Fairway Social Committee

Sherry Moore

First of all I would like to thank everyone involved in the 4th of July Celebrations, lead by Brenda and Steve Ford. It was a great success, with more than 120 residents attending.

It is hard to believe that August is upon us so quickly, this month continues with many regularly scheduled activities along with some unique to the month. Don't forget Gail Vandesande is leading an Ice Cream Social on the 12th, and Gail Christensen is leading the 3rd Summer Fun party on the 18th, make sure you view channel 801 for the full details.

Now for some housekeeping reminders, all activities scheduled for the clubhouse on August 28th have been cancelled due to the Primary Elections, then again on the 31st in order to have all carpets cleaned. We are sorry for any inconvenience this may cause you.

Enjoy your summer, and keep safe.

Garden Volunteers Are Looking for A Few Helpers - Summer Volunteers!

The Fairway Village garden volunteers maintain the gardens at the pools and the area in front of the north pool entrance. They also tend to the garden at the directory and most of the flower pots around the Village. We get a lot of compliments from residents but we need SUMMER help.

We are working with our manager, Tiffany, to coordinate our efforts.

If you are interested in helping us keep the FV gardens beautiful call one of the following: Gail Car, 532-9790; Trish Tallamt, 615-464-5565; or Ed Watzel, 524-2988

August Koffee Klatch

Rikky Jones

The August Koffee Klatch will be on Saturday, August 18th, from 8:00 a.m. to 9:30 a.m. Come join us for donuts, coffee or tea. Donations are appreciated. Please sign up on the bulletin board in the clubhouse - be sure to include your lot # and last name..

Architectural Review Committee

The ARC Policies and Procedures Manual defines and outlines the guidelines for all exterior changes to homes as well as for replacing homes. This manual is available from the office or may be downloaded from the FVRA website (Fairway Info; Home Buyers information, ARC Revised P and P). Before you begin your project please obtain a Home Replacement or Modification Request form from the FVRA office or download it (page 12, Exhibit D, in the manual) and return the completed form to the FVRA office. The ARC, which meets most Mondays in the clubhouse, looks forward to working with you in replacing your home or planning the changes to the outside of your home.

WWW

The Centers for Medicare & Medicaid Services are in the process of mailing out new Medicare cards which will have a unique Medicare number in lieu of a Social Security number. If someone asks you for your information, money, or threatens to cancel your health benefits, hang up immediately and call 1-800-633-4227. When you receive your new card: 1) Destroy your old Medicare card right away making sure that you shred your Social Security number so it can't be identified. 2) Use your new card. Doctors, other health care providers, and plans approved by Medicare are ready to accept it, and 3) Guard your Medicare number like you would your Social Security or credit card numbers. Medicare will never contact you uninvited to ask for your personal information.

July Scramble

Joanne Thueneman

After 5 years of doing the summer scrambles we finally had to use the rain date. Not bad considering we have rains most days during the summer. Weather was humid and just a bit overcast, but a bright day for golf. Our game plan was a Best Ball, with one drive for each player, and the ladies using the men's tees and the men using the ladies.

We had 42 swinging golfers ready to go. The scores were pretty good, we had 2 teams with 25 and 2 with 27, 1 with 28, 3 with 29, 2 with 30 and 1 with 31.

The course was in great shape, as usual; our bill and Rick are on the ball, keeping up with this weather. Thank you fellas, job well done, and thanks to Stephanie for keeping us on time. Our next scramble will be Saturday, Aug. 4th. Hope to see you then.

Ladies Golf League Update

Summer league play began in April and we have averaged about 15 ladies on Wednesdays. **Highlights** have been **Hole In One's** by Nancye Statskey on Ladies' Day Wednesday May 2 on Hole #1 with a Driver and Chris Clark on Thursday June 14 on Hole #4 with a 7 Iron. They will be recognized at our League Meeting on November 19. Presently we have 76 members, including 2 NEW members and 2 NEW Honorary members for the 2018-2019 season. Our winter season play begins Wednesday November 7.

ATTENTION

After 2 years of researching into new cart manufacturers, we have chosen to represent JH Global "Star Cars" line of new vehicles. They have a 14 year proven track record in manufacturing & customer service and all of their major electrical components are US made instead of imported.

Over the years we have seen numerous new carts come and go from the market, leaving customers hanging with useless warranties and no parts available.

The cost of dry cleaning around the world

Have you ever wondered how much dry-cleaning a suit costs around the world? Maybe not, but the online dry cleaning service Zipjet did, and it looked at 100 cities around the world to find the answer.

The most expensive city for dry cleaning a two- or three-piece suit is Oslo, Norway, where the cost is \$52.03 in U.S. dollars. The cheapest is Jakarta, Malaysia, at \$2.20. Chicago ranks 53rd, with a cost of \$12.72.

Russia is the biggest user of dry cleaning services, spending \$3,265,888,189 annually. The United States comes in second, at \$3,029,470,494, followed by Brazil in third place, at \$1,065,702,298. Of 10 countries surveyed, Canada spends the least—\$500,834,651.

If you're intrigued, you can check out more information at the study at <https://www.zipjet.co.uk/2018-global-dry-cleaning-index#USD>.

Discarded tech adds up

Chances are you've got a few old cell phones sitting around your house that you haven't used in years. A recent survey by Decluttr.com found that Americans have some \$33 billion worth of discarded technology lying around, with the average U.S. home hanging onto \$264 worth of unused tech. That includes:

- Almost 60 percent of U.S. homes with more than two unused cell phones (Apple and Samsung, mostly).

- Thirty percent of people who say they keep their old phones for backup, and 30 percent who don't want to risk losing control of their personal information.
- Other devices, such as cameras (40 percent), PCs (25 percent), consoles (10 percent), and iPods, tablets and more (10 percent).

Computers are better than we are at arithmetic, not because computers are so good at it, but because we are so bad at it.

Keep your dog safe in hot weather

Dogs are often like members of the family, so you will want to treat them with care during hot weather. Here are a few tips to keep your four-legged friends happy and healthy:

- **Never leave your dog—or any animal—in the car during hot or even warm weather.** The interior temperature of your car can easily soar to 120 degrees in just minutes. The only way dogs can cool down is by panting and through the pads of their feet. Many animals die every year because their owners leave them in cars. Even if you leave the windows partially down, the temperatures can soar to dangerously high levels.

- **Don't let your dog ride in the bed of a pickup truck.** Serious eye injuries can occur from debris hitting their eyes at up to 70 miles per hour. The dog could also be thrown into oncoming traffic or could fall underneath the truck and be injured. Serious injury or death can also occur when a driver hits the brakes suddenly, swerves, or is hit by another vehicle.

- **Keep your dog away from fertilizers, plant foods, and insecticides.** They can be fatal if your pet ingests them. Don't let your pet walk or play on a treated lawn.

- **Make sure your pet always wears an ID tag.** Even if your dog has an embedded identification chip, you'll still want to make sure it has a tag so that he can be returned quickly to you if it is found. It's also a good idea to keep a current picture of your pet with you. That way, if it disappears or wanders off, you have a photo to show to people when you ask them if they've seen your dog.

- **Give your dog prescribed heartworm medicine on a regular basis.** It is also a good practice to use only flea and tick medications prescribed by your dog's veterinarian.

- **Make sure your pet has plenty of water and shade outdoors.** You'll also want to make sure your dog isn't walking on hot asphalt when the heat is high, because it can burn its paws.

Good health is not something we can buy. However, it can be an extremely valuable savings account.

—Anne Wilson Schaef

New initiative in the hunt for E.T.

The search for extraterrestrial life is moving to a new, more ambitious phase, reports an article on the Independent website. Up until now, scientists have been restricted to surveying a relatively small area of the sky, studying stars only a few light-years from Earth. A new project, called Breakthrough Listen, will use new technology at the Parkes telescope in Australia to scan a much wider area of the sky more quickly than before.

The Parkes telescope and others will gather 1,500 hours of data in 2018, then analyze it for any phenomena that appear artificial—while ruling out activity from Earth.

The project is one of several from Breakthrough, one of which includes a plan to send small spacecraft on deep-space missions far from Earth.

Don't let boredom cramp your creativity

You can't be creative if you're bored out of your skull. We all feel jaded and restless from time to time, but if you're suffering from a complete lack of stimulation, try these tricks for snapping out of it:

- **Read something new.** Pick a book by an author you've never read, or one that covers a foreign subject.
- **Talk to people.** Pick someone you don't know very well, and find out all you can about him or her.
- **Explore your surroundings.** Stop ignoring the sights on your way to work, or at work. Pay attention to all you see—look for something different and original.
- **Rearrange your space.** Sometimes shifting things around at home or at work can force you to look at your surroundings, and your life, in a new light.
- **Try a new recipe.** Get out of the rut in your kitchen. Pick a challenging recipe for dinner, or stop making the same old sandwiches for your lunch.

Happiness lies in the joy of achievement and the thrill of creative effort.
