FOUR SEASONS ESTATES ROC, INC.

Ed Shuman, President, Lot #144, email: e.c.dreamer@live.com, phone 586-246-4883

Hello everyone. Well, here we are already beginning the third month of the 2016 hurricane season! Angela and I did some traveling for a few weeks, but we're happy to be back home even though the temperature in Largo has been higher than normal and the heat is oppressive. Be sure to stay hydrated and out of the sun during the hottest part of the day. Our pool is like bath water and the Gulf temperature is 89 degrees. Typical summer in Florida! We miss our seasonal residents and look forward to seeing you all in the fall. Regards to all, Ed.

HOMEOWNERS ASSOCIATION

Doc Wells, Parliamentarian, Lot #115, email: tinossip2@yahoo.com, phone: 727-644-7400

There is not a lot of news happening with in the HOA during the summer months, but we still want to keep in contact with our members. Hoping that all residents of Four Seasons Estates that are vacationing up North are enjoying their time away and maybe enjoying some cooler weather.

As usual John Jones President of HOA and I are continually looking for past history of Four Seasons Estates. Don't hesitate to email me if you have a story or two to share about the early days of FSE. Our summer months are pretty quiet, but we are looking forward to our first HOA meeting in October. I hope everyone enjoys the remainder of the summer wherever you are!

PARK MANAGER'S REPORT

Michael W. Davis, Office phone: 727 584-1413, email: mdavis@associagulfcoast.com

As reported for the past two months, the ROC Executive Board approved the use of Volo Village, an automated communication tool to reach each resident family in an emergency. We were able to purchase the system for half its usual pricing. Letters went out to all residents explaining how it works and giving each resident family the option to choose how they would like to be contacted. As many of you may know, our friend and long time resident, Diane Guckin, was hired by Associa just weeks before her untimely death to help with the administration of Volo Village. We are all very saddened by her passing.

The summer mowing schedule continues in effect - every Tuesday weather permitting.

The clubhouse interior painting project is on schedule and should be completed by August. We continue to assess the effectiveness of the two removable speed bumps installed at the second entrance. Signs have been placed on either side of the street to alert drivers. These are recyclable rubber & short in height. **Please everyone be mindful of our 10 MPH speed limit**

throughout the park and observe all stop signs – for everyone’s safety.

Corner pool drainage project commenced; will be completed soon.

Possible water line replacement remedies are being placed on the table for discussion.

The beautiful new coach at # 484 is now under contract, closing set for August. Anyone interested in the new coach at lot # 480 should contact Desiree, our licensed dealership agent. A sign has also been placed at lot #366 stating that it is available for any one to put their new home there. We are also awaiting the placement of two privately owned units (as of this writing, demolition has begun at #352).

I continue to work with Mathew Gredzlo, Pinellas County canal rep, regarding the growth in the canal and along the banks. We continue also to remove any dead trees and invasive plants throughout the park. Please notify the office if you see anything that needs our attention. Palm tree trimming was completed by Alexander’s the end of June.

Contacted City of Largo rep Ken Anderson @ 727/587-6718 regarding concerns about the channel. They did some cleanup on the channel between FSE & PW in mid-July and I expect them to be back with the vehicle/machine to remove weeds at the culvert. I will continue to ask Ken Anderson for some type of schedule. He has agreed to come speak to us at KK.

Julie Williams Officer City of Largo will also be scheduled to come speak to us, mainly about preventative safety issues.

Beware of Alligator signs ordered, & implemented soon along the canal/channel.

It is important for our summer residents to let Desiree know when you leave the Park even for a week. For the safety of all residents it is imperative that we know which units are occupied or unoccupied.

It is always helpful to know when guests are visiting. If they are using the pool, please be sure that they are wearing green identification bracelets. **And a reminder to all: if you are the last person out of the pool, remember to put the rope back across the pool. We could be cited if the pool is empty and the rope is not in place – should a Department of Health inspector make a surprise visit.**

If you notice a street light out in your area, jot down the number on the pole and give Desiree a call. She will notify Duke Energy for repair.

For those owners who wish to have Alexander’s (or any individual/other company) care for your planter and/or flower beds while you are away, I am requesting that you deal directly with Alexander’s and contract with them. The FSE office will not be responsible for any contractual agreements between a home owner and Alexander’s (or any individual/other company). You must deal directly with the company (or the individual) – phone 727-535-7314 or info@alexanderspm.com. Ryan Hudson is our representative and is usually in the Park on Tuesdays.

We also continue to appreciate your cooperation on our trash/recycling pick-up days. Trash in a covered trash receptacle will keep the streets clean and the animals and birds under control. An instructional flyer will be left at your coach’s door when a proper trash receptacle is not implemented.

SUCCESS: To laugh often and love much; to win the respect of intelligent persons and the affection of children; to earn the approbation of honest critics and endure the betrayal of false friends; to appreciate beauty; to find the best in others; to give of one's self; to leave the world a bit better; whether by a healthy child, a garden patch or a redeemed social condition; to have played and laughed with enthusiasm and sung with exultation; to know even one life has breathed easier because you have lived - THIS IS TO HAVE SUCCEEDED.

FLORIDA TROPICAL STORM SEASON JUNE - NOVEMBER

Submitted by Angela Shuman

Well, we are starting our 3rd month of hurricane season and except for Tropical Storm Colin early in June, we seem to be doing OK! But just in case here are a few reminders!

Where will you go? Do you have your medications at the ready with a supply of them in case you are gone for an extended length of time? What about food and water and clothes, etc?

First thing - where would you go? Friends or family? Hotel? Do you need help by police/fire - there are forms that must be filled out and turned into them before a disaster strikes. Which hotel would you go to? How long will it take you to get ready to leave? Remember you have to also prepare the outside of your home - bring in "flying" objects like outside chairs, tables, plants, decorations, BBQ grills, etc. how long will this take? Put your awnings down! Will you need help? Fill up your gas tank before the storm is upon us - the gas pumps won't work if no power? Do you have cash available in case there is no power and you can't withdraw from an ATM - most stores won't take a credit/debit card.

FOOD? What do you have in your evacuation kit? Put high protein non-perishable food items like tuna, chicken, beans, peanut butter, spam, maybe some dry cereal cups, crackers. How about non-refrigerated milk? Can opener? Plastic utensils, paper plates, napkins.

BEDDING? If you have to leave do you need to bring bedding supplies with you? Your favorite blankets or pillow? What about bath towels?

CLOTHING? What will you need for a couple of days? What about a week? Take warm clothes in case of a chill? Rain gear? Footwear? Anything special?

MEDICATIONS? Do you have your medications together? Do you have enough for a couple of weeks in case pharmacies are closed or shipments can't be delivered? If the medications are in the refrigerator do you have a note in your evacuation kit to remind you to grasp. Do you need needles? Alcohol swabs? Do you have a first aide kit at the ready?

DO YOU HAVE A NOAA weather alert radio/device? Make sure you have it on and if it needs batteries put them in just in case of an electrical outage. Are you listening to the weather to keep track of updates? DONT PANIC BUT BE PREPARED!

IMPORTANT PAPERS: take them with you. If you have a fireproof box, take it with you! Let your family and friends know where you will be staying for the duration. Let the office at 4 Seasons know where you are going and when you are leaving. Let the office know when you return to your home.

Most of the local newspapers have hurricane readiness information and this came from the Verizon/Frontier telephone book. God bless us and keep us safe.

New Alphabet:

A is for apple, and B is for boat, that used to be right, but now it won't float!
Age before beauty is what we once said, but let's be a bit more realistic instead.

Now The Alphabet:

A's for arthritis; B's the bad back, C's the chest pains, perhaps car-di-ac?

D is for dental decay and decline, E is for eyesight, can't read that top line!
 F is for farting and fluid retention, G is for gut droop, which I'd rather not mention.
 H high blood pressure--I'd rather it low; I for incisions with scars you can show.
 J is for joints, out of socket, won't mend, K is for knees that crack when they bend.
 L's for libido, what happened to sex? M is for memory, I forget what comes next.
 N is neuralgia, in nerves way down low; O is for osteo, bones that don't grow!
 P for prescriptions, I have quite a few, just give me a pill and I'll be good as new!
 Q is for queasy, is it fatal or flu? R is for reflux, one meal turns to two.
 S is for sleepless nights, counting my fears, T is for tinnitus; bells in my ears!
 U is for urinary; troubles with flow; V for vertigo, that's dizzy, you know.
 W for worry, now what's going 'round? X is for X ray, and what might be found.
 Y for another year I'm left here behind, Z is for zest I still have—in my mind!
 I've survived all the symptoms, my body's deployed, And I'm keeping twenty-six doctors
 fully employed! HAVE A GREAT DAY!

Marilyn Franz, Editor

If you are away from the park at any time, you can view our Forum newsletter in full color - go to www.monthly-media.com. It looks terrific! You will also be surprised to see how many other parks are serviced on a monthly basis by our publisher. There are 5 zones, 60 parks, and over 21,000 homes! Four Seasons is listed in the Sandpiper Zone. The newsletter on line is available each month between the 1st and 4th of the month.

I encourage you to check out the Services Directory printed each month in our Four Seasons Forum; use the vendors listed and thank them for choosing to advertise with Monthly Media. Our newsletters come to us without charge due to the advertising in each issue.

RECYCLE ITEMS IN THE CLUBHOUSE

Don't throw away those old cell phones, eyeglasses, or flags. They can be recycled! There are baskets in the credenza in the clubhouse (by the office) – we gladly accept your items for recycling. Also box-tops for education are collected and brought across the street to Fuguitt School. **The annual flag retirement ceremony is scheduled for November 12.** A small group of faithful helpers spent an hour after KK one week in June to help Joyce prepare the flags for the ceremony. I'm sure we'll do it again (even a couple of times) so that all will be in order by November and it won't be such an overwhelming task. Thanks for your help!

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

WHERE IN THE WORLD HAVE YOU BEEN?

If you have been traveling this summer and would like to tell us about your trip, please email the Forum Editor at moosicldy@aol.com. Articles will be used as space permits.

HERE WE GROW AGAIN!

Desiree Jenkins, Office Manager, phone (727) 584-1413, email DJenkins@associagulfcoast.com

I'm happy to report that the new home #484 is under contract and will close in August. The new owners are Jack and Cindy Stiles (father and daughter). A new home at #480 has arrived and is in the process of being completed. Lot #366 is also available for anyone wishing to put their own new home at this location.

I am a licensed agent and our Park Agent of Record. I have completed the necessary courses and became licensed through the State of Florida as a sales representative under the Four Seasons Estates Dealership License to sell Four Seasons inventory homes ONLY.

It is a pleasure for me to be working with the ROC Board, FSE Management and our newest homeowners. Please contact me at the phone number above or email me if you have any questions about our New Home Program.

Some of our 4 Seasons residents are members of the TBCS and highly recommend it. Classes are interesting and members have a wide range of knowledge and experience and monthly meetings feature topics of interest to all. They also have a free computer repair clinic available to members. For more information, visit the website: www.tampa-bay.org. TBCS, 300 S. Duncan Avenue, Suite 275, Clearwater FL 33755 – phone 727 443 4433.

RENTAL CONNECTION

Bob Mendes, bobm@fourseasonsestatesroc.com, 727 437 2340 or 781 326 7685

By way of the ROC web site, I receive upwards of 100 inquiries a year looking for seasonal rentals. My stock response has been "sorry, there is no central listing of homeowners desiring to rent out their homes".

The ROC board of directors has authorized me to create a simple list of owners willing to rent, which I would then send out to anyone inquiring about a rental. This is being done as a service to all owners in the park. The list will consist of owner's name, lot number, contact info, single/doublewide, number of bedrooms and baths, and months available. It will NOT include anything about rental terms, promotional descriptions, or anything else that implies recommendation. The interested party will contact you and you can then "do your magic" to negotiate a deal.

If you want your home to be listed, you can pick up a form from Desiree or just email the information to me.

POTTED PLANTS AT POOLSIDE

If you are a regular at our beautiful pool, please take a moment to check the plant pots around the perimeter; water them if they need it, pull a weed or two, deadhead the geraniums – in other words, they need a little TLC.

SOCIAL ACTIVITIES CLUB

Tom Ritchie, President, Social Activities Club, #110

It's been a hot, hot summer so far! But many are enjoying the pool and keeping cool in the clubhouse working on puzzles and playing Bingo on Friday afternoons at 1PM. Others are using the treadmill and stepper – it's so much nicer exercising in the air conditioning! Join us when you can.

Our third summer picnic will be on Labor Day, Monday September 5th. Tickets will go on sale soon. Check with Mary Wuest.

We are already planning special events for next winter season. There will be a Craft Show on Saturday, December 10th – vendors are wanted – for more information, talk to Angela Shuman or email her at red5hot0moma@hotmail.com). And a Murder Mystery Show is being planned for January 22nd from 2-4PM. This is a 50's theme – you are encouraged to dress for the occasion. Only 174 tickets will be sold. Watch for further announcements and join your neighbors for all our fun activities. They are only successful if you volunteer to help and attend.

RESIDENT UPDATES

Angela Shuman, #144, red5hot0moma@hotmail.com, phone, 727 200-3240

We send our congratulations and very good wishes to residents Lise Danis and Ron Nichols who were married on June 25th.

And most of our residents know that our dear friend, Diane Guckin, died unexpectedly on June 27th while visiting her sister in Vero Beach. We are all saddened by this loss of a wonderful lady and friend and extend our sincere condolences to her family.

If you have any additional information regarding our friends and neighbors, please email me or give me a call. I'll have a full report in the September newsletter.

TRAVEL AND ENTERTAINMENT

Sandra Hansen, #452, email: hansens167@gmail.com, phone: 765-719-5177

Please review the following details for the R/C Oasis of the Seas sailing of 12-4-2016 thru 12-11-2106. This is a **PRESIDENTS CRUISE**, which means it is an **ALL INCLUSIVE CRUISE**, which now has even more perks for new bookings. For one price you will receive pre-paid gratuities, full beverage package, unlimited internet package, pre purchased travel insurance, 2 cocktail parties, and for new bookings we have added perks for Central Park and Boardwalk balcony cabin categories. Each will be explained in depth when you call the office to book your cabin.

All inclusive trips do not appeal to everyone, but it is nice not to question when you want that \$12.00 special of the day drink, and if you like it, maybe two. On this trip it is only your personal on-board shopping, visits to the casino and your shore excursion expenditures for which you will pay extra.

The venues around the ship are varied: comedy clubs, ice shows, diving shows, rising circular bar, a fully staged Broadway show of *Cats the Musical*, parades and many comfortable open air cafes for lunch, Johnny Rockets Café, a merry-go-round and much, much more.

Ship leaves Port Canaveral for the ports of Labadee, Haiti, Falmouth, Jamaica; Cozumel, Mexico. Price ranges from \$1599.00—to \$1999.00 over 8 cabin categories with discounts available for Diamond level patrons.

It may not appeal to all, although, how do we know if we do not try “all inclusive” just once.

Call Advantage Cruises 1-800-824-1613 or 727-576-4010, give my name, and join me on this fantastic ship. Contact me personally at the e-mail or phone number given at the top of this article, if you have any questions that I can answer. Bon Voyage!!

AN EMAIL FROM A FRIEND

The typical U.S. household headed by a person age 65 or older has a net worth 47 times greater than a household headed by someone under 35, according to an analysis of census data recently released. They like to refer to us as senior citizens, old fogies, geezers, and in some cases dinosaurs. Some of us are "Baby Boomers" getting ready to retire. Others have been retired for some time. We walk a little slower these days and our eyes and hearing are not what they once were. We worked hard, raised our children, worshiped our God and have grown old together.

Yes, we are the ones some refer to as being over the hill, and that is probably true. But before writing us off completely, there are a few things that need to be taken into consideration.

In school we studied English, history, math, and science, which enabled us to lead America into the technological age. Most of us remember what outhouses were, many of us with firsthand experience. We remember the days of telephone party-lines, 25 cent gasoline, and milk and ice being delivered to our homes. For those of you who don't know what an icebox is, today they are electric and referred to as refrigerators. A few even remember when cars were started with a crank. Yes, we lived those days.

We are probably considered old fashioned and out-dated by many. But there are a few things you need to remember before completely writing us off. We won World War II, fought in Korea and Viet Nam. We can quote "The Pledge of Allegiance", and know where to place our hand while doing so. We wore the uniform of our country with pride and lost many friends on the battlefield. We didn't fight for the Socialist States of America; we fought for the "Land of the Free and the Home of the Brave." We wore different uniforms but carried the same flag.

We know the words to the "Star Spangled Banner," "America," and "America the Beautiful" by heart, and you may even see some tears running down our cheeks as we sing. We have lived

...continued on page 30

what many of you have only read in history books and we feel no obligation to apologize to anyone for America.

Yes, we are old and slow these days but rest assured, we have at least one good fight left in us. We have loved this country, fought for it, and died for it, and now we are going to save it. It is our country and nobody is going to take it away from us. We took oaths to defend America against all enemies, foreign and domestic, and that is an oath we plan to keep. There are those who want to destroy this land we love but, like our founders, there is no way we are going to remain silent.

This is what you voted for and this is what you got. We entrusted you with the Torch of Liberty, and you traded it for a paycheck and a fancy house.

Well, don't worry youngsters, the Grey-Haired Brigade is here, and in 2016 we are going to take back our nation. We may drive a little slower than you would like, but we get where we're going, and in 2016 we're going to the polls by the millions. This land does not belong to the man in the White House. It belongs to "We the People," and "We the People" plan to reclaim our land and our freedom.

So the next time you have the chance to say the "Pledge of Allegiance", stand up, put your hand over your heart, honor our country, and thank God for the old geezers of the "Gray-Haired Brigade."

MONTHLY MEDIA NEWSLETTER DISTRIBUTION

Mandi Harman-Ashley, #373, 255-2437

Residents need to provide a container for their newsletter or they will be asked to pick up their newsletter in the clubhouse. Even if you are a renter, you still need a receptacle. You could use a small basket or box on your step or purchase a park mail pouch from our Monday Craft Club. Cost is \$3 for a regular pouch and \$5 for one with a military design.

The publisher delivers only enough newsletters for our park – one per coach. And in the summer, they obviously cut back on the quantity. We generally don't have any extras and many are blown away or get wet unless there is a park mail pouch. If you don't get a newsletter delivered to your door, please pick one up in the clubhouse after the 1st of the month.

These are our current Four Seasons Forum delivery people. If you would like to be a substitute, please let Mandi know.

Did you know that August is also...

Back to School Month. As summer draws to a close, back-to-school season is in full effect. Remember to safely share the roads with school buses, pedestrians, and bicyclists, and provide children with the necessary knowledge to stay safe at school. Whether children walk, ride their bicycle, or take the bus to school, they—and the motorists around them—should remember to take proper safety precautions .

National Black Business Month. During August, individuals, institutions, and businesses are encouraged to visit at least one black-owned business per day. The increased sales resulting from that traffic could result in more than 40,000 additional jobs during the month and as many as 450,000 new jobs if the habit is continued over the course of a year.

National Immunization Awareness Month. National Immunization Awareness Month (NIAM) provides an opportunity to highlight the value of immunization across a person's lifespan. Activities focus on encouraging all people to protect their health by being vaccinated against infectious diseases.

Clown Week, Aug. 1-7. Celebrations take on a variety of forms, such as putting on shows in malls, child care centers, hospitals, and nursing homes, and clown appearances in parades, grand openings, and other places.

National Fraud Awareness Week, Aug. 7-13. Businesses and government agencies around the world lose an estimated 5 percent of their annual revenues to fraud. National Fraud Awareness Week seeks to educate everyone on the dangers of fraud and how to protect themselves from criminal activities.

Motorcycle Week, Aug. 14-20. For the motorcycle rider and lover, a week dedicated to the vehicle that millions of Americans enjoy. Ride, celebrate, and make new friends on the road.

National Aviation Week, Aug. 14-20. A celebration of flight, observed during the week of Orville Wright's birth, Aug. 18. Along with his brother Wilbur, Orville Wright built and flew the world's first successful airplane in Kitty Hawk, N.C., in 1903.

International Beer Day, Aug. 5. Enjoy your favorite beer, or try a new one—responsibly, of course.

World Elephant Day, Aug. 12. Asian and African elephants are loved, revered, and respected around the world, yet we teeter on the brink of seeing the last of these magnificent creatures.

National Dog Day, Aug. 31. Celebrate your dog—and dogs everywhere.
