## FSC Message

by Jan Wallace, Chairperson

Most of our seasonal neighbors have left us by now to spend their summer in their other homes. However, the fun doesn't stop! We still have many occasions to gather for fellowship. Sunday evening shuffleboard starts the week. We will continue the Koffee Klatch on the 3rd Saturday of the month, so be sure to sign and show up. Monday evenings are game night in the clubhouse. Bring your favorite game or come play other's favorite. Be sure to check channel 801 for all the social news!

Monday, May 29th, we will celebrate Memorial Day with a pot-luck dinner in the clubhouse at 5:00 p.m. Sign up so we know how many tables and chairs to set up. The sign-up sheet will be on the rotating bulletin board. Bring your best dish and come visit and have supper together. Event is BYOB.

We're still looking for one or more people to be team leaders for the 4th of July Party. This doesn't need to be difficult. We have lots of decorations for tables and a simple menu can be decided. The importance is gathering to celebrate our country's Independence Day. Please contact me if you have any questions or want further information.

## Koffee Klatch

Kathy Baltzell

Come to the Fairway Village "Koffee Klatch" on Saturday, May 20, from 8:00 a.m. until 9:30 a.m. Sign-up sheet is on the bulletin board at the CH. The sheet will be taken down on Wednesday the 17th. Coffee, tea, and donuts will be served. Hope to see you all there. As always donations are accepted and appreciated.

## Monday Game Night

### 6:30 PM TO 8:00 PM IN THE CLUBHOUSE

- Bring a game with you. OR : Just come and play!
- Card Games, Dice Games, Board Games, Rummikub or Dominoes.
- This will be a great opportunity to teach people how to play a game or learn new games.
- **Your Choice:** You can play one game for a while and then move to another table.

### COME JOIN US! *Beginners Welcome!*

- Last summer we had 12 to 20 people attending.
- The roof over keeps the sun and in most cases the rain out of the area.
- We usually play four games and rotate playing partners and finish about 7:30.
- We encourage you to attend and learn this game. Once you learn the rules and how to keep score residents and their guests can play and enjoy the game anytime the court has not been reserved.

## Architectural Review Committee

**T**he ARC Policies and Procedures Manual defines and outlines the guidelines for all exterior changes to homes as well as for replacing homes. This manual is available from the office or may be downloaded from the FVRA website (Fairway Info; Home Buyers information, ARC Revised P and P). Before you begin your project please obtain a Home Replacement or Modification Request form from the FVRA office or download it (page 12, Exhibit D, in the manual) and return the completed form to the FVRA office. ## State Flags on Half Moon Lake

*Rod Blythe and Ron Wallace*

---

**T**hank you sponsors for helping to keep that daily reminder of your home state flying in the breeze as you drive into our Park. They just remind us of *happy faces* ready to greet us. But they do require replacement twice a year to keep them fresh looking. The Florida winds, thunder storms, and sun are pretty tough on them. Flags are \$28.00 each.

If you would like to be a sponsor of a state flag or continue to be a sponsor and have your name listed in the Flier twice a year please let either Ron at 507-9046 or Rod at 533-9712 know. Also six other state flag wavers help us out by keeping track of sponsor in their respective states, Carol Kriebel for Pennsylvania, Martha Russell for Maryland, Ida Grondin for Maine, Janet Faith for Indiana, Linda Miller for New York, and Betty Kentish for Illinois. If you would like to help in your state, please let us know.

**Thanks to over 200 of you the state flags continue to wave.**

# Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **[MortonPlantValveTrial.org](http://MortonPlantValveTrial.org)**.

## Scramble News (April 1, 2017)

---

**I**t was a beautiful day for golf, although a touch on the warm side for our 197 golfers. 40 teams competed in our friendly format, with many snowbirds participating in their last scramble of the season. The lasting memory for those who witnessed it was when Marjorie Fields' visitor from up north took a quick dip in the pond off the 5th tee to cool off, and was quick to exit the pond when Ollie the alligator made his appearance!

APRIL FOOLS!!

The course was in fantastic shape thanks to the extra care given by Bill and Rick. The scoring breakdown was as follows: 3 teams tied at 25, 4 at 26, 14 at 27, 12 at 28, 5 at 29, 1 at 30, and 1 at 31. Thanks to Stephanie for getting everyone out and to the many volunteers who helped check in the players, got the rules explained and collected and tabulated the results. Thanks to all the golfers who participated, I do believe a great time was had by all. Joanne takes over for the summer scrambles and the next one is scheduled for May 6th.

See you in the fall.

# VFW News

Thank you to more than 70 residents who attended the VFW's Annual Veterans and Volunteers Recognition Party on March 20. We had a nice time, enjoyed some tasty pizza and heard some good stories. Due to the end-of-season event crush experienced every March, we have decided to move this event to Monday, January 8 next year. Because of Publix Store's vendor schedule, our annual Poppy Drive is again scheduled for the last weekend in October: the 26, 27, and 28th. So I will be busy soliciting volunteers to help us out, as always.

This year, November 11 falls on a Saturday, so Veterans Day will be celebrated on Friday, November 10, and our Poppy Dance will be on Saturday, as always. All veterans: when you return in the Fall, please bring your photos and memorabilia to display in the hall on Veterans Day and the Poppy Dance. USA veterans who have participated in combat or served in Korea or other hostile occupation zones, are eligible for VFW membership. Please bring back a copy of your DD214. We are always anxious to welcome new members!

## Eating more fish may help prevent Alzheimer's

---

**A**lzheimer's, a disease that afflicts some 5.1 million Americans, is a type of dementia that affects a person's memory, thinking, and behavior. Although at this point no cure exists, you can take measures to reduce your chances of suffering from this debilitating condition.

New evidence suggests that eating more fish—as long as it's not fried—may help to protect your brain from the shrinkage and decline associated with Alzheimer's. Researchers from the University of Pittsburgh Medical Center tracked the diets of 260 people with normal cognitive function for more than 10 years. Using magnetic resonance imaging (MRI), they measured the brain volume and function of each participant at the beginning of the study, and again at the end. The results: The 163 subjects who ate fish on a weekly basis (the majority consuming it one to four times a week) had a larger orbital frontal cortex and hippocampus (two areas of the brain that are known to shrink in Alzheimer's patients) and better memory function than those who ate less fish.

The researchers determined that the risk for Alzheimer's and mild cognitive impairment was lowered fivefold within the five years following the brain scans. So start eating more fish today.

## Follow this 'Golden Rule' to reduce cancer risk

---

**W**ant to cut your risk of developing cancer? Check the color of your food—particularly your toast and potatoes. Scientists in the United Kingdom say that cooking those two items too long can increase levels of a naturally occurring chemical called acrylamide, which has been linked to cancer in rats.

Acrylamide is formed when starchy foods like potatoes and root vegetables are cooked at over 120 degrees. To reduce it in your foods, follow these guidelines:

- **Cook until golden.** Whether you're making toast, roasting potatoes, or baking vegetables, cook until the food is gold-colored, not brown.
- **Check the instructions.** Follow instructions for baking or frying packaged vegetables like fries or parsnips.
- **Keep raw potatoes fresh.** Don't put them in the refrigerator if you're going to roast or fry them. Colder temperatures can increase acrylamide levels.

## Leading by example

---

**B**ill Gates, co-founder of Microsoft, has his own private jet now, but he didn't always. On the Business Insider website, former senior vice president Brad Silverberg recalls that in the 1990s, all Microsoft employees were required to travel by commercial airline—in coach, despite the fact that by that time Microsoft was a thriving organization. On one flight from Seattle to New York, Silverberg flew with Gates and some other members of the Windows team:

“And there was Bill, sitting in coach, in a middle seat. It didn't matter to him; he spent the whole flight reading. He wasn't as universally recognized then so it wasn't such an issue for him to fly commercial. It made a big impression on me, a new Microsoft employee, seeing Bill lead by example.”

## Different priorities

---

**D**uring a Little League game, one of the batters hit a fly ball to right field that the right fielder made no attempt to catch. After the inning was over, the coach pulled his right fielder aside and asked him why he didn't even try to catch the ball.

“If I had caught that ball,” replied the boy, “I would have killed my new friend.” And with that, he opened up his glove to show the coach a caterpillar he had found in the field.

Remember this story to remind yourself that everyone's priorities are different.

## Rules apply to everyone

---

**D**uring the Civil War, Ulysses S. Grant, commander of the Union forces, had to reprimand a guard who had deserted his post. “Orders must be strictly and promptly obeyed always,” Grant told the young soldier.

A week later, the same soldier was told to guard a steamboat loaded with ammunition. His assignment: to make sure that nobody with a lighted pipe or cigar came near the boat. On the guard's first day at his new post, General Grant started walking toward the boat, puffing away on one of his famous cigars.

“Halt!” called the guard. “I have been taught to obey orders strictly and promptly, and my orders are to allow no one to approach this boat with a lighted cigar.”

With a smile at hearing his own words repeated back to him, Grant threw the cigar in the river.

## Feeling the heat

A man in Dublin went in for a serious operation. The surgery took some time and the man was returned to his room to recover. As he came out of the anesthetic he looked around his room and saw that all the shades had been drawn, even though it was early afternoon.

When the surgeon walked into the room to check on his patient, the man asked why all the blinds were pulled down.

“The house across the street is on fire,” the surgeon told him. “I was afraid that if you saw the flames when you woke up you might have concluded that the operation was not a success.”

A SMILE IS A CURVE THAT SETS EVERYTHING STRAIGHT.
