THE EMBASSY LIBRARY

Suzanne Brockmann is my author for this month. Suzanne wanted to be captain of a starship when she grew up but when she discovered she couldn't be one, writing was the next best thing! Her trouble shooter series is about navy seal heroes and the women and sometimes men who win their hearts. Suzanne and her daughter, Melanie, also wrote a young adult paranormal trilogy. In *Body Guard*, Alessandra Lamont is almost blown to bits in a mob hit. Here come the FBI to save the day except they almost get her killed 3 times. Why is the mob willing to pay 5 million dollars to see her dead? Read and discover the adventures.

Don't forget the library fund raisers are embassy mailboxes and cover-ups, available in the office and at the Manager's meetings.

FROM THE OFFICE:

Welcome back to all our returning residents. Please stop by the office and make sure we have current emergency information on file for you.....if it has been awhile since you provided this information, chances are good that maybe phone numbers have changed. I also would like to have a copy of the title for your mobile home on file.....too often residents have neglected to put them in their name; when they sell or leave for whatever reason, it often takes months to get some titles straightened out with Florida Department of Motor Vehicles. Also, recently residents encountered a problem when they applied for FEMA funds and could not produce a title in their name....if I had a copy in the office they would have been all set.

A reminder to anyone who has not picked up their phone books, they are available in the office. (They are only available to residents who had their picture taken....no other phone books are available).

Please do not take shortcuts through people's lawns without permission. Also, do not drive golf carts thru the parking lot of the old gym building as a shortcut into the park...I am working with the new owner to get the fence replaced, as required by code, but in the meantime, be a good neighbor and stay off his property.

In respect of your neighbors, please keep the noise down after 10 p.m. I realize that we all have different internal clocks, but living in a 55+ park means the residents have a right to expect "night owls" to be quiet. This sometimes may mean to not blast your TV, often located in a screen room that adjoins the bedroom window side of your neighbor's home.

For the dog owners in the Park, this means not letting your dogs out at night to bark. If you can't control the barking, a bark collar may be the answer. I recently attended a class on allowing/not allowing dogs in the park..FYI I do not have to let any comfort or medical assist animals into the Park. Dogs have fast become one of the biggest problems in Embassy, including the owners who do not follow the leash rule and where NOT to walk them. I am seriously thinking about a strict limit to dogs only in the pet sections moving forward.

In a perfect world I would not have to address the above 3 issues, but they are in response to complaints received in my office.

A VISIT WITH THE PURTONS

It was an unusual day if you did not see Doug Purton (formerly of Lot 1012) out on his golf cart power washing houses, pulling weeds or trimming shrubbery. He and Angela seldom missed Thursday trivia or Sunday night vespers. Doug would often entertain with his violin while Angela played the piano.

Due to health issues, the Purtons have now begun a new adventure. They recently moved into an independent living apartment at the Barrington. They miss their Embassy friends, but look forward to making new friends and participating in the many activities offered. (yes, they have trivia)!

Doug was born on Feb. 14th, 1932 in Windsor, Ontario, Canada. When he was a year old, his father, who was British, returned with his family to England. Doug's most vivid memories concern WWII. He lived in London while the city was being bombed by the Germans. His London school, Kingsbury, had trenches built in the football field. When the air raid siren would sound, the children would hide in the trenches, singing songs and playing games.

At one point his family left London by train and traveled to the countryside to home of his aunt. While there, Doug remembers getting on a bus to go to school – but not just any school – the school was housed in a large, majestic home with suits of armor and amazing paintings on the walls. It turned out to be Blenheim Palace, Winston Churchill's private residence.

Doug's parents were divorced in 1941 and his mother remarried a Canadian soldier in 1945. The family returned to Windsor.

Angela was born on Aug. 30th, 1930 in Windsor, where she spent her childhood. She says she was just an ordinary child. After high school she was employed by the Windsor Daily Star in advertising.

Doug and Angela met after high school while singing in a chorus for Windsor Youth for Christ. They were married in 1952 and soon five children followed., 4 girls and a boy. They began their married life in Windsor, but eventually moved to Detroit, Michigan, where they raised their family. Doug worked at Chrysler, Ford and GM.

The Purtons bought their home in Embassy in 2000, thanks to good friend Georgie Wild. They are the proud grandparents of 7 children, and great-grandparents to 7 children.

Doug and Angela still have the same phone number as listed in the park directory. Give them a call. They look forward to hearing from all their Embassy friends as their new adventure begins.

(Thank you, Elaine Pepper)

PARK CHRISTMAS CARDS

Christmas is fast approaching, so don't miss the opportunity to wish your neighbors and friends here in Embassy a holiday greeting. A red mail box has been placed in the clubhouse so that you can send greeting cards without postage. Volunteer Elves will deliver the cards to your homes on Dec. 18th and 21st. Please be sure to have something available outside your mobile to receive the cards (the Embassy Mail Box is perfect, still available in the Office for \$5.00, benefits the Library). All cards **MUST** be in the box by 3 pm the day before deliver. Please put the name of the recipient and their Lot number on the card, as well as your Lot number in the return address section. Please be sure the resident still resides in the Park. However, we will see that any cards received for: Jake & Audrey Schnarr, Noel & Margie Horgan, Maggie Beckhorn and the Purtons are sent to them. (Elaine Pepper, Chairperson)

GET IN THE CHRISTMAS SPIRIT!

Join your friends and neighbors for a fun evening Christmas celebration on December 19th here at the park.

Decorate your bicycles and golf carts and join in a parade throughout the park beginning at 5:30 p.m. at the lake (prizes for best decorated). Then join us at the clubhouse for a sing-along with all the cookies you can eat! (Donation of cookies is appreciated, contact Janis Wilson)

CHRISTMAS DECORATING CONTEST

The old saying is "don't fix it if it isn't broken"; for many years Embassy has had a home decorating contest with just a few volunteer judges. Last year residents felt that this system "was broken" so our Park Manager has volunteered to put a new program in place. Every park resident will have a vote; ballots will be counted by a committee; votes will be controlled by the office with a non-duplicatable ballot.

A new category has been added: Best decorated RV site.

GUIDELINES FOR EMBASSY DECORATING CONTEST:

1 ballot per mobile, 2 if 2 owners, renters can vote in place of absent owners

(Ballots cannot be duplicated or copied in any way, only original ballots will be counted)

A Committee of 3 will count the ballots

Winners will be announced at the party after the Park Bike Parade on Tuesday, Dec. 19th

1st place winner will be ineligible to enter the following year

1st 2nd and 3rd place prizes will be awarded for mobile homes, plus 1 for the best decorated RV site

IMPORTANT DATES:

Houses must be ready for judging by Monday, Dec. 11th

SUMMER CLUB FINAL BREAKFAST

This morning 36 neighbors and friends came out for the Summer Club's final breakfast. Quiche, fresh fruit, biscuits and coffee. We all had a great time, nobody left hungry. The 50/50 was won by Bernice Strong.

HALLOWEEN DANCE

We had a light turnout this year. 24 neighbors came out for music, dance, catching up after not seeing each other since last spring. The costume winners of a bottle of wine, Publix gift card and some candy were: Funniest-Ron Russell, pirate; Scariest: Judy and Bill Swenson, clowns; Original: Elaine Pepper, open heart surgery. The 50/50 was won by Ron Russell.

EMBASSY'S SOCIAL GATHERING

Recently there have been questions about the Social Gathering group, so hopefully this will help. We meet the 1st Wednesday of each month; from 9:00 a.m. to 9:30 a.m. we visit and have coffee, tea and snacks then at 9:30 a.m. we conduct a meeting. The main purpose of the Social Gathering is the organizing and overseeing of the social activities of the Park.

You can be a dues paying (\$3 per person or \$5 per couple) member with voting rights or just attend the meetings to see what is going on each month. Dues are used to help support special park events such as the 50th Anniversary Party, Fashion Show and Memorial service. There may be other special events during the year. There is also a 50/50 drawing at each meeting.

We have officers who are elected every year with some term limits.

Again, this is open to everyone and we urge you to come see what is going on. Input from all is welcome.

ARUBA

Submitted by Nedra Woodroof

Recently my daughter Connie decided Mom needed a short trip, so we flew to Aruba. Weather was hot and humid just like here. Supposed to be the rainy season but had none. We stayed at the Marriott Surf Club in Palm Beach. It is a resort with all the amenities. It turned out to be a timesharing place so lots of families. I decided the main piece of clothing was a bathing suit. They had lots of pools and tubing rivers which were busy from early morning until 10 at night. They also had a private beach on the ocean which was always busy too.

We went on a cruise where part of the boat was underwater, so we could see lots of different fish, a sunken ship, the Antilla, we could see bubbles from divers who were checking out the ship. That was interesting. We then took a bus tour around the island. Went to a butterfly farm, a lighthouse called the California lighthouse as it was brought there from Calif., a Natural Bridge which was not there anymore but we saw where it had been. It had collapsed in a storm years ago, but they still had it on the tour. On the tour we also saw a beautiful little chapel called Alto Vista Chapel. On the bus tour our guide told is about the early settlers using rocks from the island to build their fences around their yards. They were 3-4 feet tall. The amazing fences though were made from cactus. They have a very tall cactus, and some were used as fences. I am sure that would help keep people out. We were also amazed at the lack of dogs. We saw only one dog in a yard and no others. We were told that if we were away from the city we would see more. It seemed strange not seeing some running loose. There were a couple in the Resort where we stayed but they had been brought with their owners. I was amazed at the number of cactus we saw.....fields of them.

The Island is not big. Don't think you could get lost driving as you would end up where you started. They have lots of Iguanas, big and little. Some were even blue. It was nothing to see them lounging on chairs which had been used by people. The Island has 23 beaches. It was very interesting and no we did not purchase a time share.

I am so thankful for my daughter who includes me in some of her travels and a big thank you to Iva who watches over Miss Daisy when I am gone

HOMELESSNESS

It's what we in Embassy think of as the bums that sleep in vacant mobiles. We accuse them of stealing our bikes when we forget to lock them at night.

I see 100-200 homeless once a month when a group from our church feeds them in a parking lot in downtown Clearwater.

What I see are wives and girlfriends running from abusive men; men crazy out of their minds struggling with what they have been ordered to do to women and children and whole villages in a war we will never understand.

VINYL IS FINAL

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

EMBASSY MOBILE HOME ASSOCIATION

Do you have questions or concerns about living in a mobile home park? Are you interested in the laws and statutes provided in Chapter 723, the Florida Mobile Home Act? On December 11th at 10 a.m. in the clubhouse we will be having the first meeting of the Embassy Park Association this season.

We discuss business related to all park residents. Nominations for future officers will be held. To be a member is simple: just present a copy of your mobile home title to Jessie in the office and specify that it is for credentialing. No dues required! Hope to see you there.

Book Recommendation:

Here Vultures Fly

by Rudy Rodrigues

This is the narration of the personal experiences of the author, Rudy Rodrigues, during his ten years of service with the United Nations in Afghanistan, where he was engaged in emergency relief and later rehabilitation programs in close collaboration with the Communist government, the mujahideen, the Taliban, and the post-Taliban government.

The author was responsible for opening the first UNICEF office in Kyrgyzstan soon after the collapse of the Soviet Union in a unique environment and culture. During this time, he was working with a government unfamiliar with the United Nations and its goals and objectives. In addition, the Kyrgyz population was traumatized by this sudden period of transition and uncertainty. A major focus of the author's work was gaining the confidence of the government in Uzbekistan and to ensure the building of meaningful partnership programs for women and children.

This book also covers the adventures, romance, and thrill of being born and raised in Kenya; serving as an officer in the army; the challenges of working in Papua New Guinea; and having the glorious opportunity of working in the UN in different parts of the world with a multiethnic/multicultural community.

About the Author

Rudy Rodrigues was born and raised in Kenya. He graduated from the Royal Military Academy Sandhurst and the British Army Staff College. He was commissioned and served as an officer in the Kenya Army in both command and staff appointments. Resigning after sixteen years of active service, he then immigrated to Canada with his wife and three children.

Later, Rodrigues was appointed country director of a Canadian NGO in the Sudan, with a mandate to provide leadership, strategic planning and the delivery of UN (WFP) emergency relief supplies to the more than three million starving people displaced by the famine of 1985. He did so using a fleet of 350 cargo vehicles and a staff of over 3,000 people. This trucking operation was later taken over by the UN, and Rodrigues served as its Director.

In 2006 Rodrigues ended his career, and moved from Afghanistan, where he was last working with the United Nations. He retired to Winter Park, Florida where he lives today, and enjoys traveling, writing and spending time with his family, children and grandchildren.
