**G**reetings,

We have had a busy February. Two other ROC board members and I took a trip to Georgia to tour a different manufacturing facility. While there we made a down payment on a new home that is slated to come in on lot #162. We are very excited about this. The new home on lot # 205 is sitting proud and will be ready for a new buyer, hopefully by the time this is printed.

The mulch has been freshly done around the park. I want to thank James and Steve for a job well done. Kathy in the office continues to come to speed and I want to thank her as well.

Also, please do not forget our annual ROC meeting, which will be held on March 29th. We have a beautiful Community and are looking forward to a bright future. Life is good. Best Regards to all, Derm.

## **A MESSAGE FROM THE ROC BOARD OF DIRECTORS**

---

**H**ello,

Another month has passed us already. February was a whirlwind! Derm, Lloyd and I, accompanied by Kathy and Wendell, took a trip to Georgia to tour a new manufacturing facility, at our own expense. We met with the new building rep, who is a wealth of knowledge in the manufactured home industry. After the tour, we met with him that evening and proceeded to put a down payment on a new home which will be put on lot #162. We are in the permitting stages now on that home. I, personally, am so excited to see this home arrive. We are sure you all will be blown away with the beauty and quality of this new home.

A reminder to all, if you have a sign in your yard, please move it to your front flower box, front window, or attach to the front of your home. It cannot be on your lawn.

Since mowing has resumed, it is important that you bring any complaints directly to the office. You will need to fill out a complaint form. It is imperative that you do this the same day that mowing is going on. We need to have a record on the day that anything has happened, so we can get it addressed while they are still in the park.

I hope all of you are having a wonderful winter here in our Community thus far. Salt Life is a Great Life! DeeVon Schisler, Secretary ROC Board of Directors

**T**he story of Big Jim MacLaren is about a guy who went through some terrible difficulties, but used his own terrible misfortune as an impetus to help others. Big Jim was a twenty-two-year-old Yale graduate who seemed to have it made in the eyes of the world. He had been a great scholar, and a great football player. One evening while riding on his motorcycle, he was in an accident with a large bus. Though taken quickly by an ambulance, Big Jim was dead upon arrival at the hospital. But, the dauntless work of the emergency room staff saved his life, and he fully recovered except his left leg was gone below the knee. Jim was too big to let that stop him.

During the next several years Big Jim became one of the best amputee athletes in the world. Carrying it even further, Big Jim began completing in triathlons - with one leg.

Things were going great, but tragedy trounced once more. In 1993, while competing in a triathlon in Los Angeles a careless driver slammed into Big Jim which drove him into a light pole, snapped his neck, and left him paralyzed from the neck down. Confined to a wheelchair, Jim lived with constant pain. The nerves to his arms and legs were not completely severed, leaving him subject to spastic fits. After being in a steel halo for three months, he began a new course of rehabilitation at a special center in Colorado. After just six months he was living independently and giving motivational speeches. But depression set in when he came to the realization that he would never be free from pain and, no matter how hard he worked, he would never walk again.

Christ told His disciples in Luke 17 that injustices come to everyone, "It is impossible but that offences will come...!" Big Jim MacLaren realized that The Lord was in control and meant it for good; he finally decided after his depression to turn to God and let Him control His life. Big Jim let go of his struggles, became a counselor, and spent his life helping those in similar situations deal with their pain.

Christ reminds us that even when we know things are wrong, He desires for us to forgive the offender and allow Him to handle any punishment. Rather than dwelling on the injustice, dwell on God's forgiveness toward even your most awful sins.

## WHERE IN THE WORLD HAVE YOU BEEN?

**Trip to New Zealand December 8, 2018 to January 11, 2019**

*Cathy Watson & Mike Smith*

---

**O**n December 8th we left Tampa for our adventure in the southern island of New Zealand. We flew to San Francisco and stayed there overnight before our 12 hour flight to Auckland. We spent the next day and a half touring San Francisco. We went to the wharf, rode a cable car and visited China town.

On December 9th in the evening we flew to Auckland and then to Christ Church arriving on

*continued on page 14*

December 11th in the morning. Because of the time change you move ahead 18 hours from our time here. We stayed at a lovely Bed and Breakfast in Rolleston about a 1 hour bus ride into Christ Church till December 20th. We found out our hosts' son Phil is the host for the American version of the Amazing Race. On our first day of arrival we attended a local Christmas concert that our host Beth was playing the piano and got right into New Zealand culture.

In New Zealand they drive on the left side of the road. We decided instead of learning to drive on the other side of the road to travel on public buses for trips we wanted to do. We learned quickly the locals have a custom of thanking the driver when you get off the bus. People are very polite in New Zealand.

On our first day in Christ Church we saw the devastation that occurred from the earthquake in 2011. New Zealand is in the "Ring of Fire"; a highly volatile earthquake zone. We learned it will be 7-10 more years before the city is rebuilt. Over the next 8 days we visited the Canterbury Museum with the history of the area. We saw the earthquake memorial. Also the Cardboard church, which was literally made of cardboard. A Japanese architect designed the church from materials from a cardboard manufacturing company. We rode a double-decker bus and visited the Airforce museum. We also visited the memorial of 185 chairs set up to commemorate the lives lost during the earthquake. The site of the TV station building that was flattened like a pancake killing 115 people in the building. We took the Alpine train trip from Rolleston thru Arthur's pass to Greymouth. This was an all day trip through the mountains from the Pacific Ocean to the Tasman Sea. We toured the Botanical gardens, did Punting on the Avon River. It was a small boat that was moved by a person with a long pole. We took the bus to the Fisherman's wharf in Lytleton. We rode the Gondola with its breathtaking view of the hills and valleys and coast of the Pacific Ocean.

On December 20th we flew from Christ Church to Invercargill where we spent 3 weeks with Mike's son Brendan and grandson Isaac. He was our guide for touring that part of the country. From December 20-25 we went to the beach, parks, and playgrounds. Our grandson is 2 ½ and this was our first face to face meeting with him. The kids' playgrounds are unbelievable as well as the pools. Playgrounds with zip lining even! It seems they want kids outside playing or enjoying the water.

Our Christmas was a family barbeque with all the trimmings. The next day we flew to Stewart Island, which is about a 20 minute flight. The population on the island is about 300 people. The island is lush and the views spectacular from everywhere. There are a lot of trampers (backpackers) because they have so many trails for hiking. We spent 3 nights on the island and drove around on the very narrow, curvy, and steep roads. We visited the many beaches. The next day we took a water taxi to Ulua Island and walked the trails. We saw a Weka bird and even saw a Kiwi bird. There are no predators on the island, so the wildlife is not afraid of humans. The Weka and Kiwi are flightless birds. The Kiwi is the national bird and is rarely seen in the wild even by New Zealanders. This was the first time Mike's son had seen a Kiwi, even though he had been in the country for almost 4 years. Many people we met

were surprised we had seen one. The beaches on the island are beautiful. You can go in the water if you wear a wetsuit. The water temperature is about 41-45 degrees Fahrenheit, not warm enough for us. The next evening we did a 1 ½ hour water taxi river cruise. Leaving the island on our final day there, we took the ferry back to Invercargill. It was a calm ride with sun all the way.

We spent New Year's Eve in Invercargill and went to friends of Mike's son to watch fireworks on the beach.

From January 2-6th we spent time in Dunedin. There we toured the Botanical gardens, Aviary, Chinese gardens where everything was brought from China to build the gardens. We went to the Settlers museum, toured Larnach castle (the only castle in NZ), Royal Albatross center, and Taiaroa Fort. We also drove up Baldwin Street, which is the steepest street in the world.

On January 6th we drove from Dunedin to Manapouri, which is about a 4 hour drive to the west coast. Again the scenery is so hilly with sheep, cows, and deer paddocks. They raise these animals and export around the world. We saw a lot of birds, but the one thing New Zealand does not have is snakes. Yea!

On January 7th we went from Manapouri to Te Anua which is on a lovely lake and the Southern Alps mountain range all around. Our motel overlooked the lake in Te Anua. That day our Christmas present given to us was an all day trip where we boarded a VIP mini bus from Te Anua to Milford Sound. It was a 2 ½ hour drive to get to a boat to see the Fiords. The tour guide told us there is 1 road in and out and in the winter when they have avalanches it can be closed. They also have an average of 200 days of rain each year, but not that day. Breathtaking is an understatement both on the ride there and back and on the boat where we saw 500 foot waterfalls that looked so small against the sides of the 3000 foot high Fiord walls. The boat went out to the Tasman Sea and on the way back saw some baby sea lions. The hairpin turns and no shoulders on the roads would have been nerve racking if we were driving. We stopped at The Chasm's on the way back to see the lush forests and listen to the birds and water in the streams.

On January 10th we flew from Invercargill to Christ Church, then to Auckland. We then flew to San Francisco. We left Invercargill at 10:00 am and arrived in SF at 10:30 am on the same day. That's right – when you lose 18 hours in time change we landed on the same day we left. We overnighted in SF.

On January 11th we flew back to Tampa after an amazing trip. New Zealand has some of the best scenery in the world. Put this trip on your bucket list. You will not be disappointed. We enjoyed sharing photos and activities with our friends on Facebook.

## BE A GOOD NEIGHBOR

*Good Neighbor Resource (Part 2) - By Janice Lamore*

---

**T**his is to follow up on last month's article about the opportunities in our park to be a good neighbor. We are now formalizing a list of women and men who are willing to offer assistance to our neighbors in need. This list will include what types of assistance they would be comfortable in giving to a neighbor.

One of the things mentioned is assisting with phone calls and paperwork for residents in transition to and from home and hospital/rehab. Also, someone to do grocery shopping for people unable to get out on their own. Or making an extra dinner or loaf of banana bread for someone who can't do their own cooking. Or enjoying a cup of coffee or tea with a neighbor and reminiscing about "the good old days".

Or providing a ride to a doctor appointment. Or delivering a "not-too-heavy" purchase that someone got from the Shed and/or removing a piece of "not-too-heavy" furniture from their coach. Or accepting groceries and foodstuffs from our neighbors who are returning to their northern homes in the spring and then delivering them to someone else who could put them to good use, thereby avoiding waste.

If you have ideas to add to the above and/or wish to be a part of our group, please contact Janice Lamore in Coach #332 or phone 802-879-0501 or Creta Batchelder in Coach #431 or phone 330-979-0853.

We have a great deal of experience, knowledge and talent in our park. We would appreciate hearing your ideas as to how we can best meet the needs of our neighbors.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

## MUSIC AND FRIENDS

Art Payne and Katherine Connors

**H**i Good People of Four Seasons n Pointe West. I am into an unfortunate situation that is keeping me in the Freezing Cold and do hope to get back with my Florida Friends sooner than later. I hear Katherine n Company are doing a great job of “Music n Friends” and I do hope that your continued support will help fill the clubhouse with a non-perishable item, making it very worthwhile for them to give freely of their musical talents. PTLord. I will see you good people sooner than later. Art Payne, Chair “M n F”, God Bless you all!

**NOTE: our next Music and Friends date is Thursday, March 21 – please remember to bring a non-perishable food item for the RCS Food Bank!**

## TUESDAY NIGHT BRIDGE

*Evy McDonagh, Lot #219, phone: 727 238-3369*

**W**e have had an average of four tables of bridge each week. We welcome Shirley and Paul who have been a great addition to our Tuesday night fun.

Bridge tips:

- o Whenever possible return your partner's lead
- o If your partner makes a bid and the other team wins the contract, you lead the top of the bid suit
- o Cover an honor with an honor

## NEW ENGLAND CLUB

*Bob Mendes, #124, bmendes@comcast.ent, 727 437 2340 or 781 326 7685*

**T**he club usually meets on the 2nd Sunday of the month. Although most of our members are from one of the New England States, we also have members from other northeastern states and Canada.

For March, we have booked **THREE** front tables (24 seats) for the Early Bird Dinner Theater for Thursday, March 14. The show is **“Sandy Toes and Salty Kisses”** by **Michael and Susan Parker**.

The following description is from the theater's web site: When Audrina recently inherited the Lover's Landing Hotel, she also inherited her Uncle Bubba and his various "activities" including some that appear to be illegal. Complications and hilarity ensue as Beatrice Rutherford-Smythe arrives to plan her daughter's wedding and Bubba impersonates the hotel's wedding planner Madame Coco. Will Audrina find happiness at the hotel known for sandy toes and salty kisses? Audiences howled with laughter throughout the premiere as unlikely pairings of guests and staff cavorted barefoot on the beach, dodged flying fish, a mop wielding receptionist and a jealous fiancé with one oar out of the water. With fast paced action, inventive physical comedy and crackling dialog Sandy Toes and Salty Kisses is an audience hit from start to finish.” ~Sandy Gabrielsson, Ritz Company Players.

## **SOCIAL ACTIVITIES CLUB (SAC)**

*Linda Pelland, Chairperson for Activities, Lot #345, email: lfpelland@att.net, phone: 865-964-2453*

---

**A**s of this writing (mid-February) we are looking forward to a successful **Flea Market**. Thanks to Terry H. and Tom S. for co-chairing and special thanks to all our residents who volunteered. It's always a busy, but fun day and all the proceeds go to our Social Activities Club for future programs and events.

### **Clubhouse Rental - Chairman of Assets SAC, Kathy Simmons 720-250-8770**

All events in the Clubhouse will go through the SAC, (Social Activities Committee), Information Chairperson. This is to check on availability of clubhouse and posting on the activity calendar. Residents can use the clubhouse for private events by filling out the current form and paying the \$100 deposit.

**Koffee Klatch** each Wednesday morning - bring your own cup for a free coffee – and say hello to your neighbors! If you need a name tag, there is a signup on the bulletin board or give Terry H. a call.

Check the calendar for the March **SAC meeting**. We are always happy to have new ideas and of course, volunteers, through the season to keep our activities going. Don't hesitate to say "YES" when asked to help – it's fun and you'll meet a lot of great folks.

**Four Seasons Cookbooks** on sale \$5.00 – talk to Jackie Gregorio at #378.

We have two (2) large barrels in the clubhouse for non-perishable items that go directory to **RCS Food Bank** in Clearwater. Please be generous.

## **VETERANS WALL OF HONOR**

*Dan Gregorio, #378, 584-8236*

---

**T**hank you, veterans, for your service. If you have served in the military, we would like for you to join us and take your place on the Wall of Honor in our clubhouse. We would like to have a picture of you in uniform and a current picture. Pick up an info sheet from me to provide certain stats about your service and I will prepare them for the wall. You may also drop off your photos and info to the FSE office. You'll notice that a small dove is placed on the photo of those park veterans who are deceased. We are very proud of each of our residents who have served our Country or any of the allied Countries. And we are very proud of our Wall of Honor – it is a beautiful tribute to all of our Park veterans.

**R**iver cruises are the topic of conversation for 2019-2020. River Cruises are expanding to the Mekong River, Yangtze River, and Rhine River and include land packages to choose from. Information related to me indicates that these river ships hold approximately 60 people. The Rhine river trip visits major cities of Germany.

**DELRAY BEACH GET AWAY:** Overnight trip to Delray Beach, stay at The Fairfield Inn, visit the shops on Atlantic Avenue, ride the Diva Ducks, and see the “THE BOOK OF MORONS” at the Delray Beach Playhouse. June 14-15, 2019 @ \$339.pp Dbl; & \$419.pp slg. One dinner, one breakfast, motor coach, escort & gratuity.

**OKTOBERFEST in HELEN, GA.** Sept. 26-28, 2019 \$469.pp Dbl and \$589.pp sgl. Helen is in the Blue Ridge Mts. on the Chattahoochee River and is a recreated alpine village complete with cobblestone alleys. Time will be spent on tours of the area and local German food. At the main event “Oktoberfest” join in the dancing to German-style music as you enjoy dinner in the Fest Halle. Includes bus, hotel, 2 dinners, 2 breakfasts, & gratuities.

Information is always available on any cruise of interest to you. Land tours to Costa Rica, Panama, and Peru provide a trip that many enjoy. Contact me at Lot 452 or call the agency direct. 727-576-4010 or 866-824-1613.

## DONATIONS TO THE SHED

Tom Smith, SAC Chairman of Information, tom200486@yahoo.com, 585 737 3589

**W**ell, our sheds are empty – thanks to a successful Flea Market! The SAC is always looking for donations throughout the year. New or slightly used and clean items are acceptable. If you are making room in your home by cleaning out some of the items you no longer need, please consider donating them to the Shed. They can be left outside the Shed door (if the weather is nice) or we will arrange to pick them up.

## MONTHLY MEDIA NEWSLETTER DISTRIBUTION

Mandi Harman-Ashley, #373, 255-2437

**R**esidents need to provide a container for their newsletter or they will be asked to pick one up in the clubhouse. Even if you are a renter, you still need a receptacle. You could use a small basket or box on your step or purchase a park mail pouch from our Monday Craft Club. Cost is \$3 and \$5 for one with a military design.

The publisher delivers only enough newsletters for our park – one per coach. We generally don't have any extras and many are blown away or get wet unless there is a park mail pouch. If you don't get a newsletter delivered to your door, you may pick one up in the clubhouse. The newsletter is also available on line @ [www.monthly-media.com](http://www.monthly-media.com) on the first of each month.

These are our current Four Seasons Forum delivery people. Sometimes your delivery person will be moved to fill another route as needed. Don't call them until after the 1st of the month if you haven't gotten your booklet. There may be changes as new volunteers come on board. Back-up volunteers are always needed. Please let me know if you are interested!
