## THROUGH THE YEARS

The clubhouse was transformed into a Golden Wedding venue with gold decorations and lace tablecloths adorning the tables. Terry Meredith was at the piano playing love songs as we gathered together. February 21st was the date that we set aside to celebrate three Fifty year anniversaries.

The honorees were as follows:

Ken and Cay Raper  
Bob and Susan White  
Al and Kathy Wilson

Each couple was announced as they entered the hall to rounds of applause. Then the couple's story of how they met and a little bit about their lives was told. Terry then sang their special song. Ron Russell performed the Renewal of Vows which ended in the traditional "You may kiss your bride".

Garvin and Gloria DesJardin 55 years  
Tom and Pat Baker 60 years  
Jules and Marcelle Larocque 60 years

A beautiful cake with tea and coffee was served to all the guests. The event is sponsored by the Social Club.

## WE WILL MEET AGAIN

**H**ow do you say goodbye to someone like Beverly Doucette? How do you forget her smile or the joy or the laughter we all were privileged to Share?

Embassy Park is where Bev and her husband, Bill, chose to move to when they retired --- and what a lucky decision for us!

Bill sadly passed away but Beverly was already sharing her special talents and soon, she became one of Embassy's treasures.

Beverly has always made an impression, no matter what life brought her. After all, she graduated with honor from Cambridge High School (Mass) and that was only the beginning!

She went on to be a recognized singer, a State Delegate for the Democratic Convention, an Editor for the Malden Evening News. She worked for Arthur D. Little Company as an Engineering Assistant involved in the Space Program and played a small part in Apollo 17 development. Her many accomplishments are a

Legacy she leaves behind, too many to mention. Here in Embassy, a park she truly loved, she served us well. She, along with her close friends, Doug and Angela Purton, put together many unforgettable Fun Night show, she led us in Christmas carols, she served on our Home Association Board, and she was

Editor of our News and Views magazine. She was dedicated in all her endeavors. She leaves behind her son Michael, a grandson, Paul, both whom she adored. She sadly lost another son, Paul, a few years ago. She also leaves behind, a special niece, Beverly, who resides in Colorado. She leaves many friends.

I, along with so many others, will sorely miss her. Every time I'll hear "Galway Boy" I'll remember her passion as she sang it. I'll remember her funny stories about her family and the pride and love she felt.

I'll remember how she loved to "eat out" and how the waitresses loved and pampered her. She treasured her many friendships and those of us who were lucky enough to be her friend, will never forget her.

She was an inspiration to all of us as we watched her health slowly decline. She never whined or complained, she always had a smile. She had many "close calls" but refused to give in. I chided her, kiddingly, and told her that I'd get ready to buy "that black dress" and then she would bounce back and

look fine. She told me, "Lorraine I'm only trying to save you money so you won't have to buy "that black dress". Yes, it is hard to say goodbye to someone like Beverly but,.....don't you get the feeling that she is already making changes in Heaven? That she is now in charge of the Angels choir and most definitely on the Welcoming Committee.

So maybe we don't have to say goodbye only

"So long Bev, we'll meet again"

## Piece of Mind

by Michelle Adelman

**L**ove flowers but have allergies? Some blooms are less irritating than others. Plant geraniums, columbine, begonias or irises. Avoid mums, sunflowers or daisies, such as the pretty gerbera right.

## LITTLE BIT OF TRIVIA

---

Q: Do animals see color?

A: We often act as if they do, but the truth is, most don't. "Apes and some monkeys perceive the full spectrum of color, as may some fish and birds. But most mammals view color only as shades of gray. "So, for example, "bulls don't charge because a cape is red. They charge because of the movement of the cape." True or False: Coloring can help reduce stress

True! A study published in Journal of the American Art Therapy Association shows that coloring complex print like mandalas or plaids can help reduce anxiety. There are a variety of coloring actives available for adults that include these types of prints to color.

## April Is...

---

**Financial Literacy Month.** With taxes due, this may be a good time to learn more about good financial practices. Are you ready to accept responsibility for changing your financial situation? Do you believe that you can and will change the way you make financial decisions? If so, it's time to start.

**Month of the Military Child.** More than 2 million children in grades K-12 have parents who are serving in our military. Make a difference in the life of a military child by seeking out opportunities to acknowledge their sacrifice, volunteering for organizations that support them, and recognizing their contribution to the nation.

**National Autism Awareness Month.** A nationwide effort to promote autism awareness, inclusion, and self-determination for all and to ensure that each person on the autism spectrum is provided the opportunity to achieve the highest possible quality of life.

**National Garden Month.** Gardening grows fun for the whole family. Whether you're digging in the dirt, enjoying the magic of a small seed transforming into a beautiful flower, or observing the bugs, birds, and butterflies, gardening is a delightful way to celebrate the coming of spring.

## Weekly

---

**National Robotics Week, Apr. 2-10.** The purpose of National Robotics Week is to celebrate the United States as a leader in robotics technology development, educate the public about how robotics technology impacts society, and advocate for increased funding for robotics technology research and development.

**Animal Control Officer Appreciation Week, Apr. 10-16.** This week recognizes the hardworking men and women who risk their lives and devote huge amounts of personal time and resources while serving the public and helping animals when no one else can.

**National Environmental Education Week, Apr. 17-23.** The nation's largest celebration of environmental education, EE Week reaches hundreds of thousands of students and educators across the United States with non-biased, high-quality, environmental education materials grounded in accurate, timely scientific information and tied to local, state, and national learning standards.

**National Pet ID Week, Apr. 17-23.** Collars and tags are a reliable way to identify your pets should they become lost. Make sure your dog, cat, or other animal friend always wears a current identification tag. Pet supply catalogs, stores, veterinary offices, and animal shelters often have forms to order ID tags.

## April Fool!

---

It's April 1st—the day for practical jokes large and small. If you're looking for inspiration, remember one of the all-time great media hoaxes.

In 1957, the BBC's respected news program Panorama ran a story celebrating a bumper spaghetti crop in Switzerland—thanks to a mild winter and the near elimination of the destructive “spaghetti weevil.” The program included footage of Swiss farm workers pulling strands of spaghetti from trees and laying them in the sun to dry.

Although some viewers caught on—and chastised the BBC for playing fast and loose in a news program—others fell hook, line, and pasta ladle. Many even telephoned the network to ask where they could get their own spaghetti trees.

## Make new friends all through your life

---

Building friendships and creating thriving social circles is a key component of good health throughout your entire life. From Mayo Clinic's HealthQuest newsletter come these suggestions for making new friends no matter how old you are:

- Take your pet for walks. Make conversation with folks who stop to chat.
- Join a hobby group.
- Volunteer in community groups or at a hospital, church, or school.
- Take a course at your local community college.
- Shape up while meeting new people in an exercise class.
- Get active in a social cause or goal.
- Go out to lunch with a work or social acquaintance at least once a month.
- Ask a small favor of a neighbor or co-worker, and do the same for him or her.
- Volunteer to usher at your local community theater.

## Fast and funny

---

Looking to get a few quick laughs? Try some of these short zingers:

- Explaining puns to kleptomaniacs is hard because they always take things literally.
- What's the best thing about Switzerland? I don't know, but its flag is a huge plus.
- I told my doctor that I broke my arm in two places. She told me to stop going to those places.
- I asked my friend in North Korea what living there is like. He said he couldn't complain.
- I was wondering why the Frisbee seemed larger the closer it got. Then it hit me.
- Have I told you this déjà vu joke before?
- I didn't know my husband stole things from construction sites, but when I got home all the signs were there.
- They all laughed when I said I wanted to be a comedian. Well, they're not laughing now.

## A bull by the tail

---

An old rancher filed a lawsuit against a railroad company when his prize bull went missing because a train damaged a section of his fence. The rancher only asked to be paid the fair value of the bull.

A date for the hearing was set, and the railroad sent a slick lawyer to represent it. Just before the hearing began, the railroad attorney approached the rancher and started to pressure him to settle the case immediately. After a few minutes, the rancher gave in, agreeing to half the money he was asking for.

After signing the settlement papers and handing over the check, the lawyer said, "You know, I have to admit, you would have won this case. The engineer was asleep and the train was going too fast when it passed your farm."

The old rancher shrugged. "I was a little worried myself. The darned bull came back this morning."
