Media Editor

Dick Hambley (richwham@aol.com)

Here we are into the month of May, and most of our snowbirds are back in their summer roosts. From what we hear, they are not experiencing the best of spring weather, but hopefully that will change for the better.

Tammy Heffron has been working with her counterpart over in EBO planning summer activities. Please pay attention to the bulletin boards in the clubhouse for the offerings they have prepared. Come out and join your neighbors as the summer progresses.

Also, take note of the offerings of Pam Spilbeler in this month's media. Even though Pam and Larry have returned to Indiana, she continues to contribute to life here in Eldorado. I would be willing to add anything that someone else has to offer in future medias. It is by joining "life in Eldorado" that makes this the great place to live that it is. There is a saying "the more the merrier", but I believe that "more" is a relative term and whatever the number is when we get together, we seem to have a good time

Managers Corner:

It's that time again!

As the season closes for the year, we want to wish all our northern residents a wonderful and safe summer.

We will be working on several projects during the summer months.

I hate to keep repeating myself, but you CANNOT park on the front lawns of your lots. I have sent several notices and this still happens. We are trying to improve the complexion of the community. And this takes assistance from all our residents. Help us help you!

As a reminder to all of you leaving, please prepare your homes for Hurricane season if you are not going to be here. Be sure anything that can fly around is put away.

Just a reminder, that ALL residents need to have their pool pass when at the pool. If you do not have it on or with you, do not be offended if someone asks. This is to protect you as a resident. Also, to be sure outside people are not freely using our pools.

Remember, if you have guests they need to register at the office. Parking overnight at the clubhouse is NOT permitted without a pass from the office.

Thank You
Debbie

As I see ELDORADO VILLAGE FROM MY YELLOW BIKE

by Pam Spilbeler

As a new owner 4 years ago, I could not wait to purchase a bicycle then I could cruise the community of Eldorado. My reason was simple – I wanted to meet my neighbors.

After all we purchased our seasonal home in Eldorado for not only the great climate and Florida location but to be socially connected in retirement. The idea of community living in close cooperation with other

people has a lot of appeal. This type of living is different from the commune living experiment of the 1960's but it is common in the desire of the feeling of togetherness and creating attachments with other people.

Tuesday Coffee Klatch, communal dinners and dances are now our new routines and norms. We have met the most wonderful folks living and visiting Eldorado Village just by “doing stuff with other residents”. We are forging new relationships with people of different ages and different national origins.

BUT WHAT IF NO ONE VOLUNTEERED OR AGREED TO CHAIR AN EVENT...
BUT WHAT IF PARTICIPATION KEEPS DECLINING...
HOW WILL THIS AFFECT ALL RESIDENTS...

Please do not let us all become isolated, lonely, and socially disconnected. Experiencing real relationships and knowing someone has your back is the best.

Please participate in some manner and help create that feeling of togetherness.

As I see ELDORADO VILLAGE from MY YELLOW BIKE

by Pam Spilbeler - Part 2

As I continue cruising around Eldorado Community, an expression comes to mind, “You can’t see the forest for the trees”.

As I see it I have two choices while I am riding my bike through our park, I can either:

1. Concentrate on the projects or items not yet completed by our park management, empty and/or unkept homes, OR
2. Concentrate on the completed projects by our park management and the pride some owners are taking regarding their homes.

It is always easier to spot the project that is NOT COMPLETED, or the home that needs maintenance. We need to keep in mind that management is a corporation that has its own timeline, priorities, budgets and vendors. We need to remember that not all owners live in Eldorado fulltime, and those that do might not be able to physically keep up with their homes.

On my ride I would rather concentrate on the NEWLY COMPLETED ITEMS by the park management, and the COMPLETED power washing and refreshed landscaping completed by most homeowners.

It takes just as much energy to complain about an item as it does to compliment our park management and homeowners on the completed accomplishments. I do not want to have stress in retirement, so I CHOOSE “to see the forest for the trees”, and ASK FOLKS DO YOU NEED HELP?

Information about water shutoff's

As most residents know, there are times that the water in Eldorado has to be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble. We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose so as to not let air into your hot water heater. You can also turn off the water coming into your home, which will prevent water from draining out of your home and into the water system. Some folks keep a few gallons of water on hand just for such emergencies.

PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER. SHUTOFF'S

There is nothing they can do, to help you.

WATCHING WILDLIFE IN SPRING

by Pam Spilbeler

I ran across the following in an article from the Humane Society of the United States:

"Spring is a season of natural drama: awakenings, departures and arrivals, territorial disputes, courtship songs and displays, Nest building, egg laying, and frenzied food gathering. The fever-pitch celebration of life makes spring a wonderful time for watching wildlife"

This statement reminded me of how we enjoy the many species of wildlife at the Eldorado Lake. It has been a busy spring for the ducks, great blue heron, egret, limpkin, osprey, and even an eagle.

Please see the magnificent photo of an Osprey catching a fish from Eldorado Lake that Kathryn Kraus of Eldorado Village took a few weeks ago.

Please ask all residents of your home to always be mindful of our wildlife at Eldorado Lake so we can all enjoy watching wildlife in the spring and all year round for years to come.

Email List

Dick Hambley

For those residents who are not aware of the fact that we maintain an email list to be used as a means of getting quick information to our residents, we would like to bring you up to date. I maintain a list of all emails that have been given to me to be used for the above purpose. I do not share the list with anyone and when I send out an email, I use the blind copy method so your email address does not appear on anyone else's email. That way we can maintain your confidentiality and still keep you informed. So, if you would like to be included on our email list please send me an email so that I can add your email address to our list. Please put something in the subject line that indicates it is for the Eldorado email list or I might mistakenly delete your email if I don't recognize the email address. Also, please include your name in the body of the email, as some email addresses do not indicate whom the email is from.

If you think that you gave me your email and have not received anything in some time from me, please feel free to send me an email letting me know and I will check my records and make sure you are included.

My email address is richwham@aol.com.

May 19th - EV friendship pot-luck with EBO joining May 26th- EBO Memorial Day Program. May 28th- EV Memorial Day Picnic. All details to follow... posters at both clubhouses, and websites

Hello Friends and Neighbors: I hosted this years picnic for the first time...what a great community of wonderful people. The 3D's (Dave Marciszewski, Dick Tracy, and Dick Panowicz) did a fabulous job getting most of the food organized and cooked! JJ for showing me the ropes and getting me through the day. My sweet companion Annette Little- who was by my side from beginning of planning to the glass of wine at the end of a very long day! Cheryl Clark, Ira Garrison,all the people who stepped up without even thinking to help when JJ announced we needed help- Michelle Leamon , Ann Tough, Mary Swenson, omg....there were so many, Pam Spilbeler...and many more- I cannot Thank you enough! The games were a blast during our afternoon poolside picnic, with many prizes awarded for the participation and laughs shared. We served about 115 dinners/desserts and I hope to have more come join in next year.

With just a small extra thank you to the D's and Crew for record breaking attendance for 2018 breakfast servings....to Gary and Rhonda Peltier, who graciously host the Cornhole tournaments that follow our breakfast schedule! (Also, record breaking attendance!). To Larry and Pam Lankster for our Sock Hop...all proceeds to our Social Club fund.....THANK YOU - THANK - YOU! These are just a few of the reasons I enjoy living here, and becoming acquainted with my neighbors.

Your Social Club Activities Co-chairperson, Tammy Heffron #188

For Your Information

The clubhouse is opened by the maintenance staff Mon-Fri at 7:00am. Evenings and weekends,(including holidays), Tammy Heffron at #188 has been volunteering since Feb of 2017 to lock up at 9:00. Please cooperate with this. I am sure minor adjustments can be made for special occasions.

To the Eldorado Residents and guests....I, along with other walkers have noticed an increase of cigarette butts littering the streets and sidewalks of our community . As a wife of a smoker, I know a lot of you are so careful and considerate of where you throw out the butts of your cigarettes. I encourage all of those who smoke, to please refrain from leaving them along our streets. It would be graciously appreciated.

Birthdays and Anniversaries

Dick Hambley

For those residents who are not aware of it, I would like to remind everyone that we maintain a book with the resident's birthdays and anniversaries in it. I do my best to keep it up to date, but I need your help with writing in your birthday or anniversary if it is not already in there. The book is in the library and I go through the book periodically to see if there are additions and add them and reprint the necessary pages. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us to keep our records up to date.

RECYCLE

RECYCLE

RECYCLE

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

4. Trees and brush trimmings must be cut into no larger than 4 foot lengths and bundled in no more than an 18 inch diameter, in order to be picked up.
5. All weeds, leaves and lawn trimmings must be placed in plastic bags and tied closed for proper pick-up. Bags are to weigh no more than the 25 lbs as specified above.
6. Furniture appliances paints and any constructional materials will not be picked up.
 - a. Place furniture and constructional debris in open top dumpster.
 - b. Appliances and paint please call Pinellas county solid waste division 727-464-7500.
7. Please do not place any trash out the night before pickup. This will invite animals to rip and open your garbage making it more difficult and time consuming for pick-up. Uncontained garbage and fluids are a great health risk if inhaled to your neighbors and to our staff.

Thank you for your cooperation

Management and Staff

People are still putting their trash out before Tuesday or Friday mornings.

Please try to obey these rules they are for everyone.

Coffee and Donuts

It has been brought to my attention that many people do not know that you can donate the coffee and donuts in memory of a loved one, birthday, anniversary, or any occasion you like. The donation fee is \$25.00. Please see the Social Club treasurer if you would like to donate a day.

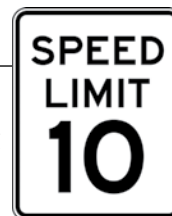

OFFICE ADDRESS

For those who were not aware that although our street address is 2505 East Bay Drive, the address of the office is different, therefore we are listing the office address so that you do not get any late fees when your check does not arrive on time. More information will be coming about where you are to send your rent check in the future.

Eldorado Village Office
601 Starkey Road Lot # 78
Largo, Florida 33771

SPEED LIMIT IN ELDORADO

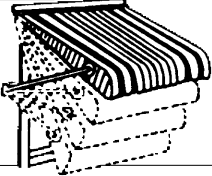

The speed limit in this park is **10 miles per hour**. People are not stopping at the four way corners; they just seem to drive right on thru. Keep this in mind when driving thru the park; you could be the guilty one. Please think of your neighbors before someone gets hurt.

SOLICITATION IN THE PARK

I have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door notify the office or call the police department. It has been brought to our attention that if you have someone soliciting at your door and the office has not approved him or her and you call the office to bring it to their attention the office will not do anything about it. Their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.
