## Fairway Social Committee

---

**H**appy Fall everyone. As October is upon us we will see increased activity in Fairway. Snowbirds returning from their summer homes, friends reunited and increased social activity.

First of all Jan Wallace is leading a National night out on October 5, 2018, a great start to the month, and October would not be the same without Fairway's Octoberfest celebration on the 26th, once again lead by Joanne Thueneman.

Our first FSC General Meeting will be held on October 2nd, at 7:00 p.m., chaired by Gail Berkler. We are looking for a great turnout, come enjoy and get involved.

## "National Night Out"

---

The 2nd Annual "National Night Out" event will be held in the clubhouse on Friday, October 5th, beginning at 5:30 p.m. Officials from the City of Largo, Largo Police, Largo Fire Department, Sunstar and our Neighborhood Watch will be available on site to get acquainted with the residents of Fairway Village.

Season's Assisted Living will provide food and the theme of Oktoberfest. Let's have a good attendance to show our support for these organizations.

## Oktoberfest

## Garden Volunteers are Looking for A Few More Helpers

---

Current volunteers are Gail Carr, Ed Watzel, Trish Tallant and Mike Reynolds year round. Snowbirds are Bill Davignon and Lily Hopcroft.

The Fairway Village garden volunteers maintain the gardens at the pools and the area in front of the north pool entrance. They also tend to the garden at the directory and most of the flower pots around the Village. We get a lot of compliments from residents but we need more help.

We are working with our manager, Tiffany, to coordinate our efforts.

If you are interested in helping us to keep the FV gardens beautiful, call one of the following: Gail Carr 532-9790; Ed Watzel 524-2988; or Trish Tallant 615-464-5565.

## Architectural Review Committee

---

The ARC Policies and Procedures Manual defines and outlines the guidelines for all exterior changes to homes as well as for replacing homes. This manual is available from the office or may be downloaded from the FVRA website (Fairway Info; Home Buyers information, ARC Revised P and P). Before you begin your project please obtain a Home Replacement or Modification Request form from the FVRA office or download it (page 12, Exhibit D, in the manual) and return the completed form to the FVRA office. The ARC, which meets most Mondays in the clubhouse, looks forward to working with you in replacing your home or planning the changes to the outside of your home.

## FV Chorus Sings Again!

---

Weather or not, summer is over, and the FV Chorus will begin rehearsals for their Thanksgiving Show on Tuesday, October 2, at 10:00 a.m. in the Clubhouse. Rehearsals are every Tuesday from 10:00 a.m. until noon, and anyone who has ever sung with the chorus would like to sing with the chorus, or is possibly *thinking* about singing with the chorus, is welcome to attend. No particular talent is expected or required; only a willingness to have fun, do your best with the music in hand, and show up to sing with neighbors and friends. We are all again looking forward to making music together. For further inquires, please call Anna Martin at 531-3878.

## Labor Day Picnic

*Mary and Gary Haag*

---

It was another wonderful day in Fairway Village for our labor Day picnic. The rain stayed away until all the hot dogs were grilled, and everyone was ready to eat. This year the addition of potato salad was a big hit along with a few door prizes given out to keep things interesting. Thanks to Gary Haag for donating the two apple pies given out. Speaking of donating, we wouldn't be able to have this event without our helpers that volunteer their time to help set up, serve and clean up. So, Gary and I would like to give a big shout out of thanks to Bob Dunn for setting up the microphone and playing music for our listening enjoyment during the event, Larry and Loretta Ensalaco, Dolly Lipson, Cecelia and Randy Schroeder, Ann and Steve Tabor and Pete and Trish Tallant for so generously giving their time when asked. And, a thank you to all the residents for coming and making this picnic a big success.

# October 2018

## Did you know that October is also...

**National Apple Month.** Because apples are high in fiber and contain no sodium, cholesterol, or fat, they make a great snack. With more than 2,500 varieties grown in North America, it won't be difficult to find one you can enjoy chopped into your morning oatmeal, baked into a pie, or cored and sliced any time of the day when you want a delicious treat.

**International Augmentative and Alternative Communication (AAC) Awareness Month.** AAC is a set of strategies, tools, and devices used by people to overcome communication challenges. People who rely on AAC might use sign language, text, pictures, symbols, speech-generating devices or a combination of these for their basic communication. This month let's increase our awareness of the possibilities that could develop when everyone has the ability communicate effectively.

**National Work and Family Month.** In 2003 the U.S. government designated October as a time to promote sensible, flexible, and healthy work environments, as well as the benefits of work/life balance. Don't wait for your employer to create an initiative or perk to combat the daily grind. Take a day or more of PTO to decompress from your busy life and reconnect with your family.

**Positive Attitude Month.** Researchers believe people who embrace a positive outlook have less stress, an increased sense of well-being, better coping skills, and longer life spans. Purge the negativity from your life: Meditate, pray, practice positive affirmations, and surround yourself with only happy people. Do whatever you must, but always look on the bright side.

**Fire Prevention Week, Oct. 7-13.** This year's motto is "Look. Listen. Learn. Be aware. Fire can happen anywhere." Look for and eliminate potential fire hazards in your home. Listen for the sound of smoke alarms. Learn two ways of exiting every room in the event of an emergency. Visit the National Fire Protection Association website at <https://www.nfpa.org/Public-Education/Campaigns/Fire-Prevention-Week> to access more information.

**Bone and Joint Action Week, Oct. 12-20.** It's estimated that more than half of the U.S. population over 18 is dealing with some sort of musculoskeletal issue. This can include arthritis, osteoporosis, back pain, injuries or other conditions causing pain, disability, and a diminished quality of life. There is hope. Visit the website for the U.S. Bone and Joint Initiative at <https://www.usbj.org/> to find out about research, prevention, and initiatives targeting bone and joint issues

**National Taco Day, Oct. 4.** Have one for breakfast, lunch, dinner, or any time of the day. We celebrate the taco on this day just to give you one more reason to enjoy them.

## Favorite places to eat, 2018 edition

---

What's your favorite place to eat? The American Customer Satisfaction Index's Restaurant Report 2018 ranked consumer preferences based on such factors as food quality, food order accuracy, courtesy of servers, and food variety. The top full-service restaurants in the United States are:

- Texas Roadhouse
- Olive Garden
- TGI Friday's
- Ruby Tuesday
- Cracker Barrel
- Outback Steakhouse
- Applebee's
- Denny's
- Longhorn Steakhouse
- Red Lobster
- Chili's

## Trends in U.S. dining: Quick decisions and lots of delivery

---

Diners in the United States are pretty spur-of-the-moment when it comes to deciding where to go out to eat, according to a survey cited on the Fast Casual website. Eighty-five percent make their dinner decision on the day of the meal.

Delivery is a popular option among all age groups, from Baby Boomers to Generation Z (born 1995–2010 or so). Fifty-one percent in the survey said they'd gotten food delivered in the past three months, with millennials doing the most ordering—77 percent of the age group.

What are people ordering?

- Burgers (28 percent)
- Wings (27 percent)
- Mexican (21 percent)
- Barbecue (14 percent)
- Desserts (11 percent)

Anyone who considers arithmetical methods of producing random digits is, of course, in the state of sin. For, as has been pointed out several times, there is no such thing as a random number—there are only methods to produce random numbers, and a strict arithmetic procedure of course is not such a method.

—John von Neumann
