Dear Friends:

I would like to thank those of you who took part in our election process. You have helped put together what I think is a very good Board of Directors. We will try our best to do what is best for ALL of us. Along those lines I live at Lot 144. If you would like to let me know what you think about what we are doing, please stop by to talk or leave a note in our park mailbox. Remember, we can't do anything about your concerns unless we are aware of them. For those of you traveling home, may the Lord see you there safely. The rest of us will see you soon. Regards to all, Ed

PARK MANAGER'S REPORT

Michael W. Davis, Office phone: 727 584-1413 - EMERGENCY PHONE 24/7: 727-577-2200

The summer mowing schedule is in effect - every Tuesday of the month.

We are delighted with the completion of the pool and shuffleboard court renovations. They are certainly a great enhancement to our park. Thanks to the SAC and ROC Boards for their support of these projects.

Management continues to be in contact with both City of Largo & Pinellas County regarding algae growth observed in the canal between Grosse Pointe & Four Seasons Estates and the channel between Pointe West and FSE. I have repeatedly requested some sort of communication of any scheduling so I can relay to concerned residents in intelligent fashion. Dead growth along the bank at the channel will be removed as soon as possible on Four Seasons Estates side where the City of Largo had sprayed. The invasive water lettuce by Ulmerton Road was sprayed & successfully remedied by our Pinellas County representative. We will do our best to keep on top of this situation.

Clubhouse exit signs have been updated & repaired. There was a suggestion at the March ROC board meeting regarding the possibility of a speed hump that I researched & found that we can do the work ourselves without permitting if that decision comes to fruition. Speed bumps might also be considered. The sign at the 2nd entrance has also been redone.

Desiree & I presented a communicational tool to the Executive Board called Volo Village which was approved by the ROC Board at the April Board Meeting. This is a system of communication through automatic calling, texting, or email regarding emergencies & such to each coach, each resident.

Diane Guckin will be working part time as administrative assistant in the office.

Ryan Pelky, managing partner of Tampa Bay Plumber, is on sick leave at present & will get back to us shortly on his presentation of additional valves, possible water line replacement remedies. Asphalt Maintenance was in the park in mid-April to blacken out the white striping that was bleeding through at various places in the park. Fill dirt, top soil & Floratam sod was placed by the dock to secure lower lying areas.

I had Largo Piping & Gas out to replace a pipe fitting to rear of stove in the kitchen; also perform overall inspection. The City of Largo has also passed the clubhouse, kitchen area & maintenance yard, plus storage area for tools & flammables. The inspector was impressed by our new flammable liquid sizable container Clay installed.

A beautiful new Coach at # 484 was delivered & the concrete drive at # 480 will be broken down with concrete placed at the bank for erosion purposes.

Mathew Gridzlo, Pinellas County canal rep, will also be spraying near the bank along our canal for weed growth; he just sprayed the algae in the canal last week. Alexander's will be out soon for stump grinding. Ongoing discussion on additional palm tree trimming was commenced due to the warm weather we are experiencing.

The pool paver project was completed with the sealing of the pavers on April 13th. Many residents have commented on its beauty & added vista. Special thanks to Clay & Joe for all their extra help & push to perform various duties on this project as called upon. The shuffleboard court project is also finished & looks wonderful. Benches will be painted to match the color scheme. I suggested some new signage, coat of paint to rear of the courts to further brighten up that area. This is an inexpensive cure that will add beauty & quality to the shuffleboard area.

We are grateful that many of our winter residents, who have left for northern homes, notified the office upon their leaving. It is also important for our summer residents to let Desiree know when you leave the Park even for a week. For the safety of all residents it is imperative that we know which units are occupied or unoccupied.

If you notice a street light out in your area, jot down the number on the pole and give Desiree a call. She will notify Duke Energy for repair.

We also continue to appreciate your cooperation on our trash/recycling pick-up days. Trash in a covered trash receptacle will keep the streets clean and the animals and birds under control. An instructional flyer will be left at your coach's door when a proper trash receptacle is not implemented.

For those owners who wish to have Alexander's (or any individual/other company) care for your planter and/or flower beds while you are away, I am requesting that you deal directly with Alexander's and contract with them. The FSE office will not be responsible for any contractual agreements between a home owner and Alexander's (or any individual/other company). You must deal directly with the company (or the individual) – phone 727-535-7314 or info@alexanderspm.com. Ryan Hudson is our representative and is usually in the Park on Tuesdays.

FOUR SEASONS CHAPLAIN'S MESSAGE

Chaplain Chuck Truitt, #173, 902-8094, email: truittwc@aol.com

Did you ever give someone a gift, maybe something that cost you dearly or something that you picked out specifically for them, yet it went unacknowledged, and you never received any kind of thanks? How did that make you feel? Do you think that our Heavenly Father is any different? One of the themes of the Bible is to be thankful to God for His benefits to us. In the book of Colossians, chapter one we read, "12 Giving thanks unto the Father, which hath made us meet to be partakers of the inheritance of the saints in light: 13 Who hath delivered us from the power of darkness, and hath translated us into the kingdom of his dear Son: 14 In whom we have redemption through his blood, even the forgiveness of sins: 15 Who is the image of the invisible God, the firstborn of every creature: 16 For by him were all things created, that are in heaven, and that are in earth, visible and invisible, whether they

be thrones, or dominions, or principalities, or powers: all things were created by him, and for him: 17 And he is before all things, and by him all things consist. 18 And he is the head of the body, the church: who is the beginning, the firstborn from the dead; that in all things he might have the preeminence."

We read of an ungrateful king in the Old Testament, 2 Chronicles 32:24–25, "In those days Hezekiah was sick to the death, and prayed unto the LORD: and he spake unto him, and he gave him a sign. But Hezekiah rendered not again according to the benefit done unto him; for his heart was lifted up: therefore there was wrath upon him, and upon Judah and Jerusalem."

When the prophet Isaiah came and told Hezekiah that he would not recover from his sickness, the king did what we all should do in time of trouble - he prayed. God heard the prayer of his heart and miraculously healed him. It would be natural to assume that Hezekiah's heart would have filled with gratitude and praise, and that he would have served God more faithfully than ever after receiving such a wonderful blessing. Instead, his heart was filled with pride, and Hezekiah was not thankful for what God had done.

In his play *As You Like It*, William Shakespeare provides this picture of the damage and pain caused by ingratitude.

*Blow, blow, thou winter wind,
Thou art not so unkind
As man's ingratitude;
Thy tooth is not so keen,
Because thou art not seen,
Although thy breath be rude.*

*Freeze, freeze, thou bitter sky,
That dost not bite so nigh
As benefits forgot:
Though thou the waters warp,
Thy sting is not so sharp
As friend remembered not.*

God does not do good things for us because we are wonderful people who deserve them. He does good things for us because He is good. Through His grace, He has placed us into His family. There are few things more evil than for us not to give thanks and praise to God for His blessings. And as we see demonstrated in the life of Hezekiah, ungratefulness leads to pride, which then brings God's judgment on our lives.

We should be sure to be thankful to God for the good things He has allowed us to receive. Join us in the clubhouse on Sunday mornings at 9AM for Chapel.

HERE WE GROW AGAIN!

RENTAL CONNECTION

Bob Mendes, bobm@fourseasonsestatesroc.com, 727 437 2340 or 781 326 7685

By way of the ROC web site, I receive upwards of 100 inquiries a year looking for seasonal rentals. My stock response has been "sorry, there is no central listing of homeowners desiring to rent out their homes".

The ROC board of directors has authorized me to create a simple list of owners willing to rent, which I would then send out to anyone inquiring about a rental. This is being done as a service to all owners in the park. The list will consist of owner's name, lot number, contact info, single/doublewide, number of bedrooms and baths, and months available. It will NOT include anything about rental terms, promotional descriptions, or anything else that implies recommendation. The interested party will contact you and you can then "do your magic" to negotiate a deal.

If you want your place to be listed, you can pick up a form from Desiree or just email the information to me.

SOCIAL ACTIVITIES CLUB

Tom Ritchie, President, Social Activities Club, #110

We had so many terrific events during the past few winter months – thanks to all who volunteered, came to dance, contributed to pot luck dinners, attended our Music & Friends nights, enjoyed the aquafit classes, played Bingo, cards, shuffleboard and donated food for the Food Bank. It certainly was a busy few months!

We'll now look forward to our summer picnics (Memorial Day, July 4th and Labor Day), enjoying our beautiful new pool, using the new shuffleboard courts, planning a pot luck dinner or two, Friday afternoon FUN Bingo, join our Puzzle Fanatics in the clubhouse! And, of course, we'll still need volunteers to organize the picnics and other events for our summer residents. Let me know if you are interested in helping out.

MEMORIAL DAY PICNIC – Monday, May 30th at 12 Noon. The SAC will provide the meat entrée – everyone else, please bring your favorite side dish to share (should serve 8-10). Tickets will be on sale at Koffee Klatch. Wear your patriotic shirts or red, white, and blue! God Bless America.

ODE TO VOLUNTEERS

Submitted by Joyce Fosdick

Many will be shocked to find when the day of judgment nears, that there's a special place in heaven set aside for volunteers: Furnished with big recliners, satin couches and footstools; where there's no committee chairman, no group leaders or car pools; no eager team that needs a coach, no bazaar and no bake sale; There will be nothing to staple; not one thing to fold or mail; telephone lists will be outlawed, but...

A finger-snap will bring cool drinks and gourmet dinners and rare treats fit for a king or queen. You ask, who'll serve those privileged few and work for all they're worth? Why, all those who reaped the benefits and not once volunteered on earth. Author unknown

SEE YOU IN THE FALL

Evy McDonagh, #219

We had a great response for this powerful Chinese energy exercise – for health and fitness – for anyone regardless of age. I look forward to being back with you all next season. Have a healthy, fun summer.

CAN YOU FIND THIS PLANT IN THE PARK?

One of our neighbors is growing an agave – Century Plant – Can YOU find it? When you do, stop by and look at it up close! It’s a fascinating plant – expect it to grow about 15-20 feet high and flower at the top.

RESIDENT UPDATES

Angela Shuman, #144, red5hot0moma@hotmail.com, phone, 200-3240

We have had several new residents join our Four Seasons family. Deborah Sepinsky, Lot 228, is joining us from Pennsylvania. Deborah has 4 children and 4 grandchildren. We also have Carol and Roger Christianson and Lynn Ruhl, Lot 482. Carol and Roger are from Jenison, Michigan; while, Lynn is from Spring Lake, Michigan. I would like to welcome Deborah, Carol, Roger and Lynn to Four Seasons and hope to see you at our weekly Wednesday Koffee Klatch at the clubhouse. We start selling donuts and coffee for 50 cents at 8AM and we have a meeting on what is going on at 4 Seasons for the week starting at 9AM.

Kathy and Davie Scott are back in Nova Scotia after an auto accident in February and on their way to recovery. Heather Childes, Lot 182, a long time renter returned home as she was not feeling well. Shirley and Robert Larche, Lot 236, are both getting stronger but unfortunately had to put their 4SE home up for sale. Terry Menz, Lot 300, is having a hard time recovering from diabetes issues and has now been moved to Apollo Rehab in St Pete. Al Thornycroft, Lot 194, has also been moved from the hospital to Harbour Wood Health & Rehab in Clearwater.

Sadly, Joe Teixeira, Lot 381, was taken off life support at Largo Medical Center and passed away on April 10. Loretta Brophy, a former resident, passed away on March 29. Jean Nesbitt, Lot 131, has moved to Royal Palms and she will be missed. Maurice Kern, Lot 327, sent email and said to say "HI" to all his friends and says he misses all of us.

Congratulations to Doc Wells and Natalie (Eustace), Lot 115 on their marriage on March 9, 2016. The ceremony and celebration was enjoyed by family and friends.

Please keep our residents in your thoughts and prayers as many of you are heading north to your homes. We all need to stay positive and happy as we head into another season of heat and humidity here in Florida. But those of us that stay here year round have a great time and appreciate all that we do when it is quiet. Please stay safe on your trip north and let's keep each other in our thoughts and prayers. I hope to see all of you in the fall. Keep me posted please either through email or telephone call.

4 SEASONS SOCIAL ACTIVITIES CLUB FACEBOOK PAGE

Mandi Harman-Ashley, #373

You can keep in touch with Four Seasons friends and neighbors through our FaceBook page. We have many people who LIKE our page & our viewing has dramatically increased with postings of videos & photos of park happenings. We currently have 175 Likes and in mid-April reached more than 600 FB fans!

Our page has sought to keep residents informed on computer scams & potential viruses. And up to the minute announcements about Park happenings. You'll also see photos of events in the Park almost as they are happening. Residents and friends of the Park who are on FB appreciate this on-the-spot information.

You can also invite FB friends or family to LIKE our page. Pass the word – this is a great park – we're a friendly group – many beautiful amenities (especially our newly renovated pool and shuffleboard courts) and lots of fun activities.

MONTHLY MEDIA NEWSLETTER DISTRIBUTION

Mandi Harman-Ashley, #373, 255-2437

Residents need to provide a container for their newsletter or they will be asked to pick up their newsletter in the clubhouse. Even if you are a renter, you still need a receptacle. You could use a small basket or box on your step or purchase a park mail pouch from our Monday Craft Club. Cost is \$3 for a regular pouch and \$5 for one with a military design.

The publisher delivers only enough newsletters for our park – one per coach. We generally don't have any extras and many are blown away or get wet unless there is a park mail pouch. If you don't get a newsletter delivered to your door, you may pick one up in the clubhouse after the 1st of the month.

These are our current Four Seasons Forum delivery people. Thanks to all who volunteered during the winter months. We'll be looking for summer people – let Mandi know if you can help out!

1950's version of an E-Mail

Long ago and far away, in a land that time forgot, before the days of Dylan, or the dawn of Camelot. There lived a race of innocents, and they were you and me; For Ike was in the White House in that land where we were born, where navels were for oranges, and Peyton Place was porn. We longed for love and romance, and waited for our Prince, Eddie Fisher married Liz, and no one's seen him since. We danced to 'Little Darlin,' and sang to 'Stagger Lee' and cried for Buddy Holly in the Land That Made Me, Me.

Only girls wore earrings then, and 3 was one too many, and only boys wore flat-top cuts, except for Jean McKinney. And only in our wildest dreams did we expect to see A boy named George with Lipstick, in the Land That Made Me, Me.

We fell for Frankie Avalon, Annette was oh, so nice, And when they made a movie, they never made it twice. We didn't have a Star Trek Five, or Psycho Two and Three, Or Rocky-Rambo Twenty in the Land That made Me, Me.

Miss Kitty had a heart of gold, and Chester had a limp, And Reagan was a Democrat whose co-star was a chimp. We had a Mr. Wizard, but not a Mr. T and Oprah couldn't talk yet, in the Land That Made Me, Me. We had our share of heroes, we never thought they'd go, At least not Bobby Darin, or Marilyn Monroe. For youth was still eternal, and life was yet to be, and Elvis was forever in the Land That Made Me, Me.

We'd never seen the rock band that was Grateful to be Dead, And Airplanes weren't named Jefferson, and Zeppelins were not Led. And Beatles lived in gardens then, and Monkees lived in trees, Madonna was Mary in the Land That Made Me, Me.

We'd never heard of microwaves, or telephones in cars, and babies might be bottle-fed, but they were not grown in jars. And pumping iron got wrinkles out, and 'gay' meant fancy-free, and dorms were never co-Ed in the Land That Made Me, Me. We hadn't seen enough of jets to talk about the lag, and microchips were what were left at the bottom of the bag. And hardware was a box of nails, and bytes came from a flea, and rocket ships were fiction in the Land That Made Me, Me.

T-Birds came with portholes, and side shows came with freaks, and bathing suits came big enough to cover both your cheeks. And Coke came just in bottles, and skirts below the knee, And Castro came to power near the Land That Made Me, Me. We had no Crest with Fluoride, we had no Hill Street Blues, and we had no patterned pantyhose or Lipton herbal tea. Or prime-time ads for those dysfunctions in the Land That Made Me, Me.

There were no golden arches, no Perrier to chill, And fish were not called Wanda, and cats were not called Bill, And middle-aged was 35 and old was forty-three, And ancient were our parents in the Land That Made Me, Me.

But all things have a season, or so we've heard them say, and now instead of Maybelline we swear by Retin-A. They send us invitations to join AARP, We've come a long way, baby, from the Land That Made Me, Me. So now we face a brave new world in slightly larger jeans, and wonder why they're using smaller print in magazines. And we tell our children's children of the way it used to be, Long ago and far away in the Land That Made Me, Me. That's what it was like growing up in the fifties! Hope you enjoyed this read as much as I did. (From an e-mail)
