## IN-PARK CHRISTMAS CARDS

---

**C**hristmas is coming fast and it is once again time to greet your park friends and neighbors with a holiday greeting card. A Red mailbox will be available in the office for you to “post” your cards. (No stamps necessary). Please write the individual or couple’s name and lot number on the card, and your lot number in the return address area. I will collect and sort the cards and my “elves” will deliver them to your doorstep. Please have a container available for the cards, which will be delivered on December 19th and 22nd.

We are missing many of our friends this year due to COVID-19 so please be sure they are present; however, Jessie has volunteered to send the cards to our Canadian residents, who can’t be here due to government restrictions, so you can drop them in the RED BOX in the office and I will give them to her to mail after the final collection; they will be received a little late, but I am sure they will appreciate receiving them anyway.

I WILL NOT SAVE CHRISTMAS CARDS for people who aren’t here (except for the ones Jessie will be sending).

Volunteer elves are needed, please contact me at Lot 833 or 727-286-7744.

Elaine Pepper

PS from Jessie: I would also like to send cards to Kirby & Betty Osborne, formerly of Lot 649, put them in the red box and I will mail them all at once.

## EMBASSY PARK CHRISTMAS PARADE

---

**E**very Christmas the residents of the park decorate their golf carts and bicycles for a fun holiday parade. We meet at 5:30 PM on 7th street by the lake and then parade throughout the park. This year we will not be returning to the clubhouse for a Christmas party. Even if you do not want to parade, pa to sit outside and cheer us on. Put the date on your calendar, DEC. 22nd, and help to spread some holiday cheer!

## NEIGHBORHOOD WATCH

---

I would like to thank everyone for coming out and getting your wheels registered with the Largo and Pinellas departments of Public Safety. It was a successful day, registering around 50 items. I still have some forms, so if you missed this event, come see me.

And a special shout out to Michelle Wilson, Doug Goff, Ron Russell, Mike Matheny, Officer Vu Tran from the Largo Department of Public Safety, and two officers from the Sheriff's department. I think that's it, forgive me if I missed anyone, it was a very busy time.

Thanks, Norm Hagen, Lot 436

## FROM THE OFFICE

---

I had a Manager's meeting on Nov. 11th; there was a great turnout and a lot of different topics were discussed. HOA held a zoom meeting of the officers and will be having another one in Dec. Basically, due to COVID-19, HOA can stay as is (no elections, no annual meeting).

The Social Club is planning on having Thanksgiving and Christmas dinners; they will be served buffet style, no outside food allowed. The price is \$5 per person, advance ticket sales only. Residents need to wear a mask in (take it off to eat), bring their own plate and silverware. There needs to be a minimum of 25 people or it will be cancelled. Watch for flyers with the dates and time for ticket sales. Mr. Larson will provide the meat for both dinners.

There will be a Christmas parade and "In Park" Christmas cards. See the articles in this issue. The Social Club encourages everyone to decorate their homes, don't let COVID-19 spoil the holidays!

The maintenance crew was at the meeting; I thanked them for all their hard work in keeping the park cleaned up, especially vacant lots and the refurbishing of all the swings by the lake. They also walked the entire park looking for water leaks that residents were either not aware of or didn't understand how important it is to fix them. Drip.....drip.....drip...is not OK! Imagine that times 400 lots.

Pinellas County had to replace a Park water meter, which resulted in the water being off for a while; we have had several leaks that required the water being shut off. We have suggested people put back flow valves on their units to prevent hot water tanks from burning out; you also should clean your faucet screens after the water is turned back on. The water is only shut-off for emergency situations, there is no way to notify everyone. Even as I am writing this article, the water is off for the 2nd time today due to a leak.

The rent increase goes into effect January 1st, be sure to pay the correct amount. If you have auto pay with your bank, please make sure you update the amount.

In past years, Embassy has been a big supporter for Toy's 4 Tots; we are trying to do our part again this year by having the drop off box in the office. The toy should be around \$10 in value, new and unwrapped. Mike Kupperstein coordinates getting the toys to them.

Embassy also supports the Food Pantry; they are in dire need of cereal and pasta. Any donations can be dropped off at the Russell's, Lot 1301. The Food Pantry continues to bring baked goods to the park residents once a month as a thank you for our support.

Many of you wonder how I determine Park policy due to COVID-19; it is not based on Gov. DeSantis Executive Order; it is based on Pinellas County guidelines; we are still in a state of emergency, meaning wearing a mask in public, limiting indoor gatherings and practice social distancing.

Just another reminder:

**YOU MUST WEAR A MASK TO COME INTO THE OFFICE** and if you are sick, please stay away!

The next Manager's Meeting will be December 9th, 9:00 A.M. for coffee; meeting at 9:30 a.m. Please note: If you plan to attend, practice social distancing that you are comfortable with.

"In the end, what really matters is not what we bought, but what we built; not what we got but what we shared; not our competence but our character; and not our success but our significance. Live a Life that matters. Live a Life of Love."

"When you have come to the edge of all the light you have and must take a step into the darkness of the unknown, believe that one of two things will happen to you: Either there will be something solid for you to stand on, or, you will be taught how to fly."

## US MAIL DELIVERY IN EMBASSY

As some of you are aware, our regular Mail person (MS. Gina) has been on a 6 week leave and we have had fill-in mail persons delivering our mail. Due to this, the office has been hard at work trying to make sure mail is delivered to the correct address. We go thru 15-20 pieces a day that the mail person would otherwise return as undeliverable.

Things to remember for receiving mail here at Embassy:

1. Make sure your Lot # is on your mail. If you notice it is not, contact the sender and have them update their information. They may need to abbreviate to make the lot # fit but this is SO IMPORTANT to ensure you receive your mail in a timely manner or not at all!
2. Secondly, please do not allow non-residents to use your mailing address to receive mail. When questioned, the office has no way of knowing where it should go if they are not a legitimate resident.
3. If the office keeps seeing mail for an unapproved name at your residence, you could be evicted.
4. We had to return to sender a child support check, which I am sure the recipient could have really used but with different last names, etc. I could no figure out the check's destination.
5. Several stimulus checks would have been returned if we hadn't put lot numbers on them

We all know what a great job Gina does, but she can't work 6 days a week, so we will always have a different driver at least once week. AND be sure to let Gina know how much you appreciate her when she returns!

## Online shopping frustrating

Online shopping isn't new, and it's growing in use due to the coronavirus pandemic. Still, it's not a snap for everyone. The Retail Dive website reports that 40% of shoppers struggle with simple tasks on retail websites, and 52% of those who have difficulty abandon their shopping carts before checkout.

Instead of contacting customer service, most frustrated shoppers—52%— simply go to another site. Only 26% seek assistance from the original site.

Who's having the most trouble? Surprisingly, it seems to be the younger generation. Forty-six percent of Gen Z consumers have struggled with shopping online, followed by millennials (41%), Gen Xers (40%), and baby boomers (33%).

## The reason for 'no'

Once a bird was searching for a home to lay her eggs so they'd be safe during the coming rainy season. In her search, she saw two trees, so she went to ask them for shelter.

When she asked the first tree, it refused to give her shelter. Disappointed, she went to the second tree.

The second tree agreed, so she built a nest and laid her eggs. Then the rainy season arrived. The rain was so heavy that the first tree toppled over and was carried away by the flood.

The bird saw this and laughed. "This is your punishment for

not offering me shelter."

The tree smiled. "I knew I wasn't going to survive this rainy season. That's why I refused you. I didn't want to risk yours and your children's lives." And it drifted away.

The bird got tears in her eyes. Now that she knew the reason, she felt gratitude and respect for the tree.
