebrating National Night Out with a Hawaiian Luau in conjunction with East Bay Oaks. We hope to have the fire department, police department and K-9 department represented. And of course, yummy food, but we will be needing volunteers to help prepare that yummy food. Should be a great event that will start at 4:30 p.m.

We will be having a Community wide carport sale on Saturday, November 4th. Hopefully we will have a lot of homes in the park participating. You will do this in your own carport starting at 8 a.m.

Please keep you eyes on the Media and our facebook page because this coming Autumn is shaping up to be very full. If you have questions please contact anyone on HOA Board or Liaison Committee, or come to Koffee on Tuesday mornings at 9 a.m. for free coffee and donuts.

Linda Moffatt

It is with a sad & heavy heart that we announce the passing of Linda Jean Moffatt who lived in 184 for 10 years and in the park for 15. She fought a gallant fight against a rare cancer for the past 2 years. Her husband TJ passed from cancer on Dec 26, 2015.

TJ was a world licensed master electrician, always helping someone with electrical problems here in the park. Linda was a bookkeeper and a wiz with computers and electronic devises. She was an excellent cook and she and TJ hosted many special events, including pancake breakfasts, Easter breakfast, special dinners for the social club and White Elephant sales.

They both liked to golf and TJ loved shuffling. He was among one of the top shufflers in our club.

Linda is survived by her mother Jean, sons Tom & Michael, daughters Brandi & April, sister Liz and brother Brian, and many grandchildren. She will be leaving a great void in their hearts, but they will feel her love forever.

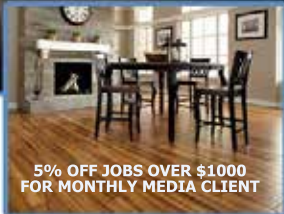

Linda & TJ were the happiest when they were able to be here, and we, their friends/neighbors, feel honored to have had them as friends and felt as though they were family. You will be missed Linda, as is TJ.

Food for Thought

Dorisanne Gibson

We all love our furry friends and would never knowingly do anything to hurt them. However, in Florida, in the summer we need to be aware of how our streets burn our doggie's paws.

Pavement, asphalt and carport surfaces can become very hot during the summer months. These materials absorb heat from the sun and can stay hot for hours even after the sun has gone down. Temperatures on these surfaces can exceed 145 degrees F.

The skin on a dog's paws is no thicker than the skin on our feet.

Check the pavement for heat before taking your dog on a walk. Place your hand or a bare foot on the surface for ten seconds. If it is too hot for you to keep your hand or foot on it, then it is too hot for your pet.

Email List

Dick Hambley

For those residents who are not aware of the fact that we maintain an email list to be used as a means of getting quick information to our residents, we would like to bring you up to date. I maintain a list of all emails that have been given to me to be used for the above purpose. I do not share the list with anyone and when I send out an email, I use the blind copy method so your email address does not appear on anyone else's email. That way we can maintain your confidentiality and still keep you informed. So, if you would like to be included on our email list please send me an email so that I can add your email address to our list. Please put something in the subject line that indicates it is for the Eldorado email list or I might mistakenly delete your email if I don't recognize the email address. Also, please include your name in the body of the email, as some email addresses do not indicate whom the email is from.

If you think that you gave me your email and have not received anything in some time from me, please feel free to send me an email letting me know and I will check my records and make sure you are included.

My email address is richwham@aol.com.

Information about water shutoff's

As most residents know, there are times that the water in Eldorado has to be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble. We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. If you have caller ID, the number 599-2066 will show up with the name Eldorado Village. For those who have asked to not be robo-called, a personal call will come. We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose so as to not let air into your hot water heater. You can also turn off the water coming into your home, which will prevent water from draining out of your home and into the water system. Some folks keep a few gallons of water on hand just for such emergencies.

PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER SHUTOFF'S
THERE IS NOTHING THEY CAN DO TO CHANGE WHAT IS HAPPENING.

For those residents who are not aware of it, I would like to remind everyone that we maintain a book with the resident's birthdays and anniversaries in it. I do my best to keep it up to date, but I need your help with writing in your birthday or anniversary if it is not already in there. The book is in the library and I go through the book periodically to see if there are additions and add them and reprint the necessary pages. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us to keep our records up to date.

RECYCLE

RECYCLE

RECYCLE

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment

VINYL IS FINAL

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

SPEED LIMIT IN ELDORADO

The speed limit in this park is **10 miles per hour**. People are not stopping at the four way corners; they just seem to drive right on thru. Keep this in mind when driving thru the park; you could be the guilty one. Please think of your neighbors before someone gets hurt.

Notice

Notice

Notice

Notice

The Laundromat and the men's and Ladies bathrooms will be locked at 9:00 p.m. and reopened at 8:00 a.m. Please try to abide by these hours, the closing hour means 9:00 not after, so start your wash or dry so that they will be finished by 9:00 p.m. We are fortunate to have Patty Gregg take care of the locking and unlocking of this facility. Alternatively, if Patty does not do this for us, the task will fall to the park employees and the Laundry would probably be locked at four p.m. when they leave similar to the Starkey Rd. Gate.

Coffee and Donuts

It has been brought to my attention that many people do not know that you can donate the coffee and donuts in memory of a loved one, birthday, anniversary, or any occasion you like. The donation fee is \$25.00. Please see the Social Club treasurer if you would like to donate a day.

OFFICE ADDRESS

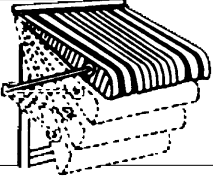

For those who were not aware that although our street address is 2505 East Bay Drive, the address of the office is different, therefore we are listing the office address so that you do not get any late fees when your check does not arrive on time. More information will be coming about where you are to send your rent check in the future.

Eldorado Village Office
601 Starkey Road Lot # 78
Largo, Florida 33771

SOLICITATION IN THE PARK

I have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door notify the office or call the police department. It has been brought to our attention that if you have someone soliciting at your door and the office has not approved him or her and you call the office to bring it to their attention the office will not do anything about it. Their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.

Did you know that September is also...

Blood Cancer Awareness Month. Lymphoma is a type of blood cancer that occurs when lymphocytes—white blood cells that help protect the body from infection and disease—begin behaving abnormally. Lymphoma may develop in many parts of the body, including the lymph nodes, spleen, bone marrow, blood or other organs. This year’s theme for Blood Cancer Awareness Month is “Light it Red for Lymphoma.”

National Child Awareness Month. During National Child Awareness Month, a wide array of organizations set aside their individual agendas to focus on the bigger picture of children in America today and what can be done to address their growing challenges and needs tomorrow.

National Cholesterol Education Month. National Cholesterol Education Month is a good time to get your blood cholesterol checked and take steps to lower it if it’s high. It’s also a good time to learn about lipid profiles and food and lifestyle choices that will help you reach your personal cholesterol goals.

National Piano Month. A good month to sign up for piano lessons. Although invented around the year 1700, the piano took several decades to become a favorite of composers and performers alike. In the 19th century the instrument grew larger and more powerful. At the same time, the instrument became the primary source of home entertainment, and learning to play the piano became an important part of childhood education.

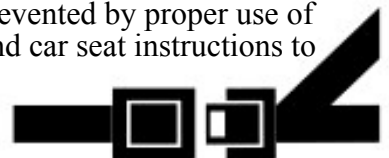

Substitute Teacher Appreciation Week, Sept. 3-9. Five days dedicated to the hundreds of thousands of education professionals who fill in at the schools every day across the United States. This nationwide event is recognized by the U.S. House of Representatives, schools, and school districts around the country.

National Suicide Prevention Week, Sept. 10-16. High schools, colleges, and universities can create their own activities for National Suicide Prevention Week. These locations are ideal to promote public awareness of the goals of suicide prevention, educate the public about the prevalence of suicide, and involve young adults in prevention activities.

Child Passenger Safety Week, Sept. 17-23. Car crashes are a leading cause of death for children up to 13 years old. Many deaths and injuries can be prevented by proper use of car seats, boosters, and seat belts. Getting safety information and car seat instructions to parents and caregivers is crucial to saving young lives.
