## RECIPE OF THE MONTH

---

*(No recipes submitted...please keep them coming!)*

## AUTHOR OF THE MONTH

---

**D**aniel Silva, an American writer of thrillers and espionage, was born in Detroit, Michigan. He has written two different series. He has a Michael Osbourne series but is better known for his Gabriel Allon, art restorer, spy and assassin series. I read the “Confessor” in which a Jewish scholar is assassinated in Munich; in Venice, upon hearing this, Gabriel, art restorer, pits aside his brushes and leaves immediately! This story involves religion, politics, power and secrets. I hated it but couldn’t NOT finish it.

Come and enjoy our Library. We are open 10:00a.m. – 6:00 p.m. daily. We also have wi-fi, which is free, but you must sign up for it in the Park Office.

Don’t forget we have cover-ups and embassy mail boxes for sale to support our Library (available during office hours).

## POOL COMMITTEE and Silver Tea Party

---

**A**hhh.... there’s nothing like relaxing on a sunny day by a refreshing pool. In order to enhance that pleasure, however, the pool area has to be cleaned. You may not realize it, but everything is not done by hired hands. The pool cleaning company comes in and vacuums it 3 times a week, cleans out the pit and pool filter area, and makes sure the chemicals are in balance. A log of this must be maintained for the health department. For the pool edge, deck and furniture, the Embassy Mobile Park Pool Committee set a date for a pool cleaning day on the morning of Friday, February 23rd. The weather was cooperative and February turned out to be the perfect time as we all know March has brought many chilly days where only the very bravest of souls from further north would even venture to go into the water.

They say, “many hands make light work” and that surely was the case that day. A good number of volunteers, along with the Pool Committee members, scrubbed the furniture, the deck and gave special attention to the inside rim of the pool which had

*...continued on page 6*

darkened over time. The strapping was replaced on many of the lounge chairs which had become saggy or broken due to continual use. This takes a lot of muscle work and time, as you can imagine. We had a very competent and muscle-bound staff to attend to this! However, it would be appreciated if everyone would take it upon themselves to be thoughtful when getting in and out of the chairs and lounges, taking care not to be too rough. After all, nothing lasts forever.

The work was quickly accomplished and done in time for all the ladies to rush home and prepare for the afternoon Silver Tea, hosted by the Social Gathering. We all cleaned up well as we donned our prettiest spring attire. Everyone had a fantastic time of fellowship and the servers were very gracious. There was a beautiful array of delicate tea cups to choose from and a variety of delicious desserts prepared by some of the ladies. Judy Hoke's son was especially entertaining, both as he voluntarily poured the tea and then emceed the raffle and silent auction drawings.

Hopefully, even more of you will join us at the next pool cleaning event and discover that work can be fun when you are cooperating with your neighbors on a common project. You may even make some new friends!

Thanks to Dorthy Edgett

Editorial comment: A hotdog cookout was held on Friday, March 16th from 11:30 a.m. to 1 p.m. as a fundraiser for money to repair and replace pool equipment as needed. At least one more pool cleanup will be held before the end of the season, watch your bulletin for details.

## FROM THE OFFICE:

---

Last month I reminded residents to not cut thru mobile home lots, walking. Apparently some people interpreted this to say, "so drive your golf carts thru the yards"! Please be courteous and do not trespass on to other resident's yards.

In the month of March, the palm trees were trimmed, the pipes from 4th street moved to 2nd and the northwest door wall was removed from the Clubhouse. A big thank you to all the volunteers who helped make the pipe and door wall projects happen.

At the March Social Club meeting it was decided to not have a park wide yard sale in 2019; if more interest is shown, it will be rescheduled in the future.

Thanks, again, to Ron Russell for getting the aerator in the lake up and running again, again, again, AND again!

The next Manager's Meeting is Tuesday, March 13th at 10 a.m. Hope to see you there.

# FUN NIGHT

**D**id you miss the social event of the season? This year's fun night, a social club fundraiser, was entitled "Embassy Gulch" and took place in the old west. It featured singing, dancing and skits performed by your friends and neighbors here in Embassy Park. Every year the park residents work hard to entertain you-all for the price of \$5.00 (with free lemonade!) Would you like to be a part of it? Watch your bulletins-we begin rehearsals after the first of the year. Every is welcome (and encouraged) to participate. 2019 theme to be announced.

## ANNUAL PROGRAM PLANNING MEETING

---

## Birthday Party

---

Family and friends gathered February 28, 2018 to surprise Charlie Straub, husband of Marilyn Libby, on his 94th birthday. Hors d'oeuvres started the meal, follow by a hearty spaghetti dinner, salad, garlic bread, birthday cake, brownies and ice cream. We had an abundance of desserts and Charlie tasted each one.

Charles let us know that this was his very best birthday! He was still letting us know the following day this his 94th birthday was the very best and he plans to live to 103!

If you need a smile, go visit Charlie and Marilyn and Lot 1217 and you will be blest.

Please keep Charlie in your prayers; as I write this he is back in Largo Med.

## Did you know that April is also...

**Alcohol Awareness Month.** Since 1987, the National Council on Alcoholism and Drug Dependence has focused on raising awareness of the struggles associated with alcoholism during April. Go to [QuitAlcohol.com](http://QuitAlcohol.com) to learn more.

**Autism Awareness Month.** With one in 68 children in the United States diagnosed with Autism Spectrum Disorder, the focus of this month is to educate the public in an effort to foster an atmosphere of acceptance and understanding in our society.

**National Garden Month.** Grow herbs in a window box, plant flowers that will attract the butterflies and bees, or cultivate a melon patch on a vertical grid. There's still time to plan what you will grow in your garden this year.

**National Humor Month.** Laughter truly is the best medicine, so why not strengthen your funny bone? Visit [HumorMonth.com](http://HumorMonth.com) to find projects and resources that will help bring the laughter.

**National Poetry Month.** Reading a poem each day is one of the 30 ways the Academy of American Poets suggests you celebrate poetry this month. To learn more, visit [Poets.org](http://Poets.org).

**National Library Week, April 8-14.** If you haven't been to your local library in a while, you're missing out on all of the free yet valuable resources they provide to your community. Visit a branch this week to learn all of the ways "Libraries Lead," which is the theme of this year's campaign.

**National Volunteer Week, April 15-21.** Let a cause near and dear to your heart inspire you to take action. Go to [AllForGood.org](http://AllForGood.org) to find a service project in your area and get involved this week.

**Week of the Young Child, April 16-20.** The National Association for the Education of Young Children shines a spotlight on the importance of early childhood education. Go to [NAEYC.org](http://NAEYC.org) to find out what you can do to engage the little ones in your life.

**World Immunization Week, April 24-30.** "Protected Together, #Vaccines Work" is the message the World Health Organization is sharing to remind individuals and governments that fatal yet preventable diseases are an all-too-common reality for more than 19 million children throughout the world.

**Earth Day, April 22.** Since 1970, people around the world have focused on issues that affect our planet. The theme of this year's campaign is "End Plastic Pollution." Go to [Earth-Day.org](http://Earth-Day.org) to find out how you can be an environmental steward.

## Burn and extinguish candles safely

---

**W**hether you enjoy candles for a romantic dinner or holiday celebration, you should handle them carefully. The National Candle Association says to properly put out a candle's flame, hold your finger in front of the flame and blow at it. The air will flow around the finger and extinguish the candle from both sides, preventing hot wax from splattering.

### Other tips for candle keeping and use:

- Never leave a burning candle unattended.
- Keep lighted candles out of the reach of children and pets.
- Keep burning candles away from combustible materials like drapes.
- Store candles in a cool, dark, dry place.
- Before using, light and extinguish the candles so they burn better.
- Avoid drafts to prevent rapid, uneven burning or excessive dripping.
- Keep wicks trimmed to one-half inch.
- To remove wax from fabrics, scrape off excess and run boiling water through the material.
- Remove wax from holders by running hot water over them.
- Candles refrigerated before use will burn more slowly and evenly.
- Extinguish candles when they get within 2 inches of the bottom.

## Walk safely in traffic

---

**N**ow that spring is here and walking is more manageable in milder weather, here are some reminders about walking safely along busy streets:

- Stay on the sidewalk and crosswalks. If you can't avoid walking on roads with no crosswalks or sidewalks, walk facing traffic.

- Cross at intersections. Most people are hit by cars when they cross the road at places other than intersections. Make sure you stop at the curb. This signals to drivers that you intend to cross.

- Stay out of the driver's blind spot. Make eye contact with drivers when you cross busy streets.

## Start thinking green this spring

---

Most of us can do a lot better when it comes to being ecofriendly. Here are two areas where we can improve upon our good intentions while we lessen our negative impact on the environment:

• **Recycling.** It's great if you always throw your empty soda cans and water bottles in the recycle bin, but are there other items you are overlooking? If your municipality has a recycling program they probably have a set of guidelines posted online that explains what they accept and how you should prepare those items for disposal. Even though that peanut butter jar is marked as being recyclable, it might be considered garbage if traces of peanut butter are still in it. Find out what you need to know and make a commitment to recycle as much as possible, properly.

• **The brown bag lunch.** Embrace sustainability when you take your lunch to work by eliminating the amount of disposable products you use. Carry your lunch in a cloth sack, bento box, or small basket. Pack food in glass, metal, or some other kind of reusable containers. Swap out paper napkins with cloth napkins, and plastic straws with metal ones. Consider keeping a coffee mug and set of flatware at your desk in an effort to generate less waste.

## A broadband of conservation

---

In 1989, attorney and activist Susan Tixier mobilized a group of “mature” women on a hike through Utah’s Grand Staircase-Escalante. Most of them were already involved in wilderness preservation efforts, but their goal was to discuss conservation issues surrounding many of the U.S. national monuments and make sure that the voices of older Americans were represented in that conversation.

A member of a passing group of hikers saw them and said, “What a bunch of great old broads!”

On that day, Tixier and her colleagues decided to officially call themselves “Great Old Broads for Wilderness.” Since then they’ve grown their membership to 8,000 across 38 “Broadbands” nationwide.

The group advocates for issues affecting the environment and wilderness protection causes. Their ranks include “Young Broads,” and men of all ages, “Bros.” They host “Broadwalks” where they dedicate a day of stewardship to an area, address conservation issues there, and spend time hiking and exploring.

Visit [GreatOldBroads.org](http://GreatOldBroads.org) to learn more about the Broadbands and the work they are doing.
