Breakfast Egg & Cheese Ramekins or Casserole

INGREDIENTS:

- 8 eggs beaten
- 1 ½ cups shredded cheese
- ½ cup 1% milk
- ½ tsp white or black pepper
- 1 tsp dried mustard

INSTRUCTIONS:

Put the cheese in 8 small ramekins or a single 8 inch square baking dish. Pour milk over to just cover the cheese. Shake mustard and pepper over mixture. Beat eggs well and pour over the cheese mixture. Bake at 350 degrees for approximately 25-30 mins, until eggs puff up like a souffle'. Serve immediately. Serves 8.

FROM THE OFFICE

As you have probably noticed by now, another Season is in full swing. This means more cars, walkers, bikers, etc. so please drive slowly and observe the STOP signs. Another reminder—bikes must have front and rear lights and golf carts are not to be driven by anyone under 18. Overnight parking on the streets or grass is not permitted.

The parking area and field across the street from the Clubhouse are for events in the Clubhouse. Unauthorized vehicles parked there will be towed.

Park activities are done via scheduling by Nedra (Social Club President) and with my approval. When an event is in progress, please be respectful of the fact that this time and area of the Park have been set aside for whatever activity is in progress. Park rules are for everyone; if you want to do your own thing whenever you want, wherever you want, move to a Park without management. It's too bad that a few bad apples try to spoil events for other participants.

A few residents have been hospitalized with pneumonia; it is the time of the year for various viruses so please avoid park functions if you are sick in order to not spread these things around. A lot of residents have weakened immune systems, especially those undergoing cancer treatments; these germs could be deadly to them.

Pet owners- please make sure the office has updated shot records for your pet.

One more reminder that a rent increase of \$20 goes into effect on January 1st for all mobile home residents

The next Manager's meeting is Wednesday, January 8th, 9:00 am coffee and cake, 9:30 a.m. meeting in the Clubhouse. Everyone is welcome to attend.

Merry Christmas and Happy New Year! Wishing everyone sunshine, happiness and good health in 2020.

POOL

Dennis Larocque organized a cleaning party on Dec. 6th; about 10 people showed up to help scrub the pool deck and clean the chairs. There will be a pool fundraiser on March 20th, 2020 at 11:30 a.m. Mark your calendar. A liquid solar cover is currently being tried in the pool; it seems to have added 3-4 degrees to the water

There will be another cleaning on Jan. 10thh at 10:30 a.m. Everyone is welcome.

YARD SALE

There will be a community yard sale here at Embassy Park on Saturday, February 8th. The cost is \$5 to reserve a spot on the map and to have tables delivered to your carport (Tables are limited to 1 per unit, until tables are gone.) Table reservations and \$5 fee can be paid to Dennis Larocque, Lot 416, after the New Year.

Funds are used for advertising and maps.

This year we are also encouraging participants to tie balloons on their mailbox or somewhere at the end of the driveway to indicate to yard salers which homes are participating. Signs with balloons will also be placed at the entrances to Embassy Park.

SUMMER TRIP TO CANADA

After many invitations from Jim and Brenda Orton to visit their home in Canada, Kirk and I left our home in Tennessee on Monday, August 5th and headed north. We followed I-81 from Tennessee to its end at Thousand Islands Bridge and arrived at the Canadian border on Tuesday afternoon, August 6th.

Shortly after crossing the border, we came to an intersection, where we had to turn left or right. Since we had lost our phone service and our GPS, we had to rely on a map. Kirk, who has driven many miles in his lifetime, knew to turn right, while I said to turn left. I was the one with the map, but then again, I never could read a map. We drove on and ended up close to the Orton's house, but were not aware of it. By then it had started to rain. Most all of us know how it feels to drive in the rain, not knowing exactly where you are going and where you will end up. Kirk did the one thing that men never do and that is he stopped and asked for directions. We picked the right place to stop as the owner of the business knew the Orton's personally and knew exactly where they lived. We were less than 5 miles away. Since the rain and inadequate

continued on page 8

road signs had made us miss our estimated arrival time, Jim came out looking for us. We think we may have passed him but not certain. We were not driving the vehicle he thought we were, so he missed us as well. We finally arrived at their house. Jim decided we must have found our way there and came home.

We had a wonderful time as Jim and Brenda took us everywhere. They wanted to make sure we saw as much as we could. We visited several small towns around their home in Lombardy. Thursday, August 8th, we went to Kingston. While there we saw the men and women's old prisons. We went on a tour of the Warden's House and learned of the many ways prisoners used to escape their cells in earlier times. One day we drove to Ottawa, which is the capital City of Canada. It is a very beautiful city with many old buildings nestled among all the new and modern structures. In 1857, there were a few cities competing to be the capital city. To settle it, Queen Victoria chose Ottawa because it was centrally located between the cities of Montreal and Toronto and was along the border of Quebec. The main reason we went to Ottawa was to see the Changing of the Guard. Changing of the Guard takes place on Parliament Hill every morning from late June thru late August. The music provided by the soldiers' band was very beautiful and inspiring. The weather was nice, and we were in a beautiful country with some very special "ole" friends; what more could you ask for. On Saturday, we drove two plus hours north to visit other friends, Frank and Janice Lewis, who live in the RV section of Embassy in the winter. We have known Frank and Janice for many years. All six of us had met and become friends at Rainbow Village. Jim and Brenda had been wanting to visit them but had not been able to. Janice remarked, "It took two people from Tennessee to bring two Canadians up to visit". Frank and Janice live around a man-made lake close to family. The weather was nice and we were able to sit outside enjoying being together.

On Sunday we enjoyed a BBQ with Jim and Brenda's daughters, their husbands and the grandchildren. We had met their oldest daughter, Andrea and her husband Jamie, along with their two very pretty daughters, when they had visited Florida several years ago. It was so good to see everyone again and to meet their youngest daughter, Carrie and her husband Steve and their two young boys. As usual, the food was great, and the company was even better. Our last day in Canada was a girl's day out for me and Brenda. Kirk and I left on Tuesday and headed south, reliving the great trip we had and promising to come visit again and to stay longer. I loved the countryside in that part of Canada and was impressed with how clean it was. I know we will visit again. Thanks to Jim and Brenda for a wonderful vacation.

We love you!

THERAPEUTIC REFLEXOLOGY

What is Reflexology? Come to the hall on Jan 7, 2020, from 9:30 to 11:30 a.m. and find out. Our resident reflexologist, Sally Thomas, will demonstrate using 2 of our residents. Reflexology is a therapy which deals with reflex areas in the feet and hands. Some of the benefits are relieving stress and tension. It improves function and blood supply, strengthens the immune system and restores and maintains a healthy balance in mind and body. Reflexology can benefit people of all ages and, depending on the length of time a condition has been present, can improve or eliminate many ailments during a course of four to six treatments.

Want to hear more and see the demonstrations? Come to the clubhouse Tuesday Jan 7th from 9:30 a.m. to 11:30 a.m.

EMBASSY SHUFFLE CLUB

Embassy Shuffle Club had their first breakfast on the 16th of November and had a great turnout considering it was our first. As President I would like to thank everyone who attended our breakfast. It's a means of raising money for our club, it enables us to maintain the courts and allows the players to play on excellent surfaces which gives an advantage when playing opposing teams. Our next breakfast will be December 21st, the third Saturday of the month, and an additional breakfast will be January 1st (New Year's Day) 8:00 a.m. to 10:30 a.m.

We have completed the work on the Lake Courts. We have a great group of shufflers who volunteered their time and expertise to re-surface these courts so that they are suitable for everyone in the park to use. The cost has exceeded our expectations. Hence the fundraisers. We have fun shuffling on Fridays at the Lake Courts, which starts December 6th @ 9:30 a.m. There will be someone there to assist you.

We have a number of breakfasts (one every 3rd Saturday of the month 7:30 a.m. to 10:00 a.m.) and a few additional fundraisers to raise enough money to improve and maintain the courts and their surroundings. We THANK everyone who supports the

Shuffle Club and hopefully have a good time at the events. Additional fundraisers will be noted in the bulletins.

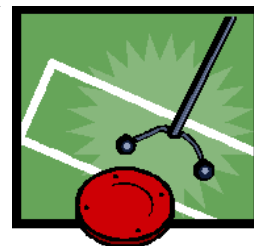

I personally would like to thank all the shufflers who worked on the Lake Courts.

NOTE: Anyone wishing to learn how to shuffle should come to the Fun shuffling on Friday mornings.

Lake courts are now suitable for play by anyone.

The Clubhouse courts are restricted to paid members of the Shuffle Club only.

Respectfully, Guy McDougall-President Embassy Shuffle Club

FUN NIGHT

It is once again time to begin exploring and planning our 2020 Fun Night.

For those new to the park, Fun night is a variety show created by park residents for the enjoyment of anyone who would like to attend. We will meet every Tuesday night in the Clubhouse at 6:30 pm beginning January 7th. Our theme this year is “Anything Goes.” Fun Night takes place on the second weekend of March (6th and 7th). It is a fund-raiser for the Social Club. If you would like to be a part of this entertaining show, just attend and see what it is all about.

Everyone is welcome!

NOVEMBER NEIGHBORHOOD WATCH MEETING

I would like to thank all those who were able to attend our meeting. Not everyone can make every meeting.

We were honored to be mentored by our personal mentor, Officer Vu Tran, of the Largo Department of Public safety.

There’s no script or format to our meetings. So, each one is completely unique. This one was extra special because of Officer Tran. He lends so much insight to the watch.

Between our park management, law enforcement, residents and the watch, our last problem in the park of non-residents has been resolved. Please, we all have hearts, but never take in a homeless person.

This has always led to eviction. Refer them to a shelter should they attempt to persuade you into letting them in. I have not seen a happy ending yet.

We will invite Officer Tran to our next meeting. All are welcome. It will be on the last Friday of each month until spring, 1 p.m. in the Clubhouse. December’s meeting will be Dec. 27th.

Kathy Wilson

NOV. 16TH CRUISE TRIP

12 travelers from Embassy left at 3:30 a.m. to catch a bus to the port of Miami for an 8 day cruise. Al "The Warrior" Wilson and his wife Kathy, at age 75 went extreme ziplining. Al "The Warrior" Wilson also won a free snorkel excursion so he took his 75 year old wife and friends Barry and Joanne Murphy, Dennis Larocque and friend Dave Rollins.

Ron and Ann were a couple invited by the Wilson's, but they may be so scared by

Cathy Russell's dinner time antics they may never want to be associated with this group again.

All in all, whether Kathy or Gail were sunning or saving chairs by the pool, or we were all together singing and having fun on a sight seeing junket, as long as "The Warrior" was with us we were fine.

Creative thought starts in bed

Creativity is a vital skill that can enhance your career success. You can't always summon it out of the blue, so this advice from the Study Finds website should help: A survey of 2,000 British residents commissioned by Microsoft Surface found many of people's best ideas tend to occur as they're dozing off, when they first wake up in the morning, and sometimes in the middle of the night. Pay attention to your thoughts in bed, write them down when ideas and solutions come to you, and keep rolling through problems before and after you sleep. You might discover some surprising answers.

Got an idea? Run with it

Randall Munson studied computer programming in college, then went to work for IBM, where he spent the better part of his career. Yet in his heart of hearts, what he really wanted to be was a clown.

This had been a childhood dream that would take years for him to realize. With his parents' encouragement, young Munson learned ventriloquism, then moved on to magic tricks. It wasn't until his adult years when he actually began to study the art of clowning.

As a program manager for IBM, Munson developed complex operating systems that he trained others to use. He soon realized clowning around was the best way to win over his audience, keep their attention, and explain abstract technical concepts. Following these presentations, he would bring out an old man puppet who would ask the sorts of questions that everyone was thinking about, but too embarrassed to ask.

Since that time, Munson has become a professional speaker. He entertains audiences around the world with humor and magic, imploring them to laugh more and nurture their creativity.

Randall Munson is credited with declaring January International Creativity Month. There's no better time than the present to try something you've been promising yourself you'd get around to but haven't.

Take an art class. Reengage with an old hobby. Finish an abandoned project from long ago. Try anything that will unleash your creative energy, and see where it leads you. Your only limitations are the ones you impose on yourself.

January Days

New Year's Day, Jan. 1. London marks the start of the year with its largest parade, a handful of nations commemorate their independence on this day, and some people may take a plunge in frigid waters as a symbolic awakening. No matter how you celebrate this day, be safe and of good cheer.

National Joy Germ Day, Jan. 8. It's OK to be contagious when you're spreading joy. Let the good vibes flow.

National Use Your Gift Card Day, Jan. 18. Don't start out the year hoarding and forgetting about the gifts you've been given. Gather your unused gift cards, and do a bit of shopping for yourself and others.

Belly Laugh Day, Jan. 24. At 1:24 pm, wherever you are, stop and laugh out loud and give those around you a reason to do the same. Visit bellylaughday.com to be a part of this worldwide wave of merriment.

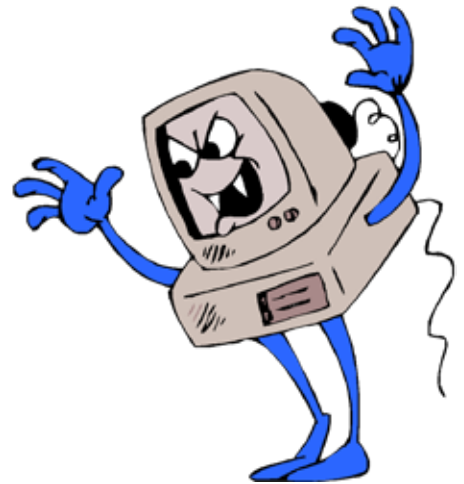

Bubble Wrap Appreciation Day, Jan. 27. It's not just for wrapping up breakables; it also doubles as a stress relieving tool. Who hasn't felt better after pop-pop-popping through a piece of bubble wrap?

Online privacy threat a crisis, many say

We're more worried than ever about the threat to our privacy online, the Axios website reports. A survey of adults 18 and older found that 59% don't feel confident that their personal information is adequately protected by the companies and organizations they do business with online, and 58% consider the threat to online privacy a crisis. Just 38% believe that online services are essential to modern life, and "we all have to accept some risk to personal data."

Companies' asking for personal information has become increasingly common these days so they can offer more personalized products and services, but 43% of people in the survey said they feel this is inappropriate. Twenty-six percent are fine with it, and the other 26% are neutral.

Simple tips for a healthier heart

Close to 2,200 people die each day in the United States because of cardiovascular problems. That's one every 40 seconds.

Here's some advice from the WMC Action News website on how to keep your heart healthy:

- Laugh a lot. Laughter dilates your blood vessels, increases blood flow, and lowers your blood pressure.
- Snuggle. Hugging releases oxytocin, a hormone that relieves stress and can reduce blood pressure.
- Get a pet. A University of Maryland study found that survivors of a heart attack who had a dog were eight times more likely to be alive a year after their attack.
- Get the right amount of sleep. Both oversleeping and getting less than six hours of sleep a night raises your heart attack risk. Aim for about eight hours every night.
- Drink coffee. Studies suggest that caffeine can stabilize your heart rhythm if you have an abnormal heart rate. Check with your doctor.
- Move around. Standing and moving around one hour per day can reduce cardiovascular disease risk in women by 25%, according to a University of California, San Diego, study.

Seniors struggle with out-of-pocket medical expenses

Health care is expensive, particularly so for senior citizens who depend on Medicare for their treatments, medications, and other medical needs, but who have to pay out-of-pocket costs as well. The Axios website reports that the average overall yearly out-of-pocket cost for Medicare beneficiaries is \$3,166. Here's how it breaks down by condition:

Arthritis	\$2,808
Diabetes	\$3,035
Stroke	\$3,072
Hypertension	\$3,308
Non-skin cancer	\$3,388
Heart disease	\$3,445
Mental condition	\$3,663
Parkinson's	\$7,346
Alzheimer's/dementia	\$13,269
