A MESSAGE FROM THE OFFICE

DeeVon Schisler, LCAM Office phone # 727 584-1413; email secretary.fourseasonsestates@gmail.com

Hello Residents,

We have now finished our major projects. Our streets and sidewalks look great. Our palms will be getting trimmed next, if they are not already done by the time this goes to print. There is continued forward movement with our transition away from Associa. As the Board of Directors announced at their Special meeting, they had narrowed down their presentations to one company that stood out. The Board has since signed a contract with that new management company, effective January 1, 2020. You all will be getting information on that process and will also be receiving information on how to get signed up for auto pay, etc. There may be some snags in this process as with anything that is new. We ask for your patience in this transition. We are trying to make it as seamless as possible for you all. We are strongly suggesting that you use the auto pay for your rent and maintenance fees. Our new management company has great experience with this, without the shortcomings that some have experienced with our current management company. We will continue business as usual until December 31, 2019.

We have received many compliments on the looks of the Park this summer. Thanks to all for your efforts in making this happen. Please be reminded that if you own a home here, it is your responsibility to keep it up, whether you are here full time or not. We encourage you to

find a responsible person to look after your place for light maintenance.

A VOLO reminder; the system cannot distinguish between calls or texts. We cannot set it for one or the other. If you have a phone number listed in our system, you will get a call and a text (if you have a cell phone listed). You will also get an email if you have an email in our system. Now that our major projects are done, I will not be sending out too many VOLO's. There seems to be a misconception about the VOLO system. The VOLO system, is not "just for emergency use" as some may have thought. It is a messaging system that allows mass communication throughout our Community. It can be used for various reasons and situations. While I will not be sending out VOLOs on a whim, it can be helpful for announcements, cancellations of scheduled events, alternative dates of scheduled events, as well as emergency situations. Anything that our Community needs to have put out there.

If you are a shareholder, please let the office know if you need to update your email to receive the email agendas for meetings. I know some of you have not been getting them. I may have outdated or no longer used email addresses. At any rate, I want you to receive them, so please verify that I have your correct address.

We have also had an issue with work being done that has not been authorized through the office. One incident in particular, lead to the Park water system being shut down for several hours when an unauthorized dig was taking place. Please be advised, that you have to get permission to plant anything anywhere, except in your front planter box. **No digging** of any kind can happen without this process being followed. This was a very unfortunate and costly mistake for the homeowner involved. Remember, **you are financially responsible** for any incurred costs in situations like this. Come to the office to get a request form prior to doing any project. I'll then send Steve Lynn or Lloyd Wilson out to look at your project and see if it can be approved. We cannot stress this enough. We do this so accidents (hopefully) do not occur.

We also had a guest of a resident tear up our new streets and that had to be repaired. Again, a costly mistake for that resident. We have worked hard to make these projects happen for the betterment of our Community. Please respect our efforts and show respect for your Community.

Our newest brand new home will have already arrived as well and is situated on Lot #446. It is a beauty and we are anxious for it to hit the market. This home is a super single and is 76' long. It does not feel like a single at all and boasts two, yes two masters with ensuite on each end.

Another couple are putting a new Jacobson Home on lot #366 as well. You may have already seen activity down there. If not, it will be happening soon. Our Community is beautiful. It really is. People love it here and want to buy here. We are all so excited that all of our ground will now be covered.

The coming months will now give way to much excitement and life in our Community. Our snowbirds will be returning each week now to enjoy our Community. We have had many get-togethers over the summer and we have all enjoyed each other's company. As we get

Continued on page 10

ready to welcome more people, there will undoubtedly be more parties. **Please remember that there will be no tape allowed on the clubhouse walls for decorations. It makes no difference who is hosting the party.** It did a lot of damage to the walls and there was much time spent removing it and repairing the damage. **There will be no exceptions to this rule.** We ask that everyone abide by this and keep our Clubhouse looking fabulous!

Our pace is now picking up in the office as the winter season is kicking in. Please remember our office hours are 9AM-3PM. If we don't get to the phone, please know both lines are tied up and please try us again. We can't always get to it before the service picks up. Your patience is greatly appreciated.

Lastly, thank you all for being such wonderful residents in our Community. We had a few bumps during the street makeover, but all in all, you were all wonderful and delightful. We have a great Community!

Please don't hesitate to call the office with any of your comments, questions or concerns. Rest assured, they will be heard and I will take each of them up with the Board of Directors. Let's get this season started! 2020 here we come!!

FSE PHONE DIRECTORY FOR 2019-2020

For our snowbird residents, please stop in at the office to report when you are back in the park and ask for a copy of the 2019-2020 directory. Thanks to Angie S. for the cover photo of our beautiful pool!

FOOD FOR THOUGHT

LOYALTY: If you work for a man, in heaven's name work for him: speak well of him and stand by the institution he represents. Remember, an ounce of loyalty is worth a pound of cleverness.

If you must growl, condemn, and eternally find fault, why--resign your position and when you are on the outside, damn to your heart's content – but as long as you are a part of the institution do not condemn it. If you do, the first high wind that comes along will blow you away, and probably you will never know why. Elbert Hubbard

Michael Crofts
FL Licensed Independent
Health Insurance Agent

Health insurance decisions can be confusing due to endless coverage changes and many policy types. Fortunately, there is someone who can work diligently to help and without cost to you – Michael Crofts, owner of Best Plan Choice.

Through his own healthcare experience Mr. Crofts learned the value of good health coverage and quality medical care. He dedicates his agency to helping people with Medicare and Medicaid needs. You can visit the office to learn about Medicare plan options or he will come to your home.

Every year your Medicare health plan coverage changes even if you do not change plans. Also, new products are introduced and many offer benefits beyond original Medicare and/or Medicaid plans. Baby Boomers had completely different insurance products during their working years. The indemnity and major medical policies are no longer the only choice and often do not meet the financial needs of consumers today.

Don't waste time trying to figure it out. Michael will sit with you and review all of the documents, and answer all of your questions. Most importantly, he will conduct a needs analysis to determine your individual needs – if you expect a hospitalization, use certain medicines, or want benefit like dental or vision – everything is taken into consideration.

Best Plan Choice is there to help you make the right choice and is available long after the policy is written. This means helping with doctor changes, plan questions, annual review of your benefits, and of course taking great care of any friend or family member you refer. At Best Plan Choice clients become friends, and friends become clients.

A MESSAGE FROM OUR PARK CHAPLAIN, CHUCK TRUITT

We're Never Too Old For God's Word

We have a great example from God's Holy Word here, 2 Timothy 4:9–13. *“Do thy diligence to come shortly unto me: For Demas hath forsaken me, having loved this present world, and is departed unto Thessalonica; Crescens to Galatia, Titus unto Dalmatia. Only Luke is with me. Take Mark, and bring him with thee: for he is profitable to me for the ministry. And Tychicus have I sent to Ephesus. The cloke that I left at Troas with Carpus, when thou comest, bring with thee, and the books, but especially the parchments.”*

In 1933, just after Franklin Roosevelt was inaugurated president, he paid a visit to former Supreme Court Justice Oliver Wendell Holmes, Jr. who was celebrating his ninety-second birthday. During their conversation Holmes mentioned that he was reading through Plato again to which FDR famously responded, *“Why are you reading Plato?”* with the undertone of “at your age” but Roosevelt was too polite to say it directly. Holmes replied that he was reading Plato because it improved his mind.

Going back almost 2000 years, and in the final years of the Apostle Paul, he was in a Mamertine Prison cell in Rome awaiting execution. Paul wrote to Timothy and asked him to bring the books and particularly the parchments which he had left behind on his journeys. Even in captivity and facing death, Paul wanted to keep studying and learning the Word of God and hiding it in his heart.

No matter how many years we have been saved or how much we have learned about the Bible or how much we have grown spiritually, we must have a continuing input of truth from God. Although faithful church attendance is important, it is not enough. Each Christian should be striving to learn, grow, and become more like Jesus. If we want to finish our race well, we must not neglect the Word of God. We need to recognize our need for God's Word in our heart and mind on a daily basis.

PROTECT YOURSELF FROM FRAUD

Latest Social Security Scam

The Social Security Administration (SSA) scam is currently the number one scam reported to the Federal Trade Commission. Recently there has been a new twist on the scam in the form of an SSA imposter robocall, which instructs individuals to press 1 to talk with an SSA officer or their SSA benefits will be cut off.

If you get a call like this, do not press 1. Instead, just hang up and remember:

- Your Social Security number is not about to be suspended.
- The real SSA will never call to threaten your benefits.
- The real SSA will never tell you to wire money, send cash, or put money on a gift card.

THE LAW FLORIDA FISH & WILDLIFE CONSERVATORY **WWW.MYFWC.COM – PHONE #853-648-3200**

Question: Is it legal to feed birds and other wildlife?

Answer: Feeding wildlife is generally discouraged and, in some cases, illegal. In Florida, it is illegal to feed manatees, Sandhill cranes, bears, raccoons, foxes, and alligators. Intentionally placing food or garbage, allowing the placement of food or garbage, or offering food or garbage in such a manner that it attracts black bears, foxes, raccoons, or Sandhill cranes and thereby creates a public nuisance is prohibited.

Additionally, intentionally feeding species listed as threatened, endangered, or of special concern - including Florida scrub-jays - is prohibited unless authorized by FWC permit. Feeding listed species is prohibited because it can negatively alter feeding behavior in some species and can cause them to become accustomed to people.

Feeding wildlife often has a detrimental rather than a helpful effect. Feeding animals may cause some species to concentrate so much on this supplemental feeding that they become a nuisance or a threat to people (e.g., bears, Sandhill cranes). **When fed, alligators can overcome their natural wariness and learn to associate people with food. When this happens, some of these alligators have to be removed and killed.**

Please neighbors, **DO NOT FEED THE ALLIGATORS.** You are putting yourself at risk and not doing the alligators any favors!

The Shed and Boutique will be closed until further notice. There are electrical problems that need to be addressed before they can reopen. The power has been turned off and the building has been red tagged by the Electrician and Fire Marshal. Please keep your donations until the Shed and Boutique reopen.

Do Not leave donations in the clubhouse or outside the Shed or Boutique doors.

Tuesday Bridge

Evy McDonagh, #219, phone: 727 238 3369

Tuesday Bridge will restart on November 12th. If you would like to participate we are always looking for new players. Meet us in the card room at 6:15; the game starts at 6.30 and finishes around 8pm. You do not need a partner to play, just give me a call and I will make sure you are welcomed and have someone to play with. Come out and join our group.

Bridge Tips for November: A one no trump Hand

- it has between 15 to 17 high card points
- it has no Singleton or void
- it has no more than one doubleton
- It has no 5-major, but it might have a 5-card minor
- Take your losses early

CRAFTS

Cathy Mendes, # 124, cathyment@comcast.net, 727 437 2340

Thank you for supporting us through all our past seasons. Remember, all proceeds from the sale of our items go directly to the Social Activities Club to support other projects.

AQUA LADIES...AND MEN!

Pat Mcdonnell, #508

Great job to all who participated in our summer water aerobics classes! We've had a great time!

As the cooler weather approaches we think it is a good idea to continue five classes a week, however, all classes will begin at 10am starting the week of Monday, Nov. 4th. (See monthly calendar). All are encouraged and welcomed to join us.

BE A GOOD NEIGHBOR

Good Neighbor Resource Pat Mcdonnell #508 and Joanne Halle #434

We were able to deliver our monthly food packages on September 30th (after most roadwork was completed) along with our hot meals. Thank you, Judy I.

We were pleased to accept a large food donation from Bob C. – thank you, Bob!

The volunteers along with recipients continue to express their gratitude to all who have donated and supported this project.

As the rest of the committee members come back to our community, we look forward to our continued success.

PS: the donation food box is currently in the card room.

GOOD NEIGHBOR TIP #1!

If your neighbor is working or away on trash pickup day, please take a minute and put their trash can and recycle bucket in their carport after pickup. Let's not leave them on the street overnight or have them blow around on windy days!

GOOD NEIGHBOR TIP #2!

Please check to be sure there is no standing water in your yard to attract mosquitos. And if your neighbor is away, walk around his/her home as well. Empty flower pots and lid covers are a great place for mosquitos to lay their eggs

HURRICANE PREPARATION INFORMATION

Just one more month to go – the 2019 Hurricane season comes to end on November 30th. Let's stay alert and be prepared just in case!

- Listen for weather updates - radio (WEOC AM940) and TV.
- Build your survival kit.
- Get cash and fuel your car.
- Protect the windows, and secure your awnings and outdoor objects.
- Purchase bottled water, freeze containers of water, have coolers handy.
- Refill prescriptions.
- Make an itemized list of personal property and take photos.

Hurricane Warning means that a hurricane is expected within 24 hours. If there is a MANDATORY EVACUATION, all residents must leave when notified. Announcements will be made over the radio and TV. Decide in advance where you would go (a friend, relative, or hotel). Leave early. If you need assistance in evacuation, you should register in advance with the Largo Fire Department. THERE ARE FORMS IN THE CLUBHOUSE ON THE CREDENZA. Also a list of hotels in non-evacuation zones.

If you must evacuate:

- Take your survival kit, important papers including identification with local address, jewelry and any other items of value.
- Let friends or relatives know where you will be going.
- Turn off electricity, gas and water.
- Check your neighbors and make sure they have a ride.
- Lock all windows and doors when leaving.
- Drive carefully to nearest assigned shelter.

Once evacuation is lifted, and you can return home, beware of fallen branches, flooding and hanging electrical wires. Before entering your home:

- Check for damage from the outside.
- Turn water, gas and electricity back on.
- If area has been without power for extended period, the perishables in your refrigerator may have to be discarded.

CLUBHOUSE SCHEDULING

Tom Smith, #303, tom200486@yahoo.com, 585 737 3589

If you wish to schedule the clubhouse for a function or private party, please contact Tom Smith. Due to deadlines for the newsletter the request must be by the 14th of the previous month to be included on the next month's calendar. Updates after the 14th will only be posted on the calendar in the clubhouse. To complete the process for private parties, there is paperwork to fill out and a deposit is required. If I am not available, please check in with the Four Seasons office. Thanks for your cooperation.

GOOD NEIGHBOR TIP #3

Be a volunteer! There are so many places here in the park or in our area that could use your hands to help others. **Koffee Klatch** on Wednesday mornings (sign up for a week or two on the bulletin board); **RCA Food Bank** (call 727 443 4031 x506), **Honor Flight of West Central Florida** (assisting veterans at www.honorflightwcf.org); **Pinellas County Education Foundation** (mentoring students – see article) or volunteer at **Fuguitt School** across from our park on 101st Street (stop in the school office to see where they might need you).

GOOD NEIGHBOR TIP #4

If you are a walker (or in your golf cart at night) be sure you have a light – lights on – especially now that it is getting darker earlier. Be safe out there!!

Join us on Wednesday mornings for **Koffee Klatch** – coffee is ready at 8AM (bring your own cup to help us save on paper products and trash) - and say hello to your neighbors! If you are new to the park and want a name tag, there is a sign up on the bulletin board or give Terry H. a call. A short meeting of announcements takes place at 9AM.

Clubhouse Rental: Scheduling of all events in the Clubhouse must go through the SAC, (Four Seasons Estates Social Activities, Inc.), Information Chairperson. This is to check on availability of clubhouse and posting on the activity calendar. Residents can use the clubhouse for private events by filling out the current form and paying a \$100 deposit.

RECYCLE – we are still collecting used American and Canadian flags to be retired at our special **Flag Retirement Ceremony on November 9th at 6PM** in the clubhouse parking lot. There is a box under the credenza in the clubhouse by the office. Please replace your flag when it becomes tattered and worn.

VETERANS WALL OF HONOR

Dan Gregorio, #378, 584-8236

If you have served in the U.S. military or U.S. Military allies (male or female) we would like you to take your place on the Wall of Honor in our clubhouse. We would like to have a picture of you in uniform and a current picture. Please pick up an information form at the office to provide certain stats about your service and return the form and photos to me or to DeeVon in the office and I will prepare them for the Wall.

You will notice that a small dove has been placed on the photo of those Park veterans who are deceased. We are proud of each of our residents who have served our countries. And we are proud of our Wall of Honor – it is a beautiful tribute to all of our Park veterans.

THANK YOU FOR YOUR SERVICE.

GOOD NEIGHBOR TIP #5

It might be advisable to have a complimentary termite inspection from one of the local pest control companies. After all, this is Florida and the old saying goes “if you haven’t had termites and don’t have termites now, you’ll probably get them sooner or later!” They can do a lot of costly damage before you even see evidence.

MEDICAL SHED

Chris Helopoulos, #372, 954-895-4681

We currently have walkers, wheelchairs, quad canes, bedside commodes, and shower chairs in the Medical Shed. Please give Chris a call if you need to borrow any of these, or if you have something to donate.

MONTHLY MEDIA NEWSLETTER DISTRIBUTION

Mandi Harman-Ashley, #373, 255-2437

Residents need to provide a container for their newsletter or they will be asked to pick one up in the clubhouse. Even if you are a renter, you still need a receptacle. You could use a small basket or box on your step or purchase a park mail pouch from our Monday Craft Club. Cost is \$3 and \$5 for one with a military design. We also have some wooden Park Mail boxes available. Let me know if you would like one.

The publisher delivers only enough newsletters for our park – one per coach. We generally don't have any extras and many are blown away or get wet unless there is a park mail pouch. If you don't get a newsletter delivered to your door, please pick one up in the clubhouse. The newsletter is also available on line at www.monthly-media.com after the first of each month.

These are our current Four Seasons Forum delivery people. Sometimes your delivery person will be moved to fill another route as needed. There may be changes as new volunteers come on board. Back-up volunteers are always needed. Please let me know if you are interested!
