## THE EMBASSY LIBRARY

**W**hile on a cruise recently, I ran out of reading material. Lucky for me the ship had a library (a very small one) In it was “Jungle”, a novel of the Oregon Files, written by Clive Cussler and Jack Du Brul. From rescuing a daughter to saving the world is what Juan Cabrillo and his crew do!! Clive Cussler is lead author of more than 60 books. He is also the founder and chairman of NUMA. If you like adventure on land and sea come on in and try his books! P.S. Look for the opening of our new room at the Library.

## FROM THE OFFICE:

---

**T**here will be a Manager's Meeting on July 11th at 10:00 a.m. Refreshments will be provided by Well-Care, who will have 10 minutes to talk about programs and benefits available to seniors in this area. Everyone is welcome to attend.

**LAWN CARE:** I have lawn service scheduled for every Monday until further notice—I have no control over the weather or the breakdown of lawn equipment. Save your complaints... it is what it is.

**HANDICAP RAMP AT CLUBHOUSE:** Please do not back into the handicap spots

**POOL-I** recently had to close the pool for a short period of time; excessive heat and oils and lotions being used in the pool was the issue. Park rules state that you ARE NOT to use oils and lotions before going into the pool; a shower is provided for you to rinse off first. Continued violation of this rule can result in you losing pool privileges. The grates on the pool filter system need to be replaced, partly due to excessive oils/lotions. Also, a reminder that kids swimming hours are 11 a.m. to 2 p.m. Asking other residents if they mind if the kids swim at other times IS NOT OK! These rules were made for a reason, and your kids/grandkids/etc. are no exception.

**GARBAGE** pick-up...there will be no garbage pick-up on July 3rd (or 4th) so plan accordingly. This means that after the June 30th pick-up, you are not to put out any garbage until after 5 pm on the 4th.

**THANK YOU** to all the residents who put out food for the Stamp Out Hunger Drive on May 13th, sponsored by the National Assoc. of Letter Carriers; Embassy went above and beyond expectations.

## BINGO

---

**B**ingo will be taking a break for the months of July and August and return on September 6th with a new program. Saturday Bingo will begin on the 1st Saturday of November and continue thru April 2018.

## CAREFEST PROJECT BY ABUNDANT LIFE MINISTRIES

---

This project is offering small handyman services for people who cannot afford to pay for them. It includes power washing, garden weeding, painting, fixing weak spots in floors, roof leaks, small plumbing or electrical jobs. You can apply at the Embassy Office; you will then be visited by the project manager to decide if your project meets their qualifications. The Date for service/repairs is September 30 but you must be pre-registered and approved.

## PHONE BOOKS

---

There is no set date for the delivery of the phone books. When they are delivered to Janis Wilson, she will deliver them to the residents that are currently in the Park. Anyone who has a phone book coming and is not here will be able to pick it up in the Office when they arrive back in the Park. IF YOU DID NOT have your picture taken, you will not be able to get a phone book, there will be no extras printed. If you want a phone number list, you can contact Janis Wilson at 727-474-5050; she will be selling a printed list for \$3.00.

## SUMMER SOCIAL EVENTS

---

Well the summer season has begun.. May started off with the infamous omelet in a bag breakfast. We had the usual accompaniments of fresh fruit, biscuits and coffee. 50 neighbors and friends came out for good food and fun. Iva Shannon won the 50/50 drawing.

We ended the month with the Annual Memorial Day BBQ. Our grill masters Keith and Bruce did a great job cooking up burgers and hot dogs for the 54 neighbors and friends in attendance. The dishes that were brought to be shared were all excellent. Ron Russell won the 50/50. Janis, Elaine, Judy and Lori did an amazing job hosting, setting up, and cleaning up, as always.

The June breakfast was biscuits and gravy, scrambled eggs, fresh fruit and coffee. 50/50 was won by Ron Russell (NO, that is not a typo, he won again!)

By the time you read this the June dinner of Italian Night will have come and gone.

*Continued on page 10*

We run these events to keep all of us busy during the summer. There is never a charge. We do rely on the 50/50 and donations to fund these events.

As always, be sure to sign up no later than Friday morning the day before the event so we can plan and do our shopping.

Next up is July. We will be having our Annual July 4th BBQ and a dinner at a date to be determined. Hope to see you all there.

## **SO, YOU THINK GASOLING IS EXPENSIVE (THIS IS PRICELESS)**

---

**A**ll these examples do NOT imply that gasoline is cheap! it just illustrates how outrageous some prices are. You will be really shocked by the last one!! Think a gallon of gas is expensive? This makes one think, and puts things into perspective.

Diet Snapple 16 oz. \$1.29.... \$10.32 per gallon!

Starbuck's Reg. Coffee 16 oz. \$2.10...\$16.80 per gallon!

Lipton Ice Tea 16 oz. \$1.19...\$9.52 per gallon!

Gatorade 20 oz. \$1.50...\$10.17 per gallon!

Ocean Spray 16 oz. \$1.25...\$10.00 per gallon!

Brake Fluid 12 oz \$3.15...\$33.60 per gallon!

Vick's Nyquil 6 oz. \$8.35...\$178.13 per gallon!

Pepto Bismo 4 oz \$3.85...\$123.20 per gallon@

Whiteout 7 oz \$1.39...\$25.42 per gallon!

Scope 1.5 oz. \$0.99...\$84.48 per gallon!

And this is the REAL KICKER...

Evian water 9 oz. \$1.49...\$21.19 per gallon!

\$21.19 for a gallon of WATER!!

And the buyers don't even know the source!!!

(Evian spelled backwards is Naïve)

Ever wonder why computer printers are so cheap? So they can hook you for the ink. Someone calculated the cost of the ink; you won't believe it but it's true...\$5,200 A GALLON!!!

So, the next time you're at the pump, be glad your car doesn't run on water, Scope, Whiteout, Pepto Bismo, Nyquil or, God Forbid, printer Ink!!!!

(Submitted by Ron Russell, who received it via email from Ernie Lawton. Thank you)

## PARK RULE REGARDING PAYING YOUR RENT

**R**ule #5 “Rents are payable in advance, due on the first regular business day of the month and late after the fifth of the month. Late fees of \$1 per day will be assessed as of the first of the month for all rent paid after the 6th of the month. Pursuant to Florida Statute 83.49, no rent will be accepted more than six months in advance.” This means that your rent check must be IN THE OFFICE by the 5th, not dated before the 5th and slipped in the door on the 10th, or whatever; I check the office daily for checks the first week of the month, even on non-office days. EFFECTIVE IMMEDIATELY, any rent checks received after the 5th will be subject to a service charge of \$5, plus late fees, if I receive it after the 5th and have to send you a letter.... this does not pertain to anyone who has made special arrangements with me to pay their rent later due to extenuating circumstances. Regarding the 6-month rule, this means over 6 months paid on one check, and does not pertain to those who leave monthly post-dated checks with me. If this problem continues, I will entertain the idea of late fees being a flat \$30 per month, whether it is one day late or more. For those of you who mail me your check, I will look at the postmark to see if it was sent in a timely manner...no one will be penalized due to the issues we have with the US postal system.

## Did you know that July is also...

---

**National Cell Phone Courtesy Month.** As the cell phone has developed into the smartphone, it's become one of the biggest distractions of all time. National Cell Phone Courtesy Month was founded in 2002 with the intent of making cell phone users more respectful of their surroundings.

**Eye Injury Prevention Month.** According to the American Academy of Ophthalmology, an estimated 90 percent of eye injuries are preventable with the use of proper safety eyewear. Even a minor injury to the cornea from a small particle of dust or debris can be painful and become a lifelong issue, so take the extra precaution and always protect your eyes.

**Independent Retailer Month.** Independent Retailer Month encourages consumers to shop at independent retailers locally, nationally and globally. Support and shop at independent retailers year round and use July as a time to unite as a celebration for the independent retailers across the country and in your community.

**National Farriers Week, July 9-15.** Honoring the men and women who care for and maintain the hooves of horses, a highly specialized trade that requires skill in hoof care, blacksmithing, and the care of injured and diseased hooves.

**Captive Nations Week, July 16-22.** A week aimed at raising public awareness of the oppression of nations under the control of Communist and other nondemocratic governments. It began in 1953 and declared by a congressional resolution and was signed into law by President Dwight D. Eisenhower in 1959.

**National Parenting Gifted Children Week, July 16-22.** Parents of gifted children need special understanding in order to raise and advocate for the social and emotional needs of their unique children. NPGC Week celebrates the joys and challenges of raising, guiding, and supporting bright young minds.

**Canada Day, July 1.** A national holiday celebrating the Constitution Act of 1867, which united the separate colonies of Canada, Nova Scotia, and New Brunswick into a single dominion within the British Empire called Canada.

**Independence Day, July 4.** The date of the Declaration of Independence, formally announcing the separation of the original 13 colonies of the United States from Great Britain.

**Official Shark Awareness Day, July 14.** Much as we love to fear this predator of the seas, the shark has a key role to play in keeping marine ecosystems in balance.

**National Mutt Day, July 31.** Also known as National Mixed Breed Dog Day, National Mutt Day is all about embracing, saving, and celebrating mixed-breed dogs. (It's also celebrated on Dec. 2.)

## Underwater cave fish is first found in Europe

The first cave fish in Europe has been discovered by a German underwater cave explorer, according to the U.S. News & World Report website.

Cave fish have been discovered in other parts of the world, but the German discovery is the first time one has been found as far north as Europe. Scientists believe it arose some 20,000 years ago and has evolved to live in an underground environment.

The diving spelunker encountered the fish while exploring an underwater cave in southern Germany. The fish is almost colorless and resembles the stone loach found in rivers close by, although it has smaller eyes and larger nostrils.

## Enhance your success with kindness

Nice people can finish first, insist Lisa Kaplan Thaler and Robin Koval in *The Power of Nice: How to Conquer the Business World with Kindness* (Currency). The book's core tenets remain worthy of consideration. Improve your "NiceQ" with these exercises:

- Be kind to yourself so it's easier to be nice to others.
- Share credit and treat everyone with respect instead of "kissing up and kicking down."
- Say no when necessary—but present it in a positive light. When turning down an assignment, help find someone else who can take it.
- Plant seeds of kindness by doing five nice things every day that have no quick payoff.
- Complete the statement "If I were a kinder person I would ..." and then act on it.

## Don't let these get in your way

Often the biggest obstacle to our success lies in our way of thinking. Self-help guru Tony Robbins points out three mistakes you may be making that undermine your progress:

- Confirmation bias. When looking for data or advice, do you have a truly open mind or are you just looking for information that confirms what you already believe? If the latter, you could miss important facts.
- Recency bias. Everything changes, but if you ignore this fact of life you may end up repeating the same steps without making real progress. Just because something worked once doesn't mean it will continue to be successful. Review your strategies on a regular basis and be ready to change if they're no longer applicable.
- Loss aversion. Some of us tend to dwell more on our failures than our success, leading us to avoid risks at all costs. Anticipate failures so you can prevent them. Learn to accept and learn from your failures so you can move forward.

## Artificial intelligence is coming

---

Artificial intelligence sounds scary in science fiction stories and movies, but it's becoming a big factor in business success, according to a report from Tata Consultancy Services. Its survey of 834 executives across 13 global industry sectors found that 84 percent of organizations see AI as essential, and 50 percent believe it will transform their businesses.

AI doesn't appear to be cheap, though. Seven percent of business survey said they invested more than \$250 million on AI in 2016, and 2 percent expect to spend a billion dollars by the year 2020.

## Energy drink and vodka? Think again

---

Energy drinks like Red Bull or Monster Energy are all the rage, and so is mixing them with alcohol for a more potent cocktail, especially among young people. But is it safe? In research reported on the WebMD website, the answer looks like "no."

Canadian researchers analyzed 13 studies involving alcohol mixed with highly caffeinated energy drinks. They found a higher rate of injury among people indulging in such cocktails compared with simply drinking alcohol by itself. Injuries included car accidents, falls, violence, and suicidal behavior.

The authors point out that the stimulant effects of energy-drink caffeine can mask the impact of alcohol, even though alcohol still has an impairing effect on the body and the brain.

## Watch your waist in your 40s to avoid dementia later

---

Carrying belly weight during the 40s appears to increase the risk for dementia in the 70s, whereas carrying extra midsection weight later in life isn't as accurate an indicator. Researchers say these findings are disturbing because 50 percent of adults in the United States are considered abdominally obese.

Researchers at Kaiser Permanente studied 6,583 people who were between the ages of 40 and 45. An average of 36 years later, 16 percent of the participants—who had been measured for abdominal density—were diagnosed with dementia. Abdominal obesity increased the risk of dementia regardless of whether people had normal overall weight or were overweight or obese overall—and regardless of the health conditions including diabetes, cardiovascular disease, and stroke.

## Keep your marriage happy with these money tips

---

**D**isagreements over money can turn a happy marriage into a battleground. Don't take the risk. Follow these tips for dealing with money in your marriage without sparking conflict:

- Talk about priorities. Before you get married, and on a regular basis after the wedding, sit down and talk about what's important to both of you. If your financial goals are different—saving for college vs. traveling the world, for example—you'll always be fighting about what you want.

- Find the right balance. Don't let one person's needs overshadow his or her partner's. Work out a plan to save money while leaving the door open to a nice vacation or at least a fancy dinner once in a while. You can't splurge all the time, but don't let an obsession with money warp your relationship.

- Ignore everyone else. Don't try to maintain a “keeping up with the Joneses” lifestyle on a limited budget. Choose your house, car, and other possessions based on what makes sense for you, not your neighbors. In the long run you'll be better off and happier by living within your means.

## Drive away with the best deal

---

**B**uying a new car is a big decision—and a costly one. To get the best deal, follow this advice from the [GOBankingRates.com](http://GOBankingRates.com) website:

- Plan ahead. Start shopping before you need a new car. Give yourself time to do as much research as you can.

- Watch your timing. You can get a better deal if you know when to buy. At the end of the month, salespeople may be more likely to give you a break in order to meet their quota. At the end of the model year, a car dealer might be motivated to clear all the unused cars off his or her lot at a reduced price.

- Decide on what you want. Don't go in blind. Before you go to a dealership, be clear on exactly what make and model of car you want—and how much you're willing to spend.

- Be friendly. Salespeople will try to build rapport with you, and you can do the same. Focus on what's best for both of you instead of turning the negotiation into a battle.

- Study pricing. Be aware of what dealers are offering—and what they aren't. Taxes and fees might not be included in a car's list price. Certain offers may only be available to buyers with top-tier credit. Fees for license, title, and registration can vary from state to state, so check up on those first.
