FOUR SEASONS ESTATES ROC, INC.

Ed Shuman, President, Lot #144, email: edwardshuman@att.net, phone 586-246-4883

Hello everyone. I want to remind everyone that it is against the law to feed most wild animals. One of our residents, who was warned against doing so, continued to feed an alligator in our east canal. This alligator began coming on shore which means it was no longer afraid of humans. The authorities were called and this resident was fined.

We had someone in our area begin feeding the birds. Then the turtles showed up. It was so cute when the egrets began perching on their roof and waiting on their deck to be fed. The turtles lined up on the shoreline. Then the gators showed up, wanting to be fed. They then decided they were not going to wait at the back of the line and came on shore. When wild animals are fed they will come back to be fed again and again. They become dependent on that food-source. They no longer hunt for their own food source. When the humans feeding them are gone they will keep returning to the place where they were fed and may even approach someone they see. It could be you, a spouse, a friend, or a grandchild. Feeding some animals can lead to fines, and more fines, and then jail.

There has been talk around the park about starting a Neighbor Helping Neighbor organization. Let's start thinking about how we can help one another. There has also been talk about making the park more eco-friendly. Get your ideas together!

I hope everyone has a terrific 4th of July. Stay healthy, stay safe. Ed

ROC BOARD CHANGES

Nora Skelding, Email: gn.skelding@hotmail.com

With the changeover of board members in April, I wanted to take the opportunity to express our appreciation to Gerri Howlett as our outgoing board member and welcome DeeVon Schisler as our incoming board member and new Secretary on the Executive Board.

Many residents will know the contributions Gerri has provided to the ROC board over the years as she was always visible in those major projects – the pool being the best example – getting right in and digging trenches for new electrical wiring, supervising the paver installation, responding to plumbing issues and ensuring all residents were aware when pool was open or closed. Her project was finally done this year with the completion of the Tiki Hut (old medical

shed) and personally preparing it for the beautiful artwork that was done by Lise Nichol and Angie Simon. The pool area now looks awesome and can be utilized for many special events! Thank you Gerri for all of your hard work on the many board issues and projects, and for your incredible tenacity in striving to make our park the great place it is today!

Secondly, a special welcome to our newest board member DeeVon Schisler who moved into the park over a year ago with her husband Wendell. DeeVon hails from Illinois, where she and her husband return for the summers. They have a blended family of 4 children and 6 grandchildren. She held the Secretary position in her previous park home, so she brings a lot of board experience with her. DeeVon also has quite a diverse working career, ranging from 20 years in long-term healthcare management, manager for a Sherwin Williams store, tractor trailer driver hauling steel and last but not least, an EMT! She officially retired as the Field Office Manager of a Home Health Agency 4 years ago, but is currently completing her EMT recertification to join the fire & rescue back home in Illinois. This certification is also valid in Florida. I join all park residents in welcoming DeeVon and Wendell to Four Seasons and thank her for taking an interest in the management of our park through her new role on our Board of Directors!

We are still into our summer mowing schedule - Check the calendar for Tuesday mowing dates.

Please take a look at the East and West Canals. You will notice that shrubs, grass, weeds, hydrilla and other exotic plants are turning brown - this is due to Aquagenix coming out and spraying their first treatment on the canals. They will return for a second treatment on June 21st. Also on the East Canal near Ulmerton you will notice that all the tall weeds have been dug out, it looks beautiful over there now. Aquagenix did leave one shrub, the reason being is that shrub had eggs in the middle of it and they did not want to disturb the nest.

If you need repair to your home, please remember to hire only licensed and insured contractors. If you have any questions, contact the FSE office. Please come to the office for a Construction Request, you only need a construction request for work you are doing to the outside of your home, ex (mailbox, painting house, painting driveway, gardens, windows, roof, siding, concrete, pavers, carports, doors, handrails, awnings etc.). A construction request needs

Continued on page 10

to be filled out and approved by our Construction Committee. You will also need to check with the City of Largo to see if your contractor will need to pull a permit. Most contractors know whether they need a permit or not. PLEASE make sure that the office receives a copy of the permit.

If you see the Coyotes running around please call Wildlife Rescue and Rehabilitation, Inc. @ (727)319-4121. This is the company that caught some of the other coyotes so they are familiar with the park. Residents need to call as soon as you see them, do not wait!

ALLIGATORS!!! If you see anyone feeding an alligator please report it to FWC Law Enforcement, this kind of behavior is illegal and they will get fined. I have posted flyers with the law enforcement phone number up at the Clubhouse or you can call the office and request the number. I also have a FWC open permit for catchers to come out and catch the alligators. One 6ft alligator was just caught last weekend. We have caught about 4 in the last year.

Four Seasons has five empty lots - #162, 205, 366, 440 and 446. Lots #440, #205 and #446 have houses that have been approved and the housing committee is ready to move forward with the permits for these homes. I have been staying in touch with Nobility Homes requesting an exact delivery date of #205 which will be the next home to be delivered.

Please let Holly know if you ARE NOT receiving VOLO messages so we can update our emergency list. All the emergency messages are sent by phone call, text message and/or email, so if your phone number has changed or your email has changed it is important to let us know.

If you have any questions on plants, flowers, grass etc. you can speak to Holly in the office, our master gardener and she may have some answers or resolutions to your questions. We are considering starting a safe green way to take care of your yards and plants here in Four Seasons in the coming months please look for reports from me on this subject.

PLEASE LET THE OFFICE KNOW IF are leaving the park for any length of time. And notify the office when you return. This helps to keep our resident records up to date. Provide any up to date telephone numbers and update emergency contact information. Many times, the numbers are outdated in just a short time.

Please make sure to dispose of your cigarettes properly. I've been noticing a lot of cigarette litter in the park. Cigarette waste has an enormous effect on environmental and health issues - it is more than just litter. Cigarette filters are not biodegradable and will never disappear.

If your planter is overgrown and needs attention, or your house needs power washed, or your driveway and home need painting the FSE office will send out a violation letter to inform you that this work needs to be done in a timely manner (please read the rules and regulations). Now please understand that some of these letters that go out do take a while for you to receive, so sometimes the work is completed before you receive the letter. If that's the case just call the office and let us know. Please be sure that the outside of your home is kept neat year-round. Alexanders will no longer be doing summer weeding.

If you have time please check out the Cul-de-sacs on the west side of the park. Clay and James have done a beautiful job building a new concrete wall, planting shrubs, mulching and

JULY GARDENING TIPS FROM OUR MASTER GARDENER, HOLLY ROSS

What to Plant

Annuals/Bedding plants: Summer annuals to plant now include celosia, coleus, torenia, and ornamental pepper. See Annuals: http://edis.ifas.ufl.edu/topic_annual_landscape_plants

Bulbs: Butterfly lily and gladiolus can be planted during the middle of summer. See Bulbs for Florida: http://edis.ifas.ufl.edu/topic_bulbous_flowers

Herbs: While summer is too hot to start herbs from seeds, many do well if started from small plants. See Herbs: http://edis.ifas.ufl.edu/topic_herbs

Palms: Continue planting palms while the rainy season is in full swing. Support large palms with braces for 6–8 months after planting. Nails should not be driven directly into a palm trunk. See Palms: http://edis.ifas.ufl.edu/topic_palms

Vegetables: Start your Halloween pumpkins this month, but watch out for mildew diseases. Okra and Southern peas can also be planted. See Vegetable Gardening in Florida: http://edis.ifas.ufl.edu/topic_vegetable_gardening

What to Do

Trees: Prepare for hurricane season by checking trees for damaged or weak branches and pruning if needed. Hire an ISA-certified arborist. See International Society of Arboriculture: <http://isa-arbor.com/> and Pruning Landscape Trees and Shrubs: http://edis.ifas.ufl.edu/topic_tree_pruning

Lawns: Determine the cause of any lawn problems before taking action. If an insect is the culprit, treat only the affected area. Rule out disease or sprinkler malfunction. See Garden Pest Insects: http://edis.ifas.ufl.edu/topic_garden_pest_insects

Fertilizer Bans: Some municipalities in central Florida prohibit the application of fertilizer to lawns and/or landscape plants during the summer rainy season (June–September). See if such an ordinance exists in your area.

Vegetable garden: Use summer heat to solarize the vegetable garden for fall planting. It takes 4–6 weeks to kill weeds, disease, and nematodes, so start now. See Soil Solarization: http://edis.ifas.ufl.edu/topic_soil_solarization

Azaleas: Prune no later than mid-July to protect developing buds for next spring's bloom. See Azalea: http://edis.ifas.ufl.edu/topic_azalea

Irrigation: Install an inexpensive rain shutoff device to save money by overriding an irrigation system when it rains. If one is already installed, check that it is operating properly. See Landscape Irrigation: http://edis.ifas.ufl.edu/topic_landscape_irrigation

Pests on ornamental plants: Inspect the leaves of azaleas and ornamental plants for small white dots that may indicate lace bugs at work. Spray forcefully with water to help control this pest. See Landscape Pest Management: http://edis.ifas.ufl.edu/topic_landscape_pests_and_Landscape_Lace_Bug_Pests

Citrus: Check citrus trees for damage to fruit or leaves and take action to minimize the effect of insects and/or disease on developing fruit and the overall health of the tree. See Home Citrus Culture: http://edis.ifas.ufl.edu/topic_citrus_home_citrus_culture

A HANDY LITTLE PRAYER

Submitted by Sandy Kurt

In a recent blog, Father James Martin, SJ, culture editor of America magazine, shared the story of his friends' children, who told him about the prayer, attributed to Pope Francis, that they had learned. The prayer is a great learning tool worth considering. Be sure to share it with the little ones in your life. Here's a slightly edited adaptation of Father Martin's version.

Use your hand to teach the following:

1. The THUMB is the closest finger to you, start by praying for those who are closest to you. They are the people easiest to remember – your family and your friends. To pray for the people we love is a 'sweet obligation.'
2. Next is your INDEX FINGER, so remember to pray for those who teach you and heal you. They need the support and wisdom to care for and lead others. Always keep them in your prayers.
3. Following your index finger is your TALLEST FINGER. It reminds us of our leaders: the presidents, kings and queens, governors, mayors and all those who have authority. They need God's guidance to lead with wisdom and the heart of a servant.
4. The fourth finger is the RING FINGER. Even though it may surprise you, this your weakest finger. It should remind us to pray for the weak, the sick, the poor and all those who face many difficulties. They need our prayers.
5. Finally, we come to the smallest finger, the PINKY. Your pinky should remind you to pray for yourself. When you are finished praying for the other four groups of people, you will be able to see your own needs from the right perspective. This will help you pray for your own needs in the best way possible. Amen.

WHY EXPERTS THINK YOU SHOULD SKIP THE MILK AND BREAD AND HEAD STRAIGHT TO THE PRODUCE AISLE BEFORE AN EMERGENCY

Weather emergencies are no joke. Hurricane season has already begun, and though I've never lived through a bad one, I did make it through this winter's east coast blizzard, and I've dealt with plenty of power outages during serious summer thunderstorms. Whenever the weather channel tells me it's about to get real, I trudge to the grocery store with my reusable canvas bags and my credit card and practically buy out the entire canned foods aisle, plus bread, milk, and bottled water.

Turns out, I've been doing it all wrong. I mean, there are plenty of things you should always keep in your pantry (from peanut butter, to crackers, canned tuna, soups and bottled water), but when you've got time to shop before a natural disaster strikes, it's most important to stock up on fresh produce, says Barry Swanson, a food scientist at Washington State University. "You want some nutrients and some fiber—something to keep your diet normal."

Although you may think of fruit and vegetables as having a shorter shelf life, Swanson says many of them can last for quite a while. Here's a list of go-to fruits and veggies, and the reason behind why you should be sure and snag a few before the next storm.

Apples. Skip quick-ripening bananas and reach for long-lasting apples. They're high in fiber, and can last for up to three months when stored somewhere cool and dry.

Citrus fruits. With high acid content and thick skin, fruits like oranges and grapefruits can last for up to two weeks without refrigeration, particularly if you buy them on the under-ripe side. Plus, think about all that vitamin C you'll be getting, and the hydration from the juice.

Avocados. Buy this one unripe, and it will last for at least a week at room temperature, providing plenty of vitamins and minerals (and a damn delicious meal during a crisis).

Tomatoes. When purchased unripe, these antioxidant-packed fruits (nope, not a vegetable!) will last for up to a week unrefrigerated.

Continued on page 26

Potatoes, sweet potatoes, and yams. These tasty root vegetables, loaded with potassium, will last for about a month if stored in a cool, dark place.

Cucumbers and summer squash. These vegetables will last a few days without refrigeration and don't need to be cooked.

Winter squash. These guys should keep for up to a few months. If you've still got access to a working stove (or outdoor grill), cooked squashes such as acorn and butternut are nutritious and delicious.

Assuming you've got a working cooking source, most of these veggies can be cooked up into a yummy soup, but plenty of them can be eaten raw and will last you quite a while and make sure you have plenty of stormy entertainment to keep you busy when you're not eating! (Alex Richards - from the internet)

THE STINGRAY SHUFFLE

The "stingray shuffle" is a step unique to the warm, shallow waters of the Gulf of Mexico. Stingrays migrate annually in large numbers to these waters, where they give birth and stay to feed. Stingrays cover themselves with a thin layer of sand, so people wading in shallow water are apt to step on them. When this happens, the stingray reacts by swiftly whipping its tail. The tail may strike a foot or ankle several times causing a sharp stab of pain. As a result, waders are encouraged to shuffle their feet in the surf, not put them down in normal walking fashion. If you are stung by a stingray, wash out the wound with salt water, then soak it in hot water for 30 to 60 minutes. If redness, puffiness, or tenderness continues for 24 hours, or if pain increases, consult a physician, these may be signs of infection.

RESIDENT UPDATE

Angela Shuman, #144, red5hot0moma@hotmail.com, phone, 727 200-3240

Wow! I'm not sure where June went, but we are now into July. At this time I haven't received any notification of new residents. If you are new to the park and haven't returned your interview sheet to the office, please do so. You only need to input the information you want us to share. This is how we know your birthday and anniversary so we can announce at our Wednesday Koffee Klatch and print in our monthly newsletter. This is also how you will get into our yearly Telephone Directory.

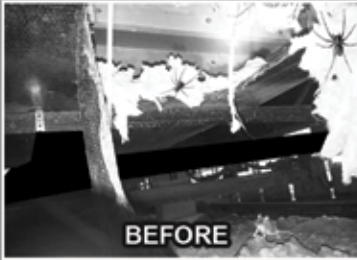

We have a several dozen new residents that may not be in the new Telephone Directory that will be delivered soon. Why? No interview sheet was turned into the office. So if your name is missing, please contact Holly in the office for an Interview Form, fill out and return to her. We can then make sure you are in the 2019-2020 Telephone Directory.

Russell O'Donnell, Lot 403, passed away on May 28. Please keep his family and friends in your thoughts and prayers.

Hoping you all continue to have a great summer. Please keep positive vibes coming to us for no bad storms. Angela

IT'S HERE FOLKS! Tropical Storm Season June – November

We are starting month #2 and have already experienced Tropical Storm Alberto and lots of much needed rain.

But are you prepared? Because we live in a mobile home community we will be required to evacuate in case of a hurricane. Where will you go? Do you have your medications at the ready with a supply of them in case you are gone for an extended length of time? What about food and water? Clothes? If you need help due to medical issues, there is a form that must be completed and returned to the Largo Fire Department before it's needed. You must be in their data base now. Check with our FSE office for the necessary form – copies are also on the credenza in the clubhouse.

First thing - where would you go? Friends or family? Hotel? Shelter? Which hotel would you go too? How long will it take you to get ready to evacuate? Remember you have to also prepare the outside of your home. Bring in "flying" objects like outside chairs, tables, plants, decorations, BBQ grills, etc. How long will this take? Put your awnings down! Will you need help? Is there gas in your car? The gas pumps won't work if no power? Do you have cash available in case there is no power and you can't withdraw from an ATM? Most stores won't take a credit/debit card.

FOOD? What do you have in your evacuation kit? Put high protein non-perishable food items like tuna, chicken, spam, beans, peanut butter, spam, maybe some dry cereal cups, crackers. How about non-refrigerated milk. Can opener? Plastic ware? Paper plates, and napkins?

BEDDING? If you have to leave, do you need to bring bedding supplies with you? Your favorite blanket or pillow? What about bath towels and toiletries?

CLOTHING? What will you need for a couple of days? What about a week? Warm clothes in case of a chill? Rain gear? Footwear?

MEDICATIONS? Do you have your medications together? Do you have enough for a couple of weeks in case pharmacies are closed or shipments can't get in? If hurricane is called you can get a two week supply before you have to evacuate. Call your pharmacy. If the medications are in refrigerator do you have a note in your evacuation kit to remind you to grab them? Do you need needles? Alcohol swabs? Do you have a first aid kit?

DO YOU HAVE A NOAA weather alert radio/device? Make sure you have it on and if it needs batteries put them in in case of electrical outages. Are you listening to the weather to keep track of what the updates are? **DONT PANIC BUT BE PREPARED!** Also if you have a **CELL PHONE** and there is no power how will you charge your phone? If you need to purchase a power bank, make sure it is fully charged before evacuating. If you have a **C- PAP** or other **MEDICAL DEVICE** how will you run it if we have no power? You can check on Amazon or other places for a personal generator. They can be recharged with home AC, car cigarette socket, or solar. **BE PREPARED IN CASE!**

continued on page 34

IMPORTANT PAPERS - take them with you. If you have a fireproof box take that! Let your family and friends know where you will be staying for the duration. Have one person be your immediate contact and let that person spread the information. Let the office at Four Seasons know where you are going and when you are leaving. Let the office know when you return.

Additional information is on the credenza in the clubhouse. Please take what you need. God Bless and Keep Us Safe,

IF YOU THINK THAT YOU HAVE BEEN EVERYWHERE - READ THIS: September 17-20 travel to WACO, Texas on a "FIXER UPPER" trip. Join us in rustic Waco for HGTV's Fixer Upper (you may see familiar faces from the show). It includes remodeled homes, featured craftsmen, and Chip & Jo Anna's new restaurant, "Magnolia Table." If you think of yourself as a handy man now, after this trip you may be a master of your craft! Trip includes R/T air from Tampa (or arrange from your city) with transfers, step-on guide for a tour of Dallas, 3 nights hotel, 2 breakfasts, 2.5 hour tour of Waco with photo stops at some Fixer Upper houses, Harp Design Co., The Little Shop of Bosque, and more. Visit JDH Iron Works with shopping then on to Magnolia Silos for lunch (opt. trip to Magnolia Table in the evening), gratuities and fully escorted. \$1099. pp dbl; \$1328. pp sgl. If this interests you, call the agency at 866-824-1613 now. Final payment is due now to hold reservations. I regret that I couldn't get it in the June newsletter. I feel the diversity of this trip is worth a late notice.

For a Christmas trip join me in going to Ft. Lauderdale Dec. 12-14 for the 35th annual Christmas Pageant. It is an incredible production of performers, an orchestra and more. Go with us on a cruise down the "Venice of America" followed by an island dinner and performance. Included will be a stop at Sawgrass Mills Outlet Mall for your late Christmas ideas. Trip includes motor coach, 2 nights hotel, the Pageant, the cruise, 2 dinners, 2 breakfasts, 1 lunch and gratuities. \$529. dbl; \$639. sgl. Maybe we will see Santa and give him our Christmas list!

Flyers for the above trips are on the travel board in the clubhouse along with information on the 14 night cruise with 9 ports and the Panama Canal on November 14 and the 10 night Southern Caribbean trip on Jan. 27, 2019. Both cruises are with NCL and you will have your choice of two perks from a list of five. Gratuities and a drink package are 2 of the 5 choices.

Contact me at the number above or e-mail or call the agency direct at 727-576-4010 or 866-824-1613 and please mention my name when speaking to the agency. Let me know where and when you want to travel.

FYI

ROC: (Resident Owned Community). **If you own a share in FSE**, you are a share-owner and are encouraged to attend all ROC Board meetings.

HOA: (Homeowners Association). **If you own your home in FSE, but do not own a share**, you are a homeowner and are encouraged to attend all HOA Board meetings.

SAC: (Social Activities Club). **ALL residents of Four Seasons Estates** (share-owners, homeowners and seasonal renters) are members of the SAC. Everyone is welcomed and encouraged to attend the SAC meetings.

Our Board members are listed on the inside front cover of our monthly newsletter. All Board meetings will resume in the fall and will be noted on the monthly calendar.

DONATIONS TO THE SHED

Tom Smith, SAC Chairman of Information, tom200486@yahoo.com, 585 737 3589

The SAC is looking for donations to the Shed. We are looking for new or slightly used items. Maybe you are making room in your home by cleaning out some of the items you no longer need. Please think of donating them to the Shed. They can be left outside the Shed door (if the weather is nice) or we could arrange to pick them up. Thanks for supporting the Shed. Also remember our Flea market in February will be needing donations.

VETERANS WALL OF HONOR

Dan Gregorio, #378, 584-8236

Thank you, veterans, for your service. If you have served in the military, we would like for you to join us and take your place on the Wall of Honor in our clubhouse. We would like to have a picture of you in uniform and a current picture. Pick up an info sheet from Desiree or Holly in the office, to provide certain stats about your service and I will prepare them for the wall. You may also drop off your photos and info to Desiree or Holly. You'll notice that a small dove is placed on the photo of those park veterans who are deceased. We are very proud of each of our residents who have served our Country or any of the allied Countries. And we are very proud of our Wall of Honor – it is a beautiful tribute to all of our Park veterans.

MEDICAL SHED

Chris Helopoulos, #372, 954-895-4681

We currently have walkers, wheelchairs, quad canes, bedside commodes, and shower chairs in the Medical Shed. Please give Chris a call if you need to borrow any of these, or if you have something to donate.

MONTHLY MEDIA NEWSLETTER DISTRIBUTION

Mandi Harman-Ashley, #373, 255-2437

ALL RESIDENTS MUST PROVIDE A CONTAINER SO THAT YOUR MONTHLY NEWSLETTER DOESN'T BLOW AWAY. We cannot put the newsletter in the US Postal Box/Mail Box.

The publisher delivers only enough newsletters for our park – one per coach. We generally don't have any extras and many are blown away or get wet unless there is a park mail pouch. If you don't get a newsletter delivered to your door, please pick one up in the clubhouse on the credenza by the office, after the 1st of the month. You can also view the newsletter online at www.monthly-media.com.

These are our current Four Seasons Forum delivery people. Sometimes your delivery person will be moved to fill another route as needed and there may be changes as new people come on board. Back-up volunteers are always needed. Please let me know if you are interested and available to be a substitute when needed.

Monthly Mania: It Pays (Up to \$100) To Patronize the Advertisers in Your Newsletter

THOUSANDS manufactured home residents have won over **\$140,000** since our contest began. It's simple to play ... when you patronize a current advertiser, ask for a Monthly Mania ticket (or a reasonable facsimile) and fill it out completely. Put the ticket in our Monthly Mania drop box in your community or **mail your paid receipt** to us at **Monthly Media • 220 Bahama St. • Venice, FL 34285**. That's all you do.
