Our delivery driver, Bob Davis (whom many of you know and have liked over the years), had a **SERIOUS FALL** while trimming a tree for a needy person on Sunday, August 5th.

He broke bones in his neck plus other injuries. He has NO insurance and he is the sole provider for his family. ANY donation you may be able to help with will be GREATLY APPRECIATED!!!

We are attempting to set up a "GoFundMe" page and/or a special account for him. For more info call 727-548-8460.

## Media Editor

Dick Hambley ([richwham@aol.com](mailto:richwham@aol.com))

---

September is the month when we start to dream of having some cooler weather. It won't be cool, but there are a lot of folks looking forward to the return of our Snowbirds for the winter months and the activity that goes with that. Thank you to all who worked to keep us occupied through the summer months, it is truly appreciated and for those who missed out on the summer activities, it is too bad, as we have a great bunch of people who enjoy the company of others.

On a personal note, as I type this I am in Maryland preparing for the marriage of my first born great granddaughter. It is truly a great thrill to think that I have lived long enough to be here for this wonderful occasion.

## HOA News

Dorisanne Gibson, *President*

---

Autumn plans are underway for your HOA membership drive for 2019. Sharon Laney will be taking assessment payments of \$10 per home starting on October 1, 2018. You can see Sharon at coffee every Tuesday morning at 9 a.m. or you can make arrangements with her to drop off your money at her home. She is in the directory, give her a call.

Please be aware that as per our prospectus, no one in this park is permitted to rent their home on a daily basis on Airbnb or any other such resort home rental agency. Anyone renting your home for the season must be vetted and approved by management before they arrive.

## Managers Corner:

---

**W**ith the new homes coming in, you as a resident can earn a referral fee. All you have to do is be sure the person buying ELS owned home puts your name on the guest card. If they buy an ELS owned home you will qualify for a referral fee. Cash in the BANK just for recommending us!

In the next few weeks we will be making rounds checking homes again. Please take this time to look around. Trim bushes, weed flower beds and around the home. A little bit goes a long way to looking good.

Just a reminder, that ALL residents need to have their pool pass when at the pool. If you do not have it on or with you, do not be offended if someone asks. This is to protect you as a resident. Also, to be sure outside people are not freely using our pools. There is NO drinking or smoking inside the pool. There are designated areas for this.

Remember, if you have guests they need to register at the office. As a reminder, your guests are not to bring in their pets when visiting, per your community pet rules. Parking overnight at the clubhouse is NOT permitted without a pass from the office. Any vehicle that is unregistered on the property will be turned over to legal.

Thank You  
Debbie

## Email List

*Dick Hambley*

---

**F**or those residents who are not aware of the fact that we maintain an email list to be used as a means of getting quick information to our residents, we would like to bring you up to date. I maintain a list of all emails that have been given to me to be used for the above purpose. I do not share the list with anyone and when I send out an email, I use the blind copy method so your email address does not appear on anyone else's email. That way we can maintain your confidentiality and still keep you informed. So, if you would like to be included on our email list please send me an email so that I can add your email address to our list. Please put something in the subject line that indicates it is for the Eldorado email list or I might mistakenly delete your email if I don't recognize the email address. Also, please include your name in the body of the email, as some email addresses do not indicate whom the email is from.

If you think that you gave me your email and have not received anything in some time from me, please feel free to send me an email letting me know and I will check my records and make sure you are included.

My email address is [richwham@aol.com](mailto:richwham@aol.com).

## For Your Information

---

The clubhouse is opened by the maintenance staff Mon-Fri at 7:00am. Evenings and weekends,( including holidays), Tammy Heffron at #188 has been volunteering since Feb of 2017 to lock up at 9:00. Please cooperate with this. I am sure minor adjustments can be made for special occasions.

To the Eldorado Residents and guests....I, along with other walkers have noticed an increase of cigarette butts littering the streets and sidewalks of our community . As a wife of a smoker, I know a lot of you are so careful and considerate of where you throw out the butts of your cigarettes. I encourage all of those who smoke, to please refrain from leaving them along our streets. It would be graciously appreciated.

## Information about water shutoff's

---

As most residents know, there are times that the water in Eldorado has to be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble. We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose so as to not let air into your hot water heater. You can also turn off the water coming into your home, which will prevent water from draining out of your home and into the water system. Some folks keep a few gallons of water on hand just for such emergencies.

**PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER. SHUTOFF'S**  
There is nothing they can do, to help you.

Dick Hambley

---

**F**or those residents who are not aware of it, I would like to remind everyone that we maintain a book with the resident's birthdays and anniversaries in it. I do my best to keep it up to date, but I need your help with writing in your birthday or anniversary if it is not already in there. The book is in the library and I go through the book periodically to see if there are additions and add them and reprint the necessary pages. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us to keep our records up to date.

## RECYCLE

## RECYCLE

## RECYCLE

**R**ecycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment

**T**he Laundromat and the men’s and Ladies bathrooms will be locked at 9:00 p.m. and reopened at 8:00 a.m. Please try to abide by these hours, the closing hour means 9:00 not after, so start your wash or dry so that they will be finished by 9:00 p.m. We are fortunate to have Patty Gregg take care of the locking and unlocking of this facility. Alternatively, if Patty does not do this for us, the task will fall to the park employees and the Laundry would probably be locked at four p.m. when they leave similar to the Starkey Rd. Gate.

## OFFICE ADDRESS

**F**or those who were not aware that although our street address is 2505 East Bay Drive, the address of the office is different, therefore we are listing the office address so that you do not get any late fees when your check does not arrive on time. ## SPEED LIMIT IN ELDORADO

The speed limit in this park is **10 miles per hour**. People are not stopping at the four way corners; they just seem to drive right on thru. Keep this in mind when driving thru the park; you could be the guilty one. Please think of your neighbors before someone gets hurt.

## SOLICITATION IN THE PARK

I have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door notify the office or call the police department. It has been brought to our attention that if you have someone soliciting at your door and the office has not approved him or her and you call the office to bring it to their attention the office will not do anything about it. Their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

## Monthly

---

**Be Kind to Writers and Editors Month.** Yes, it's a real thing, so be creative in your efforts to shamelessly promote your craft while persuading your colleagues to pay tribute to your brilliance and dedication.

**Intergeneration Month.** Promoting the sharing of knowledge, awareness of needs, exchange of ideas, and growth that can occur only when people interact with those of differing age groups. Expand your base to broaden your horizons.

**National Pediculosis Prevention Month.** September means our children have gone back to school, and it's time to review the facts and figures about head lice. Go to <https://www.head-lice.org/> to learn more and protect your family from an outbreak.

**One on One Month.** Take time to get better acquainted with your staff, team members, and coworkers to boost morale in your organization. Carve out quality time to do the same with family, friends, and members of your community.

## Weekly

---

**International Enthusiasm Week, Sept. 1-7.** Each of us can find something to be grateful and enthusiastic about this week and each week thereafter. Count your blessings and enjoy life.

**Self-University Week, Sept. 1-7.** The first week of the month is committed to lifelong learning. Open your mind to the discoveries that await the daring among us with a desire for knowledge.

**Line Dance Week, Sept. 10-15.** If you can follow directions, you can learn to line dance. It's simple and fun, as long as you don't step on anyone's toes.

**International Clean Hands Week, Sept. 16-22.** As autumn arrives, so too does the start of the cold and flu season. Keep in mind that proper handwashing with soap and water can help prevent the spread of germs in schools, workplaces, and other public spaces.

**Banned Books Week, Sept. 23-29.** Most banned books deal with themes of inclusion, tolerance, and diversity. Read a banned book this week, and support the American Library Association as it champions free speech. The theme this year is, "Banning Books Silences Stories. Speak Out!"

## One of those days

---

A librarian was scanning a stack of returned books when she heard, “Book, book, book, book.”

She looked up and saw a chicken standing before the counter. The chicken looked at her and then at the stack of books and again said, “Book, book, book, book.”

The librarian handed the chicken a random book from the pile; the chicken grabbed the book in her beak and ran out of the library.

A few minutes later the chicken returned to the library with the book and tossed it on the counter. Again, the chicken said, “Book, book, book, book.”

The librarian handed the chicken another book. The chicken ran off with it only to return minutes later, slamming it on the counter, flapping her wings, and shouting, “Book, book, book, book!”

The librarian handed the chicken another book. This time when the chicken wandered off, the librarian followed. She tracked the chicken down the block, to the park, where a frog was sitting on the edge of a pond. The chicken showed the frog the book, and the frog said, “Read-it, read-it, read-it, read-it.”
