Four Seasons Estates ROC, Inc.

Derm Doyle, President, Lot #165

Dear Four Seasons Family,
Our summer residents report that all is well in the park! Many of our folks are traveling and vacationing and I wish them an enjoyable time and safe return. I encourage you to speak with our park manager, Michael Davis, if there are any questions or concerns during these summer months in my absence. Special thanks to Clay for the remodeling of the shed area – it looks great! We also anticipate the completion of our 2 new mobiles from Nobility. It's an exciting time to be a Four Seasons resident!

With best wishes for good health and a happy, restful summer.

Homeowners Association

Doc Wells, Parliamentarian, Lot #115

As the summer season approaches, many of you have gone north to spend cooler days and nights while some of us remain here in sunny Florida. We again wish you all a safe journey and a quick return to Four Seasons and the Homeowners Association. We have great plans for next year and early in 2016 we will host a get together for all residents of Four Seasons. Watch for further information and updates in the Four Seasons Forum newsletter.

Our President John Jones has returned to Four Seasons Estates after visiting friends and family in his home town in Ohio. Welcome back, John!

You might be surprised to know that we have approximately 125 permanent residents remaining here during the summer months. Remember you made a decision to purchase a home here in the park and became an invested member of this community. To help protect your investment the HOA helps you stay informed on matters here in the park that concern your home, i.e., information from the state concerning mobile homes, or insurance, etc. To have a vote in various matters you must be a paying member of the HOA. This is a simple process, just \$20 per coach paid annually. Either bring payment to the next meeting or drop it off at our treasurer's (Natalie Eustace) home #115. The most important thing to remember is **WE NEED YOU AT THE MEETINGS**.

As we previously mentioned, we will periodically be spotlighting someone on the HOA Board so that you can get to know your elected representatives. Our next meeting will be on the first (1st) Thursday of November 2015 at 10:00 A.M. Looking forward to seeing you then!

Park Manager's Report

Michael W. Davis, Office phone: 727 584-1413

1. CALL BEFORE YOU DIG! Please remember that the office must be notified if you plan to do any work on the outside of your coach - particularly plantings, fences, patios, etc. Underground cables for phone and electricity and fragile water lines need to be protected. A construction request must be filled out and approved before any work can begin.
2. The park water valve project is an on-going discovery process. We will try to notify all residents when the water needs to be off – a phone tree is being prepared (as of this writing) and should be in place in early July. We appreciate your patience and cooperation.
3. Sidewalk repair and seal coating of the streets is in the process of scheduling.
4. Clay & Joe continue the rehabbing of our ROC homes. Currently they are working on #300.
5. The parking bumpers in the clubhouse parking lot have been painted bright yellow. This makes them more noticeable and hopefully will prevent accidents where people have fallen or tripped over them.
6. Please be careful out there! Remember that we have an emergency contact phone number 24/7 to Associa (our management company) when the office is closed – do not hesitate to use it if needed: 727-577-2200.

Social Activities Club

Nora Skelding, President, Social Activities Club, #399, gn.skelding@hotmail.com

Don't forget Friday Bingo at 1pm in the clubhouse. Thanks to Tom Ritchie for organizing the Friday Fun time for our summer residents.

Tickets are available from Betty G. or Mary W. for the 4th of July picnic. Cost \$3.00 pp.

It's puzzle time! Are you looking for something to do on a hot summer afternoon?

Stop into the clubhouse and work on a jigsaw puzzle – there are several already started and we need your help!

Be sure to attend Koffee Klatch on Wednesday mornings – it's a good time to get caught up on all the park news!

EMERGENCY CONTACT AFTER HOURS 727-577-2200 – this number will go directly to our management office (Associa), day or night 24/7. If you need Largo Police or an ambulance call 911.

God is with you for all the seasons of your life.

"Oh, eternal and everlasting God, direct my thoughts, words and work. Wash away my sins in the immaculate blood of the Lamb and purge my heart by Thy Holy Spirit. Daily, frame me more and more in the likeness of Thy son, Jesus Christ, that living in Thy fear, and dying in Thy favor, I may in thy appointed time obtain the resurrection of the justified unto eternal life. Bless, O Lord, the whole race of mankind and let the world be filled with the knowledge of Thee and Thy son, Jesus Christ." George Washington, Prayer

Four Seasons Phone Directory for 2015-16

It's not too late to have your new phone number listed in the 2015-16 directory. If you are a new resident or have a change in phone number, email Diane Guckin at dgucki3@msn.com or talk to Desiree in the office and fill out the form at your earliest opportunity. The new edition will be published over the summer and available for all residents once it is completed.

Dear Four Seasons Friends and Neighbors:

Angela Shuman

We are already one month into the Florida Hurricane Season! Please be prepared **JUST IN CASE.**

Because we live in a mobile home you will be required to evacuate in case of a hurricane. Where will you go? Do you have your medications at the ready with a supply of them in case you are gone for an extended length of time? What about food and water? Clothes? Etc.

First thing...where would you go? Friends or family? Hotel? Do you need help by police/fire there are forms that must be filled out and turned into them before a disaster strikes. Which hotel would you go too? How long will it take you to get ready to leave?

Put your awnings down! Will you need help? Is there gas in your car as the gas pumps won't work if no power? Do you have cash available in case there is no power and you can't withdraw

from an ATM as most stores won't take a credit/debit card?

FOOD? What do you have in your evacuation kits. Put high protein non-perishable food items like tuna, chicken, beans, peanut butter, spam, maybe some dry cereal cups, crackers. How about non-refrigerated milk. Can opener? Plastic utensils? Paper plates, paper napkins...

BEDDING? If you have to leave do you need to bring bedding supplies with you? Your favorite blankets or pillow? What about bath towels?

CLOTHING? What will you need for a couple of days? What about a week? Warm clothes in case of a chill? Rain gear? Footwear? Anything special?

MEDICATIONS? Do you have your medications together? Do you have enough for a couple of weeks in case pharmacies are closed or shipments can't get in? If the medications are in refrigerator do you have a note in your evacuation kit to remind you to grasp. Do you need needles? Alcohol swabs? Do you have a first aide kit at the ready?

DO YOU HAVE A NOAA weather alert radio/device? Make sure you have it on and if it needs batteries put in new ones now in case of electrical outages. Are you listening to the weather to keep track of what the updates are? **DONT PANIC, BUT BE PREPARED!**

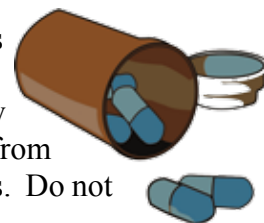

IMPORTANT PAPERS – take them with you. If you have a fireproof box, take that! Let your family and friends know where you will be staying for the duration. Let the office at Four Seasons know where you are going and when you are leaving. Make sure the office has an emergency telephone number for you. Let the office know when you return.

I found most of this information in the Verizon telephone book so if you want more information, please check it out.

Another thought: Look around your mobile home before a storm is approaching and determine what your plan will be for patio furniture, plants in pots, hanging baskets and other outdoor items. Heavy winds can create damaging missiles out of just about anything in your yard. Protect yourself and your neighbor. Be prepared – don't be sorry!

Operation Medicine Cabinet

Drop off your expired or unused medications during business hours at Operation Medicine Cabinet drop boxes located at any Pinellas County Sheriff's Office locations. Closest one to FSE is the new Sheriff's Administration Building at 10750 Ulmerton Road, Largo (across from Lowe's). This is the safest way to dispose of unwanted prescription drugs. Do not flush medication down the toilet or toss in trash. Phone # 727-582-6200.

Welcome Lady

Angie Simon, Lot 103 telephone 330-612-5822

Hi! This is your Welcome Lady, Angie Simon, reminding all new residents that even if you do not want to have an interview with me, I would like to have information such as your birthday(s) and anniversary, if applicable, so this can be passed along to the newsletter editor. We would like to announce birthdays, anniversaries, and special occasions at the Koffee Klatch meetings now that all of you are part of our Four Seasons family. I hope to hear from you soon! Just give me a call. Thanks!

Sunshine Report

Angela Shuman, #144, red5hot0moma@hotmail.com

If you have updates on our residents, please stop by Lot 144. I have a basket on the 2nd set of steps that you can put notes in, you may also call me at 727-200-3240 or you can email me at red5hot0moma@hotmail.com but stop by or call me since sometimes e-mail will end up in "junk" and I won't receive it.

June has been a sad month at Four Seasons. Bob Schum and Robert Rydzewski passed away. Nancy Webb's daughter (Tim's sister), Lot 448 also passed away, Martha Wright Lot 357 died on June 8th and the sister of David Taylor, Lot 172, recently died. We offer our sincere condolences to the families.

We have received thank you cards from Jesse Rapley (Jack), the Clausens, and the Richter family. Sandy Kurt, Lot 192, sent this to me; "I'm writing to let you know that I'm having total knee replacement on my left knee in Meadville (our home in Pa.) on June 15th. I had the right one done while in Largo in February for the winter. All I can say is that I'm glad I only have two knees. My right knee is doing great!" Her address is 12988 Leslie Road. Meadville, Pa. 16335. (Update: Sandy's surgery was successful – she's doing great!)

Izzy and Terry D'Orsi, Lot 173, came to visit us for a couple of weeks and Izzy ended up in the hospital for a couple of days but is back at 4 Seasons. Also happy to see Len and Marlene Bink visiting in mid-June. And happy 80th birthday to Mona Haskell!

We're also happy to report that Mary Wuest and Renie Bell are both home from rehab. Maurice (Snook) Kern, Lot 327, however, is still in East Bay Rehab, Room 107, 4470 East Bay Drive, Clearwater, FL 33764, if you would like to send him a good wishes card which I know he will appreciate.

We also have a prayer shawl ministry, so if you know of someone who might be in need of special thoughts, please let me know, or stop by and pick up a prayer shawl or prayer square. These have been very much appreciated by so many of our neighbors over the past few years of this ministry.

Recycling Program and Trash Collection

We appreciate your cooperation in helping to make our recycling program so successful. The following items should be put into your blue bin and put by the curb on our trash pickup days;

Glass jars and any color glass bottles

Juice and milk containers

All types of cans

Plastic jars and bottles

Clean papers including newspapers

Flattened card board

Shredded paper (only if placed in a paper bag)

NO PLASTIC BAGS OR STYROFOAM SHOULD BE PLACED IN YOUR BLUE BIN. THEY SHOULD BE PLACED IN YOUR REGULAR TRASH CONTAINER. UNDER NO CIRCUMSTANCES SHOULD ANY TRASH BE PUT INTO YOUR BLUE RECYCLING BIN.

There are also recycling bins in the Clubhouse for eyeglasses, cell phones, flags, and Labels for Education. Recycle containers are also by the soda machine in the clubhouse and in the pool area. We will pick up trash and recyclables EVERY MONDAY AND THURSDAY. Please rinse any jars, bottles, and cans. THANK YOU FOR HELPING OUR ENVIRONMENT.

Trash may be deposited 24/7 in the garbage dumpster behind the gate in the maintenance area. Do not leave anything outside the gate. Our trash pickup days are Monday and Thursday – unless a holiday falls on the usual pickup day. This will be noted in the monthly calendar. Please put your trash in a can with a lid to deter animals from getting into it and spreading food, etc. all over the streets.

Pool Etiquette

Summer's here – Yeah!!! Join us in the lovely Four Seasons pool. Please observe these important rules for everyone's protection and enjoyment.

1. If you are the last one out of the pool, always be certain that the rope is secured across the pool. Please ask your guests to be aware of the importance of this as well.
2. If you are a smoker and use the 'butt' buckets – please clean them out once in a while. Make sure the 'butts' are completely out before you put them in the trash can.
3. The life preserver is for emergencies only – it is not a toy – do not let children play with it in the pool.
4. Observe special times for your young visitors. Children under the age of 16 may use the pool between the hours of 10AM - 1PM and 5PM till dusk, and should be accompanied and controlled at the pool by their host/s or a designated adult.
5. Straighten the chairs and tables whenever you move them around – don't leave them for someone else to rearrange.
6. If you put an umbrella up – make sure you put it down and tie it when you leave the pool. Winds can blow up quickly - we wouldn't want anyone to be injured by a flying umbrella.
7. The green wrist bands serve to identify residents and guests – it's important for everyone's security to know who belongs here and who doesn't. **PLEASE WEAR THEM.**
8. Be sure to dispose of trash properly – there is a special covered can for aluminum cans and other recyclables – do not put household/personal trash in the trash can – **NO GLASS ALLOWED IN THE POOL AREA** (this is for everyone's safety).

22 Treat the pool as if it was your own – actually it is!!

Potted Plants at Poolside

If you are a regular at our beautiful pool, please take a moment to check the plant pots around the perimeter; water them if they need it, pull a weed or two – in other words, they need tending to during the summer. Talk to them too – a little TLC will go a long way to keeping them healthy during the heat of the summer.

Happy Birthday, America

God bless America, Land that I love.
Stand beside her and guide her through the
night with a light from above. From the mountains,
to the prairies, to the oceans white with foam.
God Bless America, my home, sweet home.

Veterans Wall of Honor

Dan Gregorio, #378, 584-8236

If you have served in the military, we would like for you to take your place on the Wall of Honor in our clubhouse. We would like to have a picture of you in uniform and a current picture. Bring your photos back in the fall and pick up an info sheet from me to provide certain stats. I will prepare them for the wall. THANK YOU FOR YOUR SERVICE.

4 Seasons Social Activities Club Facebook Page

Mandi Harman-Ashley, #373

For those of you who are traveling or spending the summer up north, you can keep in touch with Four Seasons friends and neighbors through Facebook. We have many people who LIKE our page & our viewing has dramatically increased with postings of videos & photos of park happenings.

Our membership is now 130 & growing as more people are discovering us. We have posted timely happenings with news of Four Seasons including the "you saw it first here" photos of Desiree Leonard's wedding within hours of the event!!!

There were day to day updates from Carolyn Schum on Bob and his ultimate passing and services at Bay Pines, and the announcement of the passing of Bob Rydzewski. There were up to the moment posts during an emergency water shut off in the park. We also saw the transformation of the shed exterior, thanks to Clay! Residents on FB appreciate this on-the-spot information.

As you may know, the page acts like the "phone tree" of old but you have to "Like" our page. To "Like" our page & see what is happening: Go to your Facebook page - Type 4 Seasons Social Activities Club in the white search bar at the top. When you are on that FB page, look under the banner picture (currently beach chairs). Find the box marked "like", when you click on it there should be a drop down box with choices. One of them is "get notifications". Click on it which should put a check mark next to those words. This should send a notification when something is posted here to your e-mail box.

EMERGENCY CONTACT AFTER HOURS 727-577-2200 – this number will go directly to our management office (Associa), day or night 24/7. If you need Largo Police or an ambulance call 911.

I'VE LEARNED...

by Maya Angelou

I've learned that no matter what happens, or how bad it seems today, life does go on, and it will be better tomorrow. I've learned that you can tell a lot about a person by the way he/she handles these three things; a rainy day, lost luggage, and tangled Christmas tree lights. I've learned that regardless of your relationship with your parents, you'll miss them when they're gone from your life. I've learned that making a 'living' is not the same thing as making a 'life'. I've learned that life sometimes gives you a second chance. I've learned that you shouldn't go through life with a catcher's mitt on both hands; you need to be able to throw some things back. I've learned that whenever I decide something with an open hear, I usually make the right decision. I've learned that even when I have pains, I don't have to be one. I've learned that every day you should reach out and touch someone. People love a warm hug, or just a friendly pat on the back. I've learned that I still have a lot to learn. I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel.

Ancient bones offer clues to evolution

Scientists may have discovered a new human ancestor to go along with “Lucy,” the 3.2 million-year-old *Australopithecus afarensis* female from eastern Africa. Dubbed “Little Foot” because of his small bones, this specimen was unearthed in South Africa in the early 1990s. His skeleton was almost completely preserved after falling down a narrow cave shaft and dying there. Whether Little Foot was a relative of Lucy’s or a different pre-human species has been a subject of debate among anthropologists, but a new dating process suggests that Little Foot lived and died some 3.67 million years ago, close to the same time as Lucy.

Although some scientists dispute the accuracy of the dating technique, if it holds up it suggests an evolutionary link between different species of *Australopithecus* in ancient Africa, as well as evidence of where in Africa modern humans began to develop.

Birds do it, bees do it, and so do amorous mice

From time immemorial, men have wooed their lady loves with romantic (if sometimes off-key) music. Now scientists from Duke University believe that love songs aren’t just for humans. Mice also sing to females they hope to attract, although they aren’t likely using Barry White.

Instead, mice rely on high-pitched sounds outside the range of human hearing, using specific tunes when they smell a potential mate and different ones when they finally set eyes on her. The songs are louder and composed of more complex sounds when they smell a female scent, and get simpler—but longer—when they finally meet face to face. The complex songs seem to attract females, although what specifically draws them close is still uncertain.

The very striving and hard work that we so constantly try to avoid is the major building block in the person we are today.

The strongest bonds

A farm boy took his cows to the meadows out to pasture every morning and brought them back to the barn at the end of the day. One evening, as he was tying the cows up for the night, he found that he'd lost the piece of rope he needed for the last one.

He couldn't go all the way town to buy more rope, but he didn't want the cow to wander away. So he went to his grandfather for advice.

"Here's what you do," the grandfather said. "Go up to the cow the same way you do every night and pretend to tie a rope around him, then pretend to tie the rope up to his stall. Make sure he sees you doing it, and he'll be fooled." The boy followed his grandfather's advice, and the next morning when he went to the barn he found the cow still there.

He untied all the rest of the cattle and herded them out to pasture for the day. But when he passed by the barn on his way to do his other chores, he noticed the cow was still there. He went to his grandfather again.

The grandfather smiled and said: "You forgot to untie the cow. Go back and pretend to let him loose, and you'll be able to herd him outside."

Moral: Often what holds us back are the bonds we only think are real.

Correct: A Zen parable

Two monks could not agree on a problem. Finally they went to the master of their monastery to settle the dispute. They agreed to argue their positions one at a time while the master listened.

After hearing the argument presented by the first monk, the master nodded. "You are correct." The first monk was pleased, but the master then told the second monk to speak his piece.

The other monk made his case. Once he finished, the master gave another nod. "You are correct."

"But master!" the two monks cried together. "We can't both be correct!"

Again the master nodded and smiled. "You are correct."
