We are still looking for a resident to lead our Bingo Night from November to April. Please contact me if you can help in any way, this activity is very special to our residents and we want it to continue. sherrymoore94@gmail.com or 902-410-7588.

I would like to thank Brenda and Steve Ford along with Sandy and Jack Crawford for stepping up to organize the 4th of July Celebrations. Watch 801 and clubhouse boards for more information. It's going to be a great day.

July Koffee Klatch

Beat the Heat! The July Koffee Klatch is Sunday, July 21, from 8:00 - 9:30. Join us for Donuts, coffee, or tea. Donations are appreciated. Please sign up at the clubhouse (be sure to include your lot # and last name). The sheet will come down on Wednesday 7/18.

Ice Cream Social

I Scream, You Scream, We all Scream for Ice Cream!

Mark your calendars. The FSC Ice Cream Social will be August 12, 2018 from 2:00 - 3:00 p.m. Come join us in the Clubhouse and "cool off" with a Sundae.

James Alexander of Alexanders Property Maintenance, Inc. is once again generously sponsoring this event.

Fun Shuffle Board - Sundays - 6:30 p.m.

COME JOIN US! Beginners Welcome!

The roof over keeps the sun and in most cases the rain out of the area.

Have a good time and make new friends.

We usually play four games and rotate playing partners and finish about 8 o'clock.

We encourage you to attend and learn this game. Once you learn rules and how to keep score residents and their guests can play and enjoy the game anytime the court has not been reserved.

Also: Last month some of the people who play shuffleboard decided to play **corn hole**/ also known as **bean bag** Thursdays at 6:30. You throw a bag and try to get it into a hole on a board.

Location: between the lake and the shuffleboard court. Sometimes we also play a game of bocce. *Give it a try! It is a lot of fun!*

Garden Volunteers Are Looking for A Few Helpers - Summer Volunteers!

The Fairway Village garden volunteers maintain the gardens at the pools and the area in front of the north pool entrance. They also tend to the garden at the directory and most of the flower pots around the Village. We get a lot of compliments from residents but we need SUMMER help.

We are working with our manager, Tiffany, to coordinate our efforts.

If you are interested in helping us keep the FV gardens beautiful call one of the following: Gail Car, 532-9790; Trish Tallamt, 615-464-5565; or Ed Watzel, 524-2988

Memorial Day

Dolly Lipson

Thanks to all who made our Memorial Day event honoring our Veterans past and present so special. With lots of folks up north, I wondered if 9:00 a.m. was too early. Never underestimate the power of love of Fairway Village residents. My heart jumped for joy seeing all of you there. How proud I felt knowing you haven't forgotten those who gave so much and are still giving. Special thanks to Guest Speaker, Jason Smith, Director VFW Service Officer - Bay Pines. His speech was very informative. His time in service is commendable. He spent time answering questions from the audience. He was so helpful and we are grateful.

Volunteers: Steve Ford, Dot DeGraff, Skip Day, Mary Blythe, Bob Dunn, Ed Day, Charlie Weaver, Gary Outzs, Joan Dunn, Mary Haag, Carol Pace, Janet Faith, Gary Haag, Donna Soper, Kathy Gustafson, Mary Redleaf, Carol Outzs, Jean Osgood and Gayla. Thanks. This couldn't have been done without you.

Monday Game Night

6:30 p.m. in the Clubhouse

We averaged 10 to 14 people playing three different games a night.

- Bring a game with you. OR: Just come and play!
- Card Games, Dice Games, Board Games, Rummikub or Dominos
- This will be a great opportunity to teach people how to play a game or learn new games.
- **Your Choice:**

You can play one game for a while and then move to another table.

Architectural Review Committee

The ARC Policies and Procedures Manual defines and outlines the guidelines for all exterior changes to homes as well as for replacing homes. This manual is available from the office or may be downloaded from the FVRA website (Fairway Info; Home Buyers information, ARC Revised P and P). Before you begin your project please obtain a Home Replacement or Modification Request form from the FVRA office or download it (page 12, Exhibit D, in the manual) and return the completed form to the FVRA office. The ARC, which meets most Mondays in the clubhouse, looks forward to working with you in replacing your home or planning the changes to the outside of your home.

June Scramble

Joanne Thueneman

The month of June always takes a toll on our golfers with graduations and weddings, but we had 36 anxious golfers ready to swing. We hadn't had the course open for a few previous days because of rain, and they were ready. All were on time and we had 9 teams finished in record time. We had four teams one each coming in with a 24, 25, 26, and 27, 3 with 28, 1 with 29 and the last with 30.

We had beautiful weather with just a bit of overcast, gentle breezes and just a few soggy spots here and there. The course was a lush green looking great as usual with Bill and Rick's loving care. As Bill explained to me having a lot of rain makes it very hard for them, keeping ahead of fungus and weeds. But they are always alert for problems. Thanks fellows, super job, we appreciate you. Thanks to Stephanie keeping us on time..

Summer hours are 8:00 to 10:30 a.m. and in July and Aug. same hours but only on Mondays, Wednesdays and Fridays. If you should be in need of renting clubs or carts, call me, my cell and home phone numbers are in the directory and I'll make arrangements with you.

Next scramble will be July 7th, all resident golfers and their guests are welcome to play, no handicaps are use, just sign them up. See you then.

July 2018

Did you know that July is also...

National Blueberry Month. This yummy fruit is packed with antioxidants and in season during July. They're great in muffins, pancakes, and pies, or on their own as a low-calorie snack. Head to a farmer's market or you-pick, and take some home today.

National Cell Phone Courtesy Month. For the next 31 days, exercise common sense when it comes to cell phone use. Keep your phone turned off when you're having dinner, taking a yoga class, or at the theater. If you are in a workplace or public setting, move to a more private location if you need to take a call.

National Recreation and Parks Month. There are 417 parks in the National Park System, as well as a multitude of historic landmarks and places, rivers, trails, and heritage areas. Go to NPS.org and find one for camping, hiking, and exploration.

Social Wellness Month. Now is the time to take stock of your quality of life. Develop daily practices that support your health and well-being. Commit to having loving and supportive relationship with family, friends, and colleagues. Make your home a clean, organized, and peaceful environment.

Everybody Deserves a Massage Week, July 15-21. The third week of July has been designated to promote the benefits of therapeutic massage and bodywork. Find a licensed professional, and book your next appointment.

Quilt Odyssey Week (Pennsylvania), July 19-22. Quilters from across the country will gather to learn techniques from the pros, network, and show off their creations.

International Plastic Bag Free Day, July 3. Only 1 percent of the 100 billion plastic bags Americans consume are recycled during the year. The rest add to the pollution of our planet and threaten all sorts of ecosystems. Let today be the day you become part of the solution to ending the waste.

National Fried Chicken Day, July 6. We will never agree on which fast-food joint does it right, but one thing is certain: Anyone who loves fried chicken will tell you that "momma" makes the best. If you're lucky, she's in the kitchen right now and the cast iron skillet is on the stove.

Simplicity Day, July 12. Celebrated on the birthday of Henry David Thoreau, this day is observed to raise awareness regarding the need for sustainable living. Find ways to live in harmony with your environment and reduce your ecological footprint.

Consumers nervous about online data

If you're worried about how well businesses are protecting the data they collect from you, you're far from alone. A survey from IBM found that 77 percent of consumers say that an organization's ability to keep their personal data secure is a factor in their buying decisions—and only 20 percent say they “completely trust” businesses to ensure their privacy.

The survey also found that 75 percent of buyers refuse to purchase from organizations they don't trust, regardless of the quality of their products. Another finding: Almost three-fourths of consumers believe that sellers are more concerned about profits than about privacy and data protection.

Retirement: Golden years or a fading dream?

Americans these days are worried about their retirement—and whether they'll even be able to retire.

A Willis Towers Watson survey of approximately 5,000 U.S. workers found that 37 percent expect to keep working to age 70 or longer, up from 30 percent two years ago. Only 26 percent believe they'll be able to retire before they're 65, a drop from 29 percent in 2015.

Minimum wage: What should it be?

Debates about the minimum wage have been heating up for years. To find out what Americans think it should be, CreditLoan surveyed 2,669 people across the country. The results? People in every state said it should be higher than the current federal level of \$7.25 an hour. On average, Americans support a minimum wage of \$11.56 an hour, allowing employees working 40 hours a week 52 weeks a year to earn \$24,044 for the year.

Most Americans, though, don't even know what the minimum wage is. Just 35.5 percent identified the actual amount correctly. The average estimate was \$8.09 an hour.

Life on Venus? Don't write it off yet

Venus seems an inhospitable spot for life to develop, with its superhot surface and an atmospheric pressure 90 times stronger than Earth at sea level. Yet, a Fox News website article suggests, ruling out the possibility of life on the second planet from the Sun may be premature.

Venus had a more temperate environment billions of years ago, covered by seas for eons, and thus may have been habitable for some organisms for much of its history. Today, its upper atmosphere is much less forbidding and comparable to the pressure and temperature of Earth's surface. Some scientists speculate that ancient life could have risen and migrated to higher altitudes after the dramatic climate change that turned Venus' surface into the barren landscape it is today. Others suggest that microbial life could have arrived on Venus from Earth, borne on rocks hurled into space by meteorite impacts over the last 4.5 billion years.

The opposite could also be true—meaning that Earth could have been “invaded” by Venusian life in the distant past.

Sharpen your powers of persuasion

You need other people's help if you want to succeed. Try these two tips to get them on your side:

- Give to get what you want. It's the code of reciprocity—people are more likely to go along with your ideas if you give them something first. For example, leaders at the Disabled American Veterans discovered that when they mailed fund-raising letters without a perk, about 18 percent of their appeals were successful. When they included free personalized address labels, they had a success rate of 35 percent.

- Call people to nobler conduct. If you are seeking agreement on an issue, allow people the chance to contribute. For example, a Chicago restaurant cut its reservation no-show rate from 30 percent to 10 percent by asking people to call if their plans changed rather than telling them to call. In pausing after the question, “Will you please call if you have to change your plans?” restaurant staff found customers more willing to commit to an answer.

If you are working on something that you really care about, you don't have to be pushed. The vision pulls you.

—Steve Jobs
