Knock, knock who is there? Not a health agent.

Medicare has very strict rules prohibiting the enrollment into most products via door-to-door sales. Still many seniors are experiencing unsolicited calls and visitors. Making a decision about your health coverage is important and should be done every year, but not by someone who shows up on your doorstep or is cold calling you. At Best Plan Choice, we encourage you to find out how good a full-service health agency can be for you. We work directly with individuals, groups and communities to bring our services to you, at your request.

During the annual enrollment season for Medicare health coverage (Oct 15-Dec 7) we host seminars with free coffee and dessert (see our enclosed insert or call 855-BOOMER65). Throughout the year, we are available to present every available plan, assist you with customer service issues or become your agent if you need one.

Are you debating if you need Medicare Part B? We can show you how to save money on your Part B premium each month. Do you need financial assistance? We can help you apply for Medicaid or extra help for the high pharmacy costs you may have. Is your spouse still working to provide health insurance for you? We may have options which will start their retirement sooner. We will provide a complete needs analysis during a personalized appointment so you can make the best plan choice for you. As always, our services are without charge or cost to you. Call us at Best Plan Choice, where Clients become Friends, and Friends become Clients!

Media Editor

Dick Hambley (richwham@aol.com)

November is here, and “they” are returning. We have seen the beginning of the snowbird migration south and welcome them back. We have been blessed in Eldorado with wonderful residents and it has always been a great feeling to have the travelers return and look forward to the fun times that always seem happen when we are reunited.

In other news, please check out the HOA news from Dorisanne as well as our contribution from Debbie, our manager. There are a few other new items as well and I am hopeful that we can encourage our other residents to make contributions they would like to share.

HOA News

Dorisanne Gibson, President

Our first Eldorado Village Homeowners Association General Membership Meeting will be held on Thursday, November 29th at 7 p.m. In addition to our business meeting we will be having a fun activity for you to enjoy. I hope our new residents take advantage of this meeting to become acquainted with the HOA board members and all that we do on your behalf.

Eldorado Village HOA has a new program called Neighbors Helping Neighbors. You received a notice with your Media in October about this new fund. We are working with the Largo Police Department to create a fund that will be used as needed to help our neighbors who find themselves in emergency situations, as decided by the Police Department. Voluntary donations are being received by Sharon Laney, HOA treasurer or Dorisanne Gibson, HOA President.

Mark your calendars for Monday, December 3, 2018, Eldorado Village will be welcoming back the Christmas Lighted Motorcycle Club. For those who have not seen this group, you must catch them this year. We invite East Bay Oaks residents to come on over to the clubhouse to see the bikes and talk to the folks who decorate them so beautifully. They will drive thru the park and then park at the clubhouse where we will have some refreshments to share. Please plan to come into the clubhouse and chat with these talented people. They will take a good will donation to be given to their favorite charity.

Managers Corner:

Reminder!!! Per your Rules & Regulations, there is NO parking on the streets overnight. Violators WILL be sent to legal. This is not permitted and can be serious safety hazard in an emergency. Also, parking at the Clubhouse is by signed permits only. If the office staff has not signed it, it is not valid! We are working to have the towing enforced. This means **ANYONE parked on the street after a certain time of night will be towed, at your own expense.** This is and always has been in your Rules & Regulations.

We are now getting into the fall mowing season. As with every year, this will be every other week. Please, move any furniture etc., out of the way so the mowers can get around.

While we all love our four legged friends, they must obey rules too! It is your responsibility to be sure they are leashed and picked up after. Again, this is a health hazard! If we receive complaints, even on service or companion animals they will be addressed appropriately. They are not above the rules or laws.

With the new homes coming in, you as a resident can earn a referral fee. All you have to do is be sure the person buying ELS owned home puts your name on the guest card. If they buy an ELS owned home you will qualify for a referral fee. Cash in the BANK just for recommending us!

Remember, if you have guests they need to register at the office. As a reminder, your guests are not to bring in their pets when visiting, per your community pet rules.

Thank You
Debbie

New Scrap Books

We have a new addition to our Library thanks to Pam Spilbeler. Pam has spent many hours going through old medias and pictures and picking out items of interest that she has put into three scrap books. They are a wonderful glimpse into Eldorado in the past and show that the previous residents (and some who are still here) laid a groundwork of fellowship and camaraderie that we continue to try to adhere to today. She also plans to have all the past medias stored in the library as well for us to look back at the past. These items are not to be removed from the library, but we have comfortable seating in the library and if you have an afternoon with nothing else to do I can assure you that you will enjoy perusing Pam's efforts

Golden Wedding Anniversary

We have not had a Golden (50th) Wedding Anniversary in some time, but this year we have the opportunity to celebrate this auspicious occasion again. We know of one couple who are celebrating their 50th this year, but there may be more. So, if you or someone you know, is or has celebrated their 50th in the year 2018 please let us know so that they may be included. You can notify Sandy Yost in the home at Lot 62 if you know of someone.

New Bulletin Board

We have a new Bulletin Board by the Mail Boxes. We realize that many folks do not go to the club house on a regular basis, so this is a way for all to see “coming events”, hopefully you will find something you might enjoy attending. Thank you, Debbie, for getting them installed, we appreciate this.

Thanksgiving Dinner 1981

As I see Eldorado from my Yellow Bike

by Pam Spilbeler, Lot #46
September 29, 2018

My view from my yellow bike has been very different during August and September. Rather than put miles on my bicycle I have been earning miles on my keyboard and using my scrapbooking skills. Let me explain.

When I left Eldorado in early April 2018 to return to Indiana, Dick Hambley gave me three boxes of Eldorado Village Monthly Medias/Newsletters from 1977 to 2018. My task as the new Historian was to travel thru “Life in Eldorado” thru the eyes of past medias and residents and continue the written history of our Eldorado Village Park. Since Dick has saved just about every monthly media newsletter since he moved to Eldorado in 1982 and was the past Historian, this task should be simple. Right?

You may or may not realize that a book/binder titled “Eldorado Village, A History” was written by Robert Darling, a past resident, in July 1976 and is located in our clubhouse library. Mr. Darling answered the question “Where should this story of Eldorado begin?” by writing:

“because the past is important in any history to explain the present, how and why it came to be what it is, writers have delved into the records of earlier times in order to learn why their own times are as they are. So, with this short record of the past and of

the people who left their imprint on the present, this story of Eldorado Village begins.”

Not everything which has happened these past 40 years could ever be recorded and placed in a book. Folks from different nationalities, different states, and even different countries and languages, mostly retired persons over the age of 55, are bound together by ties of friendship and neighborliness in a common desire to share their common interest in working together and playing together to make up this brief history of 40 years.

I must say I have thoroughly enjoyed my travel and miles by reading and summarizing more than 40 years of “Life in Eldorado”. In a way I have met the most wonderful people who lived in Eldorado Village or are currently living in Eldorado Village.

When I return to Eldorado Village in October, I will be bringing back not only the actual monthly medias but also three scrapbook size summaries of the past 50 years for your enjoyment which will be stored in the clubhouse library.

Email List

Dick Hambley

For those residents who are not aware of the fact that we maintain an email list to be used as a means of getting quick information to our residents, we would like to bring you up to date. I maintain a list of all emails that have been given to me to be used for the above purpose. I do not share the list with anyone and when I send out an email, I use the blind copy method so your email address does not appear on anyone else’s email. That way we can maintain your confidentiality and still keep you informed. So, if you would like to be included on our email list please send me an email so that I can add your email address to our list. Please put something in the subject line that indicates it is for the Eldorado email list or I might mistakenly delete your email if I don’t recognize the email address. Also, please include your name in the body of the email, as some email addresses do not indicate whom the email is from.

If you think that you gave me your email and have not received anything in some time from me, please feel free to send me an email letting me know and I will check my records and make sure you are included.

My email address is richwham@aol.com.

My Travels this summer

Dick Hambley

As most of you know, a year ago after hurricane Irma, I was in dire straits with my cancer. With good doctoring, lots of praying and the well wishes of so many friends and neighbors, my life changed drastically. I was fortunate enough to do quite a bit of traveling this summer visiting friends and family up and down the east coast. I was able to see almost all my family that lives east of the Mississippi. I also visited many friends, some of whom were former Eldorado residents. I am thankful to have had this opportunity and I hope to be able to continue my travels for some time. Thank you to all who kept me in their thoughts and prayers, I am confident that you were a big part of my recovery.

For Your Information

The clubhouse is opened by the maintenance staff Mon-Fri at 7:00am. Evenings and weekends,(including holidays), Tammy Heffron at #188 has been volunteering since Feb of 2017 to lock up at 9:00. Please cooperate with this. I am sure minor adjustments can be made for special occasions.

To the Eldorado Residents and guests....I, along with other walkers have noticed an increase of cigarette butts littering the streets and sidewalks of our community . As a wife of a smoker, I know a lot of you are so careful and considerate of where you throw out the butts of your cigarettes. I encourage all of those who smoke, to please refrain from leaving them along our streets. It would be graciously appreciated.

Information about water shutoff's

As most residents know, there are times that the water in Eldorado has to be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble. We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose so as to not let air into your hot water heater. You can also turn off the water coming into your home, which will prevent water from draining out of your home and into the water system. Some folks keep a few gallons of water on hand just for such emergencies.

PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER. SHUTOFF'S

There is nothing they can do, to help you.

Birthdays and Anniversaries

Dick Hambley

For those residents who are not aware of it, I would like to remind everyone that we maintain a book with the resident's birthdays and anniversaries in it. I do my best to keep it up to date, but I need your help with writing in your birthday or anniversary if it is not already in there. The book is in the library and I go through the book periodically to see if there are additions and add them and reprint the necessary pages. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us to keep our records up to date.

RECYCLE

RECYCLE

RECYCLE

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/ packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment

The Laundromat and the men’s and Ladies bathrooms will be locked at 9:00 p.m. and reopened at 8:00 a.m. Please try to abide by these hours, the closing hour means 9:00 not after, so start your wash or dry so that they will be finished by 9:00 p.m. We are fortunate to have Patty Gregg take care of the locking and unlocking of this facility. Alternatively, if Patty does not do this for us, the task will fall to the park employees and the Laundry would probably be locked at four p.m. when they leave similar to the Starkey Rd. Gate.

Coffee and Donuts

It has been brought to my attention that many people do not know that you can donate the coffee and donuts in memory of a loved one, birthday, anniversary, or any occasion you like. The donation fee is \$25.00. Please see the Social Club treasurer if you would like to donate a day.

OFFICE ADDRESS

For those who were not aware that although our street address is 2505 East Bay Drive, the address of the office is different, therefore we are listing the office address so that you do not get any late fees when your check does not arrive on time. More information will be coming about where you are to send your rent check in the future.

SPEED LIMIT IN ELDORADO

The speed limit in this park is **10 miles per hour**. People are not stopping at the four way corners; they just seem to drive right on thru. Keep this in mind when driving thru the park; you could be the guilty one. Please think of your neighbors before someone gets hurt.

SOLICITATION IN THE PARK

I have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door notify the office or call the police department. It has been brought to our attention that if you have someone soliciting at your door and the office has not approved him or her and you call the office to bring it to their attention the office will not due anything about it. Their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.
